

CUMULATIVE INDEX TO MATTERS REFERRED TO IN DECISIONS OF APPEAL COURT, INDUSTRIAL COMMISSION AND INDUSTRIAL MAGISTRATES CONTAINED IN VOL. 60 PART 1, SUB PART 6

NOTE: *Denotes Industrial Appeal Court Decision.
†Denotes Commission in Court Session Decision.
‡Denotes Full Bench Decision.

Subject	Page
Absence	
Counterclaim that shift work penalty will not be received for absence on sick leave—Rate and duration of absences on night shift—Problem of single day absences—Need demonstrated to discourage absences for other than genuine illness—Provision amended—Newspaper Industry.....	193
Application for interpretation of holiday clause—Rates for day in lieu of holiday worked—Absence as a result of strike—Clause applies to employees observing holiday—Iron Ore Industry	985
Accommodation	
Claim that workers required to work away from metropolitan area have choice of accommodation—Use of barracks—Use of motels and facilities—Choice available with limit to respondent's liability for cost—Railways...	483
Act	
†Appeal against decision of Long Service Leave Board of Reference regarding "ordinary pay"—Jurisdiction—Question of whether party making appeal was duly authorised agent of appellant—Procedural requirements of Long Service Leave Act and Industrial Arbitration Act—Inclusion of certain allowances—Appeal Court decision—Industry allowance included—Building Trades.....	18
Appeal against decision that person representing employer was not a legal practitioner within meaning of section 67 of Act—Provisions of Act—Meaning of "Practitioner"—Dismissed—Meat Industry	14
Claim of unfair suspension—Disciplinary action available to employer under Government Railways Act—Appeal rights provided under that act—Commission not correct avenue for appeal—Dismissed—Railways.....	483
Claim for new award—Replacing relevant sections of various industry awards—Constitutional coverage of other unions—Objects of the Act—Need for consensus between unions on interests of members—Dismissed—Electrical trades.....	771
*Appeal against decision that union not eligible to be made party to Agreement—Riggers only possible common coverage—Riggers in iron ore industry not in the same industry or calling in which the union is registered—Provisions of the Act—Previous decisions—Dismissed—Building Trades.....	621
*Appeal against decision regarding jurisdiction of the Commission—claim for a redundancy order providing for offer by respondents of alternative employment—Provisions of the Act—Master and servant relationship—Comparison with preference to unionists provisions—Previous decisions—Dismissed—Clerks.....	624
†Application for reduction of hours of work—History of legal representation—Provisions of the Act—Reasons for interventions—Not a general inquiry into standard hours or Government employment—Comparisons with private industry in this state and with the same industry in other states—Adjourned—S.E.C.	790
Application for order re hours of work—No. Award coverage—Meaning of "benefit" in context of relevant section of the Act—Hours under original contract of service—Increase would forego leisure without compensation—Declaration restoring previous hours granted—Travel Industry.....	1015
Objection to making of award—Respondents contractual obligations—Genuineness of application—Effect on parties—Objects of the Act—Previous decisions—Dismissed—School Bus Driving Industry.....	1017
‡Application to amend union rule—Restricting election and membership of governing body to members in metropolitan area—Relevant rules—Objects and provisions of the Act—Balance between democratic control and viability—Previous decisions—Granted in part—Police	995
Agreement/Consent Awards	
*Appeal against decision that union not eligible to be made party to Agreement—Riggers only possible common coverage—Riggers in iron ore industry not in the same industry or calling in which the union is registered—Provisions of the Act—Previous decisions—Dismissed—Building Trades.....	621
Allowances	
†Appeal against decision of Long Service Leave Board of Reference regarding "ordinary pay"—Jurisdiction—Question of whether party making appeal was duly authorised agent of appellant—Procedural requirements of Long Service Leave and Industrial Arbitration Acts—Inclusion of certain allowances—Appeal Court decision—Industry allowance included—Building Trades.....	18
Claim regarding tool allowance following Federal decision—Federal nexus—Little information regarding cost and life of tools—Granted—Metal Trades.....	110
Claim for tool allowance following federal decision—Provisions of "parent" award—Long standing industry practice that employer supply tools—Dismissed—Thermal Insulating Industry	205
Claim for penalty whilst engaged in dirty work—Question whether total wage contains an element recognising dirty work—previous decisions—Granted—Newspaper Industry	193
Claim for laundry allowance refused—Allowance for unloading of obnoxious cargoes granted—Telephone allowance refused—Wharves and Ships Watchmen.....	375
Claim by employer to delete country service allowance—Difficulties in staffing country public hospitals—Previous schemes to attract qualified staff—Award provision made no contribution to attracting staff—Employer in best position to monitor needs and cater to them—Granted—Nurses	364
Claim for increase in disability allowance—Previous decision—Heat and noise—Inspections and recordings of noise and temperature levels—Granted in part—Engine Drivers.....	482

CUMULATIVE INDEX—continued

	Page
<i>Allowances—continued</i>	
Application by F.E.D.F.U. to increase construction and travelling allowances—National Building Trades Award—Uniformity on site—Package—Granted—Building Industry.....	546
† Appeal against decision granting confined space allowance for a minimum of half the hours worked in a pay period—Ratifying custom—Dismissed—Railways.....	511
Claim for tool allowance—“Uniform” allowances in other states—Same amount to be prescribed here—Granted—Radio and Television Industry.....	748
Application for tool allowance for metal tradesmen—Flow-on from Federal Award—Employer currently supplies some tools—History of tool allowances—Nexus with Victoria—Part of wage—Granted—Railways.....	806
Claim for increases in various allowances—Current provisions—Standard of board and lodging—Basis of travelling allowance—Purpose of allowances—Total wage inclusive of special rates and allowances—Conditions on site not markedly different to other construction sites—Granted in part—Metal Trades S.E.C. Muja.....	801
Claim that Mechanical fitters be paid construction allowance—Not a major construction project—Previous decision on similar work—Salt Industry.....	779
Claim for increased district allowance—Long standing nexus—Refused—Police.....	776
Claim for increased travelling and clothing allowances—Increased costs in travelling—Clothing as in related award—Granted in part—Mineral Sands Mining Industry.....	727
Application for increased travelling allowance at Muja—Average distance travelled in metropolitan area—Previous decisions on travelling allowances—Increase in costs—Granted—State Energy Commission.....	755
Claim for special allowance—To apply during boiler overhauls—Equated to allowance paid during shutdown of pellet plant—Pressure on workers—No different to other overhauls and maintenance—Dismissed—Iron Ore Industry.....	1003
Question whether employers can provide tools and withdraw tool allowance—Such changes not to be made by unilateral action—Total wage includes tool allowance—Comparison with other States—Total wage not to be reduced—Metal Trades Government.....	879
Claim for increase in industry allowance—Basis of allowance—Levels of disability—Previous decision—No significant change—Dismissed—Timber Industry.....	987
Claim for increase in disability allowance—Changes in job circumstances necessary for increase—Must produce increased exposure to disabilities of a continuing nature—No such change evident—Iron Ore Industry.....	1005
Claim for paid meal breaks—Not inconsistent with any decision of the Commission in Court Session—Comparative conditions justice—Question whether standard in industry yet—Standards important in assessing “merits” of claim—History of coverage in the industry—Previous decisions—Granted—Iron Ore Industry.....	1008
<i>Annual Leave</i>	
Claim for additional week—Not all are continuous shift workers—Comparison with other States and with public service—Dismissed—Police.....	123
Claim for altered provision—Standards elsewhere—Leave loadings—“Changed technology” packages—Granted in part—Newspaper Industry.....	193
Question of whether notice of termination can run concurrently with last week of worker’s leave—Previous related decision—Right to leave had not accrued—Dismissed—Metal Trades.....	237
† Claim to amend clause from “allowed annually” to “granted” and “continuous service” to “employment”—Recent decision questioning meaning and effect of present wording—Accumulation—Rate of pay when accumulated leave is taken—Granting of leave and forfeit of unused leave—Current practice of accumulation—Federal provisions—Aerated Water Industry.....	405
† Question regarding leave entitlement of workers absent on leave without pay or strikes—Wording used since 1946 without problem—Calculation of continuous service—Claim that long service leave count for purpose of calculating annual leave—Claim that worker’s right to annual leave be carried on when business transmitted—Granted as in other awards—Aerated Water Industry.....	405
Application for increased annual leave—History of more annual leave than general industry—Not distinguished from industry generally—Additional leisure a form of benefit sharing—Technological change—Present package of benefit sharing equitable—Dismissed—Brewing Industry.....	774
Claim for extra week’s annual leave—Working weekends and public holidays—Comparison with N.S.W. decision—Not a continuous process industry—Dismissed—Nurses Silver Chain.....	745
Claim for 50% loading for ordinary hours worked on public holidays—Previous decisions—Advantages of additional annual leave—Comparison with other employees—Granted—Nurses Private Hospitals and Homes of Peace.....	738
Dispute over period of annual leave available for substitution with sick leave—Provisions of this award not to be more favourable than in other cases—Previous decisions—Granted in part—Nurses Independent Schools.....	740
Alleged failure to pay for annual leave, public holiday, overtime or correct wages—Casual or permanent—Coverage—Proven—Building Trades Construction.....	779
Alleged failure to pay—Dispute over starting date—Agreed lesser period of notice—Not in breach of award—Dismissed—Dental Technicians.....	781
Application for interpretation of holiday work clause—Continuous shift worker on annual leave—Payment for public holiday falling on rostered day off during leave—Previous decisions—Holiday clause applies when at work not on leave—Iron Ore Industry.....	988
<i>Appeal</i>	
† Against decision that person representing employer was not a legal practitioner within meaning of section 67 of Act—Provisions of Act—Meaning of “Practitioner”—Dismissed—Meat Industry.....	14
† Against decision interpreting “multi-storey building”—Definitions—Dismissed.....	12
† Against decision granting payment for time not worked due to “inclement weather”—Workers left site—Provisions of Federal award—Order varied—Building Trades.....	7
† Against decision which granted an increase to base rate but correspondingly decreased special payment—Federal nexus—Previous decisions—Dismissed—Transport Workers.....	17
† Against decision of Long Service Leave Board of Reference regarding “ordinary pay”—Jurisdiction—Question of whether party making appeal was duly authorised agent of appellant—Procedural requirements of Long Service Leave and Industrial Arbitration Acts—Inclusion of certain allowances—Appeal Court decision—Industry allowance included—Building Trades.....	18
† Against decision stating respondent not bound by certain award—Area and scope clauses—Manufacturer not installer—Dismissed—Electrical Contracting.....	12

