- (5) Supplementary payments set out in subclauses (1) and (2) of this clause represent payment in lieu of equivalent overaward payments.

"Overaward Payment" is defined as the amount (whether it be termed "overaward payment", "attendance bonus", "service increment" or any term whatsoever) which an employee would receive in excess of the "award wage" which applied immediately prior to the decision of the Western Australian Industrial Relations Commission dated 24 December 1993 (Application No. 1457/1993) for the classification in which such employee is engaged. Provided that such payment shall exclude overtime, shift allowances, penalty rates, disability allowances, fares and travelling time allowances and any other ancillary payments of a like nature prescribed by this award.

The supplementary payment at each classification level includes an \$8.00 adjustment reflecting the application of the arbitrated safety net adjustment principle enunciated in the State Wage decision of 24 December 1993 (Application No. 1457/1993). Consistent with the requirements of the Principles the \$8.00 safety net adjustment is absorbable to the extent of any equivalent amount in rates of pay - whether overaward, award or industrial agreement - in excess of the minimum rates (classification rate and supplementary payment) prescribed in accordance with the September 1989 State Wage Case decision.

- (6) The rates of pay in this award include arbitrated safety net adjustments available since December 1993, under the Arbitrated Safety Net Adjustment Principle.

These arbitrated safety net adjustments may be offset against any equivalent amount in the rate of pay received by employees since 1 November 1991 above the rate prescribed in the Award, except where such absorption is contrary to the terms of an industrial agreement.

Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.

(15) The State Wage Case increase is to be applied to adult weekly rates of pay in this Award for the classifications under subclauses (1) to (11) in accordance with the following formula:

Step 2: Multiply the figure calculated in Step 1 by 40

*Example: The Commission awards an \$18.00 per week increase to adult weekly rates of pay*

*Step 1 = \$18.00 ÷ 38 = \$0.47*

(16) The appropriate per hour rate for casual employees is calculated by dividing the total per week rate (as specified in this Clause 20. - Rates of Pay) for the relevant classification by the total number of ordinary hours required to be worked by a weekly employee in that classification and adding a 20 per cent loading on such hourly rates so calculated.

Step 1: Divide the flat dollar increase by 38 (and round to the nearest cent)

Step 2: Multiply the figure calculated in Step 1 by 40

*Example: The Commission awards an \$18.00 per week increase to adult weekly rates of pay*

*Step 1 = \$18.00 ÷ 38 = \$0.47*

*In this example adult weekly rates of pay would be increased by \$18.80 per week.*

- the employee is notified in writing as to the reasons for the deferral;

- (c) Where an appraisal has been deferred for operational reasons beyond the control of either party, and the appraisal subsequently deems the employee to have met the requirements under this clause, any increase in wage rates will be back paid to the 12 month (or 24 month) anniversary date of the previous incremental progression.
- (d) An employee whose incremental advancement has been refused or deferred may seek to have the decision reviewed by lodging a written request through the dispute resolution procedure in Appendix – Resolution of Disputes Requirement of this award. Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.

(6) Translation arrangements and Savings provision

(a) Savings

No employee shall suffer a reduction in wages and/or allowances as a result of the insertion of the new classification structure into this award on 23 March 2006.

(b) Commencement

(c) Translation

(i) An employee whose duties fall within the classification structure set out in this award should confer with his or her employer and seek to reach agreement on the translation of the employee to the terms of this award.

  - Existing Qualified Child Care Giver employees will, depending on their qualifications and/or duties and their experience in the industry, be classified as either CSE Level 4.1, 4.2 or 4.3. Each will be entitled to immediate recognition of their years of experience in the industry at this level.

  - Existing Director employees will, depending on the number of children the service is licensed for be classified as either Director Grade 1, Director Grade 2 or Director Grade 3. Any employee who would suffer a loss of pay as a result of the transition to the new classification structure shall maintain their rate of pay as immediately prior to 23 March 2006.
- (d) Where the employee's current rate of pay is below the rate of pay specified in this Award for the classification appropriate to the employee, the following provisions will apply:
- (i) From the first full pay period to commence on or after 23 March 2006, the employee must be paid (in addition to the employee's current rate of pay) \$20 per week extra or the appropriate classification rate for the employee ("the first instalment", which incorporates the *State Wage Case – 4 July 2005* decision adjustment).

