CUMULATIVE INDEX TO MATTERS REFERRED TO IN DECISIONS OF APPEAL COURT, INDUSTRIAL COMMISSION AND INDUSTRIAL MAGISTRATES CONTAINED IN VOL. 58 PART 2, SUB PART 6

NOTE: *Denotes Industrial Appeal Court Decision.
† Denotes Commission in Court Session Decision.

Subject — Page

Absence
Claim that unpaid leave and union sanctioned strike time shall count in assessing annual leave entitlements—"Standard" principles—Previous decision—Position of accredited union representatives—State Energy Commission ... 1104

Agreement
Application to be joined as party—History of case—Provisions of act—Granted—Engineers—Salt Industry ... 1401

Allowances
Claim for $5 allowance as paid to metal tradesmen—Increased responsibility—Previous decisions—Granted—Building Tradesmen in Iron Ore Industry ... 907
Claim for $6.50 license allowance for instrument makers—Discussion on nature of license—Refused—Claim for tool allowance should be dealt with in "parent award"—Government Workers ... 900
†Claim for lost time allowance when determining holiday pay on termination—Ambiguous situation—Common sense must prevail—Building Industry ... 805
Claim for service allowance—Statement of additional expertise with time—Amounts prescribed in other iron ore agreements—Comparative wage justice—Granted—Iron Ore Industry ... 908
Claim for increased district allowances—Working party—Consumer Price Index movements—1958 Inquiry—Interim increase granted ... 938
Claim regarding cold room and disability allowances—Previous decisions—Indexation guidelines—Unfair descrepancy between awards—Granted—Engine Drivers, Meat Industry ... 934
Claim for dust and fume allowance—"Kwinana Rate"—Nature of work—Abnormal conditions—Granted in part—Construction Industry ... 1194
Claim for payment of industry allowance—Previous agreement between parties—Basis on which award was erected—Nature of work—Granted—D.B.A. technicians in Fire Brigades ... 1217
Alleged failure to pay allowances—Dispute as to hours worked—Provisions of Transport Commission Act—Previous decisions—Employer did not make adequate provision—Transport Industry ... 1165
*Claim that worker was entitled to 'lost time' allowance—Provisions of award—Types of service contemplated by the award—Worker's contract of service—Allowance only applicable to employment involving the contingency of short term employment—Dismissed—Building Industry ... 1240
Claim that "confined space" allowance be paid whilst working inside 54 inch pipes—Inspections—Sufficient ventilation—Cramped working position—Need for a diminishing allowance according to pipe size—Granted—Water Supply Employees ... 1282
Claim that all workers covered by an award be paid an industry allowance of $8.10 in lieu of the construction allowance—Previous claims—Nature of 'inside' and 'outside' work—Anomaly with certain recipients of construction allowance—Previous decision—Refused—Water Supply ... 1290
†Appeal against decision dismissing claim for—Extra responsibility—Previous decision—Concept of "Shift Tradesman"—"Unsupervised tradesmen"—Need for further inquiry—Upheld—Building Industry ... 1323
Claim for increased district allowances—Commission in Court Session decision—Allowance not previously varied since awards issued—Special assistance provided to workers in lieu of allowance—"Special cases"—Dismissed—Engine Drivers ... 1359
Claim for license allowance for electrical tradesmen—Nexus established—Previous decisions—Granted—S.E.C. ... 1516
Claim that special maintenance allowance be applied to track maintenance workers—Percentage of time "on track"—Disabilities adequately compensated for—Previous decision—dismissed—Iron Ore Industry ... 1606
Claim for additional allowance—lack of "qualified" supervision—Previous decisions—Mere lack of supervision insufficient—No comparison provided—Dismissed—Electrical trades—Iron Ore Industry ... 1609
Claim for laundry allowance—History of claims—Uniformity of provisions for employees of one employer not merely for sake of uniformity—Granted—Fremantle Port Authority ... 1618

