CUMULATIVE INDEX TO MATTERS REFERRED TO IN DECISIONS OF APPEAL COURT, INDUSTRIAL COMMISSION AND INDUSTRIAL MAGISTRATES CONTAINED IN VOL. 57 PART 1 W.A.I.G. SUB-PARTS 1—6

NOTE: *Denotes Industrial Appeal Court Decision.
†Denotes Commission in Court Session Decision

Subject — Page

ABSENCE

Claim—Provision for non-payment of a public holiday—Unauthorised absence on the last working day before the holiday—Jurisdiction under s. 42—Provisions in the Agreements—Agreement reached—Circumstance not altered so as to make the Agreement unjust—Dismissed—Iron Ore Industry 320

Application for order to prevent withholding of pay—Work stoppage—Provisions of the agreement unambiguous—Dismissed—Iron Ore Industry 745

ACCOMMODATION

See Board and Lodging.

ACT

See Appeals.

ALLOWANCES

See also Disabilities; Fares and Travelling Time; Wages

Claim for provision of sauna bathing facilities or allowance in lieu—Physical contact with effluent—N.S.W. decision—expert advice and reports received—Rearrangement of ablution facilities ordered—Claim dismissed—Sewerage and Drainage Industry 239

Interpretation—Entitlement to higher duties allowances for senior shift workers on relieving duties—Fire Brigade workers 315

Increased construction allowances—Relationship between the Awards—Previous payments—Multi-storey payments—One allowance desirable—Metal Trades Construction 279

Claim for increased allowances, pay and improved conditions—Relationship between construction projects and awards—Circumstances of construction work compensated in rates of pay—Kwinana rates—Temporary nature of the work—Granting of certain provisions—Metal Trades Construction 545

Granting of $6.00 per week allowance—award coverage—Hours, continuous process work, overtime provisions—Respondency to the awards—Determination as to coverage not made—Hospital Industry. .. 550

Claim for increases—Construction Orders—Increased construction allowance in Metal Trades Award—Outline of construction orders—Relationship with the Award—Previous decisions—Increase payable under other order and award—Orders amended and consolidated 747

Increase granted—Handling of swill—Events leading to the dispute—Offensive nature of the work—Differing incidence of the work—Allowance to cease when swill collection finishes—Indexation guidelines—Council workers 761

Claim for additional payment—New model of truck—Some differences included in disabilities—Work within the usual scope and practise—Dismissed—Iron Ore Industry 743

ANNUAL LEAVE

†Granting of paid sick leave during—Claim; sick leave provisions to ensure no loss of wages which continue during annual leave—Annual leave to be protected against sickness—Inclusion of provisions in other awards—Cement Manufacturing Industry 29

†Claim for *pro rata* payment and leave loading on termination of employment—Previous decision—Entitlement and standards in other States I.L.O. conventions—Termination due to misconduct—Purpose of leave—Refused—Hospital Industry 282

Stand down provisions—Effect on service for leave purposes.—See stand down

Granting of *pro rata* payment of leave loading—Dismissal by employer of workers for causes other than misconduct—Metal Trades Construction 545

APPEALS

†Amendment of Award—Filling of notice—whether application out of time—Whether order issued—Jurisdiction of Commission in Court Session under s 108C—Procedures—Provisions of the Act—Time limits—Dismissed—Maritime Industry 256

APPRENTICES

Objection to an apprenticeship agreement being made—Award provisions—Change in the proportion of tradesmen—Printing Industry 393

AWARD

See also Constitutional Coverage.

New award—Preliminary points—One Industry—Supply of material—Previous Agreements—Extent of, and attitudes of the respondents—Relationship in conditions of service, public and private hospitals—Consistency of the determination—Registration of agreements—Salaried Officers Private Hospitals 150

Alleged breach—Failing to pay second year rates to a part time worker—Provisions of the award—Full time service creates entitlement—Remuneration is according to the class of work; not *pro rata* with a class of worker—Hospital Industry 226

Breach—Failing to provide time and wages record—Claim that the establishment is not a hospital—Mental aftercare—Previous decisions—Scope of the award—Medical care required—Hospital Industry 224

CUMULATIVE INDEX—*continued.*

Page

AWARD—*continued*

Dispute—Entitlement to construction rates—Board of Reference—Provisions of the Award—Definitions—inspection of the work—Classifications fixed in accordance with the award—Eligibility to payment—Sheet Metal Industry 325