CUMULATIVE INDEX—continued

	Page
Appeal—continued	
†Against decision dismissing claim for redundancy payments—Background to dismissals—Question of whether dismissals occasioned by reason of redundancy or by reason of failure to report for work—Dismissed—Maritime and Transport Workers.....	15
†Against decision changing basis upon which award was erected while award still within its term—Previous decision relating to changing basis of award—An appeal, or the absence of one, does not invest a decision with a quality it doesn't possess—Question of whether rates prescribed were rendered unjust by Federal decision—Dismissed—Electrical Contracting Industry.....	284
†Against decision regarding seasonal work and retrenching according to seniority—Question of whether operations are "seasonal"—Upheld—Meat Industry.....	288
†Against decision granting compensation for loss of <i>pro rata</i> long service leave—Previous long service leave case did not grant <i>pro rata</i> payment for less than ten years service—Clerks.....	287
†Against decision granting selection for higher duties on grounds of qualifications, experience and personal qualities—Previously based on seniority—Dismissed—Psychiatric Nurses.....	289
†Against decision granting confined space allowance for a minimum of half the hours worked in a pay period—Ratifying custom—Dismissed—Railways.....	511
†Against decision increasing wages and decreasing supplementary payments by similar amounts—Nexus with Federal Award—Work value—Comparative wage justice—Principles on appeals—Minimum total wage replacing over-award payments—Previous decisions—Upheld in part—Metal Trades.....	505
†Against decision fixing tally—Decision made on evidence fair—Dismissed—Meat Industry.....	503
*Against decision that union not eligible to be made party to Agreement—Riggers only possible common coverage—Riggers in iron ore industry not in the same industry or calling in which the union is registered—Provisions of the Act—Previous decisions—Dismissed—Building Trades.....	621
*Against decision regarding jurisdiction of the Commission—Claim for a redundancy order providing for offer by respondents of alternative employment—Provisions of the Act—Master and servant relationship—Comparison with preference to unionists provisions—Previous decisions—Dismissed—Clerks.....	624
Award	
Claim for—Claims identical excepting resendency—History of legislation and salaries—Claim for salary increase and changes to classifications and incremental scales—Comparison with public service, government blue collar and average weekly earnings—Five percent increase granted—Clerks, HSOA and CSA.....	247
Alleged breach—Employing outworkers without a permit—Whether or not independent contractors—Clothing Trades.....	387
Application for new award—Question of constitutional coverage—Objection—Refused—Cereal Processing Industry.....	584
Question whether chain-makers should be covered by Watchmakers and Jewellers Award—Previous decision—Jeweller covers wider field—Preliminary point—Within union constitution—Jewellery Industry.....	575
Claim for new award—Dual industrial coverage—Other union more appropriate for industrial needs—Union must service the needs of its members—Dismissed—Housemistresses.....	773
Claim for new award—Replacing relevant parts of various industry awards—Constitutional coverage of other unions—Objects of the Act—Previous Order—Need for consensus between unions on interests of members—Dismissed—Electrical Trades.....	771
Claim for new award—Consent except for meal money, rates for junior workers and first aid—Granted—Furniture Trades (Government).....	631
Claim for new award—Disagreement on wage rates, absence through sickness, time and wages record and additional rates for ordinary hours—Granted—Dental Technicians and Attendants.....	846
Claim for new award replacing existing awards—Dispute over wages, payment for stand-down, annual leave, board and lodging charges and penalty rates—Nexus with liquor trades—Comparison with country high school hostels and other States—Purposes of conciliation—Distinction between establishments—Two new awards granted—School Employees.....	855
Claim for new award—Disagreement on scope, wage rates, hours, contract of service, driver's licence fees, union recognition and clothing allowance—First award principles—Nature of industry—Granted—Transport Workers' Passenger Vehicles.....	870
Objection to making of award—Respondents contractual obligations—Genuineness of application—Effect on parties—Objects of the Act—Previous decisions—Dismissed—School Bus Driving Industry.....	1017
Board and Lodging	
Claim for increased allowance—Previous decision—Differences between country and metropolitan rentals—Granted—Police.....	123
Claim that workers required to work away from metropolitan area have choice of accommodation—Use of barracks—Use of motels and facilities—Choice available with limit to respondent's liability for cost—Railways...	483
Board of Reference	
Appeal against decision of Long Service Leave Board of Reference regarding "ordinary pay"—Jurisdiction—Question of whether party making appeal was duly authorised agent of appellant—Procedural requirements of Acts—Inclusion of certain allowances—Appeal Court decision—Industry allowance included—Building Trades.....	18
Claim for height money when painting mast on top of building—Claim that height be measured from ground level—Not properly dealt with by board—Building Trades.....	141
Dispute re classification of laboratory workers—Provisions and scope of award—Nature of work—Jurisdiction of Board—Dispute held not to be a matter for the board—Cement Industry.....	229
Dispute re classification of laboratory workers—Jurisdiction of Board—Principle of s.69 should be followed—Dissenting decision—Cement Industry.....	229
To determine if workers to be paid for time stood down—Amount of useful work available—Granted—Railway Employees.....	571
Claim that mechanical fitters be paid construction allowance—Not a major construction project—Previous decision on similar work—Salt Industry.....	779
Application for <i>pro rata</i> long service leave—Dismissal for alleged serious misconduct—Stealing from employer—Onus of proof rests with employer—Granted—Metal Trades.....	777