  - (ii) A Board of Reference shall be established from time to time for the purpose of resolving any dispute or difficulty or likely dispute or difficulty in the application of subclause (6)(c)(ii) of this clause. The Board shall be constituted by a Chairperson who shall be a member of the Western Australian Industrial Relations Commission and at least two other members, one of whom is nominated by the Liquor, Hospitality and Miscellaneous Union and the other nominated by the employer respondent to the award affected by the dispute or difficulty or likely dispute or difficulty. Before proceedings commence, the Chairperson shall seek undertakings from the parties appearing before the Board that any decision, subject to the terms of the Act, shall be final. #### **Explanation of terms**

##### **1. Basic tasks**

Uncomplicated tasks which are easily learned and involve little decision making whether machine or non machine.

Basic machine tasks are those where the positioning of the work may be controlled by guidebars and sensor lights, or other such guiding devices or where there is uncomplicated feeding of the fabric.

##### **2. Intermediate tasks**

Tasks which are more difficult to learn, involve more decision making than skill level 1 tasks and which may require fabric knowledge, whether machine or non machine.

Intermediate machine tasks require skill in positioning, feeding and handling of work involving directional changes, contouring or critical stopping points, or require feeding and handling skills beyond those of a skill level 1 operator because of fabric variation.

Intermediate non machine tasks require skills to perform a sequence of related tasks.

##### **3. Complex tasks**

Tasks which are more difficult to learn and involve a higher level of decision making than skill level 2 tasks, whether machine or non machine.

Complex machine tasks require fabric manipulation skills and knowledge beyond those of a skill level 2 operator to perform more difficult tasks or to handle and align the sections while ensuring correct shaping of the end result because of the complexity of combining parts or because of frequent variation in fabrics.

##### **4. Series of different operations on a machine/s**

Performing a sequence of different operations on a machine/s to complete the majority of a complex garment.

##### **5. Machine**

Any piece of equipment which performs a significant part of an operation in:

- designing/grading of patterns
- marker spreading
- spreading of fabric
- cutting, sewing, finishing, pressing and packaging of products

and which is powered by an external source i.e. electricity, steam or compressed air or combinations of these.

Hand tools are not machines and refer to those items which are primarily powered by the operator e.g. scissors, shears, staplers, tagging guns and tape dispensers.

##### **6. Variety of machine types**

Three or more different types of machines which are sufficiently different in their operation to require the exercise of different skills (i.e. a button holer and a button sewer are the same machine type for this purpose whereas a button holer and an overlocker are different machine types).

##### **7. Whole garment machinist or equivalent skills**

A machinist who works largely independently in producing a complex garment from written specifications and patterns. Examples of "equivalent skills" include:

sample machinist

(a) basic skills/trainee level	\$20.00
(b) semi skilled	\$25.00

- (iv) will co-operate in the transition from the existing classification structure to the proposed new structure to ensure that the transition takes place in an orderly manner without creating false expectations or disputation.

(c) In the event that there is a claim for reclassification by an existing employee to a higher level under any new structure on the ground that the employee possesses equivalent skill and knowledge gained through on-the-job experience or on any other ground, the following principles apply -

- (ii) agreed competency standards shall be established by the parties in conjunction with TAFE and SESDA (when operative) for all levels in any new classification structure before any claims for reclassification are processed;

The parties agree to review the operation of the grade structure at the end of the six months trial period with the aim of rectifying any problems which may have arisen with the grade structure.

This review shall include a consideration of the basis upon which award rates are to be incorporated into the award in the form of base rates and supplementary payments as required by the State Wage Principles. This consideration will take into account relevant outcomes of the "paid rates review" conducted by the Australian Industrial Relations Commission.

(7) Term

The provisions of this clause will apply for a term of 24 months from the first pay period commencing on or after 14 August 1990 during which time the parties will report back to the Commission on the following matters -

#### 53. – SUPPORTED WAGE

- (1) Workers Eligible for a Supported Wage

This clause defines the conditions that will apply to officers who, because of the effects of a disability, are eligible for a supported wage under the terms of this clause. In the context of this clause, the following definitions will apply:

"Supported Wage System" means the Commonwealth Government system to promote employment for people who cannot work at full award wages because of a disability, as documented in "(Supported Wage System: Guidelines and Assessment Process)";

"Accredited Assessor ", means a person accredited by the management unit established by the Commonwealth under the Supported Wage System to perform assessment of an individual's productive capacity within the Supported Wage System;

"Disability Support Pension" means the Commonwealth pension scheme to provide income security for persons with a disability as provided under the *Social Security Act 1991*, as amended from time to time, or any successor to that scheme;

and

"Assessment Instrument" means the form provided for under the Supported Wage System that records the assessment of the productive capacity of the person to be employed under the Supported Wage System.