Annual Leave
Clause a combination of Federal and State clauses—Requirement to take leave in not more than three periods—Where Xmas close down operates—Provision unchanged—Clothing Industry ... 820
Interpretation of annual leave clause—Provisions of award—Previous decisions—Ordinary meaning of plain words—Meat Industry ... 1157
Claim for a 35% loading and pro-rata payment on termination (including dismissal for misconduct)—"Standard" principles—Dismissed—State Energy Commission ... 1104
Claim that unpaid leave and union sanctioned strike time shall count in assessing entitlements—"Standard" principles—Previous decision—Position of accredited union representatives—State Energy Commission ... 1104
Claim for an additional week's leave—Introduction of new technology—Productive capacity to increase with reduced workforce—Previous decision relating to capacity to pay—Additional leisure would not be seen to be an inappropriate form of benefit sharing—Parties directed to confer—Printing Industry ... 1288
Claim for proportionate annual leave payment for time on workers' compensation after notice of termination given—Award provisions—if contract of service is severed employer is no longer liable—Dismissed—Building Industry ... 1385
Claim to utilise sick pay in lieu of annual leave if illness occurs—Previous decisions—Granted—Food Industry ... 1498
Composition of payment claim for 25% loading—Inclusion of service payments and bonus—Previous decisions—Comparison with other employers—Percentage loading without bonus payment granted—Iron Ore Industry ... 1463

CUMULATIVE INDEX—*continued*

Page

Appeals
Appeal against an order concerning the performance of certain work—Filing of notice of appeal—Jurisdiction of Commission in Court Session to deal with the matter—Statutes—Previous decisions—Dismissed—Construction Industry 930
† Against order for reinstatement—Inferences drawn by Commissioner—High Court decisions—Principles to be followed in appeal from single Commissioner—Previous decisions—Member of union as well as member of management team—Mutual trust and confidence irretrievable—Compensation for loss of job and associated matters—Upheld in part—Iron Ore Industry 1167
† Appeal against order dismissing claim for increased over award payments—Claim that Commission erred on several grounds—Previous decisions—Pattern of over award payments in the industry—Work value relationships—Dismissed—Food Industry 1072
† Claim that Commissioner erred in having regard to information not raised before him—Penalties not to be looked at in isolation—Relation of penalties to total rates was raised in the generality—Dismissed—Hospital Industry... 1071
† Against order regarding incentive payments—Claim that no dispute existed—Provisions of Section 108I of Act—Denied Commission's jurisdiction—Dispute found to exist therefore jurisdiction established—Appeal dismissed—Meat Industry 1444

Award
Delivery of new award—Constitutional coverage—Awards of contending unions reflect Public Service conditions—Practicalities of situation—Hospital Industry 1075
Log of Claims—Inspections—Nature of industry—Comparative wages and conditions of employment—Community Standards—Previous decisions—Granted in part—Nickel Mining Industry 1199
Claim for amendment of—Not aware of agreement registered before Award made—Superior conditions in agreement—Published in Industrial Gazette—Previous decision—No changed circumstances—Dismissed—Food Industry 1361
Objection to making of—Serving of documents—Difficulty in "roping-in" to Federal Award—Dismissed—Reference to proceed—Clothing Trades 1625
Application for—Discussion of title—"Security" and "Watching"—Granted—Cleaners and Caretakers (Security Agents) 1456
Claim for—Act Regulations for not granting award—Amendment to union constitutional rule—Question of trivial and real and genuine disputes—Public interest—Resistance of all workers of one company to possibility of Preference clause—Provisions of Act—Conscience and equity—One company struck out as party to Reference—Foremen and Supervisors—Cement Production 1622

Board and Lodgings
Claims regarding the upgrading of existing quarters—Accommodation for married couples—Past practice—Seasonal work—Conditions known at time of employment—Meat Industry—Dismissed 1025

Casual Worker
Claim for payment of wages at casual rates—Provisions of award—Worker had never been paid as such—Time and Wages record—Public Holidays—Granted—Clothing Trades 1586