CUMULATIVE INDEX—continued

Page

Breach of Award

Alleged breach re inspection of records—Scope—Previous decisions re major and substantial employment—Onus of establishing breach—Dismissed—Clerks	142
Alleged breach re payment of wages in lieu of notice—Question of whether notice of termination can run concurrently with last week of worker's leave—Previous related decision—Right to leave had not accrued—Dismissed—Metal Trades	237
Alleged failure to pay correct wages—Definition of "Technical Assistant"—No apprenticeship served by worker—Calculation of alleged underpayment—Architects etc.	386
Alleged under-payment of wages—Business carried on by employer—Employer bound by award—Amount of notice required—Court cannot make order for payment of moneys where breach occurred more than twelve months prior to commencement of proceedings—Upheld in part—Sales Representatives	389
Alleged failure to pay money in lieu of notice and for annual leave—Dispute over starting date—Agreed lesser period of notice—Not in breach of award—Dismissed—Dental Technicians	781
Alleged failure to pay for annual leave, public holiday, overtime or correct wages—Casual or permanent—Coverage—Proven—Building Trades Construction	779
Alleged underpayment of wages and failure to pay holiday pay—Calculation according to award provisions—Proven—Pharmacy Industry	990
Alleged underpayment of wages—Calculation according to award provisions—Proven—Pharmacy Industry	990

Casual

Alleged failure to pay for annual leave, public holiday, overtime or correct wages—Casual or permanent—Coverage—Proven—Building Trades Construction	779
---	-----

Classification

Alleged breach of award re inspection of records—Scope—Previous decisions re major and substantial employment—Onus of establishing breach—Dismissed—Clerks	142
Dispute re classification of laboratory workers—Provisions and scope of award—Nature of work—Jurisdiction of Board—Dispute held not to be a matter for the Board—Cement Industry	229
Claim that certain workers precluded from various equipment or at different locations—Workers should be appointed "Mobile Equipment Plant Operator"—Award provisions—Definitions—Respondents right to move workers from one item of plant to another—Previous decision—Dismissed—Iron Ore Industry	253
Claim for re-classification on disability scale—Increased heat and dust—Insufficient justification—Refused—Iron Ore Industry	576
† Claim that "Shovel Greasers" be solely members of F.E.D.F.U.—Nature of work—Constitution rules—Classification "greaser" different from "Shovel Greaser"—Other work apart from greasing required—Dismissed—Iron Ore Industry	573
Claim that workers be declared as classified Mobile Equipment Plant Operator—Appointed as such—Use of heavy duty equipment—Granted—Iron Ore Industry	581
Application for reclassification of electrical fitters—Duties, experience and qualifications—Inconsistencies—Future needs—Granted in part—Railways	814
Claim to include new classifications in wages clause—Only included if such worker exists—No finding on one classification, others dismissed—Mineral Sands Mining Industry	727

Clothing

Claim for industrial clothing—Total wage allows for provision of own work attire—Protective clothing granted—Wharves and Ships Watchmen	375
Claim for employer to provide safety footwear in addition to clothing allowance—Provisions of related award—"Standard" conditions on worksite—Grounds for amendment with respect to workers leaving employment within six months of first engagement—Granted—Mineral Sands Mining Industry	727
Claim for allowance—Provision of ordinary working clothes is responsibility of employee—Uniforms if required are to be supplied—Dismissed—Transport Workers	870

Commission

† Appeal against decision increasing wages and decreasing supplementary payments by similar amounts—Single Commissioner having regard to decisions of Commission in Court Session—Principles on appeals—Upheld in part—Metal Trades	505
Application to increase supplementary payments—Decisions on indexation of overaward payments—Frequency of review of award provisions—Such question really for Commission in Court Session—Granted—Metal Trades	640
Claim for unpaid wages during strike—Employees would not use own tools or tools supplied by employer—Claim for tool allowance—Commission available for settlement of disputes—Direct action not needed—Dismissed—Railways	806
Application for order re hours of work—Jurisdiction—No award coverage—Meaning of "benefit" in context of relevant section of the Act—Hours under original contract of service—Increase would forego leisure without compensation—Declaration restoring previous conditions granted—Travel Industry	1015

Common Rule

† Claim that new award be limited to named respondents—No reason for common rule not to apply—Refused—Transport Workers	870
---	-----

Comparative Wage Justice

Appeal against decision increasing wages and decreasing supplementary payments—Principles of comparative wage justice—Comparison of State and Federal rates—Nexus with Federal Award—Previous decisions—Upheld in part—Metal Trades	505
---	-----

CUMULATIVE INDEX—*continued*

	Page
Comparative Wage Justice—<i>continued</i>	
Application for wage increase in line with Federal Decision—Previous decision in respect to “parent” award—Wage fixation for comparative wage justice and work value—Assessment of wage payable for skilled workers—Wage relativities between tradesman and assistant—Granted in part—Metal Trades Government.....	879
Claim for total wage nexus with related award—Previous nexus with base rates—Origin of nexus—Comparative wage justice—Total remuneration different to wage rate—Service pay—Refused—Dental Technicians.....	846
Application for wage increase—Nexus with metropolitan award—Comparative wage justice—Unfair discrepancy guideline—Granted—Brewing Industry.....	1013
Conditions of Service	
Appeal against decision granting payment for time not worked due to “inclement weather”—Workers left site—Provisions of Federal award—Federal decision—Order varied—Building Trades.....	7
Claim re sick leave—Recent decision could not be said to have created a new standard—Provisions of related award—concern for uniformity in sick leave conditions—Granted—Miscellaneous Workers.....	46
Claims in respect of hours of duty, overtime, minimum period of employment, standby, shift work, industrial clothing, obnoxious cargoes and telephone allowance—Wharves and Ships Watchmen.....	375
Application for long service leave conditions applicable to nursing aides and assistants—Previous decisions relating to successful long service leave applications—Wages employees compared to salaried officers—Granted—Hospital Workers.....	553
Application for increased annual leave—History of more annual leave than general industry—Not distinguished from industry generally—Additional leisure a form of benefit sharing—Technological change—Present package of benefit sharing equitable—Dismissed—Brewing Industry.....	774
Claim for increases in various allowances—Current provisions and purposes of allowances—Conditions under which work performed—Total rates inclusive of all special rates and allowances—Granted in part—Metal Trades S.E.C. Muja.....	801
†Application for reduction of hours of work—History of legal representation—Provisions of the Act—Reasons for interventions—Not a general inquiry into standard hours or Government employment—Comparisons with private industry in this State and with the same industry in other States—Adjourned—S.E.C.....	790
Dispute over period of annual leave available for substitution with sick leave—Provisions of this award not to be more favourable than in other cases—Previous decisions—Granted in part—Nurses Independent Schools.....	740
Claim for flow-on of sick leave provisions—Situation in other States—Recent decision—Granted—Nurses Private Hospitals.....	742
Claim re paid meal breaks when on close call—Provisions of Private Hospital Regulations—Called away from meals regularly—No reason for reduction of amount previously agreed—Dismissed—Nurses Private Hospitals ...	743
Claim for extra week's annual leave—Comparison with N.S.W. Award—Not continuous process industry—Dismissed—Nurses Silver Chain.....	745
Claim for new award replacing existing award—Nexus—Comparisons with country high school hostels and other states—Origins of conditions sought—Distinction between establishments—Two new awards granted—School Employees.....	855
Claim for clothing allowance and payment of employees drivers' licence fees—Dismissed—Transport Workers.....	870
Claim for paid meal breaks and non-contributory accident and sickness benefit plan—Not inconsistent with any decision of Commission in Court Session—Comparative conditions justice—Question whether standards in industry yet—Standards important in assessing “Merits” of claim—History of coverage in the industry—Previous decisions—Granted—Iron Ore Industry.....	1008
Confined Space	
†Appeal against decision granting confined space allowance for a minimum of half the hours worked in a pay period—Ratifying custom—Dismissed—Railways.....	511
Claim for new provisions for dirt money, confined space, hot work and oppressive conditions—Similar previous claim resolved by insertion of industry allowance as compensation for all disabilities—Double counting—Dismissed—Mineral Sands Mining Industry.....	727
Contract of Service	
Alleged breach of award re payment of wages in lieu of notice—Question of whether notice can run concurrently with the last week of worker's leave—Previous related decision—Right to leave had not accrued—Dismissed—Metal Trades.....	237
Breach of Award—Employing outworkers without a permit—Whether or not independent contractors—Clothing Trades.....	387
Alleged failure to pay for annual leave, public holiday, overtime or correct wages—Casual or permanent—Certain work outside scope of award—Other occasions master and servant relationship prevailed—Proven—Building trades construction.....	779
Claim for provision for deduction of pay—Similar provision in majority of awards—Previous decision—Granted—Transport Workers.....	870
Application for order re hours of work—No award coverage—Meaning of “benefit” in context of relevant section of the Act—Hours under original contract of service—Increase would forego leisure without compensation—Declaration restoring previous hours granted—Travel Industry.....	1015
Coverage—Constitutional Coverage	
Claim for exclusive coverage of self loading vehicles—Use as mobile cranes rather than carriage of goods—Award provisions. Machinery Safety Act—Union's constitution rules—Work upon which worker usually engaged—Engine Drivers.....	148
Question whether chain-makers should be covered by Watchmakers and Jewellers Award—Previous decision—Jeweller covers wider field—Preliminary point—Within Union constitution—Jewellery Industry.....	575
Application for new Award—Question of constitutional coverage—Objection—Refused—Cereal Processing Industry.....	584

