Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.

PART 3 - STRUCTURAL EFFICIENCY

(1) Broadbanding

Arising out of the decision of 8 September 1989 in the State Wage Case 69 WAIG 2913 and in consideration of the wage increase resulting from broadbanding of classifications of the rates of pay operative from the beginning of the first pay period to commence on or after 10 November 1989, employees are to perform a wider range of duties including work

which is incidental or peripheral to their main tasks or functions. This shall not mean that employees will be required to perform work for which an employee has not been trained.

(2) Commitment

The parties to this Award are committed to the implementation of a new wage and classification structure, classification definitions and in creating appropriate relativities between different employee skill levels within the Award. In making this commitment the parties:

- (a) Accept in principle to move constructively and rapidly to the development of a single trade stream for the pre-press area leaving a new structure of three trade streams, pre-press, press and post-press allowing for the broadening of the skill and work of employees in the context of appropriate training provisions. As part of this process employees in trade peripheral to their main tasks or functions. This shall not mean that employees be required to perform work for which an employee has not been trained.
- (b) Accept in principle a new Printing Award structure in which descriptions of job functions will be more broadly based and generic in nature.
- (c) Undertake that subject to agreement at enterprise level, employees are to undertake training for the wider range of duties for access to higher classifications.
- (d) Agree not to create barriers to advancement of employees through access to proper accredited training and the advancement of employees through the new structure.
- (e) Will co-operate in the transition from the existing wage and classification structure to the proposed new structure to ensure that the transition takes place in an orderly manner without creating false expectations or disruption.

(3) Award modernisation

- (a) The parties to this Award are committed to co-operating positively to increase the efficiency, productivity and international competitiveness of the Graphic Arts Industry and to enhance the career opportunities and job security of employees in the industry.
- (b) At each plant or enterprise, an employer, the employees and the Union shall establish participative/consultative mechanisms and procedures appropriate to the size, structure and needs of that enterprise. Measures raised by the employer, the employees or Union for consideration consistent with the objectives of paragraph (a) herein shall be processed through that participative/consultative mechanism and procedure.
- (c) Measures raised for consideration consistent with paragraph (b) herein shall be related to the implementation of the new classification structure, the facilitative provisions contained in this Award.
- (d) Without limiting the rights of either an employer of the Union to arbitration, any other measure designed to increase flexibility at the plant or enterprise and sought by any party shall be notified to the Western Australian Industrial Relations Commission and by agreement of the parties involved shall be implemented subject to the following requirements:
 - (i) The changes sought shall not affect provisions reflecting national standards.
 - (ii) The majority of employees affected by the change at the plant or enterprise must genuinely agree to the change.
 - (iii) No employee shall lose income as a result of the change.
 - (iv) The Union must be a party to the agreement.
 - (v) The Union shall not unreasonably oppose any agreement.
 - (vi) Any agreement shall be subject to approval by the Western Australian Industrial Relations Commission, and if approved, shall operate as a Schedule to this Award and take precedence over any provision of this Award to the extent of any inconsistency.
- (e) Any disputes arising in relation to the implementation of paragraphs (b) to (d) herein shall be subject to the provisions of Clause 51. - Settlement of Disputes, of this Award.

PART 4 - INDEXATION OF OVERAWARD PAYMENTS

It is recommended that in accordance with the Commission's decisions dated 23 September 1983 and 27 October 1983 in the National Wage Case, in circumstances where the wage rates prescribed by this Award are increased by order of a Full Bench of the Commission to reflect movements in the Consumer Price Index as a result of National Wage/Wage Indexation cases employers party to the Award should apply the indexation increase to an employee's actual rate of pay as defined hereunder unless the Commission in the National Wage/Wage Indexation case concerned indicates an attitude that overaward payments should not be so adjusted.

"Actual rate of pay" is defined as the total amount an employee would normally receive for performing 38 hours of ordinary work. Provided that such rate shall expressly exclude overtime, penalty rates, fares and travelling time allowance, and any other ancillary payments of like nature. Provided further that this definition shall not include production bonuses and other methods of payments by results which by virtue of their basis of calculation already produce the results intended by this clause.

36B. - TRAINEESHIPS

The terms of the National Training Wage Interim Award 1994, as varied, shall apply to Traineeships under this clause subject to the following provisions of this clause.

- (1) (a) This clause applies to Traineeships Agreements in the following:
Small Offset Printing Traineeship.
- (b) For the purposes of this subclause "Traineeship Agreement" means an agreement made subject to the terms of the National Training Wage Interim Award 1994 between an employer and the trainee for a Traineeship and which is registered with the relevant State or Territory Training Authority, NETTFORCE, or under the provisions of the appropriate State or Territory legislation. A Traineeship Agreement shall be made in accordance with the relevant approved Traineeship Scheme and shall not operate unless this condition is met.

