UNION MATTERS—

(No. 306 of 1985)

NOTICE is given of an application by "The West Australian Locomotive Engine Drivers', Firemen's and Cleaners' Union of Workers" under the Industrial Relations Act 1979 for an alteration to rule 3—membership of its registered rules.

The organisation wishes to delete existing rule 3 membership and substitute in lieu of the following rule:—

RULE 3—MEMBERSHIP

The union shall consist of an unlimited number of persons employed by the Western Australian Government Railways Commission as an engineman.

The term engineman means and includes any person who is

- (a) a member of the crew of any locomotive; and
- (b) a railcar driver, trainee engineman or permanent cleaner.

A person shall not be a member of this union who is not a worker except in capacity of an honorary member or a member who or whose personal representative is entitled to some financial benefit or financial assistance under these Rules while not being a worker. Any person eligible for membership of the union shall, on the presentation of a membership form duly signed and witnessed be proposed by one and seconded by another member at the monthly meeting of the Union and if a majority of the members present vote in favour of his becoming a member, he shall be considered elected.

This matter has been listed for hearing before the Full Bench on 11th June 1985.

A copy of the rules of the organisation and the proposed alteration may be inspected at my office, 815 Hay Street, Perth.

Any organisation registered under the Industrial Relations Act 1979, or any person who satisfies the Full Bench that he has a sufficient interest, or desires to object to the application may do so in accordance with Regulation 98 of the Industrial Relations Commission Regulations, 1985.