CUMULATIVE INDEX—*continued*

	Page
Coverage—Constitutional Coverage— <i>continued</i>	
† Claim for shovel greasers to be members solely of the Federated Engine Drivers' Union in lieu of the Australian Workers' Union—Nature of work—Not envisaged a "greaser" as in applicant's constitution rule but as electric shovel cable attendant—Classification is more than just "greaser"—Dismissed—Iron Ore Industry.....	573
‡ Question as to whether kitchen employees are employed in the Prison Service—Meaning of "prison service"—Duties and functions of employees—Provisions of Prisons Act and Regulations—Previous decision—Affirmed—Prison Officers.....	628
Question of award coverage of construction site—Scope of awards—Respondency—Definitions of relevant classifications—Relevant Federal decisions—Union rules—Connection of construction of access roads and car parks with erection of a building—Construction Industry.....	794
Claim for new award—Replacing relevant sections of various industry awards—Constitutional coverage of other unions—Objects of the Act—Previous Order—Need for consensus between unions on interests of members—Dismissed—Electrical Trades.....	771
Appeal against decision that union not eligible to be made party to Agreement—Riggers only possible common coverage—Riggers in iron ore industry not in the same industry or calling in which the union is registered—Provisions of the Act—Previous decisions—Dismissed—Building Trades.....	621
Claim for new award—Dual industrial coverage—Other union more appropriate for industrial needs—Union must service the needs of its members—Dismissed—Housemistresses.....	773
Application for award coverage for all persons covered by constitution rule—Previous decision extending constitution—Definition of sales representative and commercial traveller—Granted—Commercial Travellers.....	909
Definition	
Dispute re classification of laboratory workers—Provisions and scope of award—Nature of work—Jurisdiction of Board—Dispute held not to be a matter for the Board—Cement Industry.....	229
‡ Question as to whether kitchen employees are employed in the prison service—Meaning of Prison Service—Provisions of Act and Regulations—Previous decision—Affirmed—Prison Officers.....	628
Application for award coverage for all persons covered by constitution rule—Previous decision extending constitution—Definition of sales representative and commercial traveller—Granted—Commercial Travellers.....	909
Demarcation	
Claim that Engine Drivers' Union have exclusive coverage of self loading vehicles—Use of vehicles as mobile cranes rather than carriage of goods—Award provisions—Machinery Safety Act—Union's constitution rules—Work upon which individual worker is usually involved—Engine Drivers.....	148
† Claim for shovel greasers to be members solely of the Federated Engine Drivers' Union in lieu of the Australian Workers' Union—Nature of work—Dismissed—Iron Ore Industry.....	573
Disabilities	
Claim for increase in disability allowance—Previous decision—Heat and noise—Inspections and recordings of noise and temperature levels—Granted in part—Engine Drivers.....	482
Claim for re-classification on disability scale—Increased heat and dust—Insufficient justification—Refused—Iron Ore Industry.....	576
† Appeal against decision granting confined space allowance for a minimum of half the hours worked in a pay period—Ratifying custom—Dismissed—Railways.....	511
Claim for increases in various allowances—Current provisions—Purpose of allowances—Total wage inclusive of special rates and allowances—Conditions on site not sufficiently different to other construction sites to warrant extra disability allowance—Granted in part—Metal Trades S.E.C. Muja.....	801
Claim for new provisions for dirt money, confined space, hot work and oppressive conditions—Similar previous claim resolved by insertion of industry allowance as compensation for all disabilities—Double counting—Dismissed—Mineral Sands Mining Industry.....	727
Claim for increase in industry allowance—Levels of disability—Previous decision—No significant change—Dismissed—Timber Industry.....	987
Claim for increase in disability allowance—Changes in job circumstances necessary for increase—Must produce increased exposure to disabilities of a continuing nature—No such change evident—Iron Ore Industry.....	1005
Discrimination	
† Claim for maternity leave provisions—Commission in Court Session—Career—Discrimination—I.L.O. Conventions—Transfer to safe job—Hardship to small employers—Standard provision—Order in terms of order made by Federal Commission—Various industries.....	409
Claim that certain workers should be employed for season—Workers' suitability due to attitudes towards employer and competence—Expectation of re-employment—Employer to regard applicants as equal and to give preference to stated employees—Meat Industry.....	582
Claim to vary proportion of juniors to create job opportunities for young—Ratio of juniors to adults—Discrimination against juniors—Reasons for unemployment—Qualities required for duties—Claim considered impractical—Dismissed—Clerks.....	986
Dismissal	
† Appeal against decision dismissing claim for redundancy payments—Background to dismissals—Question of whether dismissals occasioned by reason of redundancy or by reason of failure to report for work—Dismissed—Maritime and Transport Workers.....	15
Alleged breach of award re payment of wages in lieu of notice—Question of whether notice can run concurrently with the last week of worker's leave—Previous related decision—Right to leave had not accrued—Dismissed—Metal Trades.....	237
Claims for reinstatement for workers dismissed for gross misconduct—Workers on standby—Involved in accident and insurance investigator found worker was drinking—Confusion as to expectations regarding "standby" responsibilities—Workers' actions not unusual—Re-employment ordered—Water Supply.....	262