Classification
Claim that worker was matron not sister-in-charge—Initial appointment—Definitions—Nature of work—Dismissed—Hospital Industry 864
Claim for overtime payment where shift worker not relieved by worker of same classification—"Leading Hand" or "Overseer"—Not required to work so not paid—Dismissed—Iron Ore Industry 888
Claim of underpayment—15 y.o. employed by contract bricklayer—No apprenticeship agreement executed—Was worker a builder's labourer?—Nature of work—Adult worker not defined in award—Complaint not proven 1162
Claim that Senior Direct Brigade Alarm Technician be paid equivalent rate to Communications Officer, Workshop Manager—Rate established by negotiation—Previous decision—Duties and responsibilities—Granted in part—Fire Brigade Officers 1292
*Claim that wages ought to be paid in accordance with a higher classification—Award definitions—Nature of work—No appointment to the higher position—Dismissed—Hospital Industry 1251
Claim for return to previous classification—Foreman relegated to lower position—Failure to notify supervisor of error—Illness—Long service—Dismissed—Water Supply 1390
Claim to amend the classification of Wages Clerk—Comparison with other hospitals—Additional responsibility—Sequence of events should not penalise worker—not contrary to Wage Indexation—Granted—Hospital Salaried Officers 1349
Claim for inclusion of "Mobile Equipment Plant Operator"—Included in other awards for that industry—Not sufficient justification—Dismissed—Iron Ore Industry 1463
Claim for structure of classifications of mess personnel as in other employer's agreement—Recognition of tradesman's status for qualified cooks—Previous decision—No reason to disturb existing rates—Classification should reflect that cooking is an apprenticeship trade—Iron Ore Industry 1463

Conditions of Service
Dispute over the provision of additional fans—Fittings need to be approved by Government Department—Management should reduce unpleasantness but no order to this effect—Meat Industry 1025
Claim to go home to change if workers become wet—Worker's right to protect himself against illness—Management prerogatives, special allowances and provisions which apply to "wet work"—Custom and practice—Granted—Iron Ore Industry 1035
Alleged failure to provide water supply and sanitary facilities—Discussion of \ proximity—Dismissed—Municipal Employees 1165
Claim to broaden an existing Bereavement Leave clause—Conditions applicable elsewhere—Background to award—Application of the provision—Granted in part—Railways 1268

CUMULATIVE INDEX—*continued*

Page

Contract of Service
†Question of continuous service for purposes of Long Service Leave—Regular TAB work on two race days per week—Victorian Full Court decision—Contract of service was for each meeting and could not be described as continuous service—Clerks TAB 801
† Termination of service while worker was receiving workers compensation—Medical and working future not positively known—Claim that contract of employment frustrated because of incapacity—Cases on doctrine of frustration—Employer failed to prove frustration—Agreement provisions on termination—No evidence to show incapacity was permanent—Appeal dismissed—Iron Ore Industry 797
Complaint regarding payment in lieu of notice—Coverage of award—Activities of employer—Previous decision—No breach of award by employer in accepting less than his entitlements 1008
Alleged failure to pay wages—Worker prepared and drove truck for a friend—Defendant claims no contract of employment entered into—Some portion of work done as a volunteer—Transport Industry 1166
Breaches of award in failing to pay wages in lieu of notice—Workers faced prospect of unpaid holiday and were going to 'take steps' through the Union—Workers dismissed summarily on that ground—Proven—Clothing Industry 1163
*Claim that worker was entitled to 'lost time' allowance—Provisions of award—Types of service contemplated by the award—Worker's contract of service—Dismissed—Building Industry 1240
*Claim that Commission in Court Session erred in holding that a worker was not entitled to three months notice of termination—Terms of Agreement—Conditions attached to non-tenured staff—Ordinary meaning of terminology used in Agreement—Dismissed—Academic Staff. 1244
Dispute regarding meaning of "one week's notice"—Definitions—No special meaning found—All moneys due may be paid prior to expiration of notice—Electrical Industry 1386
Claim for proportionate annual leave payment for time on workers' compensation after notice of termination given—Award provisions—if contract of service is severed employer no longer liable—Dismissed—Building Industry 1385
Claim for worker to be paid up to time of dismissal when dismissed for misconduct—Provision in other awards—Common law approach—Previous decision—Granted—Food Industry 1498

Coverage—Constitutional Coverage
Coverage of Clerical Workers in Iron Ore Industry—High Court decisions—Creation of a dispute and an award possible without employees' consent—Parties directed to confer. 1020
Claim for casuals on floating crane to be employed under Mooring Staff Award—Other Awards—Previous decision—Granted—Maritime Industry 1041
Coverage of clerical workers—Nature of work—Awards of contending unions reflect Public Service conditions—Practicalities of situation—Hospital Industry 1075
Application for the inclusion of certain administrative classifications in the award—Scope—Unique features in the role of administrator—Responsibility of assistant administrators—Amendment to Union membership clause—Hospital Industry 1133
Claim that Electricians assistants have right to drive haulpaks whilst electrical tradesman is testing them etc.—A.W.U. claim their trades assistants should have exclusive right—A.W.U. constitutional rule—Electrical assistants are in effect trades assistants (electrical)—Granted—Iron Ore Industry 1614

