CUMULATIVE INDEX TO MATTERS REFERRED TO IN DECISIONS OF APPEAL COURT, INDUSTRIAL COMMISSION AND INDUSTRIAL MAGISTRATES CONTAINED IN VOL. 62 PART 1, SUB PART 6

NOTE: [1]Denotes Industrial Appeal Court Decision. [3]Denotes Commission in Court Session Decision.
[2]Denotes Full Bench Decision. [4]Denotes Decision of President.

Subject — Page

Accommodation
Claim for new award—Peculiarities of employment—Problems confronting public sector housing—Nature of work—Unusual hours—Possibility of losses through industrial action—Maritime workers—Outstation Pilot Crews 55

Absence
Claim that Australia Day holiday payment denied unfairly—Two employees left job to attend combined union committee meeting—Normal duties resumed after meeting—Award provisions and previous decisions *re* absence from work after public holiday—Granted—Iron ore industry 1415

Act
[4]Application re stay of operation of order—Act provisions—Inconvenience of "passive strike" to public—Question of hardship upon union in enforcing order. Undue hardship not shown—Order to operate according to its tenor pending determination of appeal—Fire Brigade Employees 25
[2]Non-observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers 327
Question *re* power of Commission to deal with matter pursuant to s.29 of IA Act—Dispute *re* existence of contract of employment—Work covered by award—s.29 only relevant to a claim in relation to a benefit not being a benefit under an award or order—Breach of award a matter for an Industrial Magistrate—Engine Drivers (Earth Moving and Construction) 461
[1]Appeal against majority decision of Full Bench *re* refusal to alter rules of Civil Service Association to permit Principal Prison Officers becoming members—Jurisdiction of Commission *re* Government officer—Proper tests to be exercised in respect to Full Bench's Discretion *re* registration of alterations—Remitted to Full Bench to be dealt with according to law—Prison Officers 517
[2]Non observance of Commission order—Order *re* ceasing industrial action—Investigation by Registrar—Union to show cause why it should not be dealt with under s.74—Failure by union to direct compliance—Penalty imposed—Builders' Labourers 826
Claim for first award for clerical salaried staff employed by Hamersley Iron—History—Previous decision—Objects of I.A. Act—Roles of unions and individual employee in overall scheme of I.A. Act—Industrial dispute—Award to provide minimum conditions for all clerical workers in Co.—Entitlement granted and parties to confer further—Matter relisted for progress report—Clerks (Hamersley Iron) 1001
[2]Appeal against decision of Commission *re* issuance of s.45 order—Claim that order issued in excess of jurisdiction of Commission—Question whether matter enquired into an "industrial matter"—Act provisions—Circumstances giving rise to order—Dismissed—Fire Brigade Employees 1126

Allowances
Claim for additional allowance—History—Previous decision—Various classes of work—One rate sought—Comparisons—Granted in part—Electrical Trades 166
[2]Appeal against decision not to extend allowance to workers other than tradesmen—History of matter—Allowance payable to all but a small number of a large workforce—creation of anomaly—Upheld in part—Water supply (Kalgoorlie Pipeline) 12
Claim for $50 p.w. allowance for certain employees—Rates paid in "Kwinana area"—Previous decision—Basis upon which rates have been erected—Granted in Part—Metal Trades (CBI Constructors) 158
Claim for allowance for employees required to utilize equipment with power operated attachment—Nature of unit and duties—Rates payable elsewhere—Work value criteria—New classification created—Gardeners (P.W.D.) 115
[2]Appeal against decision re interpretation of camping allowance clause—Appeal misconceived in that it concedes that the declaration of the Commissioner was correct in plain language—Dismissed—A.W.U. (M.R.D.) 6
Claim for first award—Private and Government sectors—Claim for most Public Service allowances refused—Award delivered—Swanleigh (Salaried Staff) Award 69
Question re entitlement to "On Call" allowance—Requirement to remain within range of telepage device—Previous decisions—Nurses 146
Claim for $12.00 p.w. increase in service and supplementary payments—History of such payments—Previous decisions—Recent increase under Victorian scheme—Market surveys of rates paid—Discounting by amount of recent general wage increase—Granted—Government Wages Employees 131
Claim *re*—"In proportion" method of adjustment—Basis upon which allowances awarded—Timber Workers/Woodchip Industry 274
Claim for allowance for disabilities associated with heat—Conditions warranting provision of air conditioning—Refused—Transport Workers 281
Claim *re* fares and travelling allowance—Rate payable on other sites—Decision *re* "banding"—Refused—Metal Trades (Construction—Special Provisions S.E.C.) 271
Claim for increase in additional allowances—Previous decision—Increases in rates payable elsewhere—Metal Trades (Construction—Special Provisions S.E.C.) 271
Claim for additional allowance—Incorporation of site allowance and termination bonus and provision of boots—Decisions in Federal Commission—Disabilities including extreme climatic elements and excessive dirt and dust—Amount of 80 cents per hour generally payable—Application not opposed—Equivalent of a consent award not to be given the appearance of a determination by way of adjudication—Granted—Building Trades Construction (J.R. and A.H. Farrell at Karratha) 289
Claim *re* living out allowances—Previous decision—Increased costs of living—Metal Trades (Construction—Special Provisions S.E.C.) 271
Claim for an experience allowance—Recent allowances awarded to S.E.C.V.—Previous decisions—Desirability of preserving internal relativities and nexus with S.E.C.V.—Granted in part—Engine Drivers (S.E.C.) 378
Claim for site allowance—History—Conditions distinguishable from the "normal" work of building workers—Granted—Metal Trades (Construction) 446
Dispute *re* additional allowance and operative date of wage increase—History—Desirability of issuing agreement—Electrical Contracting Industry 587

CUMULATIVE INDEX—*continued*

Allowances—*continued* Page

Claim *re* meal breaks, meal money and various allowances—Provisions in the Building and Metal Trades industry—Granted in part—Engine Drivers (Building and Steel Construction) 605

Board of Reference to determine whether confined space allowance payable—Definitions—Commission in Court Session decision—Disabilities—Refused—Railway Employees 735

Claim for additional allowances—Question whether particular tasks performed "are exceptional"—Granted in part—Iron Ore Industry 757

Claim for guaranteed 11¼ hours round trip maintenance allowance—Question *re* differentiation between electrical tradesmen and locomotive crew—Granted—Iron Ore Industry 757

Claim for dead stock handling allowance—Disabilities—Comparisons— Granted—Meat Industry (Robb Jetty) 654

Application for variation of award—Previous decision—Flow on from changes in parent award—Date of operation *re* allowance based on Full Bench decision, *re* wage rate based on date of previous Commission decision—Govt. Water Supply (Foremen) 625

Claim *re* flow on of meal money, wages and construction allowance—Nexus or "well established relationship" with parent award—"Basis upon which the award was erected" as rationale for arbitrated amendments—Decision *re* operative date stood over pending Full Bench decision—Granted—Govt. Water Supply (Foremen) 625

Claim *re* "Teachers Higher Certificate" holders—Nature of certificate internal—Comparisons—Refused—Teachers (Independent Schools) 644

Claim for reduction in working hours and increases in wages and allowances—Test case—Variations based on Metal Trades parent award—Previous agreement—Applicability of "Metal Trades Package" restricted to consenting parties—Question of hours adjourned—Dismissed—Engineering Trades—Nickel Mining 1005

Claim *re* allowance for all district electrical technicians—Previous decisions—Electricians in "water supply industry" distinguished from Govt. electricians at large—Allowance not applicable to other workers with whom technicians associated—Dismissed—Electrical Trades 1009

Claim for Special Maintenance allowance—Conditions under which work performed not "exceptional" by comparison with conditions under which servicemen ordinarily perform duties—Refused—Iron Ore Industry 921