CUMULATIVE INDEX—*continued*

	Page
Dismissal—<i>continued</i>	
Claim for re-employment—Workers fighting—Confusion as to whether worker provoked or was active participant—Previous decisions relating to misconduct—Burden of proof—Employer's rights and prerogatives—Dismissed—Hospital Employees.....	401
Claim for reinstatement—Alleged that train driven through red signal by crew—Workers claim fault in signal—Visibility of signal—Another worker suspended for not telling the truth to Committee of Enquiry—Reinstatement claims dismissed—Suspension claim upheld—Iron Ore Industry.....	396
Claim by employer that dismissal was justified—Question of whether worker already punished by law court is being doubly punished by dismissal—Workers fighting—Actions of Committee of Review—Granted—Iron Ore Industry.....	480
Claim for reinstatement—Crane Driver attempted to lift buried steel causing damage to crane—Unrestricted licence revoked—Reported malfunction of warning device—Driver not entirely at fault—Reinstatement on different work recommended—S.E.C.....	398
Application for reinstatement—Unfair dismissal—Incompetency contrasted to misconduct—Principles re setting aside management decisions—Contractual relationship—Dismissed—Building Trades.....	797
Claim for reinstatement—Summary dismissal after striking another worker—Previous warning—Conflicting evidence—Dismissed—Iron Ore Industry.....	793
Claim for re-employment—Alleged harsh and unfair dismissal—Commission cannot condone threat of violence—Refused—Liquor Trades.....	1006
Federal	
Claim for increased wages and tool allowance following Federal decision—Nexus—History of supplementary payments—Comparison of total wages—Tool allowances granted—Total wage not increased—Metal Trades.....	110
† Appeal against decision increasing wages and decreasing supplementary payments by similar amount—Nexus with Federal Award—Origins of supplementary payments—Previous decisions—Upheld in part—Metal Trades.....	505
Government Officer	
Preliminary objection to claim for Government Salaried Officers Redundancy Order—Jurisdiction—"Industry"—"Industrial matter"—Limitation of award to one industry—Dismissed—Government Officers.....	146
Higher Duties	
† Appeal against decision granting selection for higher duties on grounds of qualifications, experience and personal qualities—Previously based on seniority—Dismissed—Psychiatric Nurses.....	289
Holidays	
Claim for penalty rate for working on or into Good Friday and Xmas Day—Award provisions elsewhere—Custom and practice in newspaper industry—Refused—Printing Industry.....	193
Claim for 50 per cent loading for ordinary hours worked on public holidays—Previous decisions—Comparison with other employees—Granted—Nurses Private Hospitals and Home of Peace.....	738
Alleged failure to pay for annual leave, public holiday, overtime or correct wages—Casual or permanent—Coverage—Proven—Building Trades Construction.....	779
Application for interpretation of holiday clause—Rates for day in lieu of holiday worked—Absence as a result of strike—Clause applies to employees observing holiday—Iron Ore Industry.....	985
Application for interpretation of holiday work clause—Continuous shift worker on annual leave—Payment for public holiday falling on rostered day off during leave—Previous decisions—Holiday clause applies when at work not on leave—Iron Ore Industry.....	988
Hours	
Claim for altered hours for meter fixers—Work load between certain hours—Previous alterations—Not unfair to other hours—Granted—SEC.....	260
Claim for hours to be worked Monday to Friday—Previously over seven days—Casual industry requiring servicing over seven days—Refused—Wharves and Ships Watchmen.....	375
Claim re paid meal breaks when on close call—Provisions of Private Hospital Regulations—Called away from meals regularly—No reason for reduction of amount previously agreed—Dismissed—Nurses Private Hospitals ...	743
† Application for reduction of hours of work—History of legal representation—Provisions of the Act—Reasons for interventions—Not a general inquiry into standard hours or Government employment—Comparisons with private industry in this State and with the same industry in other States—Adjourned—S.E.C.....	790
Claim for ten mandatory hours off duty—Provisions of Road Traffic Act—Exception in emergency—Granted—Transport Workers.....	870
Application for order re hours of work—No award coverage—Meaning of "benefit" in context of relevant section of the Act—Hours under original contract of service—Increase would forego leisure without compensation—Declaration restoring previous hours granted—Travel Industry.....	1015
Indexation	
† Appeal against decision increasing wages and decreasing supplementary payments by similar amount—Regard for indexation decisions—Nexus with Federal Award—Previous decisions—Upheld in part—Metal Trades.....	505
Application for increase in base rate and supplementary payments—Basis of fixation of rates—Indexation of special and like payments—Previous decisions—Additional payment should not be changed without review of basis of rates—Granted in part—Lift Industry.....	719
Application to increase supplementary payments—Decisions on indexation of overaward payments—Frequency of review of award provisions—Such question really one for Commission in Court Session—Granted—Metal trades	640

CUMULATIVE INDEX—*continued*

	Page
Indexation— <i>continued</i>	
Application for wage increase—Nexus with metropolitan award—Comparative wage justice—Within unfair discrepancy guideline—Granted—Brewing Industry	1013
Industrial Matter	
Preliminary objections to claim for Government Salaried Officers Redundancy Order—Jurisdiction—Question as to whether area is an “industry”—“Industrial matter”—Limitation of award to one industry—Dismissed—Government Officers	146
* Appeal against decision regarding jurisdiction of the Commission—Claim for a redundancy order providing for offer by respondents of alternative employment—Provisions of the Act—Master and Servant relationship—Comparison with preference to unionists provisions—Previous decisions—Dismissed—Clerks	624
Industry	
Preliminary objections to claim for Government Salaried Officers Redundancy Order—Powers of Commission—Jurisdiction—Question of whether area is an “industry”—“Industrial matter”—Limitation of award to one industry—Dismissed—Government Officers	146
Question whether chain-makers should be covered by Watchmakers and Jewellers Award—Previous decision—Jeweller covers wider field—Preliminary point—Within Union constitution—Jewellery Industry	575
Industry Allowance	
† Appeal against decision of Long Service Leave Board of Reference regarding “ordinary pay”—Inclusion of certain allowances and exclusion of others—Appeal Court decision—Industry allowance included—Building Trades	18
Claim to increase industry allowance—Comparison with related award—Granted in part—Mineral Sands Mining Industry	727
Interpretation—Definition	
Preliminary hearing as to whether advocate for respondent is a “legal practitioner”—Provisions of Act relating to “agents”—Definition of “legal practitioner”—Found not to be a “practitioner”—Meat Industry	165
† Appeal against decision interpreting “multi-storey building”—Definitions—Dismissed	12
Application for interpretation of long service leave provisions for tally workers—Calculation of rates of pay—Comparison between “overtally” and “overtime”—Federal decisions—Rate of pay to be based on average payments over three months—Meat Industry	137
‡ Question as to whether kitchen employees are employed in the Prison Service—Meaning of “prison service”—Duties and functions of employees—Provisions of Prisons Act and Regulations—Previous decision—Affirmed—Prison Officers	628
Application for interpretation of holiday work clause—Continuous shift worker on annual leave—Payment for public holiday falling on rostered day off during leave—Previous decisions—Holiday clause applies when at work not on leave—Iron Ore Industry	985
Application for interpretation of holiday clause—Rates for day in lieu of holiday worked—Absence as a result of strike—Clause applies to employees observing holiday—Iron Ore Industry	988
Application for an order re hours of work—No award coverage—Meaning of “benefit” in context of relevant section of Act—Declaration granted—Travel Industry	1015
Intervention	
† Application for reduction of hours of work—History of legal representation—Provisions of the Act—Reasons for interventions—Not a general inquiry into standard hours or Government employment—Comparisons with private industry in this State and with the same industry in other States—Adjourned—S.E.C.	790
Isolation Disability	
Claim for increased district allowance—Long standing nexus—Refused—Police	776
Junior Worker	
Claim to vary proportion of juniors to create job opportunities—Ratio of juniors to adults—Discrimination—Reasons for unemployment—Qualities required for duties—Claim considered impractical—Dismissed—Clerks	986
Jurisdiction	
Preliminary objection to claim for Government Salaried Officers Redundancy Order—Powers of Commission—Jurisdiction—Question of whether area is an “industry”—“Industrial matter”—Limitation of award to one industry—Dismissed—Government Officers	146
† Appeal against decision of Long Service Leave Board of Reference regarding composition of “ordinary pay”—Jurisdiction conferred by Long Service Leave and Industrial Arbitration Acts—Inclusion of industry allowance—Building Trades	18
† Claim for salary increase and changes to classifications and incremental scales—Clear relationship with award of another jurisdiction doesn't relieve obligation to act according to equity, good conscience and substantial merit—Five per cent increase granted—Clerks, HSOA and CSA	247
Dispute re classification of laboratory workers—Provisions and scope of award—Nature of work—Jurisdiction of Board—Dispute held not to be a matter for the Board—Cement Industry	229