(2) Wages

The weekly wages payable to trainees shall be the same as provided in the aforementioned National Training Wage Interim Award 1994 for work defined at industry/skill level B as set out in the following table:

HIGHEST YEAR OF SCHOOLING COMPLETED			
School Leaver	Year 10 and below	Year 11	Year 12
	\$	\$	\$

plus 2 years	411.00	481.00	551.00
plus 3 years	481.00	551.00	630.00
plus 4 years	551.00	630.00	
plus 5 years	630.00		

The rates of pay in this award include arbitrated safety net adjustments available since December 1993, under the Arbitrated Safety Net Adjustment Principle.

These arbitrated safety net adjustments may be offset against any equivalent amount in the rate of pay received by employees since 1 November 1991 above the rate prescribed in the Award, except where such absorption is contrary to the terms of an industrial agreement.

Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.

(3) Supersession

Any former award provision for the Australian Traineeship System (ATS) or the Career Start Traineeship (CST) shall not apply to any employer except in relation to ATS or CST trainees who commenced a traineeship with the employer before the employer was subject to the application for this clause.

- (a) A Trainee shall be engaged as a full-time employee for a maximum of one year's duration provided that a Trainee shall be subject to a satisfactory probation period of up to one month which may be reduced at the discretion of the employer. By agreement in writing, and with the consent of the State Training Authority or NETTFORCE, the employer and the Trainee may vary the duration of the Traineeship and the extent of approved training provided that any agreement to vary is in accordance with the relevant Traineeship Scheme.
- (b) An employer shall not terminate the employment of a Trainee without firstly having provided written notice of termination to the Trainee concerned in accordance with the Traineeship Agreement and subsequently to the State Training Authority or NETTFORCE. The written notice to be provided to the State Training Authority or NETTFORCE shall be provided within 5 working days of the termination.
An employer who chooses not to continue the employment of a trainee upon completion of the traineeship shall notify, in writing, the State Training Authority or NETTFORCE of its decision.
- (c) The Trainee is permitted to be absent from work without loss of continuity of employment and/or wages to attend the training in accordance with the Traineeship Agreement.
- (d) Where the employment of a Trainee by an employer is continued after the completion of the traineeship period, such traineeship shall be counted as service for the purposes of the Award or any other legislative entitlements.
- (e) (i) The Traineeship Agreement may restrict the circumstances under which the Trainee may work overtime and shiftwork in order to ensure the training program is successfully completed.
(ii) No Trainee shall work overtime or shiftwork on his or her own unless consistent with the provisions of the Award.
(iii) No Trainee shall work shiftwork unless the parties to a Traineeship Scheme agree that such shiftwork makes satisfactory provision for approved training. Such training may be applied over a cycle in excess of a week, but must average over the relevant period no less than the amount of training required for a non-shiftwork Trainee.
(iv) The trainee wage shall be the basis for the calculation of overtime and/or shift penalty rates prescribed in this award.
- (f) All other terms and conditions of this award that are applicable to the trainee, or would be applicable but for this clause, shall apply unless specifically varied by this clause.

The rates of pay in this award include arbitrated safety net adjustments available since December 1993, under the Arbitrated Safety Net Adjustment Principle.

These arbitrated safety net adjustments may be offset against any equivalent amount in the rate of pay received by employees since 1 November 1991 above the rate prescribed in the Award, except where such absorption is contrary to the terms of an industrial agreement.

Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.

- (b) Subclause (8) sets out the industry/skill level of an approved Traineeship. The industry skills contained in subclause (8) are prima facie the appropriate levels but are not determinative of the actual skill levels that may be contained in a Traineeship Scheme. The determination of the appropriate skill level shall be made by NETTFORCE based on the following criteria:
- (i) Any agreement of the parties;
- (ii) The nature of the industry;
- (iii) The total training plan;
- (iv) Recognition that training can be undertaken in stages;
- (v) The exit skill level in the relevant award contemplated by the Traineeship. In the event that the parties disagree with such determination it shall be open to any party to the Award to seek to have the matters in dispute determined by the Commission.
- (c) For the purposes of this subclause, "out of school" shall refer only to periods out of school beyond Year 10, and shall be deemed to:
- (i) include any period of schooling beyond Year 10 which was not part of nor contributed to a completed year of schooling;
- (ii) include any period during which a Trainee repeats in whole or part a year of schooling beyond Year 10; and
- (iii) not include any period during a calendar year in which a year of schooling is completed.
- (d) At the conclusion of the traineeship, this clause ceases to apply to the employment of the Trainee and the Award shall apply to the former trainee.

(7) Special Arrangements

Step 1: Divide the flat dollar increase by 38 (and round to the nearest cent)

Step 2: Multiply the figure calculated in Step 1 by 40

Example: The Commission awards an \$18.00 per week increase to adult weekly rates of pay

Step 1 = \$18.00 ÷ 38 = \$0.47

Step 2 = \$0.47 x 40 = \$18.80

In this example adult weekly rates of pay would be increased by \$18.80 per week.

- (b) The rates of pay in this award include arbitrated safety net adjustments available since December 1993, under the Arbitrated Safety Net Adjustment Principle.

These arbitrated safety net adjustments may be offset against any equivalent amount in the rate of pay received by employees since 1 November 1991 above the rate prescribed in the Award, except where such absorption is contrary to the terms of an industrial agreement.

Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.