(2) Eligibility Criteria

Officers covered by this clause will be those who are unable to perform the range of duties to the competence level required within the class of work for which the officer is engaged under the Award, because of the effects of a disability on their productive capacity and who meet the impairment criteria for receipt of a Disability Support Pension. (This clause does not apply to any existing officer who has a claim against the employer, which is subject to the provisions of workers' compensation legislation, or any provision of the Award relating to the rehabilitation of officers who are injured in the course of their current employment).

This clause also does not apply to employers in respect of their facility, programme, undertaking, service or the like which receives funding under the *Disability Services Act 1986* and fulfils the dual role of service provider and sheltered employer to people with disabilities who are in receipt of or eligible for a Disability Support Pension, except with respect to an organisation which has received recognition under s10 or s12A of the Act, or if a part only has received recognition, that part.

(3) Supported Wage Rates

Officers to whom this clause applies shall be paid the applicable percentage of the minimum rate of pay prescribed by the Award for the class of work, which the person is performing according to the following schedule:

Assessed Capacity (clause 58.5)	% of Prescribed Award Rate
10%*	10%*
20%	20%
30%	30%
40%	40%
50%	50%
60%	60%
70%	70%
80%	80%
90%	90%

(Provided that the minimum amount payable shall be not less than \$109 per week).

\*Where a person's assessed capacity is 10%, they shall receive a high degree of assistance and support.

(4) Assessment of Capacity

For the purpose of establishing the percentage of the Award rate to be paid to the officers, the productive capacity of the officer will be assessed in accordance with the Supported Wage System and documented in an assessment instrument by either:

- (a) the employer and the union, in consultation with the officer, or if desired by any of these; or
- (b) the employer and an accredited Assessor from a panel agreed by the parties to the Award and the officer.

(5) Lodgement of Assessment Instruments

(6) Review of Assessment

The assessment of the applicable percentage should be subject to annual review or earlier on the basis of a reasonable request for such a review. The process of review shall be in accordance with the procedures for assessing capacity under the Supported Wage System.

(7) Other Terms and Conditions of Employment

Where an assessment has been made, the applicable percentage shall apply to the wage rate only. Officers covered by the provisions of this clause will be entitled to the same terms and conditions of employment as all other officers covered by the Award paid on a pro rata basis.

(8) Workplace Adjustment

An employer wishing to employ a person under the provisions of this clause shall take reasonable steps to make changes in the workplace to enhance the officer's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation in consultation with other officers in the area.

(9) Trial Period

In order for an adequate assessment of the officer's capacity to be made, an employer may employ a person under the provisions of this clause for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding 4 weeks) may be needed.

During the trial period the assessment of capacity shall be undertaken and the proposed wage rate for a continuing employment relationship shall be determined.

The minimum amount payable to the officer during the trial period shall be no less than \$109 per week.

Work trials should include induction or training as appropriate to the job being trialled.

Where the employer and officer wish to establish a continuing employment relationship following the completion of the trial period, a further contract of employment shall be entered into based on the outcome of assessment under subclause 4 of this clause.

(iv)	for an employee classified in paragraph (d) above	28.20

(5) (a) The supplementary payment payable to adult employees in paragraph (a) of subclause (3) of this clause and to trainee draughtspersons in subclause (1) is pursuant to the provisions of this subclause:

- (i) Shall be for all purposes of the Award;
- (ii) Shall be reduced by the amount of any payment being made to that employee in addition to the said rates otherwise than pursuant to the provisions of this subclause, whether such payment is being made by virtue of any Order, Industrial Agreement or other agreement or arrangement.

(6) The rate prescribed for any classification in subclause (3) of this clause is not amended by subclause (5) of this clause and shall not, for the purpose of any other Award, Order, Industrial Agreement or other agreement or arrangement, be deemed to have been so amended.

(7) Structural Efficiency

(a) Arising out of the decision of 8 September 1989 in the State Wage Case and in consideration of the wage increases resulting from the first structural efficiency adjustment in Application No. 1707 of 1989, employees are to perform a wider range of duties including work which is incidental or peripheral to their main tasks or functions.