Definitions
Claim for a definition and a higher wage for certain fitters—Nature of work—Comparison of responsibilities—Federal decision—Not granted—State Energy Commission 1104
Claim for the insertion of classification in award—Management prerogative—Nature of work and training—Not granted—State Energy Commission 1104

Demarcation
Who should dismantle pilot grinding mill—Inspection—Work previously done by metallurgist—Work to be done by tradesmen—Iron Ore Industry 894
Claim that Electrician's Assistants have right to drive haulpaks whilst electrical tradesman is testing them etc.—Previously done by A.W.U. trades assistants—Previous decision regarding A.W.U. constitutional rule—Electrical assistant merely different phraseology for trades assistant (electrical)—Competence of driver—Granted—Iron Ore Industry. 1614

Disabilities
Claim that worker be placed on higher disability grouping—No change in circumstances—Comparison with other disability grouping—Refused—Iron Ore Industry. 1606

Dismissal
Claim to dismiss worker—Charged with assault on another worker—Charge dismissed—Previous complaints—Employer's right to dismiss or retain worker—No injustice found—Dismissed—Iron Ore Industry .. 1189
Claim that dismissals were contrary to provisions of the Act—Workers faced prospect of unpaid holiday and were going to 'take steps' through the Union—Workers dismissed summarily on that ground—Proven—Clothing Industry 1163

Dispute
Right of employer to require workers to perform work other than their usual work—Nature and incidence of work—Attitude of the Unions—Information given to workers—Mineral Sands Industry 1033
Claim for award—Workers claim dispute not real and genuine—Merely paper dispute—Union acting without consultation with workers makes case trivial—conscience and equity—Foremen and Supervisors—Cement Production 1622

Equal Pay
Application for—Basic wage causes differentiation—Previous decisions—Need for total rates—Margins for skill—Discussion recommended—Food Industry 1519

CUMULATIVE INDEX—*continued*

Page

Fares and Travelling Allowance
Claim for $5.80 based on National Award—Principle, allowance to cover excess fares—Case for a change not shown—Metal Trades 897

Federal
Objection to award being made—Respondents claim Federal Award appropriate—"Roping-in" possible—Difficulties found—Reference to proceed—Clothing Trades 1625

Holidays
Lost time allowance when determining holiday pay on termination—Award provision—Common sense must prevail—Building Trades 805
Claim for one week's leave after six weeks' service with air fares to Perth—Australian Conciliation and Arbitration Commission decision—Recruitment in Perth—Dismissed—Iron Ore Industry 1039
Claim for higher penalty rates for shift workers on New Year's Eve and New Year's Day—Incentive to ensure manning—Employers claim no manning problems—Dismissed—Iron Ore Industry 1463

Hours
Dispute over proposals to reduce hours worked by rail crews—Meaning of "home depot"—Guaranteed hours in cancelled train situation—Hours paid to roster relief crewmen—Iron Ore Industry 1039
Claim for increased hours of work—Bans imposed on ore cars repaired by contractors—Effect of downturn in Industry on overtime—Rights of Management—Dismissed—Iron Ore Industry 1182
Claim for reduction—Provisions of other awards—Longer hours than majority of employees—Previous decision—Granted—Watchmen in Timber Industry 1560
New award provisions—Provisions of government award—Comparison with other States—Commissioner altered provisions—Liberty reserved—Security Agents. 1456

Interpretation
Interpretation of annual leave clause—Provisions of award—Previous decisions—Ordinary meaning of plain words—Meat Industry 1157
Whether entitlement for penalty payment for period of notice of change of roster is maintained if notice withdrawn—Question of permanent change—Payable only if new roster is commenced—Engine Drivers—Iron Ore Industry 1273
Entitlement to progressive rates dependent upon "years of experience"—Part time progression—Hours per week—Recognition of increased skill and knowledge—Distinction between experience and service blurred—Payment to be based on calendar years not hours of experience 1363