Breach of—Failure to pay wages and overtime—Dismissal following late arrival—Dispute as to period worked—Transport Industry 324

Alleged breach—Failure to pay correct rates—Dispute as to coverage under the award—Outline of duties—Definition of "clerk"—common meaning—Worker not employed in a clerical calling—Dismissed 322

Breach of—Failing to apply the provisions of the Award—Contracting out of the Award—Financial difficulty—"Unique" nature of the business—Stand down—Fish Processing Industry 384

Breach of—Failing to pay wages and *pro rata* annual leave—Notice given—Part time worker, entitlement to wages—"Experience" in respect to part time work—Onus of proof—Amendments to wages clause to ensure fairness suggested—Hospital Industry 386

Breach of—Failure to give notice—Dispute re date of receipt of notice—Notice given during annual leave—No decision on right of dismissal during annual leave—Insufficient notice given—Hospital Industry 387

Breach of—Failing to give correct notice and to pay *pro rata* holiday pay—Fishing Industry 528

New Award—Conflict in contract of service—Current practice—No termination provisions—No specification of whether work is casual or part time—Loadings payable, classifications—Cash shortages—Clerical workers (on course totalisators) 459

†Application for new award—Dispute in respect of constitutional coverage—Appeal by intervenor against decision to proceed with the reference—No alteration of rights or prejudice to the exercise of such rights—Powers under section 71—Struck out—Catering Industry (North West) 446

Alleged breach of—Dispute; whether employment was in a clerical calling—"Totalisator computer operator"—Work task and duties—Functions of the machine—Definitions of clerk—Previous decision—Receipt and pay out of cash—Dismissed 526

*Alleged Breach of—Failure to produce time and wages record—Appeal—Claim; partnership agreement a "sham"—Relationship is of master and servant—Evidence presented—Power and control over the business—Terms of the Agreement—Powers conferred—Dismissed—Clothing Industry (See also 56 W.A.I.G. page 1852) 454

Alleged breach—Provision of sanitary facilities and shelter sheds—Interpretation of where workers are employed—Council workers 739

Alleged breach—Failing to produce time and wages record—Claim; worker a clerk and not a storeman—Meaning of "clerk"—Previous decisions—Evidence presented—Principal duties—Dismissed 736

Consolidation of—Comparison with other awards—Previous decisions—Standard provisions—Provisions outlined—Transport Industry 713

*Whether the worker is a "clerk"—scope of the award—Dictionary and historical meaning—Meaning controlled by context—Substantial nature of the employment—Principle duties not clerical—Dismissed 585

Board and Lodging—

Claim; accommodation provided be on the basis of one man to one room—Obligation dependent on circumstances and facilities provided—Construction camp regulations and award provisions—Undertaking by the company—Granted—Building Construction (Muja Power Station) 552

BREACH OF AWARD—See Award.

CASUAL

See also Contract of Service.

†Appeal against decision that only registered casuals should perform repair work at Fremantle—Meaning of casual worker—Definitions in the Awards and relevant Act—Application of the Port Authority Regulations—Allowed—Maritime Industry—(For original decision see Vol 56 p. 1582) 254

Claim; wages be reduced as a result of "decasualisation provisions"—Alignment of watchmen's rates to waterside workers—No loadings in compensation for casual work—Watchmen "other" casual loading; hourly rate reduced—Maritime Industry. 512

CLASSIFICATIONS

See also Contract of Service, Wages.

Interpretation—Whether the employer may withhold annual increments for workers on the automatic range—Meaning of "grade" and "automatic range"—Ambiguity exists—Comparison with Public Service Agreements—Employer may withhold payment of increments—Hospital Salaried Officers 378

Determination of work to be carried out by a licensed scaffolder on a construction site—Work to be undertaken when not engaged on scaffolding duties—Safety issues—Dismissal of worker 401

Claim for new classification—Maintenance, day workers— small sections, responsibility, unable to refer to qualified senior workers—History of "shift tradesmen"—Previous agreements—Working alone; without supervision—Work task—Responsibility—Granted in part—Iron Ore Industry 522

Claim for alteration of—Pulling and stacking timber—Inspection—Importance of relativities—Granted—No reduction—Timber workers 711

COMPARATIVE WAGE JUSTICE

See also Shift Work; Wages; Wage Indexation.

