CUMULATIVE INDEX TO MATTERS REFERRED TO IN DECISIONS OF APPEAL COURT, INDUSTRIAL COMMISSION AND INDUSTRIAL MAGISTRATES CONTAINED IN VOL. 60 PART 2, SUB PART 7

NOTE: [1]Denotes Industrial Appeal Court Decision. [3]Denotes Commission in Court Session Decision.
[2]Denotes Full Bench Decision. [4]Denotes Decision of President.

Subject — Page

Absence
Claim *re* termination—Time spent assisting at other premises—Such assistance not remunerated—Nothing done inconsistent with her indisposition—Re-employment ordered—Clerks ... 1267

Act
Question as to eligibility of fork and low lift drivers to join unions—Claim that Commission has no jurisdiction to deal with matter—Definition of "industrial matter"—Provisions of Act—Previous decisions—Vocational as opposed to industry unions—Constitutional coverage granted to T.W.U.—Transport Industry Asbestos Cement Industry ... 1112
[2]Application for registration of union—Question of whether provisions of "new" or repealed Act apply—Conditions dating to application for registration—Defects—Power of Commission to permit amendments to correct defects—Refused—Federated Iron Workers ... 1193
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers sfubject to Public Service Act—Definition of Government Officer—Provisions of Public Service Arbitration Act, Indutrial Arbitration Act and rules of Civil Service Association—Decision *re* C.S.A. rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by Industrial Arbitration Act—Jurisdiction of Commission *re* declaration of Government Officers—Refused—Prison Officers ... 1259
Claim for various benefits—Provisions of Act—Verbal contract—Previous decisions *re* "express" and "implied" terms—Jurisdiction and task of Commission in ascertaining and enforcing terms—Dismissed ... 1285
Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of Industrial Arbitration Act—Definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of tribunal to prevail over that of Commission in certain circumstances—Coal Mining Industry ... 1190
Claim that worker unfairly dismissed—Failure to join union—Employer not to act to prejudice of member or non-member of union—Definition of union—Provisions of Act applicable to registered unions—Particular union not registered—Dismissed—Building Trades ... 1418
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry—(Fremantle Port Authority) ... 1426
[2]Appeal against decision dismissing claim to vary proportion of juniors—Basis of application—Skills required for duties—Objects of Act—Dismissed—Clerks ... 1332
[2]Application for alteration of union rule—Qualification of persons for membership—Preliminary objection—Question of law as to powers of Full Bench to authorise registration sought—Provisions of Act—Reasonable notice to be given—Adjourned ... 1485
[2]Question whether concrete truck owner/drivers are employees within the meaning of the Act—Commission can hear and determine a question of law only and not a question of fact—Problem whether the question is one of law, fact or both—Matter involved question of fact—Remitted—Transport Workers (Concrete) ... 1483
[4]Application for removal of stay of operation of order—Act regulations—Re-employment not desirable—Onus on union to justify removal of the stay—Question of comparative hardship and inconvenience of parties—Undue hardship not shown—Refused—Psychiatric Nurses ... 1497
[4]Claim that union rules be properly observed—Removal of officers from executive considered harsh and unjust—Principle of natural justice—Provisions of Act (S.66)—Previous decisions—Rule disallowed if inconsistent with any law—Natural justice not implied in Rule 19(1)—Rule not disallowed—Union directed to alter rule—Cleaners and Caretakers ... 1487
[1]Appeal against decision of Commission in Court Session granting permission for review of decision of W.A. Coal Industry Tribunal—Provisions of Mining Act and I.A. Act—Jurisdiction of Coal Industry Tribunal—Claims *re* jurisdiction of Commission in Court Session and the Court to hear the matter—Decision to permit review ought to have been drawn up in writing—Previous decisions—Nature of right of appeal against Coal Industry Tribunal—Dismissed ... 2137
[2]Appeal against decision of Commission granting service allowance for certificated operators—alleged that Commissioner considered matters not raised in submissions—Provisions of Act—Dismissed—Salt Industry ... 2393
[4]Claim that union rule be disallowed and members of management committee continue to hold office—Dismissal of management committee following motion of no confidence—Provisions of Act (s.66)—Previous decisions—Union directed to alter rule—Psychiatric Nurses ... 2404

Agreement
[2]Appeal against decision re claim for reinstatement—Run past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justified—Iron Ore Industry ... 1333
Claim re various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authorty) ... 1426

Allowances
Claim for increases in disability allowance—In line with Federal Awards—Remuneration based on previous decisions—One rate for all sites—Granted—Catering Industry ... 1065
Claim that work performed by meter repairers should attract additional allowance—No definition in award—Past practice—Nexus with Victoria—Dismissed—Electrical Trades ... 1118
Question of appropriate wage rates for new classification—Nature of duties and responsibilities compared to transport industry—Allowance for extra skills required—Determined—Iron Ore Industry ... 1127
Claim for increase in Hiab allowance—Provisions of Machinery Safety Act—Operation of equipment requires certificate of competency and extra skills—Inspections—Granted—Transport Industry ... 1089

CUMULATIVE INDEX—*continued*

Page

Allowances—*continued*
Claim *re* cold work—Award provisions elsewhere—Intermittent exposure—Granted—Transport Industry 1089
Claim for allowance for distant work—Question arises when workers unable to return home each night—Interpretation of award—Caravan park constitutes home—Provisions of the award—Employee able to return home—Dismissed—Metal Trades Construction 1117
Claim that certain work be accorded higher disability grouping—Change in blasting procedures—Problem of excessive dust and noise—Company argues disabilities inherent in job—Granted in part—Iron Ore Industry 1127
Claim that workshop employees receive construction rates and travelling allowance—Employer engaged in both fabrication and installation—Origin and nature of Kwinana rate—Dismissed—Metal Trades 1116
Claim *re* board and lodging and living out allowances—Award provisions—Applicable if employee cannot return home each night—Previous decisions—Need to distinguish between employees sent to site and those hired on-site—Dismissed—Electrical Trades 1289
[3]Application to vary district allowances—Interim decision—Government and private industry employees—Past determinations—Climatic conditions—Isolation—Additional costs of living—Tests of adequacy of existing allowances—"Town" rather than "area" allowances—Adjustment of basic allowances to accommodate particular circumstances—Adjustments for single employees and provision of board and lodging—Method of future variation—General Order 1141
Claim for trip maintenance allowance for certain classification—Past practice—Agreement provisions—Question as to whom and in what circumstances allowance to be paid—Insufficient material before Commission—Supplementary decision—Dismissed—Iron Ore Industry 1286
[2]Appeal against decision of Commission *re* fares and travelling allowances—Dual parentage of provisions—Increase granted Federally on proviso that work value claims be foregone—Propriety of prescribing two rates of travelling allowance—Remitted—Engine Drivers Building and Steel Construction 1184
Claim re travelling allowances—Matter remitted by Full Bench to Commission—Further hearing—Matter in issue restated—Scope of awards—Work value decision of Australian Commission—Wage "package"—Uniformity of allowance required for industrial relations reasons—Adjustment of special payments—Granted in part—Engine Drivers Building and Steel construction 1374
Claim re tools—Provision elsewhere—Previous decisions—Listing of tools—Granted—Electrical Contracting Industry 1369
Claim re allowance for distant work—Provision elsewhere—Nature of allowance—Need to return home on weekends—Refused—Metal trades 1397
Claim for industry allowance—Inspections—General disabilities—Comparison with other industries—History—Question of relationship—Overall work conditions—Award provisions adequate—Federal Decision—Dismissed—Metal Trades and Engine Drivers 1574
Claim for various allowances—Conditions of employment—Current provisions relating to "normal construction work"—Circumstances on site need to be distinguished from construction sites at large—Granted in part—Metal Trades and Engine Drivers 1565
Claim for an allowance for employees operating a particular loader—Previous decisions—History of Hiab allowance—Granted in part—Iron Ore Industry 1572
Claim for provision to apply to employees where termination occurs despite expectation of regular employment—Supplementary decision—Liberty to apply—Meat Industry 1502
Interpretation re certificated rigger—Award provisions—Requirements of Construction Safety Act—Claim that all certificated riggers be paid "supervision allowance"—Work usually or substantially performed—Not proper for Commission to specify legal safety requirements—Metal Trades (Construction) 1567
Application for increase in industry allowance—Basis upon which allowances erected—Previous decision—Levels of disabilities—"Equal but different" concept—"In proportion" approach—Granted—Timber Industry 2156
Claim *re* rates and for a "concentrator allowance"—Dispute as to area to be included—Equation to "experienced tradesmen" allowance sought—Allowances must be assessed in relation to disabilities inherent in particular classifications—Previous decision—Different disabilities according to location—Granted in part—Iron Ore Industry 2310
Claim for an allowance for certificated operators—Concept of "experienced tradesmen's allowance"—Situation in iron ore industry—Question of parentage to iron ore industry—"Even handed approach"—Granted—Salt Industry 2313
Claim that workers engaged in cheeking bulls be paid same rate as a class B member of slaughtering team—Claim for an additional rate—Duties of worker not on slaughtering team—Federal award provisions—Comparison of tasks and rates of such workers with slaughtermen—Granted—Meat Industry 2318
Claim for a fixed disability allowance—Inspections—Current provisions—Nexus—Differences between workers—Previous decisions—Comparisons with workers elsewhere—Dismissed—Iron and Steel Industry 2330
Claim for a certificated allowance—Practice in Iron Ore Industry—Previous decisions—Concept of experienced tradesmen's allowance—Comparative wage justice—Certificated operator's allowance equated to experienced tradesmen's allowance—Iron Ore Industry 2328
Claim *re* wages for certain employees—Interim orders—Previous decisions—History of rates—Distinction between working in the North and in the South—Special conditions applicable—Granted in part—Metal Trades 2301
Claim *re* car allowance—Public Service allowances sought—Nexus—Previous decision—Relationship with private award—Granted—Claim that changes in "parent" award automatically flow on—Refused—Engineering Trades (Government) 2170
Claim for increase in travelling allowance—Previous increases granted elsewhere as part of "package"—Federal Award provisions—Comparison between engineering tradesmen and building tradesmen—Work value changes—Granted—Engineering Trades (Government) 2170
Claim for increase in construction allowance—Increase in Federal Award—Previous decisions *re* adjustment of special payments—Understanding that special payments and construction allowances remain unaltered until $7 increase absorbed—Engine Drivers (Building and Steel Construction) 2520
Claim for isolation disability allowance for time workers—Short term employment opportunities due to seasonal fluctuations—Question of additional tasks to be performed—Alleged high cost of travelling to and from work—Difficulty in distinguishing between categories of employees—Question of analogy with employees in Metal Trades Industry—Granted in part—Meat Industry 2562
Claim *re* camping allowance—Recognised nexus with Federal Award—Previous decisions—Question whether employer to return a worker to depot on each weekend when not required to work—Concept of "rest and recreation"—Distinction from building industry—Granted in part—Construction Workers (Government) 2518
Claim for wage increase for certain classification—Comparison with duties of other classifications—Question of payment of leading hand allowance—Wage increase justified on grounds of level of concentration and care required—Granted in part—Iron Ore Industry 2558
[2]Appeal against decision of Commission granting service allowance for certificated operators—History of allowance for experienced tradesmen—Dismissed—Salt Industry 2393

CUMULATIVE INDEX—*continued*

Amenities
[3]Application to vary district allowances—Interim decision—Government and private industry employees—Past determinations—Climatic conditions—Isolation—Additional costs of living—Tests of adequacy of existing allowances—"Town" rather than "area" allowances—Adjustment of basic allowances to accommodate particular circumstances—Adjustments for single employees and provison of board and lodging—Method of future variation—General Order 1141

Annual Leave
[1]Appeal against decision dismissing claim for one weeks wages in lieu of notice—Notice concurrent with last week of annual leave—Previous decisions—Validity of notice—Award provisions—Management not to interfere with leave benefit—Metal Trades 1055
Alleged breach of award *re* payment of annual leave on termination—Scope of award—Contract of service—Managerial function outside scope of award—Dismissed—Licensed Car Salesmen 1266
Alleged failure to pay *pro rata* annual leave on termination—Award provisions—Non-reduction of benefits—"On Call" allowance—Certain conditions of employment still apply after introduction of award—Upheld—Hospital Salaried Officers 1266
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry—(Fremantle Port Authority) 1426
Claim for payment in lieu of annual leave—No documentary evidence as to terms of contract—Concept of employer/employee relationship—Existence of contract of service questioned—"Control test"—Dismissed—Radio and Television Industry 1574
Claim that determinants of "ordinary wage" for annual leave and *pro rata* payments vary for specified categories—Basis of loadings—Previous decisions—Granted in part—Meat Industry 1502
[2]Appeal against decision *re* claim for recovery of sum in lieu of leave—Question whether appellant was an employee—Upheld—Radio and Television Industry 2401

Anomalies—See Unfair Discrepancy

Appeals
[1]Against decision refusing H.S.O.A. coverage—Question whether classifications of employees within constitutional rule—Jurisdiction of Commission in Court Session not exceeded—Interpretation of terms of constitution rule is a question of fact—Dismissed—Slow Learning Children's Group 1053
[1]Against decision dismissing claim for one week's wages in lieu of notice—Notice concurrent with last week of annual leave—Previous decisions—Question as to validity of notice—Award provisions—Management not to interfere with leave benefit—Upheld—Metal Trades 1055
[2]Against decision of Magistrate ordering payment of various entitlements—Question of respondency—Scope clause—Previous decisions—Definition of industry—Differentiation between retailers and distributors—Defendant employer not bound by awards—Commercial Travellers 1185
[2]Appeal against decision of Commission *re* fares and travelling allowances—Dual parentage of provisions—Increase granted Federally on proviso that work value claims be foregone—Propriety of prescribing two rates of travelling allowance—Remitted—Engine drivers Building and Steel Construction 1184
[2]Against decision *re* claim for reinstatement—Run past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justified—Iron Ore Industry 1333
[2]Appeal *re* time and wages records clause—Such clause varied on basis of counterclaim—No evidence adduced—Manner in which Commission may inform itself of any matter—Proceedings miscarried—Allowed and remitted—Dental Technicians 1330
[2]Against decision granting equal pay to adult female process workers—Such prescription previously refused—Work value—Rates in related awards—Dismissed—Food Industry 1339
[2]Against decision amending award—Extension of constitutional coverage of union—Liberty to apply reserved in respect of certain definition—Powers of commission—Liberty sought by union not reflected in order—Allowed—Commercial Travellers 1340
[2]Against decision dismissing claim to vary proportion of juniors—Basis of application—Skills required for duties—Objects of Act—Dismissed—Clerks 1332
[1]Appeal against decision of Commission in Court Session granting permission for review of decision of W.A. Coal Industry Tribunal—Provisions of Mining Act and Industrial Arbitration Act—Jurisdiction of Coal Industry Tribunal—Claims *re* jurisdiction of Commission in Court Session and the Court to hear the matter—Decision to permit review ought to have been drawn up in writing—Previous decisions—Nature of right of appeal against Coal Industry Tribunal—Dismissed 2137
[2]Against decision ordering reinstatement—Events leading to dismissal—Mental Health Act provisions—Various grounds of appeal—Claim that Commission usurping right of employer to dismiss—Jurisdiction of Commission—Previous decisions—Upheld in respect of payment of wages, dismissed in all other respects—Psychiatric Nurses 2396
[2]Against decision of Commission granting service allowance for certificated operators—Question of comparative wage justice and parentage to iron ore industry—History of allowance for experienced tradesmen—Alleged that Commissioner considered matters not raised in submissions—Provisions of Act—Dismissed—Salt Industry 2393
[2]Against decision *re* penalty rates for ordinary hours on weekend work for employees in Health and Physical Culture Industry—Comparison with standard award provisions—Reference to awards covering such employees in Eastern States—Peculiarities of the industry—Alleged that Commission erred in not granting "standard" hours provision—Onus on applicant to prove penalty rates should be paid—Previous decision—Dismissed—Health Attendants 2394
[2]Against decision *re* claim for recovery of sum in lieu of leave—Question whether appellant was an employee—Alleged failure of Commission to properly apply control test—Full Bench considered contract of service and master/servant relationship existed—Upheld—Radio and Television Industry 2401

