 - (ii) If the employee fails to return to the employer a completed application to join the Scheme within two weeks of receipt, the employer shall send to the employee by certified mail, a letter setting out relevant superannuation information, the letter of denial set out in paragraph (vi) hereof and an application to join the Scheme.
 - (iii) Where the employee completes and returns the letter of denial, no contribution need be made on that employee's behalf.
 - (iv) Where the employee completes and returns neither the application to join the Scheme nor the letter of denial within one week of postage, the employer shall advise either the union or the Scheme Administrator in writing of the employee's failure to return the completed form.
 - (v) From two weeks following the employer's advice pursuant to paragraph (iv) should the employee not have returned the completed form the employer shall be under no obligation to make superannuation payments on behalf of that employee.

- (vi) Letter of Denial:

The letter of denial shall be in the following form:

"To (employer)

- (1) that should I sign such form you will make contributions on my behalf; and
- (2) that I am not required to make contributions of my own; and

- (a) is contributing to an Approved Occupational Superannuation Scheme, in accordance with an Order of an industrial tribunal; or

Compliance, Nomination and Transition

Notwithstanding anything contained elsewhere herein which requires that contribution be made to a superannuation fund or scheme in respect of an employee, on and from 30 June 1998 -

- (a) Any such fund or scheme shall no longer be a complying superannuation fund or scheme for the purposes of this clause unless -
 - (i) the fund or scheme is a complying fund or scheme within the meaning of the Superannuation Guarantee (Administration) Act 1992 of the Commonwealth; and
 - (ii) under the governing rules of the fund or scheme, contributions may be made by or in respect of the employee permitted to nominate a fund or scheme;
- (b) The employee shall be entitled to nominate the complying superannuation fund or scheme to which contributions are to be made by or in respect of the employee;
- (c) The employer shall notify the employee of the entitlement to nominate a complying superannuation fund or scheme as soon as practicable;
- (d) A nomination or notification of the type referred to in paragraphs (b) and (c) of this subclause shall, subject to the requirements of regulations made pursuant to the Industrial Relations

Legislation Amendment and Repeal Act 1995, be given in writing to the employer or the employee to whom such is directed;

- (e) The employee and employer shall be bound by the nomination of the employee unless the employee and employer agree to change the complying superannuation fund or scheme to which contributions are to be made;

44. - STRUCTURAL EFFICIENCY

- (1) Arising out of the decision of 8 September 1989 in the State Wage Case and in consideration of the wage increases resulting from structural efficiency adjustments, employees are to perform a wider range of duties including work which is incidental or peripheral to their main tasks or functions.
 - (a) An employer may direct an employee to carry out such duties as are within the limits of the employee's skill, competence and training consistent with the classification structure of this award provided that such duties are not designed to promote de-skilling.
 - (b) An employer may direct an employee to carry out such duties and use such tools and equipment as may be required provided that the employee has been properly trained in the use of such tools and equipment.
 - (c) Any direction issued by an employer pursuant to paragraphs (a) and (b) shall be consistent with the employer's responsibilities to provide a safe and healthy working environment.
- (2) The parties to this award are committed to co-operating positively to increase the efficiency, productivity and competitiveness of the soft furnishing industry and to provide and enhance career opportunities and job security for employees in the industry.
- (3) At each individual workroom or enterprise, a consultative mechanism may be established by the employer, or shall be established upon request by the employees or the union. The consultative mechanism and procedure shall be as appropriate to the size, structure and needs of that particular individual workroom or enterprise.

Efficiency measures or issues raised by the employer, an employee or group of employees, or by the union for consideration consistent with the objectives of subclause (2) hereof shall be processed through those consultative mechanism and procedures.
- (4) Without limiting the rights of either employers or the union under arbitration processes in the jurisdiction of the Western Australian Industrial Relations Commission, the consultative mechanism as described in subclause (3) hereof may investigate the means of bringing about changes to flexibility and productivity at the enterprise level provided that
 - (a) The union is a party to any resultant agreement.