Application for same rates and conditions as the S.E.C. Award—Identical work—Previous relationships—Work performed—Principle on which the claim was based rejected—Provisions altered to meet current standards—Engine Drivers Power Industry 176

Claim—Nexus with other States—Previous decisions—Comparison with other States and Awards—General increases not justified—Equal pay granted—Shift rates—Public holiday work—Compassionate leave—Vehicle allowances—Cleaning and Caretaking Industry 267

Increase granted to mobile crane drivers—Relationship between the Award and Iron Ore Agreements—Comparison of classifications and rates, tickets and capacities—Iron Ore Industry 373

Claim for increased rates—Alignment of clerks rates with shop assistants—Comparative situation in other States not significant—Union should seek new award—refused—Clerical Industry 469

CUMULATIVE INDEX—*continued.* Page

COMPARATIVE WAGE JUSTICE—*continued*

Claim for new award—Proposed provisions—Rates of pay—Wage rate formula—Relativity schemes—Inspection—Work value relativity—Maritime Industry 702

New Award—Wage relativity—Basis upon which awards erected—New basis—Indexation guidelines—Unfair discrepancy—Contract of Service—Additional rates for night-work—Qualifications—Dental Workers 608

Claim to extend "wharf condition" to award—Powers and functions under the Acts—Claim; factors differ—Previous decisions—Extension of conditions subsequent to establishment of wage relativity—Refused—Clerks (Shipping) 599

Claim for same conditions as in the "Parent" Award—Granted for wage rate purposes—Equal pay granted—Cleaning Industry 645

CONDITIONS OF SERVICE

See also Allowances; Nexus; Government Rates and Conditions.

Claim for 37½ hour week and other conditions of the Federal Award—Nexus exists for wages but no direct alignment of conditions—Special circumstances not advanced—Refused—Draughting Industry ... 31

Claim for improved conditions—Provision of relief workers; familiarisation programmes; reduction of hours each shift; limits on extension of shift—Introduction of new signal centres—Previous recommendations—Conditions of work—Task content—Dismissed—Railway Industry 336

Award consolidation—Comparison with other awards—Previous decisions—Reduction in hours—Nightwork—Meal allowances—Holiday work—Sick leave accrual—Recall—Board and lodging—Transport Industry 713

Consolidation—Relationship with other awards—Standard provisions—Overtime, sick leave, shift work, on call—Nursing Industry 665

CONSTITUTIONAL COVERAGE; COVERAGE

See also Minutes; Unions.

†Dispute—coverage of workers employed in "Homes for the Aged" and "frail aged hostels"—Objection to new award—Duties of workers and operations of the establishments—Variations in procedures—Nursing' accommodation functions—Union rules—Hospital and Liquor and allied industries workers 89

†Rules of Architects etc. Union amended—Industrial coverage of Oil and Brewery industries' supervisors—Supervisors desire for coverage—Community of interest—Future applications by supervisors 348

Dispute—Coverage of contract cleaners at hospitals—New contracts—Wage rates—Union rules—Location of the employment—Provisions of the Act, common object—Industry limited to ownership and control—Hospital or contractor as the employer—Hospital Employees and Cleaners and Caretaker Union .....

*Appeal—Common object test not applicable when industry identified with union—Definition of Hospital—Workers employed at and doing work related to the function of the establishments are part of that work force—Geographical location—Common interest—Employment "in" and employment "by"—Allowed 447

Alleged breach of Award—Dispute in respect of coverage under the Award—Outline of the duties—Definition and common meaning of "clerk"—Dismissed 322

†Dispute—Coverage for machine drillmen—Membership rules of the F.E.D.F.U. and A.W.U.—Claim the classification is that of "engine driver" or "stationary motor driver"—Description of the work—Provisions within the Agreements—Acknowledgement of the parties—Meaning of "engine driver"—Technological change—Previous decisions—Iron Ore Industry .....

