(2) Employees with No Fixed Hours

The rate of pay referred to in this clause shall increase by 25% for any employee whose ordinary rostered hours of work are worked over five days of the week subject to subclause (3) of clause 7. - Hours of this award.

(3) Casual employees shall be paid 20% in addition to the rates otherwise payable under this award.

(4) The rates of pay in this award include arbitrated safety net adjustments available since December 1993, under the Arbitrated Safety Net Adjustment Principle.

These arbitrated safety net adjustments may be offset against any equivalent amount in the rate of pay received by employees since 1 November 1991 above the rate prescribed in the Award, except where such absorption is contrary to the terms of an industrial agreement.

Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.

18. - TRANSFERS AND TERMINATION

(1) An employee, promoted or transferred by the employer in the normal course of his employment shall be reimbursed for all reasonable expenses actually incurred in connection with such transfer or promotion.

(2) An employee transferred at his own request, or for disciplinary reasons, will be responsible for his own removal expenses.

(3) An employee, whose services are terminated by the employer through no fault of the employee shall be reimbursed for reasonable removal expenses incurred in returning from the place of employment to his original place of engagement.

(4) All travelling time in connection with promotion, transfer or termination pursuant to subclauses (1) and (3) of this clause shall be paid for at a maximum travelling time per day of eight hours at the rate applicable to the time of day and the day of the week.

19. - HIGHER DUTIES

(1) An employee who is directed by the employer to act in a position which is classified higher than the employee's own substantive position and who performs the full duties and accepts the full responsibility of the higher position for a continuous period of five (5) consecutive working days or more, shall, subject to the provisions of this clause, be paid an allowance equal to the difference between the employee's own wage and the wage the employee would receive if the employee was permanently appointed to the position in which the employee is so directed to act.

(2) Where the full duties of a higher position are temporarily performed by two (2) or more employees they shall each be paid an allowance as determined by the employer.

(3) An employee who is directed to act in a higher classified position but who is not required to carry out the full duties of the position and/or accept the full responsibilities, shall be paid such proportion of the allowance provided for in subclause (1) of this clause as the duties and responsibilities performed bear to the full duties and responsibilities of the higher position. Provided that the employee shall be informed, prior to the commencement of acting in the higher classified position, of the duties to be carried out, the responsibilities to be accepted and the allowance to be paid.

The allowance paid may be adjusted during the period of higher duties.

(4) Where an employee who has qualified for payment of higher duties allowance under this clause is required to act in another position or other positions classified higher than the employee's own for periods less than five consecutive working days without any break in acting service, such employee shall be paid a higher duties allowance for such periods: provided that payment shall be made at the highest rate the employee has been paid during the term of continuous acting or at the rate applicable to the position in which the employee is currently acting – whichever is the lesser.

(5) Where an employee is directed to act in a position which has an incremental range of wages such an employee shall be entitled to receive an increase in the higher duties allowance equivalent to the annual increment the employee would have received had the employee been permanently appointed to such position; provided that acting service with allowances for acting in positions for the same classification or higher than the position during the eighteen (18) months preceding the commencement of such acting shall aggregate as qualifying service towards such an increase in the allowance.

(6) Where an employee who is in receipt of an allowance granted under this clause and has been so for a continuous period of twelve (12) months or more, proceeds on –

(a) a period of normal annual leave; or

(b) a period of any other approved leave of absence of not more than four (4) weeks,

the employee shall continue to receive the allowance for the period of leave: provided that this subclause shall also apply to an employee who has been in receipt of an allowance for less than twelve (12) months if during the employee's absence no other employee acts in the position in which the employee was acting immediately prior to proceeding on leave and the employee resumes in the position immediately on return from leave.

For the purpose of this subclause the expression “normal annual leave” shall mean the annual period of recreation leave as referred to in Clause 11. – Annual Leave of this Award and shall include any leave in lieu accrued during the preceding twelve (12) months taken in conjunction with such annual recreation leave.

(7) Where an employee who is in receipt of an allowance granted under this clause, proceeds on –

(a) a period of annual leave in excess of the normal; or

(b) a period of any approved leave of absence of more than four (4) weeks,

such employee shall not be entitled to receive payment of such allowance for the whole or any part of the period of such leave.

(8) No Higher Duties Allowances will be payable to employees covered by this Award when required to act in another position whilst the permanent occupant is on a rostered day off duty.

20. - PROTECTIVE CLOTHING AND EQUIPMENT

(1) Goggles, safety helmets, climbing boots, respirators, oilskins, gumboots, sou’ westers, wet weather clothing, suitable gloves and any other such clothing and equipment deemed necessary by the employer shall be supplied to employees covered by this award where the nature of the employment is such as to warrant their respective use.

(2) The clothing and equipment issued pursuant to this clause shall remain the property of the employer and shall be replaced on a fair wear and tear basis.

(3) Safety boots and safety helmets issued pursuant to this clause shall be worn at all times deemed necessary by the employer. Any employee not wearing safety boots or safety helmets at times deemed necessary by the employer will not be allowed to commence work and will not be paid for any time lost as a result.

(4) All employees called upon to clean toilets shall on request be supplied with rubber gloves.

(5) All materials, appliances and tools required in connection with the performance of the employee's duties shall be supplied to such employee by the employer without charge.

(6) In every case where the employer requires an employee to wear a uniform for his/her work the uniform shall be supplied by the employer.

21. - DISPUTE SETTLEMENT PROCEDURE

(1) In the event of any proposed change in employment conditions or terms of the Award, or in the event of any dispute arising, the parties will consult together to reach a settlement.

(2) The principle of conciliation and direct negotiation shall be adopted for the purpose of prevention and settlement of any industrial dispute that may arise.

(3) The parties shall take an early and active part in discussion and negotiations aimed at preventing or settling disputes in accordance with the agreed procedure set out hereunder.

(4) Procedure of Settlement of Disputes

(a) The employee and the employee's supervisor should confer, clearly identify the facts and where possible, resolve the issue.

(b) If not resolved, the employee, the union representative, the supervisor and the Department Manager shall confer and, where possible, resolve the issue.

(c) If not resolved the union shall confer with the Personnel and Industrial Relations Manager on the matter, and where possible, resolve the issue.

(d) If the matter is still not settled, either party may submit the matter for conciliation/arbitration by the Western Australian Industrial Relations Commission.

(5) Until the matter is resolved in accordance with the above procedure, the status quo shall remain. While the above procedure is being followed, no party shall be prejudiced as to the final settlement by the continuation of work in accordance with this procedure.

(2) All employees shall be provided with facilities for boiling water.

(3) Employees shall be permitted to eat their meals in a convenient and clean place, protected from the weather, and each such employee shall remove all litter and foodstuff after use.

(4) Where practicable the employer shall provide suitably equipped messing and toilet facilities.

(2) Any dispute or grievance procedure in this award/industrial agreement shall also apply to any questions, disputes or difficulties which may arise under it.
