"work site" means as agreed between the parties.

- (10) The parties to this award are committed to implementing a new wage and classification structure.

To allow this to occur in an orderly and efficient manner the parties agree that when the award is varied to insert a new wage and classification structure, the disputes settling procedure clause will be varied to provide a mechanism for dealing with claims by existing employees on the appropriateness of their classification in the new structure.

- (11) The parties acknowledge that this procedure formed part of the package which justified the payment of the increases available under the Structural Efficiency Principle.

- (12) Accordingly, the parties agree that if either party is of the view that the other party is in breach of this procedure, the matter will be referred to the Western Australian Industrial Relations Commission for it to determine:

- (a) whether a breach of the procedure has occurred; and
- (b) subject to (12)(a) above, the appropriateness of the continued provision of the benefits provided under the Structural Efficiency Principle or any other action considered appropriate by the Commission.

38. - INTRODUCTION TO CHANGE

- (1) Where an employer has made a definite decision to introduce major changes that are likely to have significant effects on employees, the employer shall notify employees who may be affected, and their union.
- (2) As soon as practicable the employer shall enter into discussions with employees on issues involved in the changes.
- (3) The employer shall discuss with the union any matters raised in relations to the changes.

39. - STRUCTURAL EFFICIENCY IMPLEMENTATION TASKS

- (1) The parties to this award are committed to co-operating positively to increasing efficiency and quality of care in the industry and to enhancing the career opportunities and job security in the industry in accordance with the structural efficiency principle outlined in the Commission in Court Session Decision in Matter No. 704 of 1991.
- (2) At the private health industry level a formal consultative mechanism between representatives of the employers and representatives of the Union shall be established to consider measures raised by the employers or Union that are consistent with the objectives of subclause (1) of this clause.
- (3) The Industry Consultative Committee referred to in subclause (2) of this clause shall determine its own procedures and terms of reference and will meet within two months of this clause being ratified by the Western Australian Industrial Relations Commission.
- (4) The Industry Consultative Committee will meet at least six times per year and more often where agreed between the parties.
- (5) The Industry Consultative Committee shall give priority to the following issues:
- the implementation of a new wage and classification structure;
 - an examination of skills in the industry;
 - minimum rates adjustments; and

- the drafting of an appropriate award clause on enterprise consultation, as soon as reasonably practicable, and consistent with the relevant State Wage Principles.
- (6) Nothing in this clause shall limit the rights of any of the parties to the award to conciliation and/or arbitration in the Western Australian Industrial Relations Commission.

40. - ENTERPRISE FLEXIBILITY PROVISIONS

1. This clause provides a mechanism to develop an enterprise specific agreement which, subject to the Commission's approval, may vary the terms of the award.
2. Any enterprise specific agreement must be genuinely supported by the majority of employees affected and be agreed between the employer and the Union.
3. The following steps shall be followed at the enterprise:-
 - (a) where the employer, the Union or an employee is of the view that a provision of this award could be varied to better suit the employer's business or the employee's aspirations, the issue may be raised for discussion at the enterprise between:-
 - (i) the employees who would be affected by the change; and
 - (ii) the employer; and
 - (iii) the Union.
 - (b) where the discussions referred to above result in a proposal to vary the award under this clause, the proposal shall be reduced to writing and circulated for consultation to the employer, the Union and all employees affected.
 - (c) any proposal made under this clause must meet the following requirements:-
 - (i) the majority of employees affected must genuinely agree to the change; and
 - (ii) the employees, the employer and the Union must have been involved in establishing the proposal; and
 - (iii) no employee shall lose any existing entitlement to earnings for working ordinary hours of work as a result of the implementation of the proposal, provided that the parties may agree on terms and conditions in the aggregate no less favourable to the employees.
4. Where the process in subclause (3) results in an agreement requiring a variation to the award, either the employer, the Union or both shall apply to the Commission under Section 40 of the Industrial Relations Act 1979 (as amended) to have the agreement approved as an award variation affecting the particular enterprise.
5. Nothing in this clause shall prevent the parties, or any of them, from applying to register an Industrial Agreement under Section 41 of the Industrial Relations Act 1979 (as amended).

APPENDIX - RESOLUTION OF DISPUTES REQUIREMENTS

- (1) This Appendix is inserted into the award/industrial agreement as a result of legislation which came into effect on 16 January 1996 (Industrial Relations Legislation Amendment and Repeal Act 1995) and further varied by legislation which came into effect on 23 May 1997 (Labour Relations Legislation Amendment Act 1997).
- (2) Any dispute or grievance procedure in this award/industrial agreement shall also apply to any questions, disputes or difficulties which may arise under it.
- (3) With effect from 22 November 1997 the dispute or grievance procedures in this award/industrial agreement is hereby varied to include the requirement that persons involved in the question, dispute or difficulty will confer among themselves and make reasonable attempts to resolve questions, disputes or difficulties before taking those matters to the Commission.