*Appeal—Award coverage of a labourer—Employer bound by Metal Trades and Dockers Awards—Dispute re wages payable—Provisions of s.85—Relationship between vocational union, vocational award and "industry"—Identification of relevant calling—Dismissed—Maritime Industry (see also 56 W.A.I.G. page 1769) 458

†Application for new award—Dispute re coverage—Appeal by intervenor against decision to proceed with the reference—No alteration of or prejudice to the exercise of rights—Not a decision within the meaning of s.108C (2)—Powers under s.71—Struck out—Catering Industry (North west) 446

Alleged breach of award—Respondency to the award—Meaning of "engaged in the industry"—Principles from previous decisions—No evidence as to the industry workers employed in—Dismissed—Clerks Union 735

Claim new award should not issue—Application for registration of a Union pending—History of the Union membership—Prejudice of the application—Provisions of the Act—Reference to proceed—Federal dispute—overtime, hours—Catering Industry 592

CONTRACT OF SERVICE

†Appeal—Company rights to immediately transfer workers to a lower classification—Provisions of the Agreement—Reclassification and transfer—Obligation to perform work required—Upheld—Iron Ore Industry 10

Obligation to work reasonable overtime—See Overtime.

Conflict of Clauses in existing Award—Nature of the contract—Current practice—No termination provisions—No specification of whether work is casual or part time—Loadings payable—Basis of wages—Classifications—Shortages—Clerical Workers (on course totalisators) 459

DEFINITIONS

See also Awards; Interpretation.

Planned shut down—Malfunction or breakdown—Plant shutdown—Iron Ore Industry 210

Meaning of "Hospital"—Mental aftercare patients—Previous decisions—Scope of the award—Medical care—Hospital Industry 224

DEMARCATION

Dispute—Whether the work of driving the power station utility should be performed by members of the A.W.U.—Transport of passengers—Not work incidental to the duties of the F.E.D.F.U. members 400

CUMULATIVE INDEX—*continued.*

Page

DISABILITIES
See also Allowances.
Claim—Higher disability grouping—Warehouse personnel—Change in working conditions—Granted in part—Iron Ore Industry 106
Claim for additional rates—Maintenance work carried out during plant shut down Definition of shut down—Duties of production workers—"Exceptional" tasks—Nature of the task and equipment used—Grant in part—Iron Ore Industry 210
Claim for increased rates—Decisions based on inspection—Rejection of "comparative disability groupings" argument—Tests of "adequate compensation" and "exceptional task"—Electrical workers (Iron Ore Industry) 334
Claim for increased rates—Comparisons of working conditions—No worsening of conditions—Changes have lessened disabilities—Dismissed—Iron Ore Industry 414
Claim for disability allowance in lieu of special rates—Margins provide for normal working conditions—Recommendation of Commission—Aerated Water Industry 529
Claim for—Mainline Locomotive crews—Working conditions—Comparative conditions—Principles followed—Granted—Iron Ore Industry 730

DISMISSAL
See Reinstatement—Termination.

EQUAL PAY
Granted—Evidence and inspections made—Comparative work tasks—Heavy work and physical limitations—Equality of margins—Difference in total rates—Cleaning and Caretaking Industry 267
Granted—Evidence and inspection—Productivity achieved not a factor—Variation in productivity—Work of a like nature—Cleaning Industry 645

FARES AND TRAVELLING TIME
Increased vehicle allowance—Calculation of rates—Provision of motor cycles and cars refused—claim for prohibition of use during inclement weather—refused—cleaning and caretaking industry 267
Increased travelling time payment—Rates appropriate to the shift—Current practice in payment of travelling rates—Agreement of the parties—Maritime industry 309
Claim previously stood over—Clarification of National Award or Agreement reached—Alternative proposals presented—Respondents proposal granted but further application for variation to be heard if amendment proves impractical—Electrical Contracting Industry 371

FEDERAL
See also Shift Work; Wages.
Relationship between the State and Federal Awards—Provisions of the Federal Award should not automatically be placed in the State Award—Flour Milling Industry 166

GOVERNMENT RATES AND CONDITIONS
See also Award.
Preliminary Point—Claim that the employer as a statutory body should provide equal conditions as other such bodies—Previous Agreements—Alignment under s11A—Functions of the Boards—Comparative structures and consistency of conditions—Egg Marketing Industry 346
Preliminary point—Status of local court officers under the Act—Evidence presented—Workers not under categories specified in SIIA—Supreme Court Act officers subject to Public Service Act although the work is similar—Contract of Service unfettered 764

HOLIDAYS
See Annual Leave; Public Holidays.