CUMULATIVE INDEX—*continued*

	Page
Jurisdiction— <i>continued</i>	
*Appeal against decision regarding jurisdiction of the Commission—Claim for a redundancy order providing for offer by respondents of alternative employment—Provisions of the Act—Master and Servant relationship—Comparison with preference to unionists provisions—Previous decisions—Dismissed—Clerks.....	624
Leave	
Employee late back from annual leave—Previous warning—Termination to stand—Iron Ore Industry	396
Application for increased annual leave—History of more annual leave than general industry—Not distinguished from industry generally—Additional leisure a form of benefit sharing—Technological change—Present package of benefit sharing equitable—Dismissed—Brewing Industry	774
Leave Without Pay	
†Claim for maternity leave provisions—Commission in Court Session—Career—Discrimination—I.L.O. Conventions—Transfer to safe job—Hardship to small employers—Standard provisions—Order in terms of order made by Federal Commission—Various industries.....	400
Legal Representation	
†Application for reduction of hours of work—History of legal representation—Provisions of the Act—Reasons for interventions—Not a general inquiry into standard hours or Government employment—Comparisons with private industry in this State and with the same industry in other States—Adjourned—S.E.C.	790
Leisure	
Application for increased annual leave—Not distinguished from general industry—Additional leisure a form of benefit sharing—Technological change—Present package of benefit sharing equitable—Dismissed—Brewing Industry	774
Loadings	
Claim for 50% loading for ordinary hours worked on public holidays—Previous decisions—Comparison with other employees—Granted—Nurses Private Hospitals and Home of Peace.....	738
Claim for increased penalty loading for certain shifts—Relation to type of shift worked and penalties paid elsewhere—No clear standard—Previous decisions—Refused—Newspaper Industry.....	193
Long Service Leave	
†Appeal against decision of Board of Reference regarding “ordinary pay”—Question of whether party making out the appeal was a duly authorised agent of appellant—Procedural requirements of two Acts—Inclusion and exclusion of certain allowances—Appeal Court Decision—Hourly rate includes some allowances—Industry allowance included—Building Trades.....	18
Claim for public service provisions for both commissioned and non commissioned ranks—History of long service leave—Comparison with public service—Granted—Police.....	123
Claim for 20% loading—Previous decision re piece workers—Workers not disadvantaged in comparison to similar workers elsewhere—Refused—Newspaper Industry.....	193
Claim for payment of <i>pro rata</i> long service leave for retrenched workers—Downturn in business—Expectation of continuity of employment—Granted in part—Clerks.....	164
Application for interpretation of long service leave provisions for tally workers—Calculation of rates of pay—Comparison between “overtally” and “overtime”—Federal decisions—Rate of pay to be based on average payments over three months—Meat Industry	137
†Appeal against decision granting compensation for loss of <i>pro rata</i> long service leave—Previous long service leave case did not grant <i>pro rata</i> payment for less than ten years service—Clerks	287
Application for long service leave conditions applicable to nursing aides and assistants—Previous decisions relating to successful long service leave applications—Wages employees compared to salaried officers—Granted—Hospital Workers.....	553
Application for <i>pro rata</i> long service leave—Board of Reference—Dismissal for alleged serious misconduct—Stealing from employer—Onus of proof rests with employer—Granted—Metal Trades.....	777
Management Prerogatives	
Application for reinstatement—Incompetency contrasted to misconduct—Principles re setting aside management decisions—Contractual relationship—Dismissed—Building Trades.....	797
Claim for “last on-first off” redundancy provisions—Claim for redundancy payment—Interim Order—Mobility of labour—Management rights—Interim Order to stand—Steel Fabrication Industry	256
Claim for re-employment—Workers fighting—Confusion as to whether worker provoked or was active participant—Previous decisions relating to misconduct—Burden of proof—Employer’s rights and prerogatives—Dismissed—Hospital Employees.....	401
Claim that certain workers should be employed for season—Workers’ suitability due to attitudes towards employer and competence—Expectation of re-employment—Employer to regard applicants as equal and to give preference to stated employees—Meat Industry	582

CUMULATIVE INDEX—*continued*

Manning	
Claim that certain workers should be employed for season—Workers' suitability due to attitudes towards employer and competence—Expectation of re-employment—Employer to regard applicants as equal and to give preference to stated employees—Meat Industry	582
Maternity Leave	
† Claim for maternity leave provisions—Commission in Court Session—Career—Discrimination—I.L.O. Conventions—Transfer to safe job—Hardship to small employers—Standard provision—Order in terms of order made by Federal Commission—Various industries	409
Merit	
Claim for special allowance—To apply during boiler overhauls—Merits of comparison with allowance paid during shutdown of pellet plant—Pressure on workers—No different to other overhauls and maintenance—Dismissed—Iron Ore Industry	1003
Misconduct	
Claim for reinstatement for workers dismissed for gross misconduct—Workers on standby—Involved in accident—Found to have been drinking—Confusion as to standby responsibilities—Workers' actions not unusual—Re-employment ordered—Water Supply	262
Claim for re-employment—Workers fighting—Confusion as to whether worker provoked or was active participant—Previous decisions relating to misconduct—Burden of proof—Employer's rights and prerogatives—Dismissed—Hospital Employees	401
Application for reinstatement—Incompetency contrasted to misconduct—Principles re setting aside management decisions—Contractual relationship—Dismissed—Building Trades	797
Application for <i>pro rata</i> long service leave—Board of Reference—Dismissal for alleged serious misconduct—Stealing from employer—Onus of proof rests with employer—Granted—Metal Trades	777
Mixed Functions	
Application for amendment—Uniformity of conditions within industry—Granted—Engine Drivers	682
Nexus	
Claim for wage increase—Work value changes—Nexus with Federal Award—Granted—Engine Drivers	682
Application for wage increase—Adjustment of special payments only on review of basis of rates—Previous decisions—Increase in base rates granted—Lift Industry	719
Application for increased salaries for librarians—Public Service rates—Structural changes in parent award—Degrees of duty and responsibility—Unfair discrepancy—Granted—W.A.I.T. and Teachers' Colleges Librarians	810
Claim for increased district allowance—Long standing nexus—Refused—Police	776
Application for wage increase—Change to total rates of pay—Nexus with Federal Award—Basis of wage structure—Increases in related industries—Granted—Aerated Water Industry	637
Application for tool allowance for metal tradesmen—Flow-on from Federal Award—Nexus with Victoria—History of tool allowances—Granted—Railways	806
Claim for increased wages and tool allowance following Federal decision—Nexus—History of supplementary payments—Comparison of total wages—Tool allowance granted—Total wage not increased—Metal Trades	110
Claim for increase as granted in federal award—Nexus—Previous decision—Supplementary payments—Metal Trades decision not altering total wage—Total wage not increased—Engine Drivers	210
Claim for increase as granted to federal award—Previous decision establishing nexus with other States which have Federal nexus—Granted—Air Conditioning Industry	205
Claim for increase in wage rates in line with "parent" award—Granted—Engine Drivers	336
† Appeal against decisions changing basis upon which award was erected while award still within its term—Previous decision relating to change of basis—Question of whether rates prescribed were rendered unjust by federal decision—Dismissed—Electrical Contracting	284
Claim by F.E.D.F.U. for wage increase in line with Victoria—Total wage not base rate—Basis for special payments—Granted in principle—State Energy Commission	549
† Appeal against decision increasing wages and decreasing supplementary payments by similar amount—Nexus with Federal Awards—Origins of supplementary payments—Previous decisions—Upheld in part—Metal Trades	505
Application by F.E.D.F.U. to increase construction allowance and travelling allowance—Nexus with National Building Trades Award—Granted—Building Industry	546
Application for increase in total wage—Comprised of base wage and special payment—Nexus with other Awards—Relativities extended—Previous decisions—Granted—Gas Workers	569
Application for wage increase in line with Federal Decision—Previous decision in respect to "parent" award—Orders affecting the award—Wage relativities—Granted in part—Metal Trades Government	879
Claim for new award—Nexus with liquor trades—Comparison with similar industries and other states—Differences within area covered—Two awards granted—School Employees	855
Application for wage increase—Comparison with public hospitals—Granted—Hospital Salaried Officers	931
Claim for total wage nexus with related award—Previous nexus with base rates—Origin of nexus—Comparative wage justice—Total remuneration different to wage rate—Service pay—Refused—Dental Technicians	846
Claim re retrospectivity—Rates agreed upon—Wage rate nexus compared to earnings nexus—Refused—Teachers (Independent Schools)	953
Application for wage increase—Nexus with metropolitan award—Comparative wage justice—Unfair discrepancy guideline—Granted—Brewing Industry	1013