CUMULATIVE INDEX—*continued*

Page

Apprentices
Claim that learners be taught all aspects of solo slaughtering—Existing provision—Apprenticeship regulations—Counterpart of apprenticeship trade—Refused—Meat Industry 1502

Awards
Application for inclusion of standdown clause—Previous decision—Power failures causing cessation of work—Technological improvements *re* use of electrical equipment—Amendment to apply to specific respondents—Granted—Clerks 1070
Claim *re* wages for cement industry analysts—Agreed maximum base rate—Choice between blue and white collar over award payments and allowances—Public Service rate—Disabilties—Provisions in related award—Unfair discrepancy—Granted in part—Draughtsmen, Tracers and Planners in Cement Industry 1346
Claim for new award—Intervention—Decision *re* constitutional coverage—Scope of existing award—Industry headings—Previous decision—Reference to proceed—Hospital Salaried Officers (Clerks intervening) 1439
Claim for new awards—Various grounds for objections—Question of constitutional coverage of certain workers—Interveners—Previous decisions—Concept of industry—Jurisdiction of Commission—Certain references to proceed—Hospital Salaried Officers 1584
Delivery of new award—Preliminary point *re* replacement of several awards—Various matters of disagreement—Meat Industry 1502
Claim for inclusion of stand down clause in proposed award—Existing provisions—Relationships between staff and wages employees—Provisions elsewhere—No analogy between two sections of employees—Dismissed—Gold Mining Industry 2325
Delivery of new award—Existing industrial coverage—Dispute *re* basis of fixing certain entitlements—Question whether to adopt entitlements applying to salaried officers in public hospitals or those applying to nurses employed by Silver Chain—Hospital Salaried Officers 2145
Application to vary awards—Claim for increase in wages—Changes in work value—Existing relationships—Method of evaluation—Adjourned—Fire Brigade Employees 2286
Delivery of new award—Various matters of disagreement—Previous decisions—Radio and Television Industry 2460
Delivery of new award—Claim that existing Metal Trades (General) Award more appropriate means of providing coverage—Separate award to facilitate dealings with particular circumstances of industry as distinct from "industry" covered by Metal Trades Award—Electrical Trades (Security Alarms) 2408
Claim for payment of wages in accordance with contract of service—Events leading to claim—Question of payment of Federal Award rates for shed hand and wool classer—Definition of classifications under Federal Award—Granted in part—Wool Industry 2556

Bans
[2]Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of Industrial Arbitration Act—Definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of tribunal to prevail over that of Commission in certain circumstances—Coal Mining Industry 1190
Claim for payment of wages—Background to dispute *re* overtime bans by tradesmen—Labourers refused to perform higher capacity duties—Principle of "usefully employed"—Employers obligation "to guarantee a week's work"—No requirement under award for labourers to act in higher classification—Definitions—Previous decisions—Question whether workers ready, willing and available to perform normal duties—Granted—Railway Employees 2565

Basic Wage
[2]Appeal against decision granting equal pay to adult female process workers—Such prescription previously refused—Work value—Rates in related awards—Dismissed—Food Industry 1339

Board and Lodging
Claim for allowance for distant work—History and nature of such allowance—Question arises when workers unable to return home each night—Interpretation of award—Caravan park constitutes home—Provisions of the award—Employee able to return home—Dismissed—Metal Trades Construction 1117
Claim *re* board and lodging and living out allowances—Award provisions—Applicable if employee unable to return home each night—Previous decisions—Need to distinguish between employees sent to site and those hired on-site—Dismissed—Electrical Trades 1289
[3]Application to vary district allowances—Interim decision—Government and private industry employees—Past determinations—Climatic conditions—Isolation—Additional costs of living—Tests of adequacy of existing allowances—"Town" rather than "area" allowances—Adjustment of basic allowances to accommodate particular circumstances—Adjustments for single employees and provision of board and lodging—Method of future variation—General Order 1141
Claim *re* distant work allowance—Provision elsewhere—Basis of allowance—Refused—Metal Trades 1397

Board of Reference
Application for *pro rata* long service leave—Conduct justified dismissal—Misconduct condoned by employer—Award provisions—Granted—Meat Industry 1103
Claim *re* determination of entitlement to *pro rata* payment for long service leave—Question of transmission of business—Appointment of receiver and manager—Previous decision—Respondent company not employer—Dismissed—Licensed Car Salesmen 1417
Claim for payment of long service leave on termination—Issue of continuous service—No evidence as to commencing date—Transmissions of business—Question whether "absence of proof destroys applicants claim"—Board to act according to "equity, good conscious and the substantial merits of the case"—Granted—Hotel Industry 1561

CUMULATIVE INDEX—*continued*

Page

Board of Reference—*continued*
Claim for payment of *pro rata* long service leave—Question whether conduct constituted serious misconduct—Events prior to termination—Termination of own account—Misconduct discovered after termination—Employee's actions found to be deliberate—Refused 2289

Breach of Award
Alleged breach *re* annual leave payment—Scope of award—Contract of service—Managerial function outside scope of award—Dismissed—Licensed Car Salesmen 1266
Alleged failure to pay *pro rata* annual leave on termination—Award provisions—Non-reduction of benefits—"On call" allowance—Certain conditions of employment still apply after introduction of award—Upheld—Hospital Salaried Officers 1266
Alleged failure to give correct notice of termination—Employee downgraded—Verbal notice given—No agreement between parties as to downgrading—Award provisions—Downgrading is a termination of services—Previous cases—Proven—Journalists 2291

Capacity to Pay
Application for increase in wages—Alignment with public sector rates—Claim that nexus between awards be discontinued—W.A. rate higher than "average comparative rate"—Question of maintaining "capacity to pay"—Work value—Adjourned—Dental Technicians 1415
Claim for 10 per cent increase in wages—Changes in work value—Past nexus—No direct relationship with rates elsewhere—Employers capacity to pay—Government policy *re* increases outside wage indexation—"Public interest"—Comparisons—five per cent increase granted—Nurses 2270

Casual
Claim that workers dismissed within a month of commencing employment be deemed casual—Previous decisions—Nature of contract on engagement—Refused—Metal Trades 1397
Question whether shift work rates apply to casuals—Definition of casuals and shift work—Method of calculating loading—Nurses (Private Hospitals) 2288
Claim for reinstatement—Question whether employee employed as a casual—Definition of casual—Reasons for termination unsubstantiated—Employee not advised as to unsatisfactory performance—Reinstatement ordered—Shop Assistants 2568

Classification
Claim that work performed by meter repairers should be higher classification—No definition in award—Past practice—Nexus with Victoria—Dismissed—Electrical Trades 1118
Question of appropriate wage for new classification—Duties and responsibilities compared to transport industry—Operation of equipment requires extra skills—Determined—Iron Ore Industry 1127
Claim for increase in wage rates for certain serviceman classifications—Previous decisions—History of wage rates—Principle of "unfair discrepancy"—Increase within wage indexation guidelines of Commission—Granted—Iron Ore Industry 1276
Claim for increase in wage rates—Question whether rate should be increased after 12 months service—Previous decisions—Comparison with similar classifications of tradesmen—Granted in part—Iron Ore Industry 1273
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers subject to Public Service Act—Definition of Government Officer—Provisions of Public Service Arbitration Act, Industrial Arbitration Act and rules of Civil Service Association—Decision *re* C.S.A. rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by Industrial Arbitration Act—Jurisdiction of Commission *re* declaration of Government Officers—Refused—Prison Officers 1259
Claim *re* various matters—Rates for leading hands—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Claim for alteration of definitions—Two classes of employment—Question of employment of a trained child care worker in an untrained aides position—Current practice—Distinction in the nature and degree of responsibility rather than physical duties—Proposed definition too arbitrary—Adjourned—Pre School Teachers 1416
Claim *re* disability allowance allocations—Inspections—Award provisions—Rationalization of current groupings—Nature of work—Granted in part—Storemen Iron Ore Industry 1421
Claim that rate of wage for a "general butcher" be equated to the rate of wage for a "supermarket butcher"—Nexus with Federal award—Existing relativities between classifications—Comparison with other industries—Supplementary decision—Granted—Meat Industry 1502
Interpretation *re* certificated rigger—Award provisions—Requirements of Construction Safety Act—Claim that all certificated riggers be paid "supervision allowance"—Work usually or substantially performed—Not proper for Commission to specify legal safety requirements—Metal Trades (Construction) 1567
Alleged failure to give correct notice of termination—Employee downgraded—Verbal notice given—No agreement between parties as to downgrading—Award provisions—Downgrading is a termination of services—Previous cases—Proven—Journalists 2291
Claim *re* classification of call room orderlies—Award provisions—Duties of orderlies—Previous decisions—Claim of greater involvement with nursing care—Definition of "nursing care"—Comparison with higher group—Granted—Hospital Employees 2315
Claim *re* classification of Orderly Instructor—Comparison with related classifications—Recent changes in the position—Claim that wage differential be restored—Dismissed—Hospital Employees 2315
Claim that junior workers employed as freezer hands be paid classified adult rate—Award provisions—Flexibility in industry—Distinction between employers operations and others in industry—Previous decision—Concept extended in other sectors—Granted—Food Industry 2314
Claim *re* wages for certain employees—Interim Orders—Previous decisions—History of rates—Distinction between working in the North and in the South—Special conditions applicable—Granted in part—Metal Trades 2301

CUMULATIVE INDEX—*continued*

Page

Classification—*continued*

[3]Application for increase in rates of pay—Matter referred—Increase granted by Commission in Court Session—Recognition of creation of anomalies in wage structure—Commissioner sitting alone requested to carry out investigation—Hospital Salaried Officers 2142

Claim *re* wages for various classifications—Minimum rates applicable in other States—Wages differential between "inside" and "outside" servicemen—Previous decision *re* Metal Industry—Work value changes—Granted in part—Radio and Television Industry 2460

Question as to appropriate classifications to be included—Work performed more important than classification title—Definitions elsewhere not appropriate—No information before Commission *re* certain classifications—Parties to consider appropriate definition of "special class" servicemen—Electrical Trades (Security Alarms) 2408

Claim for isolation disability allowance for time workers—Short term employment opportunities due to seasonal fluctuations—Question of additional tasks to be performed—Alleged high cost of travelling to and from work—Difficulty in distinguishing between categories of employees—Question of analogy with employees in Metal Trades Industry—Granted in part—Meat Industry 2562

Claim for increase in wages for certain classifications—Opposed on grounds that award still within prescribed term—Act provision—Increases elsewhere—History of wage fixation—Comparison with like classifications—Granted—Cleaners and Caretakers (Security Agents) 2499

Claim for payment of wages in accordance with contract of service—Events leading to claim—Question of payment of Federal Award rates for shed hand and wool classer—Definition of classifications under Federal Award—Granted in part—Wool Industry 2556

Claim for wage increase for certain classification—Comparison with duties of other classifications—Question of payment of leading hand allowance—Wage increase justified on grounds of level of concentration and care required—Granted in part—Iron Ore Industry 2558

Claim for payment of wages—Background to dispute *re* overtime bans by tradesmen—Labourers refused to perform higher capacity duties—Principle of "usefully employed"—Employers obligation "to guarantee a week's work"—No requirement under award for labourers to act in higher classification—Definitions—Previous decisions—Question whether workers ready, willing and available to perform normal duties—Granted—Railway Employees 2565

Clothing

Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426

Claim for free supply of overalls—Current provisions relating to "normal construction work"—Circumstances on this site not distinguishable from construction sites at large—Refused—Metal Trades and Engine Drivers 1565

Claim for extension of "free outer clothing" and laundering to all employees—Requirements of legislation—Where clothing can be taken off employer's premises existing money allowance an equitable alternative—Supplementary decision—Trial period for employers not previously covered—Meat Industry 1502

Claim for supply of shirts to moulders—Inspections—Existing award provisions—Nature of work performed—Nexus—Question of alternative form of work clothing—Test of appropriateness—Granted—Railway Employees 2307

Commission/er

Claim that annual leave loading be payable on contract rate rather than prescribed minimum rate—Matter more properly dealt with by Commission in Court Session—Dismissed—Clerks 1058

[2]Application for registration of Union—Question of whether provisions of "new" or repealed Act apply—Conditions relating to application for registration—Defects—Power of Commission to permit amendments to correct defects—Refused—Federated Iron Workers 1193

Claim for various benefits—Provisions of act—Verbal contract—Previous decisions *re* "express" and "implied" terms—Jurisdiction and task of Commission in ascertaining and enforcing terms—Dismissed 1285

Application for eight per cent or $8.00 increase in wages—Rates applicable elsewhere—Commission not dependant on actions of other tribunals for its decisions—Work value—$8.00 Granted—Hospital Employees Government ... 1229

[2]Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of Industrial Arbitration Act—Definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of tribunal to prevail over that of Commission in certain circumstances—Coal Mining Industry 1190

[2]Appeal *re* time and wages clause—Such clause varied on basis of counter claim—No evidence adduced—Manner in which Commission may inform itself of any matter—Proceedings miscarried—Allowed and remitted—Dental Technicians 1330

[2]Appeal against decision varying award—Extension of constitutional coverage of union—Liberty to apply reserved in respect of certain definition—Power of Commission—Liberty sought by union not reflected in order—Allowed—Commercial Travellers 1340

[2]Appeal against decision dismissing claim to vary proportion of juniors—Basis of application—Skills required for duties—Objects of Act—Dismissed—Clerks 1332

Claim *re* various provisions—Function of Commission is to do what is fair and right in the industrial environment under circumstances which exist at a particular time—Electrical Contracting Industry 1369

[2]Question whether concrete truck owner/drivers are employees within the meaning of the Act—Commission can hear and determine a question of law only and not a question of fact—Problem whether the question is one of law, fact or of both—Matter involved question of fact—Remitted—Transport Workers (Concrete) 1483

[1]Appeal against decision of Commission in Court Session granting permission for review of decision of W.A. Coal Industry Tribunal—Provisions of Mining and Industrial Arbitration Act—Jurisdiction of Coal Industry Tribunal—Claims *re* jurisdiction of Commission in Court Session and the Court to hear the matter—"Character of Commission proceedings"—Decision to permit review ought to have been drawn up in writing—Previous decisions—Nature of right of appeal against Coal Industry Tribunal—Dismissed 2137

Application under section 29—Question of remuneration—Employment on a casual basis—No detail as to amount claimed—Previous decision—Task of Commission is to ascertain and enforce legal rights—Insufficient material before Commission—Dismissed—Transport Workers 2324