- (b) The majority of employees affected by any proposed change at the workroom or enterprise genuinely agree to such change.
- (c) No employee shall suffer a fall in income as a result of such change.
- (d) No changes shall be effected which purport to amend this award.
- (e) The union will not unreasonably oppose any such agreement.

45. - TRAINEESHIPS

(1) Scope

- (a) Subject to paragraph (b) of this subclause, this clause shall apply to persons:
 - (i) who are undertaking a Traineeship (as defined); and
 - (ii) who are employed by an employer bound by this award.
- (b) Provided that this clause shall not apply to employees who were or are undertaking a traineeship otherwise than a traineeship as defined by this clause prior to the date of commencement of this clause.
- (c) This clause has no relationship to the Apprenticeship system.

(2) Objective

The objective of this clause is to facilitate the establishment of a traineeship which provides approved training in conjunction with employment in order to enhance the skills and future employment prospects of Trainees, particularly young people, and the long term unemployed. The system is neither designed nor intended for those who are already trained and job ready. It is not intended that existing employees shall be displaced from employment by Trainees. Nothing in this clause shall be taken to replace the prescription of training requirements in the award.

(3) Definitions

In this clause:

- (a) "Approved Training" means training undertaken (both on and off the job) in a Traineeship and shall involve formal instruction, both theoretical and practical, and supervised practice in accordance with a Traineeship Scheme approved by the State Training Authority or the National Employment and Training Taskforce (NETTFORCE). The training will be accredited and lead to qualifications as set out in subclause (4)(e).
- (b) "Award" means the Soft Furnishing Award No A 23 of 1982.
- (c) "Union" means the Forest Products, Furnishing and Allied Industries Industrial Union of Workers, WA.
- (d) "Trainee" means an employee who is bound by a Traineeship Agreement made in accordance with this award.
- (e) "Traineeship" means a system of training which has been approved by the State Training Authority, or which has been approved on an interim basis by NETTFORCE, until final approval is granted by the State Training Authority.
- (f) "Traineeship Agreement" means an agreement made subject to the terms of this award between an employer and the Trainee for a Traineeship and which is registered with the State Training

Authority, NETTFORCE, or under the provisions of the State Employment and Skills Development Authority Act 1991, or any successor legislation. A Traineeship Agreement shall be made in accordance with the approved Traineeship Scheme and shall not operate unless this condition is met.

- (g) "Traineeship Scheme" means an approved Traineeship applicable to a group or class of employees, or an enterprise within the industry of Soft Furnishing Manufacture. A Traineeship Scheme shall not be given approval unless consultation and negotiation with the union upon terms of the proposed Traineeship Scheme and the Traineeship have occurred. An application for approval of a Traineeship Scheme shall identify the union and demonstrate to the satisfaction of the approving authority that the abovementioned consultation and negotiation have occurred. A Traineeship Scheme shall include a standard format which may be used for a Traineeship Agreement.
- (h) "Parties to a Traineeship Scheme" means the employer and the union involved in the consultation and negotiation required for the approval of the Traineeship Scheme.

References in this clause to "the State Training Authority and/or NETTFORCE" shall be taken to be a reference to NETTFORCE in respect of a Traineeship that is the subject of an interim approval but not a final approval by the State Training Authority.

(4) Training Conditions

- (a) The Trainee shall attend an approved training course or training program prescribed in the Traineeship Agreement or as notified to the trainee by the State Training Authority in accredited and relevant Traineeship Schemes; or NETTFORCE if the Traineeship Scheme remains subject to interim approval.
- (b) A Traineeship shall not commence until the Traineeship Agreement, made in accordance with this clause, has been signed by the employer and the trainee and lodged for registration with the State Training Authority, provided that if the Traineeship Agreement is not in a standard format a Traineeship shall not commence until the Traineeship Agreement has been registered with the State Training Authority. The employer shall ensure that the Trainee is permitted to attend the training course or program provided for in the Traineeship Agreement and shall ensure that the Trainee receives the appropriate on-the-job training.
- (c) The employer shall provide a level of supervision in accordance with the Traineeship Agreement during the traineeship period.
- (d) The employer agrees that the overall training program will be monitored by officers of the State Training Authority or NETTFORCE and training records or work books may be utilised as a part of this monitoring process.
- (e) Training is to be directed at:
 - (i) the achievement of key competencies required for successful participation in the workplace (where these have not been achieved) (e.g. literacy, numeracy, problem solving, team work, using technology), and as are proposed to be included in the Australian Vocational Certificate Level 1 qualification.