HOURS
See also Conditions of Service; Overtime.
Application to amend hours to provide for alternate Saturdays off duty—Existing provision by consent—Provisions granted to shop assistants—Union aware of changes—Existing provisions not unjust—Refused—Meat Industry 314
Entitlement of workers required to start work early—Meaning of "call out" and "recall"—Provisions of the Agreement—Hours—Overtime—Iron Ore Industry 332
Claim for reduced hours on each shift—Previous provisions—Conditions of work—Task content—Dismissed—Railway Industry 336
Interpretation—Entitlement payment when time worked is not in accordance with shift rosters—Matters leading to the dispute—Agreement and Interim Order provisions—Commencement of Guaranteed Hours—Second sign on in any one day—No alteration after sign on for advanced and flying time—Locomotive crews (Iron Ore Industry) 540

INTERPRETATION
See also Definitions; wages
Overtime provisions of the agreement—"Unforeseen circumstances" and whether two or more tasks constitute "a specific job"—Basis of overtime—Purpose of minimum paid period. Expectation of circumstances arising—Shift work —Iron Ore Industry 100
†Appeal against the interpretation of "Unforeseen circumstance" and "specific job"—Day workers recalled for overtime work—Dismissed 365
Entitlement to paid mid-shift meal break—Day workers working overtime—Iron Ore Industry 81
Right to stand down workers without pay during a strike—Contract of employment—Disputes of the Industrial Code Agreement—Common Law rights—Stand down provisions—"Usefully employed"—Spirit and intention of the Industrial Code—Requirement to confer—Right of stand down exists during a strike—Iron Ore Industry 218

CUMULATIVE INDEX—*continued.*

Page

INTERPRETATION—*continued*

Relieving duties—Whether higher duties allowance is payable only to the senior worker on day shift or to senior workers on each shift—Absense of station officer—Provisions of the clause—Intention of the parties—Entitlement exists for each shift—Fire Brigade Workers 315

Large construction work—Whether ship building and repair is construction work under the Award—Definitions in the award—Factors associated with the work do not make it "construction work"—Function of the Board of Reference—Special provisions may be justified—Metal Industry 331

Entitlement of workers required to start work early—"Call out" and "recall"—Iron Ore Industry 332

Stand down—Effect on service for leave purposes—See Stand down.

Annual Increments—Whether employer may withhold increments for workers on the automatic range—See classification.

Entitlement to payment when time worked is not in accordance with hift rosters—Iron Ore Industry—see Hours.

Experience—applicability of in determining pay rates—Registered experienced nurse paid at first year rate—Spirit and intent of the provision—Job requirements—Board of Reference 535

Alleged breach of Award—Provision of sanitary facilities and shelter sheds—Interpretation of where workers are employed—Council Workers 739

*Whether the worker a "clerk"—Scope of the award—Dictionary and historical meaning—Meaning controlled by context—Substantial nature of the employment—Principle duties not clerical—Dismissed 585

JUNIORS

Claim for increased wages—Rates compared to other Awards—Age of majority Act—Rights and obligations—Exclusions of the Act—Adequancy of wages a matter of evaluation—Granted in part—Brick and Tile Manufacturing 161

JURISDICTION

See Appeal.

Long service leave claim—Provisions of the Award—Reference of disputes to Board of Reference—Jurisdiction under S.99 and S.108—Powers of Industrial Magistrate and Board of Reference 738

LONG SERVICE LEAVE

Claim for *pro rata* payment—Termination and recommencement of service—Absence from duty—Conflict of evidence, witness not called—Refused—Pottery Industry 85

†Appeal—Decision of Board of Reference in respect of evidence noted—No assurance given—Dispute settled by the parties—Board should call further evidence to ascertain facts and to determine entitlement—Struck out 367

Effect of stand down provisions on service for leave purposes—See Stand down.