CUMULATIVE INDEX—*continued*

Commission/er—*continued*
[3]Application for increase in rates of pay—Matter referred—Increase granted by Commission in Court Session—Recognition of creation of anomalies in wage structure—Commissioner sitting alone requested to carry out investigation—Hospital Salaried Officers 2142
[2]Appeal against decision ordering reinstatement—Events leading to dismissal—Mental Health Act provisions—Various grounds of appeal—Claim that Commission usurping right of employer to dismiss—Jurisdiction of Commission—Previous decisions—Upheld in respect of payment of wages, dismissed in all other respects—Psychiatric Nurses 2396
[2]Appeal against decision *re* claim for recovery of sum in lieu of leave—Question whether appellant was an employee—Alleged failure of Commission to properly apply control test—Full Bench considered contract of service and master/servant relationship existed—Upheld—Radio and Television Industry 2401

Comparative Wage Justice
Application for eight per cent or $8.00 increase in wages—Rates applicable elsewhere—Commission not dependant on actions of other tribunals for its decisions—Work value—$8.00 granted—Hospital Employees Government 1229
Application for increase in wages—Alignment with public sector rates—Claim that nexus between awards be discontinued—W.A. rate higher than "average comparative rate"—Question of maintaining "capacity to pay"—Work value—Adjourned—Dental Technicians 1415
Claim for wage increase—Federal Work Value decision—Increase in related award—Relationship to other awards—Base rate to increase—Electrical Contracting Industry 1369
Claim for a certificated allowance—Practice in Iron Ore Industry—Previous decisions—Concept of experienced tradesmen's allowance—Concept of comparative wage justice—Certificated operator's allowance equated to experienced tradesmen's allowance—Iron Ore Industry 2328
[2]Appeal against decision of Commission granting service allowance for certificated operators—Question of comparative wage justice and percentage to iron ore industry—History of allowance for experienced tradesmen—Alleged that Commissioner considered matters not raised in submissions—Provisions of Act—Dismissed—Salt Industry 2393
Claim for wage increase for certain classification—Comparison with duties of other classifications—Question of payment of leading hand allowance—Wage increase justified on basis of level of concentration and care required—Granted in part—Iron Ore Industry 2558
Claim for increase in wages—Previous claim based on work value grounds—Union given opportunity to argue claim on basis of unfair discrepancy—Movement in wages for related occupations—Question of fairness of rates—Industry and service pay increases granted since 1977—Favourable comparison with wage rates elsewhere in Australia—Dismissed—Fire Brigade Employees 2549

Compassionate Leave
Claims re various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426

Conciliation
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426

Conditions of Service
[3]Application to vary district allowances—Interim decision—Government and private industry employees—Past determinations—Climatic conditions—Isolation—Additional costs of living—Tests of adequacy of existing allowances—"Town" rather than "area" allowances—Adjustment of basic allowances to accommodate particular circumstances—Adjustments for single employees and provision of board and lodging—Method of future variation—General Order 1141
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426

Contract of Service
Claim that employer's intention to dismiss harsh and unfair—Terms of employment—Management prerogative to transfer—Refusal to comply with instructions—Question whether company's exercise of discretion reasonable—Dismissed—Catering Industry 1121
[1]Appeal against decision dismissing claim for one weeks wages in lieu of notice—Notice concurrent with last week of annual leave—Previous decisions—Validity of notice—Award provisions—Management not to interfere with leave benefit—Upheld—Metal Trades 1055
Claim for re-instatement—Alleged unfair dismissal—Breach of contract of employment—Cash shortfall—Management prerogative—Dismissed—Shop Assistants 1297
Claim for re-employment of two workers—Alleged that dismissals harsh, unfair and unjust—Junior replacements—Right to anticipate and expect continuity of employment—Granted in part—Food Industry 1278
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers subject to Public Service Act—Definition of Government Officer—Provisions of Public Service Arbitration Act, Industrial Arbitration Act and rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by Industrial Arbitration Act—Jurisdiction of Commission *re* declaration of Government Officers—Refused—Prison Officers 1259
Claim for re-instatement and payment of wage "losses"—Allegations *re* conduct of employee—Practicability of reinstatement—Order for wages granted for balance of time remaining before position was to be reviewed—Photographic Industry 1270

CUMULATIVE INDEX—*continued*

Contract of Service—*continued*
Claim for various benefits—Provisions of Act—Verbal contract—Previous decisions *re* "express" and "implied" terms—Jurisdiction and task of Commission in ascertaining and enforcing terms—Dismissed 1285
Alleged breach of award *re* payment of annual leave on termination—Scope of award—Contract of service—Managerial function outside scope of award—Dismissed—Licensed Car Salesmen 1266
Claim *re* alleged unfair termination—Trial period—Worker found unsatisfactory—Conflict of evidence—Failure to work out the last week—Dismissed in accord with terms of engagement—Granted in part—Clerks 1269
[2]Appeal against decision *re* claim for reinstatement—Run past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justified—Iron Ore Industry 1333
Claim for alteration of definitions—Two classes of employment—Question of employment of a trained child care worker in an untrained aides position—Ministers responsibility and entitlements—Current practice—Distinction in the nature and degree of responsibility rather than physical duties—Adjourned-Pre school teachers 1416
Claim that workers dismissed within a month of commencing employment be deemed casual—Previous decisions—Nature of contract on engagement—Refused—Metal Trades 1397
Claim for payment for time worked and of wages in lieu of notice and *pro rata* annual leave—Dismissal for misconduct—Conflicting evidence—Argument with manager—Instant dismissal not justified—Granted—Metal Trades (S.29) 1419
Claim for payment in lieu of annual leave—No documentary evidence as to terms of contract—Concept of employer/employee relationship—Existence of contract of service questioned—"Control test"—Dismissed—Radio and Television Industry 1574
Question of contract of service clause to be incorporated in new award—Claim that Metal Trades provisions be adopted—Granted in part—Meat Industry 1502
Claim for "last on—first off" retrenchment provisions—Previous decisions—Long standing principle—Management prerogative—Commission not to interfere with right of management to hire and fire—Circumstances of particular case to be taken into account—Metal Trades (Construction) 1563
Alleged failure to give correct notice of termination—Employee downgraded—Verbal notice given—No agreement between parties as to downgrading—Award provisions—Downgrading is a termination of services—Previous cases—Proven—Journalists 2291
Claim that dismissal unfair—Terms and conditions of employment outlined in letter of appointment—Events leading to termination—Increase in scope of responsibility—Salary review requested—Increase not satisfactory—Unwilling to work callouts—Commission limited to consider whether employee denied entitlements under contract of service—Dismissed—Iron Ore Industry 2322
Claim for payment of moneys earned—No written contract of employment—Contract for specific performance—Question whether terms of contract contain any penalties or rights of deduction by employer from moneys earned—Reasons for leaving employment—"Reasonable" notice not given—Granted in part—Pastoral Industry 2298
Claim for payment of wages in accordance with contract of service—Events leading to claim—Question of payment of Federal award rates for shed hands and wool classers—Definition of classifications under Federal award—Granted in part—Wool Industry 2556
[2]Appeal against decision *re* claim for recovery of sum in lieu of leave—Question whether appellant was an employee—Alleged failure of Commission to properly apply control test—Full Bench considered contract of service and master/servant relationship existed—Upheld—Radio and Television Industry 2401
Claim that certain Ore Handling Equipment Operators provide on-the-job training to other such employees—Previous decision—Employees refusal to train—Question of contract of service—Past practice—Granted in part—Iron Ore Industry 2559
Claim that certain Ore Handling Equipment Operators perform other tasks as directed—Employees refusal to operate both crushing and ship loading plant—Past practice for both tasks to be done—Question whether there is impediment to claimant seeking reinstatement of that practice—Award provision *re* contract of service—Granted in part—Iron Ore Industry 2559

Coverage—Constitutional Coverage
Question as to eligibility of fork and low lift drivers to join unions—Claim that commission has no jurisdiction to deal with matter—Definition of "industrial matter"—Provisions of Act—Previous decisions—Vocational as opposed to industry unions—Constitutional coverage granted to T.W.U.—Transport Industry (Asbestos Cement Industry) 1112
[1]Appeal against decision refusing H.S.O.A. coverage—Question whether classifications of employees within constitutional rule—Jurisdiction of Commission not exceeded—Interpretation of terms of constitution rule is a question of fact—Dismissed—Slow Learning Children's Group 1053
[3]Application to amend rule—Clarification of constitutional coverage sought—Objections—Investigation by Registry—Water Supply Union 1110
[2]Appeal against decision varying award—Extension of constitutional coverage of union—Liberty to apply reserved in respect of certain definition—Powers of Commission—Liberty sought by union not reflected in order—Allowed—Commercial Travellers 1340
Claim for new award—Intervention—Decision *re* constitutional coverage—Scope of existing award—Industry Headings—Previous decision—Reference to proceed—Hospital Salaried Officers (Clerks intervening) 1439
Claim for new awards—Objections—Question of coverage of certain workers—Interveners—Previous decisions—Concept of industry—Jurisdiction of Commission—Certain references to proceed—Hospital Salaried Officers 1584
Delivery of new award—Existing industrial coverage—Dispute *re* basis of fixing certain entitlements—Question whether to adopt entitlements applying to salaried officers in public hospitals or those applying to nurses employed by Silver Chain—Hospital Salaried Officers 2145
Delivery of new award—Claim that existing Metal Trades (General) Award more appropriate means of providing coverage—Separate award to facilitate dealings with particular circumstances of industry as distinct from "industry" covered by Metal Trades Award—Electrical Trades (Security Alarms) 2408
Claim by A.W.U. for exclusive industrial coverage of drivers of Hi-rail vehicles—Question of knowledge of railroad operations and safety procedures—Certain members of E.T.U. authorised and qualified to drive such vehicles—Previous decision—Present practice not contravening industrial agreement—Dismissed—Iron Ore Industry 2571

CUMULATIVE INDEX—*continued*

Page

Custom and Practice
Claim that certain Ore Handling Equipment Operators perform other tasks as directed—Previous decision—Employees refusal to operate both crushing and ship loading plant—Past practice for both tasks to be done—Question whether there is impediment to claimant seeking reinstatement of that practice—Granted in part—Iron Ore Industry 2559
Claim that certain Ore Handling Equipment Operators provide on-the-job training to other such employees—Previous decision—Employees refusal to train—Question of contract of service—Past practice—Commission considered such training is within scope and practice of such employees—Granted in part—Iron Ore Industry 2559
Claim by A.W.U. for exclusive industrial coverage of drivers of Hi-rail vehicles—Certain E.T.U. members authorised to drive such vehicles—Present practice not contravening industrial agreement—Dismissed—Iron Ore Industry 2571

Definition—See Interpretation—Definition

Demarcation
Claim for new award—Intervention—Decision *re* constitutional coverage—Scope of existing award—Industry Headings—Previous decision—Reference to proceed—Hospital Salaried Officers (Clerks Intervening) 1439

Disabilities
Claim for increase in disability allowance—In line with Federal Awards—Remuneration based on previous decisions—One rate for all sites—Granted—Catering Industry 1065
Claim that certain work be accorded higher disability grouping—Change in blasting procedures—Problem of excessive dust and noise—Company argues disabilities inherent in operation—Granted in part—Iron Ore Industry 1127
Claim that workshop employees receive construction rates—Employer engaged in both fabrication and installation—Origin and nature of Kwinana rate—Need to demonstrate that workshop employees suffer same disabilities as construction employees—Dismissed—Metal Trades 1116
Claim for reduced long service leave qualifying period—Previous decision—Industry must be distinguished or relevant comparisons must be made—Inherent disabilities of industry recently given weight—Refused—Timber and Woodchip Industry 1265
Claim *re* wages for cement industry analysts—Agreed maximum base rate—Choice between blue and white collar over-award payments and allowances—Public Service rate—Provisions in related award—Unfair discrepancy—Granted in part—Draughtsmen Tracers and Planners in Cement Industry 1346
Claim *re* travelling allowances—Matter remitted by Full Bench to Commission—Further hearing—Matter in issue restated—Scope of awards—Work value decision of Australian Commission—Wage "package"—Uniformity of allowance required for industrial relations reasons—Adjustment of special payments—Granted in part—Engine Drivers Building and Steel Construction 1374
Claim *re* disability allowance allocations—Inspections—Award provisions—Rationalization of current groupings—Nature of work—Granted in part—Storemen Iron Ore Industry 1421
Claim for industry allowance—Inspections—General disabilities—Comparison with other industries—History—Question of relationship—Overall work conditions—Award provisions adequate—Federal Decision—Dismissed—Metal Trades and Engine Drivers 1574
Claim for increase in various shift allowances—Comparison between afternoon and night shift disabilities—Previous decisions—Granted in part—Meat Industry 1502
Application for increase in industry allowance—Basis upon which allowances erected—Previous decision—Levels of disabilities—"Equal but different" concept—"In proportion" approach—Granted—Timber Industry 2156
Claim *re* rates and for a "concentrator allowance"—Dispute as to area to be included—Equation to "experienced tradesmen" allowance sought—Allowances must be assessed in relation to disabilities inherent in particular classifications—Previous decision—Different disabilities according to location—Granted in part—Iron Ore Industry 2310
Claim for a fixed disability allowance—Inspections—Current provisions—Nexus—Differences between workers—Previous decisions—Comparisons with workers elsewhere—Dismised—Iron and Steel Industry 2330
Claim *re* wages for certain employees—Interim orders—Previous decisions—History of rates—Distinction between working in the North and in the South—Special conditions applicable—Granted in part—Metal Trades 2301

Discrimination
Claim for increased sick leave and other benefits for private and public sectors—Provisions of other awards—History of provisions—Private sector quantum extended—Discrimination between wages and salaried staff—Recent decisions—Futher changes not in public interest—Allowed in part—Hospital Employees 1386

Dismissal
Claim that employer's intention to dismiss harsh and unfair—Terms of employment—Management prerogative to transfer—Refusal to comply with instructions—Question whether company's exercise of discretion reasonable—Dismissed—Catering Industry 1121
Claim for *pro rata* long service leave—Permanent part time employee—Leave of absence granted for surgery—Extended—Date of resumption doubtful—Dismissed—Hospital Employees 1120
Claim for re-instatement—Alleged unfair dismissal—Breach of contract of employment—Cash shortfall—Management prerogative—Dismissed—Shop Assistants 1297
Claim for re-employment of two workers—Alleged that dismissals harsh, unfair and unjust—Workers classed as unsatisfactory—Origin of error outside the control of one worker—Misconduct on part of other—Junior replacements—Granted in part—Food industry 1278
Claim for re-instatement and payment of wage "losses"—Events leading to dismissal—Complaint that employee upset client—Alleged influence of alcohol—Behaviour not condemned by employer—Conflicting evidence—Question as to practicability of re-employment—Granted in part—Photographic Industry 1270
Claim *re* absence—Time spent assisting at other premises—Such assistance not remunerated—Nothing done inconsistent with her indisposition—Re-employment ordered—Clerks 1267

CUMULATIVE INDEX—*continued*

Page

Dismissal—*continued*

Claim *re* alleged unfair termination—Trial Period—Worker found unsatisfactory—Conflict of evidence—Failure to work out last week—Dismissal in accord with terms of engagement—Granted in part—Clerks 1269

Claim that worker unfairly dismissed—Failure to join union—Employer not to act to prejudice of member or non-member of union—Definition of union—Provisions of Act applicable to registered unions—Particular union not registered—Dismissed—Building Trades 1418

Claim that termination unfair—Refusal to perform "outside country work"—Alternative metropolitan work offered—Unsatisfactory performance—Dismissed—Metal Trades 1436

[2]Appeal against decision *re* claim for reinstatement—Run past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justified—Iron Ore Industry 1333