Claim that employees required for spotting duty be paid double time—Higher disabilities allowance already paid—Refused—Iron Ore Industry 921

Claim for increase in various allowances—Dispute *re* changes in duties and responsibilities—Granted—Iron Ore Industry 921

Claim for extra payment for test drivers whilst assigned to test driving section—Duties—Additional skills required—Granted—Iron Ore Industry 921

Claim for site and travelling allowances—Background of Award provisions—Previous Federal and state decisions—Site conditions not abnormal—Basic concept that same travelling rate shall apply on all construction sites within prescribed area—Substantial wage differential between Worsley and Bunbury sites—Granted in part as "interim" measure—Metal Trades (Construction) 1017

Claim for additional payment—Dispute *re* changes in work value—Previous decisions—Comparisons with rest of industry—Granted—Iron Ore Industry 1035

Claim *re* call allowance—"Basis upon which award erected"—Nexus with awards in hospital industry—Granted—Hostel Workers 909

[2]Appeal against decision of Commission *re* delivery of new award—Grounds of appeal *re* availability allowance, annual leave, long service leave and accommodation—Varying situations and conditions between locations—Claim that Commissioner placed "insufficient weight" on submissions—Right of Commission to exercise discretion—Dismissed—Outstation Pilot Crews 820

Claim *re* various allowances—History—Over award payments—Alleged changes in work responsibilities and duties—Question of disabilities—Granted in part—Nickel Mining Industry 1026

Claims *re* board and lodging—Question *re* entitlement to allowance when employee does not avail himself of board and lodging—Award provisions—Comparisons—Custom and Practice—Refused—Electrical Trades 1046

Claim for increase in lodging allowance for policemen and women stationed outside metropolitan area—History of allowance—Movements in the C.P.I.—"Financial difficulties" involved—Granted in part—Police 1364

Claim *re* substation allowance—Nature of tasks performed by gangs—Disabilities—History of payments in S.E.C.—Award provision *re* allowance for maintenance and repairs of substations—Previous decisions—Dismissed—Electrical Trades 1419

[2]Appeal against decision of Commission *re* guaranteed 11¼ hours round trip maintenance allowance—No reason why the concept of guaranteed hours applied for special reasons to train crews should also be applied to electrical tradesmen—Decision not in accordance with substantial merits of the case—Upheld—Iron Ore Industry 1125

[2]Appeal against decision of Commission granting dead stock handling allowance—Claim that Commission erred in concluding that previous considerations did not include a consideration of the unsavouriness of tasks associated with handling dead stock—History of rates for by-product workers—Upheld—Matter remitted back to Commissioner—Meat Industry (Robb Jetty) 1132

Applications to increase charges for meals and lodging provided for employees—Nexus with government hospital sector—Cost of providing "average meal" and its representativeness—formula for automatic adjustment of permitted charge—Provision which applies in govt. sector—Granted in part—Hospital Employees (Private) 1308

Claim for increases in wages and various allowances—North-West Shelf Development Project at Burrup Peninsula—Previous Commission and Federal decisions—Principle that rates of pay and allowances should be determined in wage environment of the site or of this State—Conditions at locality—Granted in part—Metal Trades (Burrup Peninsula) 1408

Annual Leave

[2]Question whether worker not having taken annual leave should be paid 17½% loading—Task of appellant to show the decision was not in accordance with the substantial merits of the case—Provision elsewhere—Question whether Commissioner had found little merit in the claim—Dismissed—Electrical trades 9

Alleged breaches of award *re* failure to pay correct wages and wages and annual leave—Question whether employee was an independent contractor—Duties performed—Proved—Cleaners and Caretakers 739

Claim for increase in annual leave loading—No provision in award—Loadings in Public Service—Basis of salary fixation—Additional loading unnecessary—Marine Pilots (F.P.A.) 608

Claim *re* minimum leave entitlements—Need for flexibility—Different holiday requirements of schools—Minimum of 55 days recommended—Teachers (Independent Schools) 644

[2]Appeal against decision of Commission *re* delivery of new award—Grounds of appeal *re* availability allowance, annual leave, long service leave and accommodation—Varying situations and conditions between locations—Claim that Commissioner placed "insufficient weight" on submissions—Right of Commission to exercise discretion—Dismissed—Outstation Pilot Crews 820

Claim for additional week's annual leave—Conditions of service—Disabilities—Similar arguments put before Commission on previous occassion—Distinction not made between shift and non-shift working police for annual leave purposes—Comparisons—Dismissed—Police Officers 1401

CUMULATIVE INDEX—*continued*

Anomalies—See Unfair Discrepancy

Appeals

[2]Against decision re loadings applicable to casual workers engaged on shift work and overtime—Expression "double time" used in different senses—Source of rate to be used in calculating overtime and shift work Payments—Dismissed—Cleaning and Security Industry 7

[2]Against decision not to extend allowance to workers other than tradesmen—History of matter—Allowance payable to all but a small number of a large workforce—Creation of anomaly—Upheld in part—Water Supply (Kalgoorlie Pipeline) 12

[2]Question whether worker not having taken annual leave should be paid 17½% loading—Task of appellant to show the decision was not in accordance with the substantial merits of the case—Provision elsewhere—Question whether Commissioner had found little merit in the claim—Dismissed—Electrical Trades 9

[2]Against S.45 order—Likelihood of industrial action in relation to an industrial matter—Order required in part the provision of a personnel carrier at the place where union meeting was to be held—Dismissed—Fire Brigades 11

[2]Against decision re interpretation of camping allowance clause—Appeal misconceived in that it concedes that the declaration of the Commissioner was correct in plain meaning—Relevance of custom and practice—Dismissed—A.W.U. (M.R.D.) 6

[2]Against decision of Commission re overtime—Question re what constitutes a recall—Difference between "a worker who is recalled to work after leaving the job" and "a worker who returns to work overtime as a result of a direction given to him before leaving the job"—Upheld—Timber Industry (Case and Box Making) 16

[2]Against decision of Magistrate *re* failure to pay entitlements upon termination—Dispute *re* employer/employee relationship and award coverage—Previous decisions—Question *re* "right to control"—Dismissed—Building Trades (Construction) 526

[2]Against decision of Commission *re* wage rates for aides—Claim that Commission erred in relating the rate of wage of an untrained child care aide to that of a child care worker—Activities of day care centres—Relativities—Dismissed—Child Care Centres Aides 520

[2]Against decision of Commission *re* delivery of award—Comparisons between subsidised and unsubsidised centres—Distinction between conditions prevailing for pre-school teachers and child care workers—Dismissed—Child Care Centres (Child Care Workers) Private 522

[2]Against decision of Magistrate *re* breaches of award—Alleged failure to pay various entitlements upon termination—Claim that Magistrate erred in finding that the worker was not a worker within the meaning of the Industrial Arbitration Act—Upheld—Complaints remitted back to Magistrate for further hearing and determination—Building Trades 529

[1]Against Full Bench decision to alter association's rules to cover employees in electronics industry—Dual coverage—History of award coverage—Nature of electronics industry—Technical objections—Union rules—Person authorised to make application—Steps taken to inform members—Purposes and objects of I.A. Act—Dismissed—Electrical Trades.... 511

[1]Against majority decision of Full Bench *re* refusal to alter rules of Civil Service Association to permit Principal Prison Officers becoming members—Jurisdiction of Commission *re* Government officer—Proper tests to be exercised in respect to Full Bench's discretion *re* registration of alterations—Remitted to Full Bench to be dealt with according to law—Prison Officers 517

[2]Against decision of Commission *re* coverage of certain employees—Criterion for membership of union—Previous decisions—Definition of "builders' labourers"—Question whether employees employed in the mining industry or in some other industry—Character of the employment not in or incidental to the building industry—Dismissed—Builders' Labourers 815