*Appeal—Whether certain allowances should be included as part of ordinary pay—Award and Long Service Leave provisions—Construction of the award—Composition of weekly pay—Contingent; non contingent allowances—Dismissed—Building Industry (see also 56 W.A.I.G. page 1763) 450

Jurisdiction of Industrial Magistrate—Provisions of the Award—Reference of disputes to Board of Reference—Jurisdiction under S.99 and S.108—Powers of Industrial Magistrate and Board of Reference 738

Claim for conditions applicable to permanent Government Officers—Union coverage—History of the coverage—Granted—Clerks Shipping 599

Granting of exemption from—Ten years service—Board of Reference—Bank workers 742

MARGINS

Composition of in respect to disabilities payments—see Disabilities.

MEAL HOURS: MEAL ALLOWANCE

Additional rates granted—Work during meal break—Anomaly between pay rate and meal break penalty—Maritime Industry 52

Breach of Award—Non payment of penalty when thirty minutes allowed for meal break—Interpretation of the clause—Usual duration of meal break—Transport Industry 82

Entitlement to paid mid-shift meal break—Day workers working overtime—Shift, overtime provisions—Iron Ore Industry 81

†Appeal—Provisions of the clause—Day worker working overtime shift not necessarily working a "rostered day off"—No evidence of roster—Upheld 253

Claim for paid meal break for non day shift work—Provisions in other States—Previous claims—Shift rates—Reference of the dispute—Local arrangements to be honoured—Granted—Metal Workers Aerated Water Industry 234

Claim for increase—Previous decisions—1930 decision irrelevant—Standard rate granted—Clerical Industry 469

MINUTES

†Application for time and date to be set for speaking to minutes—Re Dismissal of a claim by the union that workers in "frail aged hostels" should be employed under the Nursing Aides Award—Application under S. 79—Right of appeal prejudiced—Purpose of speaking to minutes—Commission unable to retrieve an order issued—No Award issued—Hospital Industry 232

MISCONDUCT

Workers suspended for alleged sleeping on duty—Cessation of work due to dusty conditions—Evidence presented—Reasonable doubt—Suspension dismissed—Iron Ore Industry 407

MOTOR VEHICLE ALLOWANCES

See Allowances, Fares and Travelling Time.

CUMULATIVE INDEX—*continued.* Page

NEXUS

See also Wage Indexation.

Claim for improved conditions—Comparative conditions in other maritime awards—Overtime, meal hours, pay, annual leave, sick leave 52

OVER AWARD PAYMENT

Granting of Kwinana (Large Construction) rates at Muja Power Station—Large Construction Project—Metal Trades Construction 236

Increased payment to fork lift drivers—Overaward payments in the industry—Previous orders—Relationship to other rates—Relativity altered—Anomaly exists—Payment to vary with changes in the Transport Award—Aerated Water Industry 344

Interpretation—Whether overaward payments are to be taken into account in "low wage area" adjustments as a result of the Wage Indexation decision of 7/12/76 (56 W.A.I.G. 1789)—Well recognised and clearly established payments to be taken into account—Variations—onus on employer to establish payment applies 515

Claim for increased rates—claims directed at matters prescribed by the award—Onus—Reasons advanced apply in general and not to the particular case—Submissions insufficient to bring about different conclusions—Metal Trades 538

Grant of increased rates—Previous order—Nexus with Kwinana rates—Principles and practice re "construction work"—Pay rate components—Allowances—Indexation guidelines—Relationship with other States and between orders and awards—Metal Trades Construction 545

Claim for—Effect of special allowance in lieu of overaward payment lessened—New award to shortly issue—Relativity—Comparison of decisions and orders—Difficulty of comparison—Granted in part—Building Construction 757

Claim for flow-on of construction allowance increase in Metal Trades Award—Outline of Construction Orders—Relationship with the Award—Previous decisions—Other awards and orders in receipt of the increase—Orders amended and consolidated—Metal Trades Construction 747

Claim to extend incentive scheme—Previous principles—Pace of work—Avoidance of anomalies—Compensation should be related to excess over a fixed number—Parties directed to negotiate—Meat Industry 745

OVERTIME

See also Conditions of Service Interpretation.