Claim for reinstatement—Alleged unfair termination—Mental Health Act provisions—Events leading up to dismissal—Question whether conduct improper in view of normal practice—Failure in keeping informed with practice instructions led to error in judgements—Granted—Psychiatric Nurses 1432

Claim that termination unfair—Events leading to dismissal—Various warnings given—Breaches of policy and instructions—Claim that employee denied natural justice—Payment of three months wages ordered—Hospital Employees 1423

Claim *re* dismissal for misconduct—Notice already given—Argument with manager—Conflicting evidence—Instant dismissal not justified—Payment for time worked and of wages in lieu of notice and *pro rata* annual leave—Granted—Claim for costs refused—Metal Trades (S.29) 1419

Claim for payment of long service leave on termination—Board of Reference—Issue of continuous service—No evidence as to commencing date—Transmissions of business—Question whether "absence of proof destroys applicant's claim"—Board to act according to "equity, good conscience and the substantial merits of the case"—Granted—Hotel Industry 1561

Claim that termination unfair—Events leading to dismissal—Unauthorised removal of article—Suspected theft—Police charges dropped—Entitlements paid in accordance with award prescription—Failure to comply with rules and requirements—Employer's right to dismiss—Dismissed—Shop Assistants 1578

Claim that dismissal unfair—Terms and Conditions of employment outlined in letter of appointment—Events leading to termination—Increase in scope of responsibility—Salary review requested—Increase not satisfactory—Unwilling to work callouts—Commission limited to consider whether employee denied entitlements under contract of service—Dismissed—Iron Ore Industry 2322

Claim for re-employment—Alleged that dismissal harsh and unreasonable—Events leading to dismissal—Failure to report giving away of fuel constitutes misconduct—Commission not to interfere with employer's decision—Dismissed—Transport Workers 2335

Claim that termination unfair—Unsatisfactory service—Implication of dishonesty—Events leading to termination—No obligation on employer to warn employee if services at fault—Previous decision—Question of employer's right to terminate and of employees right not to be terminated—Dismissed—Hospital Employees 2332

Claim for reinstatement—Employee placed on one month's trial following previous behaviour—Various complaints—Cash shortfalls—Events leading to termination—Previous decision—Reinstatement not in best interests of employee—Alternative compensation ordered 2276

Claim that termination unfair—Events leading to termination—Employment terminated whilst on sick leave—Alleged victimisation—Employee's obligation to advise employer of progress of recovery—Employer's decision in best interests of organisation—Dismissed 2570

Claim for reinstatement—Alleged unfair termination—Award provisions—Mental Health Act provisions—Events leading to termination—Failure of employee to meet obligations as a student nurse—Commission not to take over function of employer in relation to selecting and retaining employees—Previous decisions—Psychiatric Nurses 2574

Claim for *pro rata* long service leave—Employment terminated on grounds of redundancy—Previous decisions—Question as to employee's intention to remain in employment of employer—Refused—Transport Industry 2577

[2]Appeal against decision ordering reinstatement—Events leading to dismissal—Mental Health Act provisions—Various grounds of appeal—Claim that Commission usurping right of employer to dismiss—Jurisdiction of Commission—Previous decisions—Upheld in respect of payment of wages, dismissed in all other respects—Psychiatric Nurses 2396

Claim for reinstatement—Question whether employee employed as a casual—Definition of casual—Reasons for termination unsubstantiated—Employee not advised as to unsatisfactory performance—Reinstatement ordered—Shop Assistants 2568

Dispute

[2]Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of Industrial Arbitration Act—Definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of tribunal to prevail over that of Commission in certain circumstances—Coal Mining Industry 1190

Delivery of new award—Preliminary point *re* replacement of several awards—Various matters of disagreement—Meat Industry 1502

Claim for payment of an overtime shift not worked by employees—Contractors utilised—Award provisions—Interpretation *re* intention of verbal agreement—Employees to work same hours as contractors—Granted—Iron Ore Industry 2321

Claim for payment for time lost during dispute—Payment for three days at ordinary rates ordered—Iron Ore Industry 2321

Claim for payment of wages—Background to dispute *re* overtime bans by tradesmen—Labourers refused to perform higher capacity duties—Principle of "usefully employed"—Employers obligation "to guarantee a week's work"—No requirement under award for labourers to act in higher classification—Definitions—Previous decisions—Question whether workers ready, willing and available to perform normal duties—Granted—Railway Employees 2565

Equal Pay

[2]Appeal against decision granting equal pay to adult female process workers—Such prescription previously refused—Work value—Rates in related awards—Dismissed—Food Industry 1339

CUMULATIVE INDEX—*continued*

Page

Fares and Travelling—See Travelling

Federal
Claim for payment of wages in accordance with contract of service—Events leading to claim—Question of payment of Federal award rates for shed hand and wool classer—Definition of classifications under Federal award—Granted in part—Wool Industry 2556

Government Officer
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers subject to Public Service Act—Definition of government Officer—Provisions of Public service Arbitration Act, Industrial Arbitration Act and rules of Civil Service Association—Decision *re* C.S.A. rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by I.A. Act—Jurisdiction of Commission *re* declaration of Government Officers—Refused—Prison Officers 1259
[3]Application to vary district allowances—Interim decision—Government and private industry employees—Past determinations—Climatic conditions—Isolation—Additional costs of Living—Tests of adequacy of existing allowances—"Town" rather than "area" allowances—Adjustment of basic allowances to accommodate particular circumstances—Adjustments for single employees and provision of board and lodging—Method of future variation—General Order 1141
Claim for new awards—Various grounds for objections—Question of constitutional coverage of certain workers—Interveners—Previous decisions—Concept of industry—Jurisdiction of Commission—Certain references to proceed—Hospital Salaried Officers 1584
Claim *re* car allowance—Public Service allowances sought—Nexus—Previous decision—Relationship with private award—Granted—Claim that changes in "parent" award automatically flow on—Refused—Engineering Trades (Government) 2170
Claim for increase in travelling allowance—Previous increases granted elsewhere as part of "package"—Federal Award provisions—Comparison between engineering tradesmen and building tradesmen—Work value changes—Granted—Engineering Trades (Government) 2170

Hours
Claim to exclude Saturday mornings from ordinary hours of work in retail establishments—Question of uniformity within meat industry—Retail hours dictated by law and demands of public—Refused—Provision that only one in every two consecutive Saturdays be worked by full-time employees—Meat Industry 1502
Claim that no worker be required to work on Sundays or Public Holidays—Act provisions—Commission not to prohibit employment of employees on any day of the week—Refused—Radio and Television Industry 2460
[2]Appeal against decision *re* penalty rates for ordinary hours on week end work for employees in Health and Physical Culture Industry—Comparison with standard award provisions—Reference to awards covering such employees in Eastern States—Peculiarities of the industry—Alleged that Commission erred in not granting "standard" hours provision—Onus on applicant to prove penalty rates should be paid—Previous decision—Dismissed—Health Attendants 2394

Indexation
Application for increase in wages—Alignment with public sector rates—Claim that nexus between awards be discontinued—W.A. rate higher than "average comparative rate"—Question of maintaining "capacity to pay"—Work value—Adjourned—Dental Technicians 1415
Claim for 10 per cent increase in wages—Changes in work value—Past nexus—No direct relationship with rates elsewhere—Employers capacity to pay—Government policy *re* increases outside wage indexation—"Public interest"—Comparisons—Five per cent increase granted—Nurses 2270

Industrial Matters
Question as to eligibility of fork and low lift drivers to join unions—Claim that Commission has no jurisdiction to deal with matter—Definition of "industrial matter"—Provisions of Act—Previous decisions—Vocational as opposed to industry unions—Constitutional coverage granted to T.W.U.—Transport Industry Asbestos Cement Industry 1112
[2]Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of I.A. Act—Definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of Tribunal to prevail over that of commission in certain circumstances—Coal Mining Industry 1190
[2]Question whether concrete truck owner/drivers are employees within the meaning of the Act—Commission can hear and determine a question of law only and not a question of fact—Problem whether the question is one of law, fact or of both—Matter involved question of fact—Remitted—Transport Workers (Concrete) 1483

Industry
[2]Appeal against decision of Magistrate ordering payment of various entitlements—Respondency—Scope—Previous decisions—Differentiation between retailers and distributors—Defendant employer not bound by awards—Commercial Travellers 1185
[2]Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of I.A. Act—Definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of Tribunal to prevail over that of Commission in certain circumstances—Coal Mining Industry 1190
Claim for new award—Intervention—Decision re constitutional coverage—Scope of existing award—Industry Headings—Previous decision—Reference to proceed—Hospital Salaried Officers (Clerks intervening) 1439

CUMULATIVE INDEX—*continued*

Industry—*continued*
Claim for new awards—Various grounds for objections—Question of constitutional coverage of certain workers—Interveners—Previous decisions—Concept of industry—Jurisdiction of Commission—Certain references to proceed—Hospital Salaried Officers 1584

Industry Allowance
Claim for industry allowance—Inspections—General disabilities—Comparison with other industries—History—Question of relationship—Overall work conditions—Award provisions adequate—Federal Decision—Dismissed—Metal Trades and Engine Drivers 1574
Application for increase in allowance—Basis upon which allowances erected—Previous decision—Levels of disabilities—"Equal but different" concept—"In proportion" approach—Granted—Timber Industry 2156

Interpretation—Definition
Claim that employers intention to dismiss harsh and unfair—Mangement prerogative to transfer—Refusal to comply with instructions—Definition and exercise of discretion—Dismissed—Catering Industry 1121
Claim for allowance for distant work—Question arises when workers unable to return home each night—Interpretation of award—Caravan park constitutes home—Provisions of the award—Employee able to return home—Dismissed—Metal Trades Construction 1117
[1]Appeal against decision refusing H.S.O.A. coverage—Question whether classifications of employees within constitutional rule—Jurisdiction of Commission—Interpretation of terms of constitution rule is a question of fact—Dismissed—Slow Learning Children's Group 1053
Claim for increase in wage rates—Question whether rate should be increased after 12 months service—Definition of classifications—Previous decisions—Comparison with similar classifications of tradesmen—Granted in part—Iron Ore Industry 1273
[2]Appeal against decision of magistrate ordering payment of various entitlements—Question of respondency—Scope clause—Previous decisions—Definition of industry—Differentiation between retailers and distributors—Defendant employer not bound by awards—Commercial Travellers 1185
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers subject to Public Service Act—Definition of Government Officer—Provisions of Public Service Arbitration Act, Industrial Arbitration Act and rules of Civil Service Association—Decision *re* C.S.A. rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by I.A. Act—Jurisdiction of Commission *re* declaration of Government Officers—Refused—Prison Officers 1259
Claim for various benefits—Provisions of Act—Verbal contract—Previous decisions *re* "express" and implied terms—Jurisdiction and task of Commission in ascertaining and enforcing terms—Dismissed 1285
[2]Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of I.A. Act—definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of Tribunal to prevail over that of Commission in certain circumstances—Coal Mining Industry 1190
Claim that worker unfairly dismissed—Failure to join union—Employer not to act to prejudice of member or non-member of union—Definition of union—Provisions of Act applicable to registered unions—Particular union not registered—Dismissed—Building Trades 1418
[2]Appeal against decision re claim for reinstatement—Run past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justfied—Iron Ore Industry 1333
[2]Appeal against decision varying award—Extension of constitutional coverage of union—Liberty to apply reserved in respect of certain definition—Power of Commission—Liberty sought by union not reflected in order—Allowed—Commercial Travellers 1340
Dispute *re* guaranteed work clause—Question of payment of workers stood down or on strike—Provisions of award—Principle of "usefully employed"—Employers right to deduct payment—Minimum payment for workers reporting for duty—Railways 1437
Claim for alteration of definitions—Two classes of employment—Question of employment of a trained child care worker in an untrained aide's position—Current practice—Distinction in the nature and degree of responsibility rather than physical duties—Proposed definition too arbitrary—Adjourned—Pre School Teachers 1416
Claim that "First-Shopman" allowance is partially for care and responsibility for shop and customers—Link with leading hands not proved—Meat Industry 1502
[2]Question whether concrete truck owner/drivers are employees within the meaning of the Act—Commission can hear and determine a question of law only and not a question of fact—Problem whether the question is one of law, fact or of both—Matter involved question of fact—Remitted—Transport Workers (Concrete) 1483
Interpretation *re* certificated rigger—Award provisions—Requirements of Construction Safety Act—Claim that all certificated riggers be paid "supervision allowance"—Work usually or substantially performed—Not proper for Commission to specify legal safety requirements—Metal Trades (Construction) 1567
Claim for payment of an overtime shift not worked by employees—Contractors utilised—Award provisions—Interpretation *re* intention of verbal agreement—Employees to work same hours as contractors—Granted—Iron Ore Industry 2321
[1]Appeal against decision of Commission in Court Session granting permission for review of decision of W.A. Coal Industry Tribunal—Provisions of Mining Act and Industrial Arbitration Act—Jurisdiction of Coal Industry Tribunal—Claims *re* jurisdiction of Commission in Court Session and the Court to hear the matter—Decision to permit review ought to have been drawn up in writing—Previous decisions—Nature of right of appeal against Coal Industry Tribunal—Dismissed 2137
Question whether slaughtermen should skin rams' testicles and whether payment should exceed ordinary rate—Inspection—Past practice—Tasks of slaughtermen—Previous decision—Additional task would disrupt flow of chain—Struck out—Meat Industry 2334
Interpretation *re* shift roster—Advance notification of change—Award provision—Means of introduction of new roster—Iron Ore Industry 2287
Question whether shift work rates apply to casuals—Definition of casuals and shift work—Method of calculating loading—Nurses (Private Hospitals) 2288
Alleged failure to pay overtime—Question whether time spent "on call" is "time worked"—Previous decisions—Roster system—Employee's requirement to return to work when rostered for recall—Dispute *re* payment whilst rostered for recall but not recalled—Proven—Police 2292

CUMULATIVE INDEX—*continued*

Interpretation—Definition—*continued*
Claim *re* classification of call room orderlies—Award provisions—Duties of orderlies—Previous decisions—Claim of greater involvement with nursing care—Definition of "nursing care"—Comparison with higher group—Granted—Hospital Employees 2315
Claim for payment of wages—Background to dispute *re* overtime bans by tradesmen—Labourers refused to perform higher capacity duties—Principle of "usefully employed"—Employers obligation "to guarantee a week's work"—No requirement under award for labourers to act in higher classification—Definitions—Previous decisions—Question whether workers ready, willing and available to perform normal duties—Granted—Railway Employees 2565
Claim that servicemen be defined as in Federal determination—Previous decision—Inspections—Alleged that definition does not embrace use of sophisticated equipment—Granted in part—Radio and Television Industry ... 2460
Claim *re* carrying of heavy and bulky equipment—Question as to what constitutes "weighty" and "unreasonable length"—Assistance given on request—Refused—Radio and Television Industry 2460
Question as to appropriate classifications to be included—Work performed more important than classification title—Definitions elsewhere not appropriate—No information before Commission *re* certain classifications—Parties to consider appropriate definition of "special class" servicemen—Electrical Trades (Security Alarms) 2408
Claim for reinstatement—Question whether employee employed as a casual—Definition of casual—Reasons for termination unsubstantiated—Employee not advised as to unsatisfactory performance—Reinstatement ordered—Shop Assistants 2568
Interpretation of shift work clause—Dispute *re* use of "Crane Drivers" during particular shift—Question of utilisation of employees on other work—Employer's right not limited—Iron Ore Industry 2553
Claim for payment of wages in accordance with contract of service—Events leading to claim—Question of payment of Federal award rates for shed hand and wool classer—Definition of classifications under Federal award—Granted in part—Wool Industry 2556