[2]Against decision of Commission *re* delivery of new award—Grounds of appeal *re* availability allowance, annual leave, long service leave and accommodation—Varying situations and conditions between locations—Claim that Commissioner placed "insufficient weight" on submissions—Right of Commission to exercise discretion—Dismissed—Outstation Pilot Crews 820

[2]Against decisions of Magistrate *re* failure to pay correct award wages and conditions—Dispute whether employee employed as a sub-contractor—"Control test"—Question *re* legal entity of company—Nature of contract in reality a contract of service rather than a contract for services—Upheld—Builders' Labourers 824

[2]Against decision not to amend award to add $6.30 relating to General Order—Wage increase negotiated between parties on mutual understanding that no state wage adjustment would result—Error of fact not proven—Dismissed—Laundry Employees 819

Application to interpret Award *re* termination of employment and payment of less than award rates—Matter asked to be referred to Full Bench—Principal object of application to overcome applicant's lost right to appeal to Full Bench against decision in previous matter (CR682 of 1981) between same parties—Questions asked answered by Commission in previous determination—Dismissed—Teachers (Kindergartens) 1403

[2]Against decision of Commission *re* guaranteed 11¼ hours round trip maintenance allowance—No reason why the concept of guaranteed hours applied for special reasons to train crews should also be applied to electrical tradesmen—Decision not in accordance with substantial merits of the case—Upheld—Iron Ore Industry 1125

[2]Against decision of Magistrate *re* breaches of award—Failure to pay overtime—Question as to meaning of "a worker's ordinary working hours"—Definitions—Distinction between shift and day worker—Dismissed—Hospital Salaried Officers 1135

[2]Against decision of Commission granting dead stock handling allowance—Claim that Commission erred in concluding that previous considerations did not include a consideration of the unsavouriness of tasks associated with handling dead stock—History of rates for by-product workers—Upheld—Matter remitted back to Commissioner—Meat Industry (Robb Jetty) 1132

[2]Against decision of Magistrate *re* failure to pay correct award wages and annual leave—Claim that Magistrate erred in finding that employee was an employee within meaning of award—Duties performed—Control test—Company had no control as to manner in which work carried out—Upheld—Cleaners and Caretakers 1134

[2]Against decision of Commission *re* issuance of s.45 order—Claim that order issued in excess of jurisdiction of Commission—Question whether matter enquired into an "industrial matter"—Act provisions—Circumstances giving rise to order—Dismissed—Fire Brigade Employees 1126

Award Free

Delivery of award—No previous award coverage—Dispute *re* title and classifications—Nature of duties—Question *re* maintenance work—Definition of "groundsman"—Conglomeration of tasks performed—Groundsmen 32

Claim for payment upon termination—No award coverage—Contract of employment by the hour—Dismissed 462

Awards

Claim for first award—Public Service Conditions sought—Nature of high school hostels—Private and Government sectors—Previous decisions—Provisions of Act—Dispute re various contents of award—Delivered—Swanleigh (Salaried Staff) Award 69

Claim for new award—Variations in ordinary hours between locations—Peculiarities of employment—Equalizing of conditions between various locations—Maritime workers—Outstation Pilot Crews 55

CUMULATIVE INDEX—*continued*

Award—*continued* Page

Delivery of award—Dispute re inclusion of recent "wage indexation" increase—Basis upon which award negotiated—Granted in part—Laundry Employees 38

Delivery of award—No previous award coverage—Dispute *re* title and classifications—Nature of duties—Question *re* maintenance work—Definition of "groundsman"—Conglomeration of tasks performed—Groundsmen 32

[2]Non-observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers 327

[2]Appeal against decision of Commission *re* delivery of award—Comparisons between subsidised and unsubsidised centres—Distinction between conditions prevailing for pre-school teachers and child care workers—Dismissed—Child Care Centres (Child Care Workers) Private 522

Claim *re* flow on of meal money, wages and construction allowance—Nexus or "well established relationship" with parent award—"Basis upon which the award was erected" as rationale for arbitrated amendments—Decision *re* operative date stood over pending Full Bench decision—Granted—Govt. Water Supply (Foremen) 625

Application for variation of award—Previous decision—Flow on from changes in parent award—Date of operation *re* allowance based on Full Bench decision, *re* wage rate based on date of previous Commission decision—Govt. Water Supply (Foremen) 625

Appeal against Full Bench decision to alter Association's rules to cover employees in electronics industry—Dual coverage—History of award coverage—Nature of electronics industry—Technical objections—Union rules—Person authorised to make application—Steps taken to inform members—Purposes and objects of I.A. Act—Dismissed—Electrical Trades 511

[2]Appeal against decision of Commission *re* delivery of new award—Grounds of appeal *re* availability allowance, annual leave, long service leave and accommodation—Varying situations and conditions between locations—Claim that Commissioner placed "insufficient weight" on submissions—Right of Commission to exercise discretion—Dismissed—Outstation Pilot Crews 820

Claim for first award for clerical salaried staff employed by Hamersley Iron—History—Previous decision—Objects of I.A. Act—Roles of unions and industrial employee in overall scheme of I.A. Act—Industrial dispute—Award to provide minimum conditions for all clerical workers in Co.—Entitlement granted and parties to confer further—Matter relisted for progress report—Clerks (Hamersley Iron) 1001

[3]Claim for "Govt. Salaried Officers' Redundancy Order" to apply to salaried employees other than Govt. Officers in State public authorities and hospitals—History and previous decisions—"Government policy" *re* redundancy—Problem of whether general redundancy prescription would be fair and right in every situation—Conclusion only with respect to employees subject to "Govt. policy"—Refused—Government Salaried Employees 1138

Claim for increases in wages and various allowances—North-West Shelf Development Project at Burrup Peninsula—Previous Commission and Federal decisions—Principle that rates of pay and allowances should be determined in wage environment of the site or of this State—Conditions at locality—Granted in part—Metal Trades (Burrup Peninsula) .. 1408

Board and Lodging

Claims *re* board and lodging—Question *re* entitlement to allowance when employee does not avail himself of board and lodging—Award provisions—Comparisons—Custom and Practice—Refused—Electrical Trades 1046

Claim for increase in lodging allowance for policemen and women stationed outside metropolitan area—History of allowance—Movements in the C.P.I.—"Financial difficulties" involved—Granted in part—Police 1364

Applications to increase charges for meals and lodging provided for employees—Nexus with government hospital sector—Cost of providing "average meal" and its representativeness—Formula for automatic adjustment of permitted charge—Provision which applies in government sector—Granted in part—Hospital Employees (Private) 1308

Board of Reference

Claim that service be deemed continuous not withstanding absence from duty—Long Service Leave conditions—Dispute *re* authorisation of absences—Company policy *re* unpaid leave—Refused—Metal Trades 152

Claim that suspension harsh and unjust—Alleged negligence and breach of safety regulations—Question whether incident could have been prevented—Normal operating practices—Granted—Iron Ore Industry 150

Request for appointment of Chairman—Dispute *re* intended termination of services—whether dispute about a matter which the award provides shall be so determined—Temporary appointment—Previous decision—Refused—University Salaried Officers 180

Claim that suspension harsh and unfair—Alleged breach of mine safety regulation—Circumstances involved—Suspension quashed—Iron Ore Industry 282

Claim that penalty for breach of mine safety regulation excessive—Alleged extenuating circumstances—Company policy *re* "standard" penalties—Breach does not fit notion of a "standard"—Dismissed—Iron Ore Industry 283

To determine whether confined space allowance payable—Definitions—Commission in Court Session decision—Disabilities—Refused—Railway Employees 735

Claim for payment in lieu of *pro rata* long service leave—Long Service Leave provisions—Question *re* continuous service—Transmission of business—Granted—Liquor Industry 738