CUMULATIVE INDEX—*continued*

	Page
No reduction	
Application for wage increase in line with Federal decision—Previous decision in respect to “parent” award—Wage fixation for comparative wage justice and work value—Assessment of wage payable for skilled workers—Concept of “no reduction”—Granted in part—Metal Trades Government	879
Over Award Payments	
† Appeal against decision increasing wages and decreasing supplementary payments by similar amount—Total wage including supplementary payments replacing over-award payments—Purpose of supplementary payments—Previous decisions—Nexus with Federal Award—Upheld in part—Metal Trades	505
Overtime	
Claim for overtime of double time for all time worked in excess of 7 hours in any shift—Refused—Wharves and Ships Watchmen	375
Claim for payment for workers stood down—Imposition of overtime bans and stop work meeting—Abandonment of production of Sunday paper—No consultation with employees—Quality of relationship between employees and employer—Parties directed to confer—Printing Industry	580
Alleged failure to pay for annual leave, public holiday, overtime or correct wages—Casual or permanent—Coverage—Proven—Building Trades Construction	779
Preference	
* Appeal against decision regarding jurisdiction of the Commission—Claim for redundancy order providing for offer by respondents of alternative employment—Analogy of provisions sought to preference to unionists provisions—Previous decisions—Dismissed—Clerks	624
Rates of Pay	
Claim for increased wages and tool allowance following Federal decision—Federal nexus—History of supplementary payments—Comparison of total wages—Tool allowance granted—Total wage not increased—Metal Trades	110
† Claim for salary increase and changes to classifications and incremental scales—Relationship to Public Service salaries—History of Public Service salary fixation—Comparisons with government blue collar workers and average weekly earnings—Clear relationship with award of another jurisdiction doesn't relieve obligation to act according to equity, good conscience and substantial merit—Five per cent salary increase granted—Clerks, HSOA and CSA	247
Records	
Alleged breach of award—Scope—Previous decisions re major and substantial employment—Onus of establishing breach—Dismissed—Clerks	142
Application for starting and finishing times to be recorded—Not just hours worked—Counterclaim for limits on times and places of inspection—Granted in part—Dental Technicians and Assistants	846
Redundancy	
Preliminary objections to claim for Government Salaried Officers Redundancy Order—Powers of Commission—Jurisdiction—Question of whether area is an “industry”—“Industrial matter”—Limitation of award to one industry—Dismissed—Government Officers	146
Appeal against decision dismissing claims for redundancy payments—Background to dismissals—Question of whether dismissals occasioned by reason of redundancy or by reason of failure to report for work—Dismissed—Maritime and Transport Workers	15
† Claim for “last on-first off” redundancy provisions—Claim for redundancy payment—Interim order—Mobility of labour—Management rights—Interim order to continue—Steel Fabrication Industry	256
* Appeal against decision regarding jurisdiction of the Commission—Claim for a redundancy order providing for offer by respondents of alternative employment—Provisions of the Act—Master and servant relationship—Comparison with preference to unionists provisions—Previous decisions—Dismissed—Clerks	624
Claim for redundancy provision to be included in award—Other workers had benefit sought—Previously by agreement—Dismissed—Mineral Sands Mining Industry	727
Reinstatement	
Claim for reinstatement—Summary dismissal after striking another worker—Previous warning—Conflicting evidence—Dismissed—Iron Ore Industry	793
Application for—Unfair dismissal—Incompetency contrasted to misconduct—Principles re setting aside management decisions—Contractual relationship—Dismissed—Building Trades	797
Claim for reinstatement for workers dismissed for gross misconduct—Workers on standby—Involved in accident—Found to have been drinking—Confusion as to standby responsibilities—Workers' actions not unusual—Re-employment ordered—Water Supply	262
Claims for—Alleged that train driven through red signal by crew—Crew claim fault in signal—Visibility of signal—Another worker suspended for not telling truth to Committee of Enquiry—Jurisdiction of Committee—Reinstatement claims dismissed—Suspension claim upheld—Iron Ore Industry	396
Claim for—Crane driver attempted to lift steel buried in ground causing boom of crane to crumple—Reported warning devices on crane not working but no action taken—Unrestricted license removed—Driver not entirely at fault—Reinstatement on different work recommended—S.E.C.	398

CUMULATIVE INDEX—continued

	Page
Relativity	
Application for increase in total wage—Comprised of base wage and special payment—Nexus with other Awards—Previous decisions—Relativities extended—Granted—Gas Workers	569
Claim to restore relativities between workers of same employer employed under different awards and to include new classifications—Classification only included if such worker exists—Total rates as opposed to base rates show no discrepancy requiring adjustment—Dismissed—Mineral Sands Mining Industry	727
Application for wage increase in line with Federal decision—Previous decision in respect to “parent” award—Wage fixation for comparative wage justice and work value—Assessment of wage payable for skilled workers—Wage relativities between tradesman and assistant—Granted in part—Metal Trades Government.....	879
Responsency	
† Appeal against decision stating respondent not bound by particular award—Area and scope clauses—Manufacturer not installer—Dismissed—Electrical Contracting	12
Retrenchment	
Claim for payment of <i>pro rata</i> long service leave for retrenched workers—Downturn in business—Expectation of continuity of employment—Granted in part—Clerks.....	164
† Appeal against decision dismissing claim for redundancy payments—Background to dismissals—Question of whether dismissals occasioned by reason of redundancy or by reason of failure to report for work—Dismissed—Maritime and Transport Workers	15
† Claim for “last on-first off” redundancy provisions—Claim for redundancy payment—Interim order—Mobility of labour—Management rights—Interim order to continue—Steel Fabrication Industry.....	256
Retrospectivity	
Application for increase in base rate and supplementary payments—Granted in part—Date of operation—Provisions of Act—Special circumstances—Lift Industry.....	719
Claim re—Rates agreed upon—Wage rate nexus compared to earnings nexus—Refused—Teachers (Independent Schools).....	953
Rules	
‡ Question as to whether kitchen employees are employed in the Prison Service—meaning of “prison service”—Duties of employees—Provisions of Prisons Act and Regulations—Previous decision—Affirmed—Prison Officers.....	628
Application for award coverage for all persons covered by constitution rule—Previous decision extending constitution—Definition of sales representative and commercial traveller—Granted—Commercial Travellers.....	909
‡ Application to amend union rule—Restricting election and membership of governing body to members in metropolitan area—Relevant rules—Objects and provisions of the Act—Balance between democratic control and viability—Previous decisions—Granted in part—Police	995
Safety	
Claim for first aid clause as in “private award” to set out first aid outfit—Unnecessary—Dismissed—Furniture Trades (Government).....	631
Scope	
Question of award coverage of construction site—Scope of awards—Responsency—Definitions of relevant classifications—Relevant Federal decisions—Union rules—Connection of construction of access roads and car parks with erection of a building—Construction Industry	794
Alleged failure to pay various entitlements—Casual or permanent—Scope of award—Certain work outside scope of award—Award occasions master and servant relationship prevailed—Proven—Building Trades Construction .	779
Alleged breach of award re inspection of records—Previous decisions re major and substantial employment—Onus of establishing breach—Dismissed—Clerks	142
† Appeal against decision stating respondent not bound to particular award—Area and scope clause—Manufacturer not installer—Dismissed—Electrical Contracting.....	12
Claim that new award be limited to named respondents—No reason for common rule not to apply—Refused—Transport Workers	870
Seasonal Work	
† Appeal against decision regarding seasonal work and retrenchment—Economic consideration of industry—Question of whether operations are “seasonal”—Upheld—Meat Industry	288
Claim that certain workers should be employed for season—Workers’ suitability due to attitudes towards employer and competence—Expectation of re-employment—Employer to regard applicants as equal and to give preference to stated employees—Meat Industry	582
Seniority	
† Claim for “last on-first off” redundancy provisions—Claim for redundancy payment—Interim order—Mobility of labour—Management rights—Interim order to continue—Steel Fabrication Industry	256
† Appeal against decision granting selection for higher duties on grounds of qualifications, experience and personal qualities—Previously based on seniority—Dismissed—Psychiatric Nurses.....	289