Intervention
Claim for new awards—Various grounds for objections—Question of constitutional coverage of certain workers—Intervening unions—Previous decisions—Concept of industry—Jurisdiction of Commission—Certain references to proceed—Hospital Salaried Officers 1584

Isolation Disability
[3]Application to vary district allowances—Interim decision—Government and private industry employees—Past determinations—Climatic conditions—Isolation—Additional costs of living—Tests of adequacy of existing allowances—"Town" rather than "area" allowances—Adjustment of basic allowances to accommodate particular circumstances—Adjustments for single employees and provision of board and lodging—Method of future variation—General Order 1141
Claim for isolation disability allowance for time workers—Short term employment opportunities due to seasonal fluctuations—Question of additional tasks to be performed—Alleged high cost of travelling to and from work—Difficulty in distinguishing between categories of employees—Question of analogy with employees in Metal Trades Industry—Granted in part—Meat Industry 2562

Junior Worker
Claim for percentages as per Federal Award—Commission standards—Nexus—Granted—Transport Industry 1089
Claim for re-employment of two workers—Alleged that dismissals harsh, unfair and unjust—Workers classed as unsatisfactory—Alleged prejudice to adult workers—Junior replacements—Granted in part—Food Industry 1278
[2]Appeal against decision dismissing claim to vary proportion of juniors—Basis of application—Skills required for duties—Objects of Act—Dismissed—Clerks 1332
Claim *re* various matters—Areas of junior employment—Wage rates for junior motor vehicle drivers—Relationship with Transport Workers Award—Inspections—Liberty to apply—Meat Industry 1502
Claim that junior workers employed as freezer hands be paid classified adult rate—Award provisions—Flexibility in industry—Distinction between employers' operations and others in industry—Previous decision—Concept extended in other sectors—Granted—Food Industry 2314

Jurisdiction
Question as to eligibility of fork and low lift drivers to join unions—Claim that Commission has no jurisdiction to deal with matter—Definition of "industrial matter"—Provisions of Act—Previous decisions—Vocational as opposed to industry unions—Constitutional coverage granted to T.W.U.—Transport Industry Asbestos Cement Industry 1112
Claim for various benefits—Provisions of Act—Verbal contract—Previous decisions *re* "express" and implied terms—Jurisdiction and task of commission in ascertaining and enforcing terms—Dismissed 1285
[2]Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of I.A. Act—Definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of Tribunal to prevail over that of commission in certain circumstances—Coal Mining Industry 1190
Claim for new awards—Various grounds for objections—Question of constitutional coverage of certain workers—Interveners—Previous decisions—Concept of industry—Jurisdiction of Commission—Certain references to proceed—Hospital Salaried Officers 1584
[2]Question whether concrete truck owner/drivers are employees within the meaning of the Act—Commission can hear and determine a question of law only and not a question of fact—Problem whether the question is one of law, fact, or of both—Matter involved question of fact—Remitted—Transport Workers(Concrete) 1483
[1]Appeal against decision of Commission in Court Session granting permission for review of decision of W.A. Coal Industry Tribunal—Provisions of Mining Act and Industrial Arbitration Act—Jurisdiction of Coal Industry Tribunal—Claims *re* jurisdiction of Commission in Court Session and the Court to hear the matter—Decision to permit review ought to have been drawn up in writing—Previous decisions—Nature of right of appeal against Coal Industry Tribunal—Dismissed 2137

CUMULATIVE INDEX—*continued*

Page

Jurisdiction—*continued*
Claim that dismissal unfair—Terms and conditions of employment outlined in letter of appointment—Events leading to termination—Increase in scope of responsibility—Salary review requested—Increase not satisfactory—Unwilling to work callouts—Commission limited to consider whether employee denied entitlements under contract of service—Dismissed—Iron Ore Industry 2322
[2]Appeal against decision ordering reinstatement—Events leading to dismissal—Mental Health Act provisions—Various grounds of appeal—Claim that Commission usurping right of employer to dismiss—Jurisdiction of Commission—Previous decisions—Upheld in respect of payment of wages, dismissed in all other respects—Psychiatric Nurses 2396
[2]Appeal against decision *re* claim for recovery of sum in lieu of leave—Question whether appellant was employee—Full Bench considered contract of service and master/servant relationship existed—Upheld—Radio and Television Industry 2401

Leave
Claim that annual leave loading be payable on contract rate rather than prescribed minimum rate—Matter more properly dealt with by Commission in Court Session—Dismissed—Clerks 1058

Leisure
Claim for public service Long Service Leave conditions—Historical background to claim—Recent decisions—Existing prescriptions for leisure neither unfavourable nor unfair—Dismissed—Fire Brigade Employees 1290

Living Allowance
Claim *re* board and lodging and living out allowances—Award provisions—Applicable if employee unable to return home each night—Previous decisions—Need to distinguish between employees sent to site and those hired on site—Dismissed—Electrical Trades 1289

Loadings
Claim that annual leave loading be payable on contract rate rather than prescribed minimum rate—Other references within award to pay rates—Matter more properly dealt with by Commission in Court Session—Dismissed—Clerks 1058
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Question whether shift work rates apply to casuals—Definition of casuals and shift work—Method of calculating loading—Nurses (Private Hospitals) 2288

Long Service Leave
Application for *pro rata* long service leave—Board of Reference—Conduct justified dismissal—Misconduct condoned by employer—Award provisions—Granted—Meat Industry 1103
Application for *pro rata* long service leave—10 years of service not completed—Termination as a result of reorganisation—No proportionate entitlements—Dismissed—Clerks 1115
Claim for *pro rata* long service leave—Alleged unfair termination—Permanent part time employee—Leave of absence granted for surgery—Extended—Date of resumption doubtful—Dismissed—Hospital Employees 1120
Claim *re* length of service entitling leave—Public Service conditions sought—Historical background to claim—Recent decisions granting improved conditions to various workers—Such decisions mostly by single Commissioners—Existing prescriptions for leisure neither unfavourable nor unfair—Dismissed—Fire Brigade Employees 1290
Claim for reduced qualifying period—Previous decision—Industry must be distinguished or relevant comparisons must be made—Inherent disabilities of industry recently given weight—Refused—Timber and Woodchip Industry 1265
Claim *re* determination of entitlement to *pro rata* payment—Question of transmission of business—Appointment of Receiver and Manager—Previous decision—Respondent company not employer—Dismissed—Licensed Car Salesmen 1417
Claim for *pro rata* payment—10 years of service not completed—Termination outside control of both employer and employee—Previous decisions—General Order provisions—Social circumstances—Granted—Hospital Employees 1422
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Claim for payment on termination—Board of Reference—Issue of continuous service—No evidence as to commencing date—Transmissions of business—Question whether "absence of proof destroys applicant's claim"—Board to act according to "equity, good conscience and the substantial merits of the case"—Granted—Hotel Industry 1561
Claim for payment of *pro rata* long service leave—10 years of employment not served—Job made redundant through changes in operating methods—Offer of alternative employment but not in same capacity—No prior warning given as to the possibility of position being abolished—Granted—Clerks 1571
Claim for *pro rata* long service leave—Award provisions—Question whether employee's reason for resignation through "force of circumstances"—Distinction between "resign" and "retire"—Date of retirement chosen for convenience—Dismissed—Hospital Salaried Officers 1576
Claim for payment of *pro rata* long service leave—Question whether conduct constituted serious misconduct—Events prior to termination—Termination of own account—Misconduct discovered after termination—Employees' actions found to be deliberate—Refused 2289
Dispute *re* standard conditions—Matter referred to Commission in Court Session—Question of operative date—Link with Government awards—Granted—Hospital Employees 2205

CUMULATIVE INDEX—*continued*

Page

Long Service Leave—*continued*
Claim for *pro rata* long service leave—Employment terminated on grounds of redundancy—Previous decisions—Question as to employee's intention to remain in employment of employer—Refused—Transport Industry 2577

Management Prerogative
Claim that employer's intention to dismiss harsh and unfair—Terms of employment—Management prerogative to transfer—Refusal to comply with instructions—Question whether company's exercise of discretion reasonable—Dismissed—Catering Industry 1121
Claim for reinstatement—Alleged unfair dismissal—Breach of contract of employment—Cash shortfall—Commission not to interfere with running of business—Dismissed—Shop Assistants 1297
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers subject to Public Service Act—Definition of Government Officer—Provisions of Public Service Arbitration Act, Industrial Arbitration Act and rules of Civil Service Association—Decision *re* C.S.A. rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by I.A. Act—Jurisdiction of Commission *re* declaration of Government Officers—Refused—Prison Officers 1259
Claim that termination unfair—Events leading to dismissal—Unauthorised removal of article—Suspected theft—Police charges dropped—Entitlements paid in accordance with award prescription—Failure to comply with rules and requirements—Employer's right to dismiss—Dismissed—Shop Assistants 1578
Claim that foremen be entitled to drive "crew cab" vehicles when members of the A.W.U. are on strike—Customary transportation procedures—"Change-over" period unnecessary during strike—Past practice—Matter "in principle"—Right of management to run its own business—Commission not to restrict management rights—Iron Ore Industry 1570
Claim for "last on—first off" retrenchment provisions—Previous decisions—Long standing principle—Commission not to interfere with right of management to hire and fire—Circumstances of particular case to be taken into account—Metal Trades (Construction) 1563
Claim *re* "on call" provisions—Previous decisions—Dispute as to change from payment of telephone rental in full, to payment of *pro rata*—Past and existing practice—Differences relate to the means to be used—Question of right of employee to reject use of particular means—Employers right to choose means—Need for speedy communication—Granted in part—Hospital Salaried Officers 2218
Claim for re-employment—Alleged that dismissal harsh and unreasonable—Events leading to dismissal—Failure to report giving away of fuel constitutes misconduct—Commission not to interfere with employer's decision—Dismissed—Transport Workers 2335
Claim that termination unfair—Unsatisfactory service—Implication of dishonesty—Events leading to termination—No obligation on employer to warn employee if services at fault—Previous decision—Question of employers' right to terminate and of employees' right not to be terminated—Dismissed—Hospital Employees 2332
Claim that termination unfair—Events leading to termination—Employment terminated whilst on sick leave—Alleged victimisation—Employee's obligation to advise employer of progress of recovery—Employer's decision in best interests of organisation—Dismissed 2570
Claim for reinstatement—Alleged unfair termination—Award provisions—Mental Health Act provisions—Events leading to termination—Failure of employee to meet obligations as a student nurse—Commission not to take over function of employer in relation to selecting and retaining employees—Previous decisions—Psychiatric Nurses 2574

Margins
Claim for increase in wage rates—Various other claims—Long established wage fixing method—Previous decisions—Wage relativities—Decisions of Commission in Court Session—Granted—Food Industry 1236
[2]Appeal against decision granting equal pay to adult female process workers—Such prescription previously refused—Work value—Rates in related awards—Dismissed—Food Industry 1339
Claim that managers of establishments or sections be afforded minimum provisions of award—History—Margins between manager and general butcher—Existing form to continue—Manager's rate to be expressed as a percentage of general butcher's rate—Meat Industry 1502

Meal Allowance—See Smokos

Misconduct
[2]Appeal against decision *re* claim for reinstatement—Run Past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justified—Iron Ore Industry 1333
Claim *re* dismissal for misconduct—Notice already given—Argument with manager—Conflicting evidence—Misconduct not proved—Payment for time worked and of wages in lieu of notice and *pro rata* annual leave—Granted—Claim for costs refused—Metal Trades (S.29) 1419
Application for *pro rata* long service leave—Conduct justified dismissal—Misconduct condoned by employer—Award provisions—Granted—Meat Industry 1103
Claim for reinstatement and payment of wage "losses"—Complaint that client upset—Alleged influence of alcohol—Behaviour not condemned by employer—Conflicting evidence—Practicability of reinstatement—Granted in part—Photographic Industry 1270
Claim for payment of *pro rata* long service leave—Question whether conduct constituted serious misconduct—Events prior to termination—Termination of own account—Misconduct discovered after termination—Employees' actions found to be deliberate—Refused 2289
Claim for re-employment—Alleged that dismissal harsh and unreasonable—Events leading to dismissal—Failure to report giving away of fuel constitutes misconduct—Commission not to interfere with employer's decision—Dismissed—Transport Workers 2335

CUMULATIVE INDEX—*continued*

Page

Mixed Functions
Claim that higher duties be paid on a weekly basis if such work performed for three or more days in a week—Question whether current daily basis equitable to the employees—Principles of major and substantial employment—Granted—Meat Industry 1502
Claim that a full week's performance of higher duties results in permanent transfer to such level—Refused—Meat Industry 1502

Natural Justice
Claim for reinstatement—Alleged unfair dismissal—Management prerogatives—Commission not to interfere provided injustice or illegality does not result—Dismissed—Shop Assistants 1297
Claim that termination unfair—Events leading to dismissal—Various warnings given—Breaches of policy and instructions—Claim that employee denied natural justice—Payment of three months wages ordered—Hospital Employees 1423
Claim *re* various provisions—Function of Commission is to do what is fair and right in the industrial environment under circumstances which exist at a particular time—Electrical Contracting Industry 1369
[4]Claim that union rules be properly observed—Removal of officers from executive considered harsh and unjust—Principle of natural justice—Provisions of Act (S.66)—Previous decisions—Rule disallowed if inconsistent with any law—Natural justice not implied in Rule 19(1)—Rule not disallowed—Union directed to alter rule—Cleaners and Caretakers 1487
[4]Claim that union rule be disallowed and members of management committee continue to hold office—Dismissal of management committee following motion of no confidence—Alleged denial of natural justice—Union directed to alter rule—Psychiatric Nurses 2404

Nexus
Claim *re* wage rates and other provisions—Historical relationship between awards—Long standing nexus with Hotel Industry—Granted in principle—Liquor Industry 1239
Claim *re* wage rates and Board and Lodging—Basis upon which award was erected—Subject award still within term—Consent variation in related award—Granted in part—Liquor Industry 1239
Application for increase in wages—Alignment with public sector rates—Claim that nexus between awards be discontinued—W.A. rate higher than "average comparative rate"—Question of maintaining "capacity to pay"—Work value—Adjourned—Dental Technicians 1415
Claim for wage increase—Federal work value decision—Increases in related award—Relationship to other awards—Previous decision re comparative wage justice—Base rate to increase—Electrical Contracting Industry. 1369
Claim that rate of wage for a "general butcher" be equated to the rate of wage for a "supermarket butcher"—Nexus with Federal award—Existing relativities between classifications—Comparison with other industries—Supplementary decision—Granted—Meat Industry 1502
Claim for supply of shirts to moulders—Inspections—Existing award provisions—Nature of work performed—Question of alternative form of work clothing—Test of appropriateness—Granted—Railway Employees 2307
Claim for a fixed disability allowance—Inspections—Current provisions—Differences between workers—Previous decisions—Comparisons with workers elsewhere—Dismissed—Iron and Steel Industry 2330
Claim for 10 per cent increase in wages—Changes in work value—No direct relationship with rates elsewhere—Employers capacity to pay—Government policy *re* increases outside wage indexation—"Public interest"—Comparisons—Five per cent increase granted—Nurses 2270
Claim for increase in wages—Extension of public hospital employees increase opposed—Nexus between private and public sector—Objection as to nexus—Question of operative date—Granted—Hospital Employees 2205
Claim *re* car allowance—Public Service allowances sought—Nexus—Previous decision—Relationship with private award—Granted—Claim that changes in "parent" award automatically flow on—Refused—Engineering Trades (Government) 2107
Claim for increase in travelling allowance—Previous increases granted elsewhere as part of "package"—Federal Award provisions—Comparison between engineering tradesmen and building tradesmen—Work value changes—Granted—Engineering Trades (Government) 2107
[3]Application for increase in rates of pay—Matter referred—Increase granted by Commission in Court Session—Recognition of creation of anomalies in wage structure—Commissioner sitting alone requested to carry out investigation—Hospital Salaried Officers 2142
Claim for increase in wages—Alleged "unfair discrepancy"—Changes in work value—Previous decisions—History—Comparisons with other industries—Test of "community standards"—Relationship between clerks and shop assistants—Granted in part—Clerks 2512
Claim for increase in wages—History of wage fixation—Relationship with government award—Previous decisions—"Proper" basis for fixation—Current review in other States—Comparison with rates elsewhere—Granted in part—Cleaners Caretakers 2489
Claim for increase in wages—Comparison with "contract cleaners" elsewhere—Past decisions—Nexus with parent award—Granted in part—Cleaning Contractors 2503
Claim *re* camping allowance—Recognised nexus with Federal Award—Previous decisions—Question whether employer to return a worker to depot on each weekend when not required to work—Concept of "rest and recreation"—Distinction from building industry—Granted in part—Construction Workers (Government) 2518