Increased minimum payment for workers recalled—Comparative conditions of other Awards—State "standards" Maritime Industry 52

Application to delete provision providing for the working of "reasonable" overtime—Workers particular circumstances not being regarded—History of the provision, weekly hours—Industry dependant on overtime—Obligations under the contract of service—Recommendation by the Commission for particular circumstances—Aerated Water Industry 158

Claim for minimum payment period of four hours—Workers recalled to work on rostered day off—Present practice of payment—Periods of recall—Entitlement to work the whole day granted—Transport Industry 261

Entitlement of worker required to start work early—Meaning of "call out" and "recall"—Provisions in the Agreement—Hours—Overtime—Ordinary hours—Iron Ore Industry 332

Claim for minimum rest period between successive days—Provisions generally prescribed—granted—Timber Industry 507

*Appeal against dismissal of complaint that employer failed to pay for "time worked in excess of ordinary hours"—Meaning of "time worked"—Evidence presented—Requirement to work—"On call" not considered relevant—Onus of proof—Upheld—Hospital Industry (See also 56 W.A.I.G. page 1000).. 455

New Award—Federal application—Time span for final resolution—No major change considered—Spread of hours—Claim for minimum payment and double time on Saturday—Ordinary provisions to apply—Catering Industry 592

PART TIME

See also Award; Contract of Service.

Alleged breach of Award—Failing to pay second year rates—Provisions of the Award—Full time service creates entitlement—Remuneration fixed according to the class of work; not *pro rata* with a class of worker—Hospital Industry 226

PUBLIC HOLIDAY

See also Conditions of Service.

Application for proclaimed public holidays to be paid holidays under the Award—Claim that provisions enabling deductions from pay for holidays on which the worker is absent from duty be deleted—Operations of Factories and Shops Act—Stand down for Shop Assistants—Referred to Commission in Court Session 149

Application for increased quantum of holidays and to provide for non-payment of a holiday for unauthorised absence on a day preceding such holiday—Jurisdiction under s42—History of the provisions in the Iron Ore Agreements—Circumstance not altered sufficiently—Dismissed—Iron Ore Industry 320

Claim for a minimum payment period of four hours for workers required for duty—Dismissed—Transport Industry (S.E.C.) 376

RECALL

See Overtime.

REINSTATEMENT

See also Retrenchment.

Granted—Employers rights not to be denied unless for good cause—Fairness to parties a consistent theme in decisions—Workers work history; family commitments—Employers requirements of the worker—Expectancy of permanency—Obligation of the employer—Pharmacy workers 96

Refusal to work as directed—Claim by the worker he was not competent—Limited tasks on the shift—Refusal to listen—Abusive language—Claim dismissed—Mining Industry 107

CUMULATIVE INDEX—*continued.*

Page

REINSTATEMENT—*continued*

Conviction in Court of Petty Sessions—Offer of reinstatement open if conviction set aside—Limitation of time on the offer—Delay in applying for reinstatement—No vacancy—Dismissed—Mining Industry..... 104

Preliminary point—Constitutional coverage—Where the persons concerned were "workers"—Nature of the work and duties—Reorganisation of Company operations—Union activities—Entitlement to reorganise—Termination "abrupt"—Personal situation of claimants—Pay in lieu of notice—*Pro rata* leave—Security Industry..... 111

Claim—Dismissal occurred because of insistence of being accorded the benefits of the award—Injury of reputation and inhibition of future work prospects—Incompatibility of worker and employer—Dismissed—Transport Industry..... 98

Claim—Termination made on grounds not substantiated by fact—Complaint that worker was abusive to a householder—Fact not conclusively shown—Previous behaviour—Order that alternative work be offered—Council workers..... 116

Cessation of work following dismissal of Union safety officer—Claim dismissal due to activities concerned with safety and work of a licensed scaffolder—Appointment on trial basis—Insufficient scaffolding work—Provisions of Safety Act, Regulations and Award—Custom and practice; concern with safety to the exclusion of other work denied by employer—"Custom" or "usage" defined—Job task, duties and responsibilities outlined—Failure to obey instructions—Experience and record—Misunderstanding of what was required not supported by facts—Building Construction Industry..... 401

Dismissal following a fight in the company mess—Evidence presented—Previous conduct—Company practice in respect of penalties—Granted—Suspension imposed—Iron Ore Industry..... 539

Refusal to obey lawful instruction—Conflict of evidence—Disputation in the section—Transfer of worker "poorly timed"—Trial period following the dispute—Peculiar circumstance—No special rights for worker granted re-employment—Municipal Workers..... 553

Granted—Events leading to dismissal—"Unsatisfactory performance"—Principle in respect of misconduct—Dismissal must be immediate—No reconsideration—Road Construction Industry..... 756

Absenteeism—Procedures followed—Personal problems not known by the Company—Poor record—Condonation—Obligation to work required hours—Measures to correct problem—Re-employment ordered..... 754

RETRENCHMENT

See also Reinstatement.