Jurisdiction
*Claim that Industrial Magistrate was wrong in law in deciding that the jurisdiction to order payment was discretionary, and alternatively was wrong in the exercise of his discretion—Nature and extent of duty imposed or power conferred—Previous decisions—Allowed in part—Liquor Industry 1249
*Appeal against Commission in Court Session decision regarding long service leave "continuous service"—Jurisdiction of Special Board of Reference challenged. Appointment of Board members—Jurisdiction established. Clerks (On-Course Totalisators) 1447
† Claim that no dispute existed therefore no jurisdiction—Appeal against order—Provisions of Section 108I—Dispute found therefore jurisdiction established—Appeal dismissed—Meat Industry 1444

Long Service Leave
†Appeal against decision of Special Board of Reference—Regular work on two race days per week—Did work constitute continuous employment?—Victoria Industrial Appeals Court and Full Court decision—Contract of service only for each meeting and could not be described as continuous service—Provisions of the award—Employment arrangement for mutual convenience without contractual obligation—Clerks TAB 801
Board of Reference decision—Claim that dismissal due to serious misconduct—Employee sold article at incorrect price—Previous decision—Employee did not stand to gain—Midconduct not serious—Shop Assistants 872
Claim for *pro rata* payment—Worker obliged to retire through pressing necessity—Running other businesses—Dismissed—Timber Industry 875
Claim by employer regarding *pro rata* entitlement—Pressing necessity—Payment stopped on cheque paid to employee—Retrenchment or resignation—Dismissed 1014
†Appeal against decision of Special Board of Reference—Death of Board Member representing employee could prejudice Chairman's decision—Claim that employer's representative rarely determines in worker's favour—Regulations and previous decision—No injustice or prejudice found—Dismissed 932
*Appeal against Commission in Court Session decision regarding continuous service—Jurisdiction challenged—Commission's power to appoint Special Board of Reference—Appointment of employers' and employees' representative—Contractual arrangements—"Continuous service" established—Appeal allowed—Clerks (On-Course Totalisators) 1447
Claim for 17½% loading—Comparison with other employers in industry—Commission in Court Session recent refusal—Dismissed—Iron Ore Industry 1463

Manning
Manning of teams engaged in bore pulling—Previous agreement as to who should do work—Work can be done by various people—Order as such—Iron Ore Industry 895
Dispute as to manning of power station—Dampier—Nature of the machinery and work tasks—Safety to be determined basically by Chief Inspector of Machinery—Recommendations but no order made— Iron Ore Industry 881
Claims in respect of changing work force structure—Factors affecting proper work distribution of teams—Terms of Award—Congestion on work floor—Pre-season investigation—Meat Industry—Dismissed 1025
Dispute over right of employer to require workers to perform work other than their usual work—Nature and incidence of this work—Attitude of the Unions—Mineral Sands Industry 1033

CUMULATIVE INDEX—*continued*

Page

Misconduct
Dismissal of employees—Incorrect price of internal sale—Had been repaired—Cases on the degree of misconduct justifying dismissal—Complainant treated shabbily—Clerks 865
Board of reference decision—Dismissal of employee—Article sold at incorrect price—No personal gain—Not serious misconduct—Shop Assistants 872
Claim for reinstatement—Conflict between technician and administrative officer—Misconduct found—Career area of Public Service—Re-establishment of employer-employee relationship possible—Notice of termination to be withdrawn on certain conditions—University Salaried Officer 1279

Mixed Functions
Claim that higher duties be paid for the day if engaged in such work for more than two hours—Doctrine of major and substantial employment—Previous decisions—Granted in part—State Energy Commission 1104

Nexus
Claim for increased overaward payment—Nexus with other awards still exists—Claim dismissed—Fork Lift Drivers—Food Industry 884
Claim over difference in rates between Government and railway electricians—Nexus with other states—Supplementary payments—Previous decisions—Granting of claim does not break nexus 1037
Claim for increased wages—F.P.A. Relativity—Previous decision—Not granted on work value comparison but in sense of fairness—Industrial imbalance—Definition of nexus—Granted—Waterfront Industry 1149
†Claim for increased supplementary payments—Previous decisions—Indexation increases—Relationship between skilled tradesmen and semi skilled and unskilled—Nexus with Federal award—Granted—Metal Industry 1139
Claim for wage increase as granted to waterside workers—Past practice—Indexation guidelines — Granted—Stevedoring Supervisors 1294
Claim for increased wages—Partial nexus existing with SECV—decision of Commonwealth Commission—Dismissed—Engineering and Boilermaking SEC 1516
Claim for license allowance for electricians—Nexus established with Kwinana Construction Order—Previous decisions—Granted—SEC 1565