Claim *re* payment of long service leave—Question whether and when an employee is or has become entitled to long service leave—Provisions of "over-award" agreement—Long service leave provisions in award—Transmissions in business—Continuous service—Refused—Ice Cream and Frozen Confectionery 1010

Bonus

Claim for "extended effct" of order *re* production bonus for processing in excess of tally—Original provisions of order to cover "peak" period—Principle of equity, good conscience and substantial merits of the case—Incentive system to continue—Meat Industry 456

Breach of Award

Alleged failure to pay award rates—Question *re* actual classification of employee—Mixed functions—Proven—Transport Workers 284

Question *re* power of Commission to deal with matter pursuant to s.29 of I.A. Act—Dispute *re* existence of contract of employment—Work covered by award—s.29 only relevant to a claim in relation to a benefit not being a benefit under an award or order—Breach of award a matter for an Industrial Magistrate—Engine Drivers (Earth Moving and Construction) 461

Alleged breaches of award *re* failure to pay correct wages and annual leave—Question whether employee was an independent contractor—Duties performed—Proved—Cleaners and Caretakers 739

[2]Appeal against decision of Magistrate *re* breaches of award—Alleged failure to pay various entitlements upon termination Claim that Magistrate erred in finding that the worker was not a worker within the meaning of the I.A. Act—Upheld—Complaints remitted back to Magistrate for further hearing and determination—Building Trades 529

[2]Appeal against decision of Magistrate *re* breaches of award—Failure to pay overtime—Question as to meaning of "a worker's ordinary working hours"—Definitions—Distinction between shift and day worker—Dismissed—Hospital Salaried Officers 1135

CUMULATIVE INDEX—*continued*

Breach of Order — Page

[2]Non-observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers..... 327

[2]Non-observance of Commission order—Order *re* ceasing industrial action—Investigation by Registrar—Union to show cause why it should not be dealt with under s.74—Failure by union to direct compliance—Penalty imposed—Builders' Labourers'..... 826

Cancellation of Award

[2]Non-observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers..... 327

Cancellation of Order

[2]Non-observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers..... 327

Claim for cancellation of order *re* wages—History of wage fixation—Changes in circumstances—Order cancelled—Building Trades (Government)..... 453

Cancellation of Registration

[2]Non-observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers..... 327

Capacity to Pay

Claim for wage increase—History of rates—Previous decisions—Rates payable elsewhere—State wage case—Recent increase in service and supplementary payments—Economic constraints—Comparative Wage Justice—Granted in Part—Engineering (S.E.C.)..... 169

Claim *re* introduction of mixed kill system—History—Question of "principle"—Employers right to manage own business—Economic circumstances—Effect on general level of earnings and regular employment—Casualisation of the industry as an equitable solution not supported by Commission—Meat Industry (W.A. Meat Commission—Robb Jetty)..... 1049

Applications for wage increases—Nexus between nurses' wages in public and private hospital sectors—Financial position of non-deficit-funded nursing homes—Capacity to meet wage increases—Discussion *re* nexus, and operative date for amendments to awards—Granted—Nurses (Private)..... 1312

Claim for increase in wages—Increases in public sector—Nexus—Question of economic capacity and operative date—No special circumstances to justify retrospectivity—Granted—Hospital Salaried Officers (Private)..... 1337

Claim for increase in wages—History of award—Previous decisions—Recent increases in eastern States—Economic difficulties on respondents—Granted—Transport Workers (Passenger Vehicles)..... 1389

Casual

[2]Appeal against decision *re* loadings applicable to casual workers engaged on shift work and overtime—Expression "double time" used in different senses—Source of rate to be used in calculating overtime and shift work payments—Dismissed—Cleaning and Security Industry..... 7

Claim *re* rate to be paid for Long Service Leave purposes—Question *re* "number of hours usually worked"—Work of a casual nature—Problem of changes in ownership—Custom and Practice—Dismissed—Clerks (on Course Totalisator).... 181

Claim *re* introduction of mixed kill system—History—Question of "principle"—Employers right to manage own business—Economic circumstances—Effect on general level of earnings and regular employment—Casualisation of the industry as an equitable solution not supported by Commission—Meat Industry (W.A. Meat Commission—Robb Jetty)..... 1049

Classification

Delivery of award—No previous award coverage—Dispute *re* title and classifications—Nature of duties—Question *re* maintenance work—Definition of "groundsman"—Conglomeration of tasks performed—Groundsmen..... 32

Claim for allowance for employees required to utilize equipment with power operated attachment—Nature of Unit and duties—Rates payable elsewhere—Work value criteria—New classification created—Gardeners (P.W.D.)..... 115

Claim *re* wages for shift engineers—Whether Commission or Review Committee appropriate forum to amend classifications—Nature of that Committee—Alleged changes in work value—Comparative wage justice—Changes in duties and responsibilities—Adjourned—Hospital Salaried Officers..... 144

Alleged failure to pay award rates—Question *re* actual classification of employee—Mixed functions—Proven—Transport Workers..... 284

Claim *re* rates payable to tool and material storemen—Previous review and decision—Change in duties and responsibilities of certain classification—Granted in part—Iron Ore Industry (Hamersley)..... 287

Dispute *re* classification to be used in ascertaining the "National average" for the purposes of wage rates review—Established benchmark—Changes in technology resulting in additional classifications—Definitions—Previous decisions—Printing Industry..... 762

Claim for retention of existing situation *re* work status and contract of service pending finalisation of conference—Changes in method of distribution—Rights of employees—*Status quo* to be maintained—Egg Marketing Board..... 740

Claim for payment upon termination—Events—Dispute *re* written contracts guaranteeing minimum income—Question *re* capacity in which employee employed—Granted in part—Engineers..... 741

[3]Claim for award variations to be tied to fitter under Metal Trades Award—Previous methods of fixation—Revert to basis on which rates first fixed, fifth year fireman with fitter—Single reference point desirable—Retrospective adjustment due to special circumstances—Other matters referred back to single Commissioner—Granted in part—Fire Brigade Employees..... 532

Claim *re* allowance for all district electrical technicians—Previous decisions—Electricians in "water supply industry" distinguished from Govt. electricians at large—Allowance not applicable to other workers with whom technicians associated—Dismissed—Electrical Trades..... 1009

Claim for new classification—Higher level of skill required—Previous decisions—Granted—Iron Ore Industry..... 921

Dispute *re* union coverage for classification "heavy truck—field serviceman" and "senior serviceman"—Union Constitutions—Work of servicemen—Serviceman assists tradesman on occasions—Definition of tradesman—Skill or trade experience required—Salt industry..... 1040

Claim *re* minimum manning agreement—Circumstances—Problem of restricted overtime—Granted—Iron Ore Industry 1023

Claim for higher rate when engaged as Leading Hand relief—Management prerogative-Duties required—Refused—Iron Ore Industry..... 1045

CUMULATIVE INDEX—*continued*

Clothing — Page

Claim *re* provision of wet weather gear—Frequency of replacement—Refused—Merchant Service 263

Claim for issue of additional stripe for shoulder epaulette—Professional requirements for post—Nature of duties—Supervisory aspects—Refused—Merchant Service 263

Claim for supply of boots and overalls—Practice on construction sites of paying a footwear allowance—Such allowance granted—Metal Trades (Construction—Special Provisions S.E.C.) 271

Claim *re* hours, shift work and protective clothing—Timber industry to be regarded as one industry notwithstanding geographical division—Provisions in Timber Workers Award—Granted—Timber Industry 878

Collective Bargaining

Claim for flow-on of recent increases to waterside workers—Over award component of increase—History of rates payable—whether increases arising from collective bargaining should be flowed to other areas—Industrial action—Granted—Maritime Industry (Fremantle Port Authority) 125