No Reduction
Alleged failure to pay *pro rata* annual leave on termination—Award provisions—Non-reduction of benefits—"On-call" allowances—Certain conditions of employmment still apply after introduction of award—Upheld—Hospital Salaried Officers 1266

Objection
Claim for new awards—Various grounds for objections—Question of constitutional coverage of certain workers—Interveners—Previous decisions—Concept of industry—Jurisdiction of Commission—Certain references to proceed—Hospital Salaried Officers 1584

CUMULATIVE INDEX—*continued*

Page

Objection—*continued*
[2]Application for alteration of union rule—Qualification of persons for membership—Preliminary objection—Question of law as to powers of Full Bench to authorise registration sought—Provisions of Act—Reasonable notice to be given—Adjourned 1485
Claim for employer participation in accident insurance scheme—Previous and current sick leave provisions—Recent decisions—Insurance scheme to provide paid sick leave when entitlements exhausted—Various objections—Common law principle—Established quantum—Employers' capacity to pay—Rejected—Hospital Employees 2205

On call—See Overtime

Overaward Payments
Claim *re* wages for cement industry analysts—Agreed maximum base rate—Choice between blue and white collar overaward payments and allowances—Public Service rate—Disabilities—Provisions in related award—Indexation guidelines—Granted in part—Draughtsmen, Tracers and Planners in cement industry 1346

Overtime
[2]Question of jurisdiction of Commission to deal with bans and limitations on overtime and machinery—Tribunal established under Mining Act—Provisions of I.A. Act—Definition of industrial matter and industrial action—Remedies under Mining Act—Question of concurrent or exclusive jurisdiction—Interpretation of provisions of Mining Act—Previous decision—Jurisdiction of Tribunal to prevail over that of Commission in certain circumstances—Coal Mining Industry 1190
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Claim for increase in "over tally payments"—Relationship to overtime—Provision more appropriate in clauses dealing with tally system—Liberty to apply—Meat Industry 1502
Claim for payment of an overtime shift not worked by employees—Contractors utilized—Award provisions—Interpretation *re* intention of verbal agreement—Employees to work same hours as contractors—Granted—Iron Ore Industry 2321
Claim *re* "on call" provisions—Previous decisions—Dispute as to change from payment of telephone rental in full, to payment of *pro rata*—Past and existing practice—Differences relate to the means to be used—Question of right of employee to reject use of particular means—Employers right to choose means—Need for speedy communication—Granted in part—Hospital Salaried Officers 2318
Alleged failure to pay overtime—Question whether time spent "on call" is "time worked"—Previous decisions—Roster system—Employee's requirement to return to work when rostered for recall—Dispute *re* payment whilst rostered for recall but not recalled—Proven—Police 2292

Penalty Rates
Claim for higher penalty for night work—Commission standard—Granted—Transport Industry 1089
Claim for payment of penalties in addition to ordinary rate whether or not tally completed—Custom and practice—Previous decisions—Distinction between classes of slaughtermen sought due to restrictions placed upon daily kill—Penalties to stand alone according to circumstances—Granted in part—Meat Industry 2319
[2]Appeal against decision *re* penalty rates for ordinary hours on weekend work for employees in Health and Physical Culture Industry—Comparison with standard award provisions—Reference to awards covering such employees in Eastern States—Peculiarities of the industry—Alleged that Commission erred in not granting "standard" hours provision—Onus on applicant to prove penalty rates should be paid—Previous decision—Dismissed—Health Attendants 2394

Preference
Claim that worker unfairly dismissed—Failure to join union—Employer not to act to prejudice of member or non-member of union—Definition of union—Provisions of act applicable to registered unions—Particular union not registered—Dismissed—Building Trades 1418

Public Interest
Claim for increased sick leave and other benefits for private and public sectors—Provisions of other awards—History of provisions—Private sector quantum extended—Discrimination between wages and salaried staff—Recent decisions—Further changes not in public interest—Allowed in part—Hospital Employees 1386
Claim for 10 per cent increase in wages—Changes in work value—Past nexus—No direct relationship with rates elsewhere—Employers capacity to pay—Government policy *re* increases outside wage indexation—"Public Interest"—Comparisons—Five per cent increase granted—Nurses 2270

Rates of pay—See Wages

Recall—See Overtime

CUMULATIVE INDEX—*continued*

Page

Records
[2]Appeal *re* time and wages clause—Such clause varied on basis of counterclaim—No evidence adduced—Manner in which commission may inform itself of any matter—Proceedings miscarried—Allowed and remitted—Dental Technicians 1330

Redundancy
Application for *pro rata* long service leave—10 years of service not completed—Termination as a result of reorganisation—No proportionate entitlements—Dismissed—Clerks 1115
Claim for payment of *pro rata* long service leave—10 years of employment not served—Job made redundant through changes in operating methods—Offer of alternative employment but not in same capacity—No prior warning given as to the possibility of position being abolished—Granted—Clerks 1571
Claim for *pro rata* long service leave—Employment terminated on grounds of redundancy—Previous decisions—Question as to employee's intention to remain in employment of employer—Refused—Transport Industry 2577

Registration
[2]Application for registration of Union—Question of whether provisions of "new" or repealed Act apply—Conditions relating to application for registration—Defects—Power of Commission to permit amendments to correct defects—Refused—Federated Iron Workers 1193
[2]Application for alteration of union rule—Qualification of persons for membership—Preliminary objection—Question of law as to powers of full bench to authorise registration sought—Provisions of Act—Reasonable notice to be given—Adjourned 1485

Re-Instatement
Claim for re-employment—Alleged lack of efficiency on part of workers due to desire to operate on tally system not time system—Question as to whether participation in union research compatible with position of leading hand—Granted—Meat Industry 1129
Claim for—Alleged unfair dismissal—Breach of contract of employment—Cash shortfall—Management prerogative—Dismissed—Shop Assistants 1297
Claim for re-employment of two workers—Alleged that dismissals harsh, unfair and unjust—Workers classed as unsatisfactory—Origin of error outside the control of one worker—Misconduct on part of other—Junior replacements—Granted in part—Food Industry 1278
Claim for—Payment of wage "losses"—Events leading to dismissal—Complaint that employee upset client—Alleged influence of alcohol—Behaviour not condemned by employer—Conflicting evidence—Question as to practicability of re-employment—Granted in part—Photographic Industry 1270
Claim *re* termination—Absence—Time spent assisting at other premises—Such assistance not remunerated—Nothing done inconsistent with her indisposition—Re-employment ordered—Clerks 1267
Claim *re* alleged unfair termination—Trial period—Worker found unsatisfactory—Conflicting evidence—Failure to work out last week—Dismissal in accord with terms of engagement—Granted in part—Clerks 1269
[2]Appeal against decision *re* claim for reinstatement—Run past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justified—Iron Ore Industry 1333
Claim for alleged unfair termination—Mental Health Act provisions—Events leading up to dismissal—Question whether conduct improper in view of normal practice—Failure in keeping informed with practice instructions led to error in judgments—Granted—Psychiatric Nurses 1432
Claim that termination unfair—Events leading to dismissal—Various warnings given—Breaches of policy and instructions—Claim that employee denied natural justice—Payment of three months wages ordered—Hospital Employees 1423
Claim for—Termination unfair—Events leading to dismissal—Unauthorised removal of article—Suspected theft—Police charges dropped—Entitlements paid in accordance with award prescription—Failure to comply with rules and requirements—Employers' right to dismiss—Dismissed—Shop Assistants 1578
[4]Application for removal of stay of operation of order—Act regulations—Re-employment not desirable—Onus on union to justify removal of the stay—Question of comparative hardship and inconvenience of parties—Undue hardship not shown—Refused—Psychiatric Nurses 1497
Claim for—Alleged that dismissal harsh and unreasonable—Events leading to dismissal—Failure to report giving away of fuel constitutes misconduct—Commission not to interfere with employer's decision—Dismissed—Transport Workers 2335
Claim for—Employee placed on one month's trial following previous behaviour—Various complaints—Cash shortfalls—Events leading to termination—Previous decision—Re-instatement not in best interests of employee—Alternative compensation ordered 2296
Claim for—Alleged unfair termination—Award provisions—Mental Health Act provisions—Events leading to termination—Failure of employee to meet obligations as a student nurse—Commission not to take over function of employer in relation to selecting and retaining employees—Previous decisions—Psychiatric Nurses 2574
[2]Appeal against decision ordering reinstatement—Events leading to dismissal—Mental Health Act provisions—Various grounds of appeal—Claim that Commission usurping right of employer to dismiss—Jurisdiction of Commission—Previous decisions—Upheld in respect of payment of wages, dismissed in all other respects—Psychiatric Nurses 2396
Claim for —Question whether employee employed as a casual—Definition of casual—Reasons for termination unsubstantiated—Employee not advised as to unsatisfactory performance—Reinstatement ordered—Shop Assistants 2568

Relativity
Claim for increase in wages—Previous decisions—Changes in work value—Relativities between classifications not to be altered—Comparison with New South Wales level—Rate based on average of four states—Granted in part—Prison Officers 1226
Claim for increase in wage rates—Various other claims—Long established wage fixing method—Margins—Decisions of Commission in Court Session—Granted—Food Industry 1236

CUMULATIVE INDEX—*continued*

Page

Relativity—*continued*
Claim that managers of establishments or sections be afforded minimum provisions of award—History—Relativity with "general butcher"—Existing form to continue—Managers rate to be expressed as a percentage of general butchers rate—Meat Industry 1502
Claim that rate of wage for a "general butcher" be equated to the rate of wage for a "supermarket butcher"—Nexus with Federal award—Existing relativities between classifications—Comparison with other industries—Supplementary decision—Granted—Meat Industry 1502

Respondency
Application for inclusion of standdown clause—Previous decision—Power failures causing cessation of work—Technological improvements *re* use of electrical equipment—Amendment to apply to specific respondents—Granted—Clerks 1070
[2]Appeal against decision of magistrate ordering payment of various entitlements—Scope clause—Previous decisions—Definition of industry—Differentiation between retailers and distributors—Defendant employer not bound by Awards—Commercial Travellers 1185

Retrenchment
Claim for payment of *pro rata* long service leave—10 years of employment not served—Job made redundant through changes in operating methods—Offer of alternative employment but not in same capacity—No prior warning given as to the possibility of position being abolished—Granted—Clerks 1571
*Claim for "last on—first off" retrenchment provisions—Previous decisions—Long standing principle—Management prerogative—Commission not to interfere with right of management to hire and fire—Circumstances of particular case to be taken into account—Metal Trades (Construction) 1563

Rules
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers subject to Public Service Act—Definition of Government Officer—Provisions of Public Service Arbitration Act, Industrial Arbitration Act and rules of Civil Service Association—Decision *re* C.S.A. rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by Industrial Arbitration Act—Jurisdiction of Commission *re* declaration of Government Officers—Refused—Prison Officers 1259
[2]Application for alteration of union rule—Qualification of persons for membership—Preliminary objection—Question of law as to powers of Full Bench to authorise registration sought—Provisions of Act—Reasonable notice to be given—Adjourned 1485
[4]Claim that union rules be properly observed—Removal of officers from executive considered harsh and unjust—Principle of natural justice—Provisions of Act (S66) Previous decisions—Rule disallowed if inconsistent with any law—Natural justice not implied in Rule 19(1) Rule not disallowed—Union directed to alter rule—Cleaners and Caretakers 1487
[4]Claim that union rule be disallowed and members of management committee continue to hold office—Events leading to dismissal of management committee—Motion of no confidence carried—Provision of Act (s.66)—Alleged denial of natural justice—Previous decisions—Question whether rule is oppression and inconsistent with the law and the democratic control of the union by its members—Management committee's resignation causing obstacle to normal electoral process—Rule not disallowed—Union directed to alter rule—Psychiatric Nurses 2404

Safety
Dispute over payment of workers alleged to be on strike—Disagreement relating to safety code—Claim that employer refused to comply with safety code provisions—Objections on grounds that employees on strike—Obligation of parties to abide by code—Granted—Iron Ore Industry 1130
Claim for full shift payment—Cyclone alert—Workers left site without permission—Offer of unpaid leave—Need for closer consultation—Dismissed—Iron Ore Industry 1123
[2]Appeal against decision *re* claim for reinstatement—Run past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justified—Iron Ore Industry 1333
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Interpretation *re* certificated rigger—Award provisions—Requirements of Construction Safety Act—Claim that all certificated riggers be paid "supervision allowance"—Work usually or substantially performed—Not proper for Commission to specify legal safety requirements—Metal Trades (Construction) 1567
Claim for supply of shirts to moulders—Inspections—Existing award provisions—Nature of work performed—Safety and heat problems—Nexus—Question of alternative form of work clothing—Test of appropriateness—Granted—Railway Employees 2307
Claim for payment for time stood-down—Extension of employer's premises to increase capacity—Award provisions—Stand-downs for health and safety reasons—Company could not prevent cause for stand-downs—Dismissed—Food Industry 2555
Claim that work on railroad track be provided with radio coverage—Mines inspector indicated does not require radio coverage for it to be done safely—Dismissed—Iron Ore Industry 2571
Claim by A.W.U. for exclusive industrial coverage of drivers of Hi-rail vehicles—Question of knowledge of railroad operations and safety procedures—Certain members of E.T.U. authorised and qualified to drive such vehicles—Previous decision—Present practice not contravening industrial agreement—Dismissed—Iron Ore Industry 2571

