- (i) The exclusion zone is the area within a line from the coast that follows the boundary between the Mid West and Wheatbelt Regional Development Commission districts until the boundary reaches the western side of Lake Moore; thence a line to a point south east at the junction of lat 32 and long 119; thence south along long 119 to the coast.

12.2.3 Towns within the exclusion zone, and therefore ineligible for District Allowance, may be considered for future District Allowance payments by agreement between the parties. The parties will agree on the process to be applied in consideration of the future eligibility of such towns.

13 FUTURE SETTING AND ADJUSTMENT OF DISTRICT ALLOWANCE RATES

13.1 From 1 July 2011, District Allowance rates shall be calculated using three components:

- (i) cost of living;
- (ii) climate; and
- (iii) isolation.

13.1.1 Cost of Living

A price index to measure cost of living is the Regional Price Index (RPI) and such indexes will be developed in early 2011 and 2013. The components that will be surveyed are as stated in Schedule I of this General Agreement. The parties shall consult on the towns to be included as part of the survey.

The calculations for the cost of living effective from 1 July 2011 and 2013 shall be based on the RPIs developed in these years. The cost of living will be calculated by multiplying the RPIs with the relevant annual salary of a Public Service General Agreement 2008, or as replaced, classification level 1.1 effective on 1 July in each year.

The cost of living component used in the aggregate District Allowance rate will rise and fall according to the actual calculation, and will not be maintained at the previous amount if there is a reduction.

13.1.2 Isolation

The isolation component for the District Allowance rates effective 1 July 2010 is calculated by multiplying \$806 by a quotient derived from the division of the Accessibility/Remoteness Index of Australia (ARIA+) index value for a specific location or area by the maximum ARIA + index value (15).

Future annual calculations of the isolation component will be made on 1 July each year using the monetary value of the previous year adjusted by the annual increase in the Perth Consumer Price Index March to March as issued by the Australian Bureau of Statistics.

13.1.3 Climate

The climate component for the District Allowance rates effective 1 July 2010 is calculated by multiplying \$806 by a quotient derived from the division of the Bureau of Meteorology Relative Strain Index (RSI) value for a specific location or area less 10 by the maximum RSI index value less 10 (200-10=190).

Future annual calculations of the climate component will be made on 1 July each year using the monetary value of the previous year adjusted by the annual increase in the Perth Consumer Price Index March to March as issued by the Australian Bureau of Statistics.

- 13.2** In 2012, the cost of living component will be increased using the 2011 RPI and the current Public Service General Agreement 2008, or as replaced, level 1.1. salary as at 1 July 2012. The isolation and climate factors shall be increased on 1 July 2012 by the annual increase in the Perth Consumer Price Index March to March as issued by the Australian Bureau of Statistics.

14 PHASING OUT OF NORTH-WEST CHILD ALLOWANCE

- 14.1 The parties agree that the District Allowance increases to apply from 1 July 2010 will absorb the North West Child Allowance (\$100 per child, per annum up to a maximum of \$400 per annum) paid administratively by the respondents in Schedule A and/or as provided for in any District Allowance provision contained in any Award or Agreement to which the named respondents in Schedule A and B to this General Agreement are bound.
- 14.2 As the North West Child Allowance is paid per calendar year, the North West Child Allowance will cease from 1 January 2011.

15 CONSULTATION

- 15.1 The parties agree to examine the issues that will ensure that the cost of living in the small, isolated communities is properly reflected in the Goldfields-Esperance, Kimberley and Pilbara Regions.
- 15.2 The parties agree to consult on the content and formulation of the Regional Price Index Survey.
- 15.3 The parties agree to consult on the process to be applied in consideration of the future eligibility of towns currently in the exclusion zone.

- 15.4 Unions party to this agreement may appoint a representative or representatives for the purposes of conducting consultations, discussions or negotiations on their behalf.

16 DISPUTE SETTLEMENT PROCEDURE

- 16.1 Any questions, difficulties or disputes arising in the course of the employment of officers covered by this General Agreement shall be dealt with in accordance with this clause.
- 16.2 The officer/s and the manager with whom the dispute has arisen shall discuss the matter and attempt to find a satisfactory solution, within three working days. An officer may be accompanied by a union representative.
- 16.3 If the dispute cannot be resolved at this level, the matter shall be referred to and be discussed with the relevant manager's superior and an attempt made to find a satisfactory solution, within a further three working days. An officer may be accompanied by a union representative.
- 16.4 If the dispute is still not resolved, it may be referred by the officer/s or union representative to the employer or his/her nominee.
- 16.5 Where the dispute cannot be resolved within five working days of the union representatives' referral of the dispute to the employer or his/her nominee, either party may refer the matter to the WAIRC.
- 16.6 The period for resolving a dispute may be extended by agreement between the parties.
- 16.7 At all stages of the procedure the employee may be accompanied by a union representative.