Commission/er

[4]Application *re* stay of operation of order—Act provisions—Inconvenience of "passive strike" to public—Question of hardship upon union in enforcing order. Undue hardship not shown—Order to operate according to its tenor pending determination of appeal—Fire Brigade Employees 25

Claim *re* wages for shift engineers—Whether commission or review Committee appropriate forum to amend classifications—Nature of that Committee—Alleged changes in work value—Comparative wage justice—Changes in duties and responsibilities—Adjourned—Hospital Salaried Officers 144

Question *re* power of Commision to deal with matter pursuant to s.29 of I.A. Act—Dispute *re* existence of contract of employment—Work covered by award—s.29 only relevant to a claim in relation to a benefit not being a benefit under an award or order—Breach of award a matter for an Industrial Magistrate—Engine Drivers (Earth Moving and Construction) 461

[2]Appeal against decision of Commission *re* delivery of new award—Grounds of appeal *re* availability allowance, annual leave, long service leave and accommodation—Varying situations and conditions between locations—Claim that Commissioner placed "insufficient weight" on submissions—Right of Commission to exercise discretion—Dismissed—Outstation Pilot Crews 820

Application to interpret Award *re* termination of employment and payment of less than award rates—Matter asked to be referred to Full Bench—Principal object of application to overcome applicant's lost right to appeal to Full Bench against decision in previous matter (CR682 of 1981) between same parties—Questions asked answered by Commission in previous determination—Dismissed—Teachers (Kindergartens) 1403

[2]Appeal against decision of Commission granting dead stock handling allowance—Claim that Commission erred in concluding that previous considerations did not include a consideration of the unsavouriness of tasks associated with handling dead stock—History of rates for by-product workers—Upheld—Matter remitted back to Commissioner—Meat Industry (Robb Jetty) 1132

[2]Appeal against decision of Commission *re* issuance of s.45 order—Claim that order issued in excess of jurisdiction of Commission—Question whether matter enquired into an "industrial matter"—Act provisions—Circumstances giving rise to order—Dismissed—Fire Brigade Employees 1126

Comparative Conditions Justice

Claim *re* contract of service—Alignment with pre-primary teachers employed by the Education Department sought—History—Concept of "like with like"—Adjourned *sine die*—Teachers (Kindergartens) 429

Claim *re* guaranteed hours—Comparison with locomotive crew—Unlike circumstances—Refused—Iron Ore Industry ... 463

Claim for payment of accumulated sick leave on retirement after 10 years continuous service—Comparison with Public Service provisions—Granted—Marine Pilots (F.P.A.) 608

Claim for guaranteed 11¼ hours round trip maintenance allowance—Question *re* differentiation between electrical tradesmen and locomotive crew—Granted—Iron Ore Industry 757

[4]Application *re* stay of operation of order—Act provisions—Inconvenience of "passive strike" to public—Question of hardship upon union in enforcing order. Undue hardship not shown—Order to operate according to its tenor pending determination of appeal—Fire Brigade Employees 25

Claim for dead stock handling allowance—Disabilities—Comparisons—Granted—Meat Industry (Robb Jetty) 654

Claim for utility air-conditioning—Utility used for deliveries—Disabilities—Cabin temperatures, driving times and distances travelled—Comparison with Transport Workers (General) Award—Govt. policy—Granted for new vehicles—Fire Brigade Employees 760

Claim for Special Maintenance allowance—Conditions under which work performed not "exceptional" by comparison with conditions under which servicemen ordinarily perform duties—Refused—Iron Ore Industry 921

Claim for additional week's annual leave—Conditions of service—Disabilities—Similar arguments put before Commission on previous occasion—Distinction not made between shift and non-shift working police for annual leave purposes—Comparisons—Dismissed—Police Officers 1401

Comparative Wage Justice

Claim for wage increase—History of rates—Previous decisions—Rates payable elsewhere—State wage case—Recent increase in service and supplementary payments—Economic constraints—Granted in part—Engineering (S.E.C.) 169

Claim for $50 p.w. allowance for certain employees—Rates paid in Kwinana area—Previous decision—Basis upon which rates have been erected—Granted in part—Metal Trades (C.B.I. Constructors) 158

Dispute *re* rates of pay—Comparisons with similar awards—Groundsmen 32

Claim for an additional allowance—History—Previous decisions—Various classes of work—one rate sought—Comparisons—Granted in part—Electrical Trades 166

Claim for wage increase—Basis upon which rates fixed—"Better of two worlds approach"—History of rates—Rates Payable in S.E.C.V.—Granted—Transport Workers (S.E.C.) 176

Claim *re* rates of pay for clerical workers—Comparison made with rates payable to shop assistants—History of claim—Previous decisions—Rates payable in Eastern States—Nature of work of average worker—Basis of fixation of rates—Granted in part—Clerks 245

Claim for increase—No direct nexus in existence—Rates payable in Eastern States—Difficulties in concept of simple average of rates—Granted in part—Prison Officers 266

Claim *re* wages—Relationship with metal trades—History—Question whether external relationship with general industry of greater significance than the internal relationship—Internal relativities more important—Granted—Gas Industry (S.E.C.) 381

Claim for 10.45% across the board increase in wages—Supplementary decision—Subsequent changes in interstate rates—Dispute *re* operative date—Granted in part—Hospital Industry 384

CUMULATIVE INDEX—*continued*

Comparative Wage Justice—*continued* Page

Claim for 10.45% across the board increase in wages—History of wage fixation—Comparison of rates paid interstate—Question of nexus and operative date—Supplementary decision—Granted in part—Hospital Industry 384

Claim for increase in wages—Recent decision of Conciliation and Arbitration Commision—Interveners—Dispute *re* implementation of "package"—Granted in part—Metal Trades 406

Claim for wage increase—Recent increases elsewhere—Question of relativities—Comparisons—Dismissed—Meat Industry 468

Dispute *re* classification to be used in ascertaining the "National average" for the purposes of wage rates review—Established benchmark—Changes in technology resulting in additional classifications—Definitions—Previous decisions—Printing Industry 762

[2]Appeal against decision of Commission *re* wage rates for aides—Claim that Commission erred in relating the rate of wage of an untrained child care aide to that of a child care worker—Activities of day care centres—Relativities—Dismissed—Child Care Centre Aides 520

Claim for increase in rates of pay—History of wage fixation—General wage movements—Previous decisions—Comparisons—Question *re* restoration of internal wage relativities—Granted in part—Clerks (Permanent Building Societies) 701

Claim for site and travelling allowances—Background of Award provisions—Previous Federal and state decisions—Site conditions not abnormal—Basic concept that same travelling rate shall apply on all construction sites within prescribed area—Substantial wage differential between Worsley and Bunbury sites—Granted in part as "Interim" measure—Metal Trades (Construction) 1017

Claim for additional payment—Dispute *re* changes in work value—Previous decisions—Comparisons with rest of industry—Granted—Iron Ore Industry 1035

Claim for increase in salary of telephonists—Question of "significant changes in switchboard"—Nexus with public hospitals award—Principle of comparative wage justice—Struck out—Hospital Salaried Officers (Private Hospitals) 1399

Compensation

Claim *re* unfair dismissal—Compensation sought—Unsatisfactory performance—Insufficient direction and assistance from employer—Granted—Sales Representatives 156

Claim for compensation upon termination—Events—Conflicting evidence—Dispute *re* notice—Granted in part 285

Claim for payment for overtime worked—Verbal contract of service—No award coverage—Granted in part 442

Claim for payment upon termination—Dispute *re* terms of employment—Quantum of "package"—Granted in part—Management Consultants 1013

Claim for payment upon termination—Employer's action justified employee leaving and not returning to premises—Granted—Stablehands 1405