CUMULATIVE INDEX—*continued*

	Page
Shift Work	
Claim for extra week's annual leave—Working weekends and public holidays—Comparison with N.S.W. decision—Not a continuous process industry—Dismissed—Nurses Silver Chain	745
Claim for increased penalty loading for certain shifts—Relation to type of shift worked and penalties paid elsewhere—No clear standard—Previous decisions—Refused—Newspaper Industry	193
Claim for shift allowances of time and one half for afternoon shift and double time for night shift—Refused—Wharves and Ships Watchmen	375
Application for interpretation of holiday work clause—Continuous shift worker on annual leave—Payment for public holiday falling on rostered day off during leave—Previous decisions—Holiday clause applies when at work not on leave—Iron Ore Industry	988
Sick Leave	
Claim re—Recent decision could not be said to have created a new standard—Provisions of related award—Concern for uniformity in sick leave conditions—Granted—Miscellaneous Workers	46
Counterclaim that shift rate penalty will not be received for such an absence—Rate and duration of absences on night shift—Problem of single day absences—Need demonstrated to discourage absences for other than genuine illness—Provision amended—Newspaper Industry	193
Dispute over period of annual leave available for substitution with sick leave—Provisions of this award not to be more favourable than in other cases—Previous decisions—Granted in part—Nurses Independent Schools	740
Claim for flow-on of sick leave provisions—Situation in other States—Recent decision—Granted—Nurses (Private Hospitals)	742
Claim for non-contributory accident and sickness benefit plan—Not inconsistent with any decision of the Commission in Court Session—Comparative conditions justice—Question whether standard in industry yet—Standards important in assessing "merits" of claim—History of coverage in the industry—Previous decisions—Granted—Iron Ore Industry	1008
Smokos	
Claim for meal money to be paid even when notified on previous day of requirement to work overtime—Insufficient cause to depart from general principle—Dismissed—Furniture Trades (Government)	631
Claim re paid meal breaks when on close call—Provisions of Private Hospital Regulations—Called away from meals regularly—No reason for reduction of amount previously agreed—Dismissed—Nurses Private Hospitals ...	743
Application for free mid-shift meals—Consistency of interruption of meal breaks—Refused—Metal Trades Iron Ore Industry	1002
Claim for paid meal breaks—Not inconsistent with any decision of the Commission in Court Session—Comparative conditions justice—Question whether standard in industry yet—Standards important in assessing "merits" of claim—History of coverage in the industry—Previous decisions—Granted—Iron Ore Industry	1008
Special Rates and Provisions	
Claim for penalty whilst engaged in dirty work—Question whether total wage contains an element recognising dirty work—Previous decisions—Granted—Newspaper Industry	193
Claim for increase in disability allowance—Previous decision—Heat and noise—Inspections and recordings of noise and temperature levels—Granted in part—Engine Drivers	482
Claim for additional rates for obnoxious cargoes—Work in refrigerated holds, lockers, compartments or cool chambers—Same disadvantages as waterside workers—Allowed when workers experience same disabilities as other workers to whom an additional allowance is paid—Wharves and Ships Watchmen	375
† Appeal against decision granting confined space allowance for a minimum of half the hours worked in a pay period—Ratifying custom—Dismissed—Railways	511
Claim for first aid clause as in "private award" to set out first aid outfit—Unnecessary—Dismissed—Furniture Trades (Government)	631
Claim for new provisions for dirt money, confined space, hot work and oppressive conditions—Similar previous claim resolved by insertion of industry allowance as compensation for all disabilities—Double counting—Dismissed—Mineral Sands Mining Industry	727
Claim for paid meal breaks and non-contributory sickness and accident benefit plan—Not inconsistent with any decision of the Commission in Court Session—Comparative conditions justice—Question whether standard in industry yet—Standards important in assessing "merit" of claim—History of coverage in the industry—Previous decisions—Granted—Iron Ore Industry	1008
Stand Down	
Claim for payment for workers stood down during strike—Useful work available—Amount of work available—Granted—Railway Employees	571
Claim for workers to be paid for time stood down—Could have been usefully employed—Must be of use to employer's business—Must be for whole day—Struck out—Iron Ore Industry	578
Claim for payment for workers stood down—Imposition of overtime bans and stop work meeting—Abandonment of production of Sunday paper—No consultation with employees—Quality of relationship between employees and employer—Parties directed to confer—Printing Industry	580
Application for payment for stand-down periods—N.S.W. Decision—Nature of industry and type of employee—Recognition of such periods as service for purposes of leave—Refused—School Employees	855
Stop Work Meeting	
Claim for payment for workers stood down—Imposition of overtime bans and stop work meeting—Abandonment of production of Sunday paper—No consultation with employees—Quality of relationship between employees and employer—Parties directed to confer—Printing Industry	580

Strike	
Claim for workers to be paid for time stood down during strike—Useful work available—Must be of use to employer's business—Must be for whole day—Struck out—Iron Ore Industry.....	578
Claim for payment for workers stood down during strike—Useful work available—Amount of work available—Granted—Railway Employees.....	571
Claim for unpaid wages during strike—Employees would not use own tools or tools supplied by employer—Claim for tool allowance—Commission available for settlement of disputes—Direct action not needed—Dismissed—Railways.....	806
Application for interpretation of holiday clause—Rates for day in lieu of holiday worked—Absence as a result of strike—Clause applies to employees observing holiday—Iron Ore Industry.....	985
Supervision	
† Appeal against decision granting selection for supervisory positions on grounds of qualifications, experience and personal qualities—Previously based on seniority—Dismissed—Psychiatric Nurses.....	289
Application to increase wages—Duties and responsibilities of Apprentices Trade Supervisors—Unfair discrepancy with bench level tradesmen—Granted—Railway Employees.....	749
Supplementary and Special Payments	
Application for increase in base rate and supplementary payments—Basis of fixation of rates—Indexation of special and like payments—Previous decisions—Additional payment should not be changed without review of basis of rates—Granted in part—Lift Industry.....	719
Application to increase supplementary payments—Decisions on indexation of overaward payments—Compatibility with original basis for rates—Frequency of adjustment—Granted—Metal Trades.....	640
Claim for increase in service pay—Loss of relative value between service pay and award rate of pay—Movement in award and in the community—Granted—Mineral Sands Mining Industry.....	727
Claim for increased wages and tool allowance following Federal decision—Nexus—History of supplementary payments—Comparison of total wages—Tool allowance granted—Total wage not increased—Metal Trades.....	110
Claim for increase as granted in federal award—Nexus—Previous decision—Supplementary payments—Metal Trades decision not altering total wage—Total wage not increased—Engine Drivers.....	210
Claim by F.E.D.F.U. for wage increase in line with Victoria—Total wage not base rate—Basis for special payments—Granted in principle—State Energy Commission.....	549
† Appeal against decision increasing wages and decreasing supplementary payments by similar amount—Origins and purpose of supplementary payments—Replacing over-award payments—Nexus with Federal Award—Previous decisions—Upheld in part—Metal Trades.....	503
Tallies	
Application for interpretation of long service leave provisions for tally workers—Calculation of rates of pay—Comparison between "overtally" and "overtime"—Federal decisions—Rate of pay to be based on average payments over three months—Meat Industry.....	137
† Appeal against decision fixing tally—Decision made on evidence fair—Dismissed—Meat Industry.....	503
Technological Change	
Claim for altered annual leave provision—Standards elsewhere—"Changed technology" packages in particular newspapers—Commission not prepared to restrict in advance future negotiations as to technological change—Refused—Newspaper Industry.....	193
Application for increased annual leave—Not distinguished from industry generally—Additional leisure a form of benefit sharing—Automation at Canning Vale—Present package of benefit sharing equitable—Dismissed—Brewing Industry.....	774
* Appeal against decision regarding jurisdiction of the Commission—Claim for a redundancy order providing for offer by respondents of alternative employment—Provisions of the Act—Master and servant relationship—Comparison with preference to unionists provisions—Previous decisions—Dismissed—Clerks.....	624
Termination	
Claim for reinstatement—summary dismissal after striking another worker—Previous warning—Conflicting evidence—Dismissed—Iron Ore Industry.....	793
Application for reinstatement—Unfair dismissal—Incompetency contrasted to misconduct—Principles re setting aside management decisions—Contractual relationship—Dismissed—Building Trades.....	797
† Appeal against decision dismissing claim for redundancy payments—Background to dismissals—Question of whether dismissals occasioned by reason of redundancy or by reason of failure to report for work—Dismissed—Maritime and Transport Workers.....	15
Alleged breach of award re payment of wages in lieu of notice—Question of whether notice can run concurrently with the last week of worker's leave—Previous related decision—Right to leave had not accrued—Dismissed—Metal Trades.....	237
Employee late back from annual leave—Previous warning—Termination to stand—Iron Ore Industry.....	396
Claim for re-employment—Alleged harsh and unfair dismissal—Commission cannot condone threat of violence—Refused—Liquor Trades.....	1006
Total Wage	
Application for wage increase—Change to total rates of pay—Interests of stability and equity—Nexus with Federal Award—Basis of wage structure—Increases in related industries—Granted—Aerated Water Industry....	637
Claim for increase in various allowances—Purpose of allowances—Total wage inclusive of special rates and allowances—Conditions on site not markedly different to those on other sites—Granted in part—Metal Trades S.E.C.....	801