CUMULATIVE INDEX—*continued*

Page

Scope
[2]Appeal against decision of magistrate ordering payment of various entitlements—Question of respondency—Scope clause—Previous decisions—Definition of industry—Differentiation between retailers and distributors—Defendant employer not bound by awards—Commercial Travellers 1185
Alleged breach of award *re* payment of annual leave on termination—Contract of service—Managerial function outside scope of award—Dismissed—Licensed Car Salesmen 1266
Claim for new award—Intervention—Decision *re* constitutional coverage—Scope of existing award—Industry headings—Previous decisions—Reference to proceed—Hospital Salaried Officers (Clerks intervening) 1439
Claim that managers of establishments or sections be afforded minimum provisions of award—History—Relativity with "general butcher"—Existing form to continue—Managers rate to be expressed as a percentage of general butchers' rate—Meat Industry 1502
Claim that certain Ore Handling Equipment Operators provide on-the-job training to other such employees—Previous decision—Employees refusal to train—Question of contract of service—Past practice—Commission considered such training within scope and practice of such employees—Granted in part—Iron Ore Industry 2559
Claim that certain Handling Equipment Operators perform other tasks as directed—Scope of calling—Previous decision—Employees refusal to operate both crushing and ship loading plant—Past practice—Award provisions *re* contract of service—Granted in part—Iron Ore Industry 2559

Seasonal Work
Claim for isolation disability allowance for time workers—Short term employment opportunities due to seasonal fluctuations—Question of additional tasks to be performed—Alleged high cost of travelling to and from work—Difficulty in distinguishing between categories of employees—Question of analogy with employees in Metal Trades Industry—Granted in part—Meat Industry 2562

Shift Work
Claim for higher penalty for night work—Commission standard—Granted—Transport Industry 1089
Claim that foremen be entitled to drive "crew cab" vehicles when members of the A.W.U. are on strike—Customary transportation procedures—"Change-over" period unnecessary during strike—Past practice—Matter "in principle"—Right of management to run its own business—Commission not to restrict management rights—Iron Ore Industry 1570
Claim for increase in various shift allowances—Comparison between afternoon and night shift disabilities—Previous decisions—Granted in part—Meat Industry 1502
Interpretation sought *re* shift roster—Advance notification of change—Award provision—Means of introduction of new roster—Iron Ore Industry 2287
Question whether shift work rates apply to casuals—Definition of casuals and shift work—Method of calculating loading—Nurses (Private Hospitals) 2288
Interpretation of shift work clause—Dispute *re* use of "Crane Drivers" during particular shift—Question of utilisation of employees on other work—Employers' right not limited—Iron Ore Industry 2553

Sick Leave
Claim for increased benefits for private and public sectors—Insertion of similar clauses as in related awards—History—Private sector quantum extended—Discrimination between wages and salaried staff—Recent decisions—Further changes not in public interest—Allowed in part—Hospital Employees 1386
Claim for employer participation in accident insurance scheme—Previous and current sick leave provisions—Recent decisions—Insurance scheme to provide paid sick leave when entitlements exhausted—Various objections—Common law principle—Established quantum—Employers' capacity to pay—Rejected—Hospital Employees 2205
Claim that termination unfair—Events leading to termination—Employment terminated whilst on sick leave—Alleged victimisation—Employee's obligation to advise employer of progress of recovery—Employers decision in best interests of organisation—Dismissed 2570
Claim for provisions as granted to Shop Assistants and Clerks—Commission in Court Session decision—Relationship with Federal Metal Industry—Granted—Radio and Television Industry 2460
Claim that employees notify employer of absence prior to commencement of shift—Necessity of providing adequate security coverage—Departure from "standard" sick leave provisions—Adequate notice given by majority of employees—Refused—Cleaners and Caretakers (Security Agents) 2499

Smokos
Claim for increased meal allowance—Provision in other awards—Movements in food group of C.P.I.—Granted—Transport Industry 1089
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Claim for extention of "smokos" to employees in retail establishments—Previous decision—Provisions of Shop Assistants award—operations of larger retailers becoming more like wholesale establishments—Granted in part—Meat Industry 1502

Special Rates and Provisions
Claim for trip maintenance allowance for certain classification—Past practice—Agreement provisions—Question as to whom and in what circumstances allowance to be paid—Insufficient material before Commission—Supplementary decision—Dismissed—Iron Ore Industry 1286
Claim *re* travelling allowances—Matter remitted by Full Bench to Commission—Further hearing—Matter in issue restated—Scope of awards—Work value decision of Australian Commission—Wage "package"—Uniformity of allowance required for industrial relations reasons—Adjustment of special payments—Granted in part—Engine Drivers Building and Steel Construction 1374

CUMULATIVE INDEX—*continued*

Page

Special Rates and Provisions—*continued*
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Claim *re* industry allowance allocations—Inspections—Award provisions—Rationalization of current groupings—Nature of work—Granted in part—Storemen Iron Ore Industry 1421
Claim *re* tool allowance—Provision elsewhere—Previous decisions—Listing of tools—Granted—Electrical Contracting Industry 1369
Claim for an allowance for employees operating a particular loader—Previous decisions—History of Hiab allowance—Granted in part—Iron Ore Industry 1572
Claim *re* carrying of heavy and bulky equipment—Question as to what constitutes "weighty" and "unreasonable length"—Assistance given on request—Refused—Radio and Television Industry 2460
Claim that vehicles be fitted with airconditioning units—Problems of fitting present vehicles—Vehicle fitted currently on trial basis—Conditions experienced not sufficient to warrant claim—Refused—Radio and Television Industry 2460
Claim for supply of portable two-way radio to employees required to enter client's premises—Evidence indicates that where such radio supplied, not used—Question as to efficiency of portable radio inside some buildings—Refused—Electrical Trades (Security Alarms) 2408
Claim for increase in construction allowance—Increase in Federal Award—Previous decisions *re* adjustment of special payments—Understanding that special payments and construction allowances remain unaltered until $7 increase absorbed—Engine Drivers (Building and Steel Construction) 2520
Claim that work on railroad track be provided with radio coverage—Mines inspector indicated does not require radio coverage for it to be done safely—Dismissed—Iron Ore Industry 2571

Stand Down
Application for inclusion of stand down clause—Previous decision—Power failures causing cessation of work—Technological improvements *re* use of electrical equipment—Versatility of clerk reduced—Amendment to apply to specific respondents—Granted—Clerks 1070
Interpretation of guaranteed work clause—Question of payment of workers stood down or on strike—Provisions of award—Principle of "usefully employed"—Employers' right to deduct payment—Minimum payment for workers reporting for duty—Railways 1437
Claim for inclusion of stand down clause in proposed award—Existing provisions—Relationships between staff and wages employees—Provisions elsewhere—No analogy between two sections of employees—Dismissed—Gold Mining Industry 2325
Claim for payment for time stood down—Extension of employer's premises to increase capacity—Award provisions—Stand downs for health and safety reasons—Company could not prevent cause for stand downs—Dismissed—Food Industry 2555

Stop Work Meeting
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry—(Fremantle Port Authority) 1426

Strike
Dispute over payment of workers alleged to be on strike—Disagreement relating to safety code—Claim that employer refused to comply with safety code provisions—Objection on grounds that employees on strike—Obligation of parties to abide by code—Granted—Iron Ore Industry 1130
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers subject to Public Service Act—Definition of Government Officer—Provisions of Public Service arbitration Act, Industrial Arbitration Act and rules of Civil Service Association—Decision *re* C.S.A. rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by Industrial Arbitration Act—Jurisdiction of Commision *re* declaration of Government Officers—Refused—Prison Officers 1259
Interpretation of guaranteed work clause—Question of payment of workers stood down or on strike—Provisions of award—Principle of "usefully employed"—Employers' right to deduct payment—Minimum payment for workers reporting for duty—Railways 1437
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Claim that foremen be entitled to drive "crew cab" vehicles when members of the A.W.U. are on strike—Customary transportation procedures—"Change-over" period unnecessary during strike—Past practice—Matter "in principle"—Right of management to run its own business—Commission not to restrict management rights—Iron Ore Industry 1570
Claim for payment for time lost during dispute—Payment for three days at ordinary rates ordered—Iron Ore Industry 2321

Supervision
Claim for re-employment—Alleged lack of efficiency on part of workers due to desire to operate on tally system not time system—Question as to whether participation in union research compatible with position of leading hand—Granted—Meat Industry 1129
Interpretation *re* certificated rigger—Award provisions—Requirements of Construction Safety Act—Claim that all certificated riggers be paid "supervision allowance"—Work usually or substantially performed—Not proper for Commission to specify legal safety requirements—Metal Trades (Construction) 1567

CUMULATIVE INDEX—*continued*

Page

Supplementary and Special Payments
Claim for provision of supplementary payments—Comparison with other awards—Basis of wage fixation—No grounds in existence for awarding supplementary payments—*Prima facie* case for wage rate increases—Refused—Timber Industry ... 1248

Tallies
Claim for re-employment—Alleged lack of efficiency on part of workers due to desire to operate on tally system not time system—Question as to whether participation in union research compatible with position of leading hand—Granted—Meat Industry ... 1129
Claim for increase in "overtally payments"—Relationship to overtime—Provision more appropriate in clauses dealing with tally system—Liberty to apply—Meat Industry ... 1502
Claim for retention of existing provision—Proportion of learners tally to be claimed by employer—Problems of identification—Liberty to apply—Meat Industry ... 1502
Claim for payment of penalties in addition to ordinary rate whether or not tally completed—Custom and practice—Previous decisions—Distinction between classes of slaughtermen sought due to restrictions placed upon daily kill—Penalties to stand alone according to circumstances—Granted in part—Meat Industry ... 2319
Question whether slaughtermen should skin ram's testicles and whether payment should exceed ordinary rate—Inspection—Past practice—Additional task would disrupt flow of claim—Meat Industry ... 2334
Claim for isolation disability allowance for time workers—Short term employment opportunities due to seasonal fluctuations—Question of additional tasks to be performed—Alleged high cost of travelling to and from work—Difficulty in distinguishing between categories of employees—Question of analogy with employees in Metal Trades Industry—Granted in part—Meat Industry ... 2562

Technological Change
Application for inclusion of stand down clause—Previous decision—Power failures causing cessation of work—Technological improvements re use of electrical equipment—Versatility of clerk reduced—Amendment to apply to specific respondents—Granted—Clerks ... 1070

Termination
Application for *pro rata* long service leave—10 years of service not completed—Termination as a result of reorganisation—No proportionate entitlements—Dismissed—Clerks ... 1115
Claim that employer's intention to dismiss harsh and unfair—Terms of employment—Management prerogative to transfer—Refusal to comply with instructions—Question whether company's exercise of discretion reasonable—Dismissed—Catering Industry ... 1121
Claim for *pro rata* long service leave entitlement—Alleged unfair termination—Permanent part time employee—Leave of absence granted for surgery—Extended—Date of resumption doubtful—Dismissed—Hospital Employees ... 1120
Claim for re-instatement—Alleged unfair dismissal—Breach of contract of employment—Cash shortfall—Management prerogative—Dismissed—Shop Assistants ... 1297
Claim for re-employment of two workers—Alleged that dismissals harsh, unfair and unjust—Workers classed as unsatisfactory—Origin of error outside the control of one worker—Misconduct on part of other—junior replacements—Granted in part—Food Industry ... 1278
Claim for re-instatement and payment of wage "losses"—Events leading to dismissal—Complaint that employee upset client—Alleged influence of alcohol—Behaviour not condemned by employer—Conflicting evidence—Question as to practicability of re-employment—Granted in part—Photographic Industry ... 1270
Alleged breach of award *re* payment of annual leave on termination—Scope of award—Contract of service—Managerial function outside scope of award—Dismissed—Licensed Car Salesmen ... 1266
Claim *re*—Absence—Time spent assisting at other premises—Such assistance not remunerated—Nothing done inconsistent with her indisposition—Re-employment ordered—Clerks ... 1267
Claim *re* alleged unfair termination—Trial period—Worker found unsatisfactory—Conflict of evidence—Failure to work out last week—Dismissal in accord with terms of engagement—Granted in part—Clerks ... 1269
Claim that termination unfair—Refusal to perform "outside country work"—Alternative metropolitan work offered—Unsatisfactory performance—Dismissed—Metal Trades ... 1436
[2]Appeal against decision *re* claim for reinstatement—Run past by locomotive—Construction of award and I.R. agreement provisions—Alleged faults in operation of signalling system—Enquiry—Failure to keep proper lookout—Dismissal for serious and wilful misconduct justified—Iron Ore Industry ... 1333
Claim for reinstatement—Alleged unfair termination—Mental Health Act provisions—Events leading up to dismissal—Question whether conduct improper in view of normal practice—Failure in keeping informed with practice instructions led to error in judgments—Granted—Psychiatric Nurses ... 1432
Claim that termination unfair—Events leading to dismissal—Various warnings given—Breaches of policy and instructions—Claim that employee denied natural justice—Payment of three months wages ordered—Hospital Employees ... 1423
Claim for *pro rata* long service leave—10 years of service not completed—Termination outside control of both employer and employee—Previous decisions—General Order provisions—Special circumstances—Granted—Hospital Employees ... 1422
Claim *re* dismissal—Notice already given by employee—Argument with manager—Conflicting evidence—Misconduct not proved—Payment for time worked and of wages in lieu of notice and *pro rata* annual leave—Granted—Claim for costs refused—Metal Trades (S.29) ... 1419
Claim for payment of long service leave on termination—Board of Reference—Issue of continuous service—No evidence as to commencing date—Transmissions of business—Question whether "absence of proof destroys applicants' claim"—Board to act according to "equity, good conscience and the substantial merits of the case"—Granted—Hotel Industry ... 1561
Claim for payment of *pro rata* long service leave—10 years of employment not served—Job made redundant through changes in operating methods—Offer of alternative employment but not in same capacity—No prior warning given as to the possibility of position being abolished—Granted—Clerks ... 1571
Claim that termination unfair—Events leading to dismissal—Unauthorised removal of article—Suspected theft—Police charges dropped—Entitlements paid in accordance with award prescription—Failure to comply with rules and requirements—Employers' right to dismiss—Dismissed—Shop Assistants ... 1578

CUMULATIVE INDEX—*continued*

Page

Termination—*continued*
Claim for *pro rata* long service leave—Award provisions—Question whether employee's reason for resignation through "force of circumstances"—Distinction between "resign" and "retire"—Date of retirement chosen for convenience—Dismissed—Hospital Salaried Officers 1576
Claim for "last on—first off" retrenchment provisions—Previous decisions—Long standing principle—Management prerogative—Commission not to interfere with right of management to hire and fire—Circumstances of particular case to be taken into account—Metal Trades (Construction) 1563
Claim for payment of *pro rata* long service leave—Question whether conduct constituted serious misconduct—Events prior to termination—Termination of own account—Misconduct discovered after termination—Employees' actions found to be deliberate—Refused 2289
Alleged failure to give correct notice of termination—Employee downgraded—Verbal notice given—No agreement between parties as to downgrading—Award provisions—Downgrading is a termination of services—Previous cases—Proven—Journalists 2291
Claim that dismissal unfair—Terms and conditions of employment outlined in letter of appointment—Events leading to termination—Increase in scope of responsibility—Salary review requested—Increase not satisfactory—Unwilling to work callouts—Commission limited to consider whether employee denied entitlements under contract of service—Dismissed—Iron Ore Industry 2322
Claim that termination unfair—Unsatisfactory service—Implication of dishonesty—Events leading to termination—No obligation on employer to warn employee if services at fault—Previous decision—Question of employers' right to terminate and of employees' right not to be terminated—Dismissed—Hospital Employees 2332
Claim for re-instatement—Employee placed on one month's trial following previous behaviour—Various complaints—Cash shortfalls—Events leading to termination—Previous decision—Re-instatement not in best interests of employee—Alternative compensation ordered 2296
Claim that termination unfair—Events leading to termination—Employment terminated whilst on sick leave—Alleged victimisation—Employee's obligation to advise employer of progress of recovery—Employers decision in best interests of organisation—Dismissed 2570
Claim for reinstatement—Alleged unfair termination—Award provisions—Mental Health Act provisions—Events leading to termination—Failure of employee to meet obligations as a student nurse—Commission not to take over function of employer in relation to selecting and retaining employees—Previous decisions—Psychiatric Nurses 2574
Claim for *pro rata* long service leave—Employment terminated on grounds of redundancy—Previous decisions—Question as to employee's intention to remain in employment of employer—Refused—Transport Industry 2577
Appeal against decision ordering reinstatement—Events leading to dismissal—Mental Health Act provisions—Various grounds of appeal—Claim that Commission usurping right of employer to dismiss—Jurisdiction of Commission—Previous decisions—Upheld in respect of payment of wages, dismissed in all other respects—Psychiatric Nurses 2396
Claim for reinstatement—Question whether employee employed as a casual—Definition of casual—Reasons for termination unsubstantiated—Employee not advised as to unsatisfactory performance—Reinstatement ordered—Shop Assistants 2568