Claim for additional payments for ex-employees—Employees replaced by contractors—Previous decisions—Compensation paid adequate—Dismissed—Transport Workers 1422

Claim that termination unfair—Alleged reduction in work—No warnings *re* dissatisfaction with work—Failure on part of employer to recognise inexperience—Compensation ordered—Electrical Contracting Industry 1405

Conditions of Service

Claim for new award—Variation in ordinary hours between locations—Peculiarities of employment—Equalizing of conditions between various locations—Thirty five hour week awarded—Maritime workers—Outstation Pilot Crews .. 55

Applications *re* discontinuance of work by reason of hot weather—Inclement weather provisions—Previous order relating to P.W.D.—Previous decisions—Difficulties *re* establishment of a "set temperature"—Custom on construction sites—Previous order said not to truly reflect practice in the industry—Order cancelled—Matter adjourned for purposes of drawing up appropriate new order—Building Trades (Construction) 137

Claim for allowance for disabilities associated with heat—Conditions warranting provision of air conditioning—Refused—Transport Workers 281

Claim for payment of accumulated sick leave on retirement after 10 years continuous service—Comparison with Public Service provisions—Granted—Marine Pilots (F.P.A.) 608

Claim for payment upon termination—Dispute *re* conditions of employment—Granted in Part—Advertising 745

[2]Appeal against decision of Commission *re* delivery of award—Comparisons between subsidised and unsubsidised centres—Distinction between conditions prevailing for pre-school teachers and child care workers—Dismissed—Child Care Centres (Child Care Workers) Private 522

Claim for utility air-conditioning—Utility used for deliveries—Disabilities—Cabin temperatures, driving times and distances travelled—Comparison with Transport Workers (General) Award—Govt. policy—Granted for new vehicles 522

Claim for utility air-conditioning—Utility used for deliveries—Disabilities—Cabin temperatures, driving times and distances travelled—Comparison with Transport Workers (General) Award—Govt. policy—Granted for new vehicles—Fire Brigade Employees 760

Claim for reduced qualifying period from 15 to 10 years—Trend in other industries—Question of different standards for long service leave in the public and private sectors—Refused—Teachers (Independent Schools) 644

Claim for site and travelling allowances—Background of Award provisions—Previous Federal and state decisions—Site conditions not abnormal—Basic concept that same travelling rate shall apply on all construction sites within prescribed area—Substantial wage differential between Worsley and Bunbury sites—Granted in part as "interim" measure—Metal Trades (Construction) 1017

Claim for payment for three weeks' sick leave—Dispute *re* quantum—Contract of employment—Granted in part—Health Attendants 1407

Confined Space

Board of Reference to determine whether confined space allowance payable—Definitions—Commission in Court Session decision—Disabilities—Refused—Railway Employees 735

Consumer Price Index

Claim for increase in lodging allowance for policemen and women stationed outside metropolitan area—History of allowance—Movements in the C.P.I.—"Financial difficulties" involved—Granted in part—Police 1364

CUMULATIVE INDEX—*continued*

Contract of Service
Question *re* prohibition of employment of part time workers at rates of pay less than prescribed in award—Provisions of award—Previous decisions—Teachers (kindergartens) 148
Claim for moneys said to be owed under contract of service—Change over time in basis of remuneration—Insurance investigation—Granted 157
Claims for re-employment—Alleged assault on fellow employee whilst off duty—Previous decisions—Whether facts intrude into relationship of master and servant—Re-employment ordered in one instance—Iron Ore Industry (Hamersley)..... 291
Dispute *re* commencement date of employment for long service leave purposes—Short term interruption of employment for convenience of employee—Requirement notice in writing as to loss of benefits—Meat Industry 256
Claim *re* contract of service—Alignment with pre-primary teachers employed by the Education Department sought—History—Concept of "like with like"—Adjourned *sine die*—Teachers (Kindergartens) 429
Claim for payment upon termination—Events leading to termination—Conditions of employment unclear—Granted in part 444
Claim for payment upon termination—No award coverage—Contract of employment by the hour—Dismissed 462
Claim for payment for overtime worked—Verbal contract of service—No award coverage—Granted in part 442
Alleged breaches of award *re* failure to pay correct wages and annual leave—Question whether employee was an independent contractor—Duties performed—Proved—Cleaners and Caretakers 739
Claim for payment upon termination—No arrangement *re* termination of contract of employment—Dismissed—Mining Industry 768
Claim for payment of commission upon termination—Written contract of service—Question whether agreed rate to be paid as a retainer or commission only—Dismissed—Sales Representatives 766
Claim for retention of existing situation *re* work status and contract of service pending finalisation of conference—Changes in method of distribution—Rights of employees—*Status quo* to be maintained—Egg Marketing Board 740
Claim that "remedial assistance" be given to teachers before notice of temination issued—Established guidelines and practice *re* termination of "incompetent" teachers—*Status quo* to remain—Teachers (Independent Schools) 644
Claim for payment upon termination—Question *re* existence of a contract of employment—Granted 1013
[2]Appeal against decisions of Magistrate *re* failure to pay correct award wages and conditions—Dispute whether employee employed as a sub-contractor—"Control test"—Question *re* legal entity of company—Nature of contract in reality a contract of service rather than a contract for services—Upheld—Builders' Labourers' 824
Claim for payment upon termination—Dispute *re* terms of employment—Quantum of "package"—Granted in part—Management Consultants 1013
[2]Appeal against decision of Magistrate *re* failure to pay correct award wages and annual leave—Claim that Magistrate erred in finding that employee was an employee within meaning of award—Duties performed—Control test—Company had no control as to manner in which work carried out—Upheld—Cleaners and Caretakers 1134

Contract out of Award
Claim for retention of existing situation *re* work status and contract of service pending finalisation of conference—Changes in method of distribution—Rights of employees—*Status quo* to be maintained—Egg Marketing Board 740
[2]Appeal against decision of Magistrate *re* failure to pay entitlements upon termination—Dispute *re* employer/employee relationship and award coverage—Previous decisions—Question *re* "right to control"—Dismissed—Building Trades (Construction) 526
[2]Appeal against decision of Magistrate *re* breaches of award—Alleged failure to pay various entitlements upon termination—Claim that Magistrate erred in finding that the worker was not a worker within the meaning of the I.A. Act—Upheld—Complaints remitted back to Magistrate for further hearing and determination—Building Trades 529
[2]Appeal against decisions of Magistrate *re* failure to pay correct award wages and conditions—Dispute whether employee employed as a sub-contractor—"Control test"—Question *re* legal entity of company—Nature of contract for services—Upheld—Builders' Labourers' 824

Coverage/Constitutional Coverage
[2]Appeal against decision of Magistrate *re* failure to pay entitlements upon termination—Dispute *re* employer/employee relationship and award coverage—Previous decisions—Question *re* "right to control"—Dismissed—Building Trades (Construction) 526
[1]Appeal against Full Bench decision to alter Association's rules to cover employees in electronics industry—Dual coverage—History of award coverage—Nature of electronics industry—Technical objections—Union rules—Person authorised to make application—Steps taken to inform members—Purposes and objects of I.A. Act—Dismissed—Electrical Trades 511
[1]Appeal against majority decision of Full Bench *re* refusal to alter rules of Civil Service Association to permit Principal Prison Officers becoming members—Jurisdiction of Commission *re* Government officer—Proper tests to be exercised in respect to Full Bench's discretion *re* registration of alterations—Remitted to Full Bench to be dealt with according to law—Prison Officers 517
Dispute *re* union coverage for classification "heavy truck—field serviceman" and "senior serviceman"—Union Constitutions—Work of servicemen—Serviceman assists tradesman on occasions—Definition of tradesman—Skill or trade experience required—Salt industry 1040
[2]Appeal against decision of Commission *re* coverage of certain employees—Criterion for membership of union—Previous decisions—Definition of "builders' labourers"—Question whether employees employed in the mining industry or in some other industry—Character of the employment not in or incidental to the building industry—Dismissed—Builders' Labourers 815
Claim for first award for clerical salaried staff employed by Hamersley Iron—History—Previous decisions—Objects of I.A. Act—Roles of unions and individual employee in overall scheme of I.A. Act—Industrial dispute—Award to provide minimum conditions for all clerical workers in Co.—Entitlement granted and parties to confer further—Matter relisted for progress report—Clerks (Hamersley Iron) 1001
[4]Claim *re* ineligibility of a candidate for an election of offices and of certain persons to vote therein—Previous order—Rules—Question whether specified persons employed in industry—Dismissed—Election to proceed—Timber Industry Union 839