Reinstatement granted—Retrenched workers—Last on, first off—Equal proficiency—Claim for payment for unemployed period refused—No difficulty in obtaining employment—Employer acted in good faith—No preferential treatment for union representative—Building Industry..... 109

Claim for reinstatement and for payment of period not employed—Claimed; retrenched workers were senior and efficient and less senior workers should have been retrenched—Principles of reinstatement—Relative efficiency—Tasks undertaken—Experience—Dismissed—Brushware Manufacturing..... 229

ROSTER

Claim for minimum payment period—Workers recalled on rostered day off—Periods of recall—Present practice of payment—Entitlement to work the whole day granted—Transport Industry..... 261

SAFETY

Claim that safety boots be provided for workers in the foundry section—Previous determinations—Foundry allowance—Provision of safety boots by other employers—Granted—Metal Industry..... 238

Claim worker dismissed because of his activity in connection with safety matters—See Reinstatement.

Recommendation to employer to encourage use of safety boots by providing a reasonable subsidy—Metal Trades..... 538

Claim—Free Safety footwear be supplied—Other workers so supplied—Working conditions—Footwear supplied at cost—Workers responsible for working clothes—Utilisation of current scheme not demonstrated—Refusal—Hospital Industry..... 550

SERVICE PAY

See Supplementary and Special Payments.

SHIFT WORK

See also Conditions of Service Overtime.

See also Overtime.

Objection to the introduction of shift work—Claim agreement limits Company's powers to particular circumstances—Determination as to whether consensus existed at the time of agreement—Iron Ore Industry..... 102

†Appeal—Transcript and evidence provided—No consensus existed—Dismissed..... 256

Claim for increased rates—Loading payable to Metal workers—Uniformity desirable—Election to do permanent shift work—Granted in part—Aerated Water Industry..... 158

See also..... 234

Claim for increased rates and that loadings be payable for day shift—Comparison with other States and Orders—Guidelines—Previous allowances prescribed—Shift systems worked—Brick and Tile Manufacturing..... 161

Increased rates granted—Relationship to Federal Award—No change in circumstances from previous decision—Flour Milling Industry..... 166

Claim for additional signalman on the shift, reduction of hours and extensions of any shift—Introduction of new control centres—Previous recommendations—Conditions of work—Task content—Dismissed—Railway Industry..... 336

Interpretation—Entitlement to higher duties payment for senior shift workers on relieving duties—Fire Brigade Workers..... 315

Claim for increased loading for afternoon, night shift—Parity with Metal Trades Award—Previous Orders—Method of calculation of loadings—Wage rates—Comparison with engine drivers—Granted in part—Salt Industry..... 340

CUMULATIVE INDEX—*continued.* Page

SHIFT WORK—*continued*

Granting of increased rates—Flat rates not applied—Variation of hours—Additional rates for afternoon and night shift not granted—Public holiday provisions, entitlement to additional annual leave—Variation of other provisions—Cleaning and Caretaking Industry 267

†Appeal against decision granting 15% loading—Evidence presented—Obligation of Commission—No standards laid down by Commission in Court Session—Rejection of flat payment a course open to the Commission—Dismissed 445

Entitlement to payment when time worked is not in accordance with shift rosters—Iron Ore Industry—See Hours.

Granting of increased payment—Variation with indexation adjustments—Percentage loadings not to be adopted—Federal Award provisions—Economic disadvantage if no increase granted—Increase in flat loadings to retain parity with percentage loadings—Metal Trades 374

Determination of base rates of pay for shift work penalties—Previously agreed relationship—Removal of stand by component from current rate—Fire Brigade Workers 760

†Appeal against granting of increased payment—Employers unaware of application—Percentage or flat loading—Disadvantages sustained by all workers—Principle of shift payments—Upheld—Metal Trades 582

SICK LEAVE: SICKNESS AND ACCIDENTS

See also Conditions of Service.

Grant of claim that the difference in workers compensation payment and normal pay be made up while on workers compensation—Previous entitlement—Nature of the industry—Maritime Industry 52