Travelling
[2]Appeal against decision of Commission *re* fares and travelling allowances—Dual parentage of provisions—Increase granted Federally on proviso that work value claims be foregone—Propriety of prescribing two rates of travelling allowance—Remitted—Engine Drivers Building and Steel Construction 1184
Claim *re* travelling allowances—Matter remitted by Full Bench to Commission—Further hearing—Matter in issue restated—Scope of awards—Work value decision of Australian Commission—Wage "package"—Uniformity of allowance required for industrial relations reasons—Adjustment of special payments—Granted in part—Engine Drivers Building and Steel Construction 1374
Claim for increased allowance—Provision in Building Trades—Uniformity of base allowance as between workers at large on the one site—Granted in part—Electrical Contracting Industry 1369
Claim *re* excess fares and travelling—Wider connotation of allowance—Increase granted elsewhere as part of "package"—Federal decision—Recent Commission decisions—Adjustment of special payments—Granted in part—Metal Trades 1397
Claim *re* distant work allowance—Basis of allowance—Refused—Metal Trades 1397
Claim for fares and travelling allowance—Conditions of employment—Current provisions relating to "normal construction work"—Circumstances on this site not distinguishable from construction sites at large—Granted in part—Metal Trades and Engine Drivers 1565
Claim that foremen be entitled to drive "crew cab" vehicles when members of the A.W.U. are on strike—Customary transportation procedures—"Change-over" period unnecessary during strike—Past practice—Matter "in principle"—Right of management to run its own business—Commission not to restrict management rights—Iron Ore Industry 1570
Claim that reference to a permanent transfer be clarified by reference to a period of time—Definitive approach preferred—Allowed—Meat Industry 1502
Claim *re* car allowance—Public Service allowances sought—Nexus—Previous decision—Relationship with private award—Granted—Claim that changes in "parent" award automatically flow on—Refused—Engineering Trades (Government) 2170
Claim for increase in travelling allowance—Previous increases granted elsewhere as part of "package"—Federal award provisions—Comparison between engineering tradesmen and building tradesmen—Work value changes—Granted—Engineering Trades (Government) 2170
Claim that vehicles be fitted with airconditioning units—problems of fitting present vehicles—Vehicle fitted current on trial basis—Conditions experienced not sufficient to warrant claim—Refused—Radio and Television Industry 2460
Alleged high cost of travelling to and from work—Provision of buses by company—Problems of sharing vehicles—Commissions research *re* "average vehicle" at "average petrol consumption"—Commission's view that mileage or radius prescription not warranted—Meat Industry 2562
Claim *re* camping allowance—Recognised nexus with Federal Award—Previous decisions—Question whether employer to return a worker to depot on each weekend when not required to work—Concept of "rest and recreation"—Distinction from building industry—Granted in part—Construction Workers (Government) 2518

CUMULATIVE INDEX—*continued*

Page

Unfair Discrepancy
Claim for increase in wage rates for certain serviceman classifications—Previous decisions—History of wage rates—Principle of "unfair discrepancy"—Increase within wage indexation guidelines of Commission—Granted—Iron Ore Industry 1276
Claim for provision of supplementary payments—Comparison with other awards—Unfair discrepancy—Basis of wage fixation—No grounds in existence for awarding supplementary payments—Refused—*Prima facie* case for wage rate increases—Timber Industry 1248
Claim *re* wages for cement industry analysts—Agreed maximum base rate—choice between blue and white collar over award payments and allowances—Public Service rate—Disabilities—Provisions in related award—Indexation Guidelines—Granted in part—Draughtsmen Tracers and Planners in Cement Industry 1346
[3]Application for increase in rates of pay—Matter referred—Increase granted by Commission in Court Session—Recognition of creation of anomalies in wage structure—Commissioner sitting alone requested to carry out investigation—Hospital Salaried Officers 2142
Claim for increase in wages—Alleged "unfair discrepancy"—Changes in work value—Previous decisions—History—Comparisons with other industries—Test of "community standards"—Nexus—Relationship between clerks and shop assistants—Granted in part—Clerks 2512
Claim for increase in wages—Previous claim based on work value grounds—Matter adjourned—Union given opportunity to argue claim on basis of unfair discrepancy—Movement in wages of related occupations—Question of fairness of rates—Dismissed—Fire Brigade Employees 2549

Unions
Question as to eligibility of fork and low lift drivers to join unions—Claim that Commission has no jurisdiction to deal with matter—Definition of "industrial matter"—Provisions of Act—Previous decisions—Vocational as opposed to industry unions—Constitutional coverage granted to T.W.U.—Transport Industry Asbestos Cement Industry 1112
[3]Application to amend union rule—Clarification of constitutional coverage sought—Objections—Investigation by Registry—Water Supply Union 1110
[2]Application for registration of union—Question of whether provisions of "new" or repealed Act apply—Conditions relating to application for registration—Defects—Power of Commission to permit amendments to correct defects—Refused—Federated Ironworkers 1193
Claim for deletion of classification from award—Purported unilateral alteration of status of contracts of service—Attempts at making officers subject to Public Service Act—Definition of Government Officer—Provisions of Public Service Arbitration Act, Industrial Arbitration Act and rules of Civil Service Association—Decision *re* C.S.A. rules—Officers are employees not Government Officers—Provisions of Public Service Act prevailed over by Industrial Arbitration Act—Jurisdiction of Commission *re* declaration of Government Officers—Refused—Prison Officers 1259
Claim that worker unfairly dismissed—Failure to join union—Employer not to act to prejudice of member or non-member of union—Definition of union—Provisions of Act applicable to registered unions—Particular union not registered—Dismissed—Building Trades 1418
Claim for new award—Intervention—Decision re constitutional coverage—Scope of existing award—Industry headings—Previous decision—Reference to proceed—Hospital Salaried Officers (Clerks intervening) 1439
[2]Application for alteration of union rule—Qualification of persons for membership—Preliminary objection—Question of law as to powers of Full Bench to authorise registration sought—Provisions of Act—Reasonable notice to be given—Adjourned 1485
[4]Application for removal of stay of operation of order—Act regulations—Re-employment not desirable—Onus on union to justify removal of the stay—Question of comparative hardship and inconvenience of parties—Undue hardship not shown—Refused—Psychiatric Nurses 1497
Claim that foremen be entitled to drive "crew cab" vehicles when members of the A.W.U. are on strike—Customary transportation procedures—"Change-over" period unnecessary during strike—Past practice—Matter "in principle"—Right of management to run its own business—Commission not to restrict management rights—Iron Ore Industry 1570
[4]Claim that union rules be properly observed—removal of officers from executive considered harsh and unjust—Principle of natural justice—Provisions of Act (S66)—Previous decisions—Rule disallowed if inconsistent with any law—Natural justice not implied in Rule 19(1)—Rule not disallowed—Union directed to alter rule—Cleaners and Caretakers 1487
Claim by A.W.U. for exclusive industrial coverage for drivers of Hi-rail vehicles—Question of knowledge of railroad operations and safety procedures—Certain members of E.T.U. authorised and qualified to drive such vehicles—Previous decision—Present practice not contravening industrial agreement—Dismissed—Iron Ore Industry 2571
Claim that union rule be disallowed and members of management committee continue to hold office—Events leading to dismissal of management committee—motion of no confidence carried—Provision of Act (s.66)—Alleged denial of natural justice—Previous decisions—Question whether union rule is oppressive and inconsistent with the law and the democratic control of the union by its members—Management committee's resignation causing obstacle to normal electoral process—Rule not disallowed—Union directed to alter rule—Psychiatric Nurses 2404

Victimisation
Claim that termination unfair—Events leading to termination—Employment terminated whilst on sick leave—Alleged victimisation—Employee's obligation to advise employer of progress of recovery—Employers decision in best interests of organisation—Dismissed 2570

Wage Indexation—See Indexation

Wages
Question of appropriate rates for new classification—Nature of duties and responsibilities compared to transport industry—Operation of equipment requires extra skills—Determined—Iron Ore Industry 1127

CUMULATIVE INDEX—*continued*

Page

Wages—*continued*
Claim that annual leave loading be payable on contract rate rather than prescribed minimum rate—Other references within award to pay rates—Matter more properly dealt with by Commission in Court Session—Dismissed—Clerks 1058
Claim for full shift payment—Cyclone alert—Workers left site without permission—Offer of unpaid leave—Need for closer consultation—Dismissed—Iron Ore Industry 1123
Claim that workshop employees receive construction rates—Employer engaged in both fabrication and installation—Origin and nature of Kwinana rate—Dismissed—Metal Trades 1116
Claim for increase in wages—Previous decisions—Changes in work value—Relativities between classifications not to be altered—Comparison with New South Wales level—Rates based on average of four states—Granted in part—Prison Officers 1226
Claim for increase in wage rates for certain serviceman classifications—Previous decisions—History of wage rates—Principle of "unfair discrepancy"—Increase within wage indexation guidelines of Commission—Granted—Iron Ore Industry 1276
Claim for increase—Question whether rate should be increased after 12 months service—Definition of classifications—Previous decisions—Comparison with similar classifications of tradesmen—Granted in part—Iron ore Industry 1273
Claim for provision of supplementary payments—Comparison with other awards—Unfair discrepancy—Basis of wage fixation—No grounds in existence for awarding supplementary payments—Refused—*Prima facie* case for wage rate increases—Timber Industry 1248
Claim for increase in wage rates—Various other claims—Long established wage fixing method—Previous decisions—Margins—Wage relativities—Decisions of Commission in Court Session—Granted—Food Industry ... 1236
[2]Appeal against decision of magistrate ordering payment of wages—Question of respondency—Scope clause—Previous decisions—Definition of industry—Differentiation between retailers and distributors—Defendant employer not bound by awards—Commercial Travellers 1185
Claim for increase in wage rates—Historical relationship between awards—Past practice—Long standing nexus with Hotel Industry—Provisions of Act—Granted in principle—Liquor Industries 1239
Application for 16 per cent increase in salaries—Victorian Decision—Work value considerations—Question of interim eight per cent settlement—Police Officers 1246
Claim for re-instatement and payment of wage "losses"—Events leading to dismissal—Alleged influence of alcohol—Conflicting evidence—Behaviour not condemned by employer—Question as to practicability of re-employment—Granted in part—Photographic Industry 1270
Application for eight per cent or $8.00 increase—Rates applicable elsewhere—Commission not dependant upon actions of other tribunals for its decision—Work value—$8.00 granted—Hospital Employees Government 1229
Application for increase in wages—Alignment with public sector rates—Claim that nexus between awards be discontinued—W.A. rate higher than "average comparative rate"—Question of maintaining "capacity to pay"—Work value—Adjourned—Dental Technicians 1415
[2]Appeal against decision granting equal pay to adult female process workers—Such prescription previously refused—Work value—Rates in related awards—Dismissed—Food Industry 1339
Claim *re* wages for cement industry analysts—Agreed maximum base rate—Choice between blue and white collar overaward payments and allowances—Public Service rate—Disabilities—Provisions in related award—Unfair discrepancy—Granted in part—Draughtsmen, Tracers and Planners in Cement Industry 1346
Claim *re* travelling allowances—Matter remitted by Full Bench to Commission—Further hearing—Matter in issue restated—Scope of awards—Work value decision of Australian Commission—Wage "package"—Uniformity of allowance required for industrial relations reasons—Adjustment of special payments—Granted in part—Engine Drivers Building and Steel Construction 1374
Claim that termination unfair—Events leading to dismissal—Various warnings given—Breaches of policy and instructions—Claim that employee denied natural justice—Payment of three months wages ordered—Hospital Employees 1423
Claim *re* various matters—Distinction between stevedoring operations and other port authority activities—Previous decisions—Principal objects of new legislation—Weight accorded to results of conciliation—Granted in part—Maritime Industry (Fremantle Port Authority) 1426
Claim for increase—Federal work value decision—Increases in related award—Relationship to other awards—Previous decision re comparative wage justice—Base rate to increase—Electrical Contracting Industry. 1369
Claim *re* excess fares and travelling—Wider connotation of allowance—Increase granted elsewhere as part of "package"—Federal decision—Recent Commission decisions—Adjustment of special payments—Granted in part—Metal Trades 1397
Claim for increase in various construction allowances—Comparison with building workers—Past practice followed—Metal Trades 1397
Claim for general increase following Federal work value assessment—Federal increase limited to particular tradesmen—Rates elsewhere—No basis for alignment with N.S.W. and Tasmania decisions—Grounds for increases in accordance with Federal decision—Printing Government 1406
Claim for wage increase—Previous decision—Current provisions relating to "normal construction work"—Need to prove special case—History—Circumstances of refinery distinguishable from construction sites at large—Granted in part—Metal Trades and Engine Drivers 1565
Claim that managers of establishments or sections be afforded minimum provisions of award—History—Relativities—Margins—Existing form to continue—Managers rate to be expressed as a percentage of general butchers' rate—Meat Industry 1502
Claim that rate of wage for a "general butcher" be equated to the rate of wage for a "supermarket butcher"—Nexus with Federal award—Existing relativities between classifications—Comparison with other industries—Supplementary decision—Granted—Meat Industry 1502
Interpretation *re* certificated rigger—Award provisions—Requirements of Construction Safety Act—Claim that all certificated riggers be paid "supervision allowance"—Work usually or substantially performed—Not proper for Commission to specify legal safety requirements—Metal Trades (Construction) 1567
Claim *re* rates and for a concentrator allowance—Allowances must be assessed in relation to disabilities inherent in particular classifications—Previous decision—Granted in part—Iron Ore Industry 2310
Claim for an allowance for certificated operators—Concept of "experienced tradesmen's allowance"—Situation in iron ore industry—Question of parentage to iron ore industry—"Even handed approach"—Granted—Salt Industry 2313
Claim that workers engaged in cheeking bulls be paid same rate as a class B member of slaughtering team—Claim for an additional rate—Duties of worker not on slaughtering team—Federal award provisions—Comparison of tasks and rates of such workers with slaughtermen—Granted—Meat Industry 2318
Claim for payment of penalties in addition to ordinary rate whether or not tally completed—Custom and practice—Previous decisions—Distinction between classes of slaughtermen sought due to restrictions placed upon daily kill—Penalties to stand alone according to circumstances—Granted in part—Meat Industry 2319

CUMULATIVE INDEX—*continued*

Page

Wages—*continued*

Question whether slaughtermen should skin ram's testicles and whether payment should exceed ordinary rate—Inspection—Past practice—Tasks of slaughterman—Previous decision—Additional task would disrupt flow of chain—Struck out—Meat Industry 2334