CUMULATIVE INDEX—*continued*

Custom and Practice
Claim *re* overtime—Commission in Court Session decision *re* reduction of working hours—History of award provisions—Current practice—Granted—Engineering Trades (S.E.C.) ... 734
Claim that "remedial assistance" be given to teachers before notice of termination issued—Established guidelines and practice *re* termination of "incompetent" teachers—*Status quo* to remain—Teachers (Independent Schools) ... 644
Claim that suspension harsh and unjust—Alleged negligence and breach of safety regulations—Question whether incident could have been prevented—Normal operating practices—Granted—Iron Ore Industry ... 150
Applications *re* discontinuance of work by reason of hot weather—Inclement weather provisions—Previous order relating to P.W.D.—Previous decisions—Difficulties *re* establishment of a "set temperature"—Custom on construction sites—Previous order said not to truly reflect practice in the industry—Order cancelled—Matter adjourned for purposes of drawing up appropriate new order—Building Trades (Construction) ... 137
Claim *re* rate to be paid for long service leave purposes—Question *re* "number of hours usually worked"—Work of a casual nature—Problem of changes in ownership—Dismissed—Clerks (on Course Totalisator) ... 181
Question *re* prohibitition of employment of part time workers at rates of pay less than prescribed in award—Provisions of award—Contract of Service—Previous decisions—Teachers (kindergartens) ... 148
Claim *re* dismissal—Employee struck fellow worker—Custom and practice *re* fighting on the job—Right of management to dismiss—Company's decision to stand—Iron Ore Industry ... 155
Claim that penalty for breach of mine safety regulation excessive—Alleged extenuating circumstances—Company policy *re* "standard" penalties—Breach does not fit notion of a "standard"—Dismissed—Iron Ore Industry ... 283
Claim that suspensions and subsequent dismissals unfair—Alleged breach of Mess rules—Events—Long standing practice—Lawful instructions disobeyed—Dismissed—Iron Ore Industry ... 463
Claims *re* board and lodging—Question *re* entitlement to allowance when employee does not avail himself of board and lodging—Award provisions—Comparisons—Custom and Practice—Refused—Electrical Trades ... 1046

Date of Operation
Dispute *re*—Claim that nexus with certain employees justifies like date of operation of increase—Retrospectivity formula between parties—Previous decision—Independent Schools Teachers ... 108
[2]Appeal against decision not to extend allowance to workers other than tradesmen—Power of Full Bench to vary decision—Provisions of act—Water Supply (Kalgoorlie Pipeline) ... 12
Claim *re* long service leave—Question *re* effective date for new first qualifying period—History—Previous decisions—Provisions elsewhere—Dismissed—Nursing Aides and Assistants (Private) ... 427
Claim for 10.45% across the board increase in wages—History of wage fixation—Comparison of rates paid interstate—Question of nexus and operative date—Supplementary decision—Granted in part—Hospital Industry ... 384
Dispute *re* additional allowance and operative date of wage increase—History—Desirability of issuing agreement—Electrical Contracting Industry ... 587
Dispute *re* operative date of wage increases—Nexus with N.S.W.—Act provisions—Established nexus not a special circumstance to warrant retrospectivity—Recent decisions in "related industries"—Desirability of a common date of operation—Wire Industry ... 731
Dispute *re* operative date of salary increase—Nexus with State Public Service—Question *re* special circumstances justifying retrospectivity—Powers of Commission—Inequitable to allow retrospectivity—Hospital Salaried Officers ... 640
Claim *re* flow on of meal money, wages and construction allowance—Nexus or "well established relationship" with parent award—"Basis upon which the award was erected" as rationale for arbitrated amendments—Decision *re* operative date stood over pending Full Bench decision—Granted—Govt. Water Supply (Foremen) ... 625
Application for variation of award—Previous decision—Flow on from changes in parent award—Date of operation *re* allowance based on Full Bench decision, *re* wage rate based on date of previous Commission decision—Govt. Water Supply (Foremen) ... 625
[3]Claim for award variations to be tied to fitter under Metal Trades Award—Previous methods of fixation—Revert to basis on which rates first fixed, fifth year fireman with fitter—Single reference point desirable—Retrospective adjustment due to special circumstances—Other matters referred back to single Commissioner—Granted in part—Fire Brigade Employees ... 532
Claim *re* rates of pay—Previous decisions—Dispute *re* operative date—Nexus with Metal Trades Award—Act provisions—Granted in part—Watchmakers and Jewellers ... 999
Dispute *re* operative date—No special circumstances to warrant retrospectivity—Refused—Municipal Employees' ... 882
Applications for wage increases—Nexus between nurses' wages in public and private hospital sectors—Financial position of non-deficit-funded nursing homes—Capacity to meet wage increases—Discussion *re* nexus, and operative date for amendments to awards—Granted—Nurses (Private) ... 1312
Claim for increases in wages—Increases in public sector—Nexus—Question of economic capacity and operative date—No special circumstances to justify retrospectivity—Granted—Hospital Salaried Officers (Private) ... 1337

Disabilities—*continued*

Claim that employees required for spotting duty be paid double time—Higher disabilities allowance already paid—Refused—Iron Ore Industry 921

Claim for site and travelling allowances—Background of Award provisions—Previous Federal and state decisions—Site conditions not abnormal—Basic concept that same travelling rate shall apply on all construction sites within prescribed area—Substantial wage differential between Worsley and Bunbury sites—Granted in part as "interim" measure—Metal Trades (Construction) 1017

Claim *re* various allowances—History—Over award payments—Alleged changes in work responsibilities and duties—Question of disabilities—Granted in part—Nickel Mining Industry 1026

Claim *re* substation allowance—Nature of tasks performed by gangs—Disabilities—History of payments in S.E.C.—Award provision *re* allowance for maintenance and repairs of substations—Previous decisions—Dismissed—Electrical Trades 1419

Claim for additional week's annual leave—Conditions of service—Disabilities—Similar arguments put before Commission on previous occasion—Distinction not made between shift and non-shift working police for annual leave purposes—Comparisons—Dismissed—Police Officers 1401

[2]Appeal against decision of Commission granting dead stock handling allowance—Claim that Commission erred in concluding that previous considerations did not include a consideration of the unsavouriness of tasks associated with handling dead stock—History of rates for by-product workers—Upheld—Matter remitted back to Commissioner—Meat Industry (Robb Jetty) 1132

Dismissal

Claim *re* unfair dismissal—Compensation sought—Unsatisfactory performance—Insufficient direction and assistance from employer—Granted—Sales Representatives 156

Claim that suspension harsh and unjust—Alleged negligence and breach of safety regulations—Question whether incident could have been prevented—Normal operating practices—Granted—Iron Ore Industry 150

Claim *re* dismissal—Employee struck fellow worker—Custom and practice *re* fighting on the job—Right of management to dismiss—Company's decision to stand—Iron Ore Industry 155