Overaward Payment
Claim for increase—Nexus with other awards—Previous decision giving history—Restructuring of rates of pay—Dismissed—Fork Lift Drivers—Food Industry 884
†Appeal against order dismissing claim for increased over award payments—Claim that Commission erred on several grounds—Previous decisions—Pattern of over award payments in the industry—Work value relationships—Dismissed—Food Industry 1072

Overtime
Claim for overtime payment where shift worker not relieved by worker of same classification—Not uncommon practice—"Leading Hand" or "Overseer"—Not required to work so not paid—Dismissed—Iron Ore Industry 888
Claim for increased hours of work—Utilization of contractors—Effect on overtime of downturn in industry—Rights of management—Dismissed—Iron Ore Industry 1182
Claim for payment of double time for all work in excess or outside of usual hours—Penalties applicable to maritime awards—Provisions of Launch Masters Award—Granted in part—Maritime Industry 1096
Claim for introduction of a "physical exhaustion" clause—Provisions of Federal Tug Boat Award—Granted—Maritime Industry 1096
Alleged non-payment—Cessation of work outside normal finishing times—Definitions—Defference between "outside ordinary hours" and "outside ordinary finishing time"—Need for more than eight hours to be worked—Dismissed—Transport Workers 1167
Claim for double time after two hours—Commission Standards—Capacity to pay—Granted—Meat Industry 1136
Claim for on-call allowance—No longer live-in positions—Emergency situations and circumstances of different hospitals—Transport and telephone rental paid—Interstate comparison inappropriate—Other emergency service provisions—Granted—Hospital Industry 1345
†Appeal against order relating to overtime roster system—Problems of distribution of rosters and of contacting rostered worker—Fairness to worker—Hardship and unreasonable cost to employer—Previous decisions—Commissioner's knowledge of matter lead to deletion of submissions in formal hearing—Upheld—Remitted for further hearing—Iron Ore Industry 1317
Application to reintroduce payment sub-clause for work during meal hours—Inadvertent omission questionable—Discussion recommended—Timber Industry 1560
Questions regarding loss of—Contractors employees and company employees overtime to equate—Company employees to suffer no detrimental effects due to utilisation of contractors—Iron Ore Industry. 1572

Preference
Claim for clause similar to other employers in same industry—Requirement to be financial members before commencing employment—Isolation creates difficulties—Previous decisions—Not simply in "interests of uniformity"—Dismissed—Iron Ore Industry 1463

CUMULATIVE INDEX—*continued*

Page

Rates of Pay
Claim for $20 increase—Rates for dam construction in other States—Suggestion of rate increase with parties to agree—Dam Construction at Wungong 879
Claim for adjustment of rates of pay in accordance with an established principle—Previous decisions—Relationships within and between classes of work—Wage indexation guidelines—Clerical workers in Maritime Industry—Refused 1023
Claim for $5 increase as granted to Government electricians—Nexus maintained with other States—Increased supplementary payments—Previous decisions—Granted—Railway Electricians 1037
Claim for an incentive payments scheme—Board of Reference decision—Changed method of operation—Affect on earnings—Payment of $5.50 per day granted—Meat Industry 1219
Claim for altered scale for junior workers—Wage indexation guidelines—Similarity of duties of juniors and adults—Relationship of rates in other awards—Granted in part—Maritime Industry 1096
Claim that "off roster" rates of pay be applied to all workers running "unscheduled trains"—Terms of award—Granted subject to certain award provisions—Iron Ore Industry 1215

Reclassification
Claim for wage increase—Reclassifications offered—Comparison with other States—Adjourned—Metal Industry .. 1019

Records
Alleged failure to produce time and wages record to accredited union official—Coverage by different award—Type of business carried out—Percentages of each type of business—Dismissed—Transport Workers. 1168
Failure to produce time and wages record—Provisions of award—Evidence—Defendant had reasonable opportunity to discharge her obligation—Proven—Clothing Industry 1163
Failure to produce time and wages records—Domestic arrangement whereby only one partner would make records available—Partner not available—Breach of award proven 1591