This could be achieved through foundation competencies which are part of endorsed competencies for an industry or enterprise; and/or
 - (ii) the achievement of competencies required for successful participation in an industry or enterprise (where there are endorsed national standards these will define these competencies), as are proposed to be included in the Australian Vocational Certificate Level 2 qualification or above.

(5) Employment Conditions

- (a) A Trainee shall be engaged as a full-time employee for a maximum of one year's duration provided that a Trainee shall be subject to a satisfactory probation period of up to one month which may be reduced at the discretion of the employer. By agreement in writing, and with the consent of the State Training Authority or NETTFORCE, the employer and the Trainee may vary the duration of the Traineeship and the extent of approved training provided that any agreement to vary is in accordance with the relevant Traineeship Scheme.
- (b) An employer shall not terminate the employment of a Trainee without firstly having provided written notice of termination to the Trainee concerned in accordance with the Traineeship Agreement and subsequently to the State Training Authority or NETTFORCE. The written notice to be provided to the State Training Authority or NETTFORCE shall be provided within 5 working days of the termination.

An employer who chooses not to continue the employment of a trainee upon completion of the traineeship shall notify, in writing, the State Training Authority or NETTFORCE of its decision.

- (c) The Trainee is permitted to be absent from work without loss of continuity of employment and/or wages to attend the training in accordance with the Traineeship Agreement.
- (d) Where the employment of a Trainee by an employer is continued after the completion of the traineeship period, such traineeship shall be counted as service for the purposes of the Award or any other legislative entitlements.
- (e)
 - (i) The Traineeship Agreement may restrict the circumstances under which the Trainee may work overtime and shiftwork in order to ensure the training program is successfully completed.
 - (ii) No Trainee shall work overtime or shiftwork on his or her own unless consistent with the provisions of the Award.
 - (iii) No Trainee shall work shiftwork unless the parties to a Traineeship Scheme agree that such shiftwork makes satisfactory provision for approved training. Such training may be applied over a cycle in excess of a week, but must average over the relevant period no less than the amount of training required for a non-shiftwork Trainee.
 - (iv) The trainee wage shall be the basis for the calculation of overtime and/or shift penalty rates prescribed in this award.
- (f) All other terms and conditions of this award that are applicable to the trainee, or would be applicable but for this clause, shall apply unless specifically varied by this clause.
- (g) A Trainee who fails to either complete the traineeship, or who cannot for any reason be placed in full time employment with the employer on successful completion of the traineeship shall not be entitled to any severance payments.
- (h) The right of entry provisions contained in Clause 21 of this award shall apply to the parties bound by the Traineeship.

(6) Wages of Trainees

- (a)
 - (i) The weekly wages payable to a Trainee are as provided for in paragraph (iv) of this subclause.
 - (ii) These wage rates will only apply to Trainees while they are undertaking the Traineeship, which includes approved training, as defined.
 - (iii) The wage rates prescribed by this subclause do not apply to the complete trade level training which is covered by the Apprenticeship system.

- (iv) Industry/Skill Level B: Where the accredited training course and work performed are for the purpose of generating skills which have been defined for work at industry/skill level B.

plus 4 years	546.00	623.00	
plus 5 years/more	623.00		

*Figures in brackets indicate the average proportion of time spent on approved training to which the associated wage rate is applicable. Where not specifically indicated, the average proportion of time spent in structured training which has been taken into account in setting the rate is 20%.

The rates of pay in this award include arbitrated safety net adjustments available since December 1993, under the Arbitrated Safety Net Adjustment Principle.

These arbitrated safety net adjustments may be offset against any equivalent amount in the rate of pay received by employees since 1 November 1991 above the rate prescribed in the Award, except where such absorption is contrary to the terms of an industrial agreement.

Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.

- (b) Subclause (8) sets out the industry/skill level of an approved Traineeship. The industry skills contained in subclause (8) are prima facie the appropriate levels but are not determinative of the actual skill levels that may be contained in a Traineeship Scheme. The determination of the appropriate skill level shall be made by NETTFORCE based on the following criteria:
- (i) Any agreement of the parties;
 - (ii) The nature of the industry;
 - (iii) The total training plan;
 - (iv) Recognition that training can be undertaken in stages;
 - (v) The exit skill level in the relevant award contemplated by the Traineeship. In the event that the parties disagree with such determination it shall be open to any party to the Award to seek to have the matters in dispute determined by the Commission.
- (c) For the purposes of this subclause, "out of school" shall refer only to periods out of school beyond Year 10, and shall be deemed to:
- (i) include any period of schooling beyond Year 10 which was not part of nor contributed to a completed year of schooling;
 - (ii) include any period during which a Trainee repeats in whole or part a year of schooling beyond Year 10; and
 - (iii) not include any period during a calendar year in which a year of schooling is completed.

- (d) At the conclusion of the traineeship, this clause ceases to apply to the employment of the Trainee and the Award shall apply to the former trainee.

(7) Special Arrangements

The wage rates contained in this clause are minimum rates. Subject to the foregoing, the Western Australian Industrial Relations Commission shall be requested to determine the appropriate wage rates for any Traineeship not regarded by the parties as appropriately covered by this award.

46. - CAREER START TRAINEESHIPS

(1) Objectives

- (a) The Career Start Traineeships Scheme provides for the possibility of greater amounts of structured training time and longer periods of traineeship through an enhanced Australian Traineeships System, and provides a bridge to the new Australian Vocational Certificate Training System.
- (b) The object of this clause is to provide for the terms and conditions of employment, including the rates of pay, applicable to persons engaged under the Career Start Traineeships Scheme.
- (c) The purpose of these arrangements is to provide vocational training consistent with the needs of industry and general skills appropriate to the workforce, and to enhance the skill levels and future employment prospects of career start trainees. This is to be achieved through various vocational education and training pathways including a combination of work, education and structured training.
- (d) An objective of this clause is to provide vocational education and training pathways that maximise credit transfer and articulation.
- (e) It is the intention of the parties to encourage development of pilot projects and the implementation of the Australian Vocational Certificate Training Scheme.
- (f) An objective of the Career Start Traineeships Scheme is to provide additional employment and training opportunities for young people. Accordingly, these opportunities shall be provided to the fullest extent possible. Existing employees shall not be displaced from employment by career start trainees.

(2) Definitions

- (a) Career Start Traineeships is a system of training comprising structured training with an employer and it will include training in a Technical and Further Education College or other training provider approved by the appropriate state training authority.
- (b) Training agreements mean agreements for Career Start Traineeships that are registered with the appropriate state training authority or under the provisions of the appropriate state training legislation.

- (c) Career start trainees are employees who are bound by training agreements registered with the appropriate state training authority.
- (d) Australian Vocational Certificate trainees are employees who are bound by training agreements and undertaking Australian Vocational Certificate Training System courses.
- (e) Structured training shall mean formal instruction and closely supervised practice directly related to that instruction that is undertaken away from the job as part of a training agreement.

(3) Training Conditions

- (a) Career start trainees shall attend approved structured training courses or programmes prescribed in the relevant training agreements or as notified to the trainees by the appropriate state training authority.
- (b) Career start trainees may be engaged by employers registered with the appropriate state training authority. The employer shall ensure that career start trainees are permitted to attend prescribed off-the-job training courses and are provided with on-the-job training approved by the appropriate state training authority.
- (c) The employer shall provide a level of supervision that is in accordance with the approved training plan during traineeship periods.
- (d) The employer agrees that overall training programmes are monitored by officers of the appropriate state training authority and that training records or work books may be utilised as part of this monitoring process.