(b) The parties to this Award are committed to developing a proposal for a new wage and classification structure. In making this commitment the parties -

- (i) accept in principle that the descriptions of job functions within a new structure will be more broadly based and generic in nature;
- (ii) state that wage increases arising from broadbanding and any adjustment of minimum rates which may occur, are subject to absorption into existing overaward payments;
- (iii) will make provisions of an exemption for employers from the requirement to pay any increases arising from the broadbanding and any minimum rates adjustments which may occur;
- (iv) intend to substitute the existing provisions of Clause 7 with a new wage classification structure and to make any consequential amendments no later than November 1990 or earlier if agreed between the parties and approved by the Western Australian Industrial Relations Commission;
- (v) undertake that upon any variation of the award to implement a new wage and classification structure, employees may undertake training for a wider range of duties and/or access to higher levels in accordance with the definitions and training standards laid down in the award variation relating to a new classification structure;
- (vi) will co-operate in any transition which may arise from the existing classification structure to a proposed new structure to ensure that any transition takes place in an orderly manner without creating false expectations or disputation.

(c) In the event that there is a claim for reclassification by an existing employee to a higher level under any new structure on the ground that the employee possesses equivalent skill and knowledge gained through on-the-job experience or on any other ground, the following principles apply -

- (i) the parties agree that the existing award disputes avoidance procedure shall be followed;
- (ii) agreed competency standards shall be established by the parties in conjunction with TAFE and SESDA (when operative) for all levels in any new classification structure before any claims for reclassification are processed;
- (iii) an agreed authority such as TAFE and SESDA or agreed accreditation authority (when operative) shall test the validity of an employee's claim for reclassification;

- (iv) reclassification to any higher level shall be contingent upon such additional work being available and required to be performed by the employer.

(5) The State Wage Case increase is to be applied to adult weekly rates of pay in this award in accordance with the following formula:

Step 1: Divide the flat dollar increase by 38 (and round to the nearest cent)

Step 2: Multiply the figure calculated in Step 1 by 40

*Example: The Commission awards an \$18.00 per week increase to adult weekly rates of pay*

*Step 1 =  $\$18.00 \div 38 = \$0.47$*

*Step 2 =  $\$0.47 \times 40 = \$18.80$*

*In this example adult weekly rates of pay would be increased by \$18.80 per week.*

## (3) (a) Supplementary Payment

Employees shall be paid an additional payment of \$52.10 which shall be added to the base rate specified in subclause (2) hereof for the purpose of calculating the actual weekly rate.

The supplementary payment set out in this clause represents a payment in lieu of equivalent overaward payments

## (b) Arbitrated Safety Net Payment

Employees shall be paid an arbitrated safety net payment which shall be added to the base rate specified in subclause (2) hereof for the purpose of calculating the actual weekly rate.

The rates of pay in this award include arbitrated safety net adjustments available since December 1993, under the Arbitrated Safety Net Adjustment Principle.

These arbitrated safety net adjustments may be offset against any equivalent amount in the rate of pay received by employees since 1 November 1991 above the rate prescribed in the Award, except where such absorption is contrary to the terms of an industrial agreement.

Increases in rates of pay otherwise made under the State Wage Case Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated safety net adjustments.

## (4) Special Allowance

In addition to the base rate specified in subclause (2) hereof employees shall be paid for all purposes of the award a special allowance \$7.70 per week and such allowance shall not be altered as a consequence of wage indexation decisions.

## (6) Actual Weekly Rate

The actual weekly rate shall be calculated by multiplying the sum of the appropriate amounts prescribed in subclause (2), subclause (3) (a) and subclause (5) hereof by 52 on 50.4. This subtotal shall be rounded to the nearest ten cents and then have added to it the Arbitrated Safety Net Payment prescribed in subclause (3) (b) and the Special Allowance prescribed in subclause (4) hereof.

## (7) Overaward Payment

For the purposes of this clause, overaward payment is defined as the amount in rates of pay which an employee would receive in excess of the minimum award wage (ie base rate, arbitrated safety net and supplementary payment) as prescribed in this award for the classification in which such employee is engaged. Provided that this definition shall exclude overtime, shift allowances, penalty rates, expense related allowances, industry allowances, disability allowances, location allowances, special rates or allowances, responsibility allowances and any other ancillary payments of a like nature prescribed by this award.