Redundancy
Claim for four weeks pay for each year of service—Inspections—Nature of Industry—Previous retrenchment policy—Parties directed to confer—Nickel Mining and Processing Industry 1199
Claim for provisions—Various decisions—Provision of necessary safeguards—Granted—Iron Ore Industry 1463

Reinstatement
Claim that termination was harsh and unjust—Prior notice was given and withdrawn—Nature and performance of work—Relations between worker and supervisor—Reinstatement ordered—Building Industry (Government) 1214
Claim that termination was unjust and unfair—Attempts by Union to influence work practices—Worker's actions the result of serving two masters—Offer for re-engagement in different section—Municipal workers 1192
Claim for reinstatement—Fighting on the job—Previous decisions—Witnesses—Conduct records—Alternative penalty—Granted—Iron Ore Industry 1296
Claim for reinstatement—Alleged influence of drugs or alcohol and threatening gestures towards another worker—Duties performed in normal and competent manner—Emotional upset—Previous employment record good—Granted—Iron Ore Industry 1393
Claim for—Warning regarding job performance—Ridiculed Secretary in presence of staff—Dismissed—Hospital Industry 1612

Safety
Claim that collection of garbage from houses with steep drives and steps is unsafe—Two workers instead of one—Inclement weather—Inconvenient and nuisance but not unsafe—Dismissed—Municipal Employees 887
Claim for supply of safety footwear—Other employers have granted this—Innovations in foundries—Damaging effect of substances used—Need for greater safety—Granted—Foundry Workers 1293

Shift Work
Claim for shift tradesman rate when relieved by ordinary tradesman—Provisions of agreement—Mixed functions do not apply—Iron Ore Industry 880
Deletion of shift work clause from award—Shift work not carried out—Rope and Soap Workers 842
Penalties for working 2nd and 3rd shift—Previous decision rejecting increase—Watchmen not as well off as watchmen in other ports—Rate increased to time and one third and time and three quarters for 3rd shift—Maritime Industry 861
Claim for a guaranteed week arising from a claim for shift work—Shift work provisions previously deleted from award—Recent practice—Provisions of the Act—Insufficient information before the Commission—Parties to confer—State Energy Commission 1104

Sick Leave
Requirement for medical certificate—Provisions of Metal Trades award adopted—Timber Yard Workers 847
Claim for restoration of sick leave credits and payment for balance of shift not worked—Prior shutdown of air-conditioning—Excessive tiredness of workers—Dismissed—Iron Ore Industry 1017
Deletion of subclause sought—Insertion of similar clause into Awards—Absurdity or contrariness of provisions—Original intent—Transport Workers 1154
Claim for the carry-over of accumulated sick leave following transmission of business—Award responsibility—Previous decision—Union was in essence seeking a restrospective award amendment—Principles of equity—Dismissed—Food Industry 1190

CUMULATIVE INDEX—*continued*

Page

Sick Leave—*continued*
Claim that employer acted unfairly by applying sick leave provisions—Failure to produce medical certificate—Origin of provisions—Problem of single day absences—Employee's claim legitimate—Hospital Industry 1218
†Appeal against decision refusing transfer of accumulated sick leave to new owner of business—No legal obligation—No custom existing—Fairness—Dismissed—Food Industry 1327
Claim for unlimited accumulation and Health Insurance Plan—Isolation allegedly causes delays in obtaining medical attention—Easy access to hospitals and medical practitioners—Insurance not an industrial matter—Dismissed—Iron Ore Industry 1463
Claim that requirement of medical certificate for absences of less than one day be deleted—Previous decisions—Granted—Food Industry 1498
Application to delete requirements for medical certificate for single day absences after first single day absence without certificate—Previous decision—History of provision—Absence through menstrual problems—Employer entitled to protection from irresponsible worker—Granted—Clothing Industry 1515