(4) Employment Conditions

- (a) A career start trainee shall be engaged as a full time employee, for a traineeship of a minimum period of one year, provided that the career start trainee shall be subject to a satisfactory probation period of up to one month. Career start traineeships shall be:
 - (i) for career start trainees with a year 10 or lesser general education achievement, up to two years' duration;
 - (ii) for career start trainees who have completed year 11 studies, up to 18 months' duration; or
 - (iii) for career start trainees who have completed year 12 studies, of one year's duration.
- (b) A career start trainee with year 10 or lesser level of general education achievement shall spend the amount of time in structured training specified in the registered training agreement. This shall be:
 - (i) during the first year, on average, up to 50 per cent of ordinary working hours each week;
 - (ii) where the traineeship extends beyond the first year, on average up to 35 per cent of ordinary working hours each week during this period.
- (c) A career start trainee who has completed year 11 studies shall spend the amount of time in structured training specified in the registered training agreement. This shall be:
 - (i) during the first year, on average, up to 35 per cent of ordinary working hours each week;
 - (ii) where the traineeship extends beyond the first year, on average, up to 25 per cent of ordinary working hours each week during this period.

- (d) A career start trainee who has completed year 12 shall spend the amount of time in structured training specified in the registered training agreement. This shall be, on average, up to 25 per cent of ordinary working hours each week.
- (e) Notwithstanding the foregoing, an employer or employer organisation respondent to this award and the relevant union may, by agreement in writing and with the consent of the relevant state training authority, vary the duration of the traineeships and the extent of structured training.
- (f) The career start trainee is permitted to be absent from work without loss of continuity of employment to attend the structured training in accordance with the training agreement.
- (g) Where the employment of a career start trainee by an employer is continued after the completion of the traineeship period, such traineeship period shall be counted as service for the purposes of the award and long service leave entitlements.
- (h) The training agreement may restrict the circumstances under which the career start trainee may work overtime and shift work in order to ensure the training programme is successfully completed. When overtime and shift work are worked the relevant penalties and allowances of the award based on the trainee wage will apply. No career start trainee shall work overtime or shift work on their own, or where it is inconsistent with the provisions of the award.
 - (i) All other terms and conditions of the relevant awards applicable in the workforce at which the career start trainee is employed, shall apply unless specifically varied by this award.
 - (ii) The union shall be afforded reasonable access to career start trainees for the purposes of explaining the role and functions of the union.

 - (i) determining the hourly rate applicable to the relevant age as prescribed in the state award that would otherwise be applicable to the career start trainee; and
 - (ii) multiply that hourly rate by the number of weekly ordinary hours, less the average weekly time specified in the registered training agreement to be spent in structured training.
- (b) The weekly wage shall be the rate of pay for all purposes.
- (c)
 - (i) The terms of this clause operate in conjunction with a Commonwealth Government scheme, under which, if weekly wages calculated using the method outlined above fall below \$125.00 for those under 18 years old and \$150.00 for those 18 years and over, the Commonwealth will provide a supplementary allowance to bring the total income of career start trainees up to those levels.
 - (ii) In the event that the Commonwealth Government reduces these minimum income maintenance levels, the terms of this clause will be reviewed.

APPENDIX - RESOLUTION OF DISPUTES REQUIREMENT

- (1) This Appendix is inserted into the award/industrial agreement as a result of legislation which came into effect on 16 January 1996 (Industrial Relations Legislation Amendment and Repeal Act 1995) and further varied by legislation which came into effect on 23 May 1997 (Labour Relations Legislation Amendment Act 1997).

 - (ii) Discussions at this level will take place as soon as practicable.
- (3) The terms of any agreed settlement should be jointly recorded.
- (4) Any settlement reached which is contrary to the terms of this award/industrial agreement shall not have effect unless and until that conflict is resolved to allow for it.
- (5) Nothing in this appendix shall be read so as to exclude an organisation party to or bound by the award/industrial agreement from representing its members.
- (6) Any question, dispute or difficulty not settled may be referred to the Western Australian Industrial Relations Commission provided that with effect from 22 November 1997 it is required that persons involved in the question, dispute or difficulty shall confer among themselves and make reasonable attempts to resolve questions, disputes or difficulties before taking those matters to the Commission..