Special Rates and Provisions
Claim for 20 cent allowance for fumes—Rates payable to building works and engineering tradesmen—Board of Reference and Australian Commission decision—Granted—Metal Trades 897
Claim regarding cold room and disability allowances—Inspections—Previous decisions—Indexation guidelines—Unfair discrepancy between awards—Comparison with other industries and awards—Granted—Engine Drivers, Meat Industry 934
Claim that work performed warranted inclusion in higher disability scale—previous judgment based on inspection of work—No change in work or conditions—Refused—Iron Ore Industry 1017
Claim for increased disability allowance—Comparison with other large construction projects—Metal Trades Kwinana Order 1975—Previous decision—Relevance of Eastern States rates rejected—District Allowance and free board accommodation—Increase granted—Iron Ore Industry 1039
Claim in respect of power station allowances—Relation to rates in Victoria—Problems with "all in" allowances—Adjustment of separate allowances and adoption of "all in" allowances seen as alternatives—State Energy Commission 1104
Claim for the free supply of boots and overalls—Terms of award—Inspection—Nature and incidence of work—Equity principle—Dismissed—Brickworks 1184
Claim for the free supply of boots and overalls—Terms of award—Inspection—Conditions of work known when award was made—Company policy—Dismissed—Wire Manufacturing 1186
Claim that "confined space" allowances be paid whilst working inside 54 inch pipes—Inspections—Sufficient ventilation—Cramped working position—Need for a diminishing allowance in accordance with pipe size—Granted—Water Supply Employees 1282
Claim for supply of safety boots—Granted by other employers—Innovations and changes in conditions in Foundries—Damaging effect of substances used—Need for greater safety—Granted—Foundry Workers 1293
Claim for confined space allowance and special payment for workers lancing boilers at Muja Power Station—Previous inspections and decisions—Comparison with Victoria—Exceptional circumstances—"One off"—Granted—Engine Drivers 1341
Claim for free supply of clothing—One employer in industry provides clothing, others make payments for—Previous decision—Dismissed—Iron Ore Industry 1463
Claim for power station disability allowance—Previous decisions—Comparison with other employers in industry—Granted—Iron Ore Industry 1463
Claim for increased construction allowance—Comparison with another award—Granted—Iron Ore Industry 1463
Claim for laundry allowance—History of claims—Uniformity of provisions for employees of one employer not merely for sake of uniformity—Granted—Fremantle Port Authority 1618

Stand-down
Claim for payment—Availability of "useful work"—Stand-down incorrect as work was available—Granted—Printing Industry 1042
Claim for payment for time stood down—Terms of award—Question of useful or alternative work—Dismissed—Iron Ore Industry 1187
Appeal against decision dismissing claim for payment during stand-down—Usefully employed—Employer's responsibility for stoppage not found—Behaved reasonably—Dismissed—Iron Ore Industry 1326
Breach of award—Availability of work—Weekly contract of service—Terms of award—Conditions of trade—No local demand for cattle killed on Tuesdays—Unfair financial burden on employer—Breach proven—Meat Industry 1588
Claim for payment during—Availability of useful work—Principles involved in question of "Usefully employed"—Strike by other workers—Employer could not reasonably be held responsible for standdowns—Dismissed—Iron Ore Industry 1608

Supervision
†Appeal against decision dismissing claim for allowance—Existence of extra responsibility—Previous decision—Concept of "Shift Tradesman"—"Unsupervised tradesmen"—Need for further inquiry—Upheld—Building Industry 1323
Claim for additional allowance—Lack of "qualified" supervision—Previous decisions—Mere lack of supervision insufficient—No comparison provided—Dismissed—Electrical Trades—Iron Ore Industry 1609

Supplementary and Special Payments
Claim for increased Service Pay for Government Workers—Comparisons with private industry and other government workers—History of payment—Previous decisions—Loss of purchasing power and household expenditure—Granted 902
Claim for altered service pay scheme—Comparison with other newspapers—History of claim—Unfair discrepancy—Printing Industry 1043

CUMULATIVE INDEX—*continued*

Page

Supplementary and Special Payments—*continued*
† Claim for increase—Previous decisions—Not a "work value" case—Nexus with Federal award—Skilled tradesmen compared with semi-skilled and unskilled—Indexation increases to supplementary pay to restore relationship—Granted—Metal Industry 1139
Appeal against order granting increased service payments—Claim amended to constitute unfair discrepancy with other newspaper—Order made to dispel anomaly—History of claims—No previous relationship with other Newspaper's service payments scheme therefore no unfair discrepancy found—Upheld—Printing Industry 1328
Service payment scheme operates outside of award—Claim that insufficient regard given to long serving worker—Comparison with other employers in industry—Comparative wage justice—Commission proposal of new scale—Iron Ore Industry 1463

Technological Change