Claim for re-instatement—Events leading to termination—Irresponsible action *re* disposal of cheque—Dismissed—Clerks 179

Claim that dismissal unjust—Alleged assault—Employee provoked—Previous decision *re* burden of proof—Suspension in lieu of dismissal ordered—Iron Ore Industry 154

Claim for re-employment—Alleged threat—Question *re* what constitutes a threat—Definitions—Refused—Iron Ore Industry 295

Claim for compensation upon termination—Events—Conflicting evidence—Dispute *re* notice—Granted in part 285

Claim that termination unfair—Unsatisfactory attitude and performance—Deteriorating employer/employee relationship—Dismissed 460

Claim for payment upon termination—Conflict in evidence—Dispute *re* dismissal or resignation—Granted in part—Travel Industry 441

Claim that suspensions and subsequent dismissals unfair—Alleged breach of Mess rules—Events—Long standing practice—Lawful instructions disobeyed—Dismissed—Iron Ore Industry 463

Claim for payment upon termination—Events leading to termination—Conditions of employment unclear—Granted in part 444

Claim for payment in lieu of *pro rata* long service leave—Events leading to termination—Long service leave provisions of award—Unsatisfactory attitude towards supervisors—Previous decisions—Question of misconduct—Dismissed—Hospital Workers (Government) 432

Claim for payment in lieu of *pro rata* long service leave consequent to dismissal—Matter referred to the Committee—Antisocial attitude of employee—Employer's right to terminate—*Ex gratia* payment recommended—Gardeners (Education Department) 431

Claim for payment upon termination—No award coverage—Contract of employment by the hour—Dismissed 462

Claim for payment upon termination—No arrangement *re* termination of contract of employment—Dismissed—Mining Industry 768

Claim for payment upon termination—Dispute *re* conditions of employment—Granted in part—Advertising 745

Claim for payment of commission upon termination—Written contract of service—Question whether agreed rate to be paid as a retainer or commission only—Dismissed—Sales Representatives 766

Claim for Payment upon termination—Terms of contract *re* hours of work—Additional hours worked not required or authorised—Dismissed—Sales Representatives 767

Claim *re* unfair termination—Alleged threat against operations manager—Refusal of employee to perform work—Dismissed—Brick and Tile Industry 769

Claim for payment upon termination—Events—Dispute *re* written contracts guaranteeing minimum income—Question *re* capacity in which employee employed—Granted in part—Engineers 741

[2]Appeal against decision of Magistrate *re* failure to pay entitlements upon termination—Dispute *re* employer/employee relationship and award coverage—Previous decisions—Question *re* "right to control"—Dismissed—Building Trades (Construction) 526

Claim for re-engagement—Refusal to carry out work in accordance with the direction of employer—History—Nature of industry *re* permanent employment—Dismissed—Dental Technicians 1040

Claim for payment upon termination—Question *re* existence of a contract of employment—Granted 1013

Claim that summary dismissal unfair—Alleged that patient struck—Conflict in evidence—Question whether conduct of employee justified dismissal—Previous decisions—Dismissed—Hospital Employees 1421

Claim that termination unfair—Alleged reduction in work—No warnings *re* dissatisfaction with work—Failure on part of employer to recognise inexperience—Compensation ordered—Electrical Contracting Industry 1405

Dispute

Applications *re* discontinuance of work by reason of hot weather—Inclement weather provisions—Previous order relating to P.W.D.—Previous decisions—Difficulties *re* establishment of a "set temperature"—Custom on construction sites—Previous order said not to truly reflect practice in the industry—Order cancelled—Matter adjourned for purposes of drawing up appropriate new order—Building Trades (Construction) 137

[2]Non-observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers 327

[2]Non observance of Commission order—Order *re* ceasing industrial action—Investigation by Registrar—Union to show cause why it should not be dealt with under s.74—Failure by union to direct compliance—Penalty imposed—Builders' Labourers' 826

Disputes—*continued*
Claim for first award for clerical salaried staff employed by Hamersley Iron—History—Previous decision—Objects of I.A. Act—Roles of unions and individual employee in overall scheme of I.A. Act—Industrial dispute—Award to provide minimum conditions for all clerical workers in Co.—Entitlement granted and parties to confer further—Matter relisted for progress report—Clerks (Hamersley Iron) 1001
[3]Application for reduction in ordinary hours of work from 40 to 38 per week—Federal Metal Industry Award "package" —Importance of industrial action as an economic factor if application dismissed—Hours reduced for cosenting employers —Exemptions and avenue for application—Decision not a new standard of hours for other awards—Interim order issued —Application remitted to Senior Commissioner to deal with applications for exemptions and issue final order—Metal Trades 827

Fares and Travelling—see Travelling

Government Officer (Rates and Conditions)
[3]Claim for "Government Salaried Officers' Redundancy Order" to apply to salaried employees other than Government officers in State public authorities and hospitals—History and previous decisions—"Government policy" *re* redundancy—Problem of whether general redundancy prescription would be fair and right in every situation—Conclusion only with respect to employees subject to "Government policy"—Refused—Government Salaried Employees 1138

Higher Duties
Alleged failure to pay award rates—Question *re* actual classification of employee—Mixed functions—Proven—Transport Workers 284
Claim *re* minimum manning agreement—Circumstances—Problem of restricted overtime—Granted—Iron Ore Industry 1023
Claim for higher rate when engaged as Leading Hand relief—Management prerogative—Duties required—Refused—Iron Ore Industry 1045
[4]Application *re* observance of union rules—Grievance against union in connection with applicant's position with employer—Background—Conduct of union and union convenor—Dismissed—A.M.W.S.U. 1141

Holidays
Claim *re* minimum leave entitlements—Need for flexibility—Different holiday requirements of schools—Minimum of 55 days recommended—Teachers (Independent Schools) 644
Claim that Australia Day holiday payment denied unfairly—Two employees left job to attend combined union committee meeting—Normal duties resumed after meeting—Award provisions and previous decisions *re* absence from work after public holiday—Granted—Iron Ore Industry 1415

Hours
Claim *re* rate to be paid for Long Service Leave purposes—Question *re* "number of hours usually worked"—Work of a casual nature—Problem of changes in ownership—Custom and practice—Dismissed—Clerks (On Course Totalisator).... 181
Claim for new award—Variations in ordinary hours between locations—Peculiarities of employment—Equalizing of conditions between various locations—Thirty five hour week awarded—Maritime workers—Outstation Pilot Crews .. 55
Claim *re* guaranteed hours—Comparison with locomotive crew—Unlike circumstances—Refused—Iron Ore Industry... 463
Claim *re* meal breaks, meal money and various allowances—Provisions in the Building and Metal Trades Industry—Granted in part—Engine Drivers' (Building and Steel Construction) 605
Claim for guaranteed 11¼ hours round trip maintenance allowance—Question *re* differentiation between electrical tradesmen and locomotive crew—Granted—Iron Ore Industry 757
Claim *re* overtime—Commission in Court Session decision *re* reduction of working hours—History of award provisions—Current practice—Granted—Engineering Trades (S.E.C.) 734
Claim for payment upon termination—Terms of contract *re* hours of work—Additional hours worked not required or authorised—Dismissed—Sales Representatives 767
Claim for reduction in working hours and increases in wages and allowances—Test case—Variations based on Metal Trades parent award—Previous agreement—Applicability of "Metal Trades Package" restricted to consenting parties—Question of hours adjourned—Dismissed—Engineering Trades (Nickel Mining) 1005
Claim *re* hours, shift work and protective clothing—Timber industry to be regarded as one industry notwithstanding geographical division—Provisions in Timber Workers Award—Granted—Timber Industry 878
Claim for payment of overtime at rate and a half after two hours—Recent N.S.W. decision—Nexus—Provision in other awards—No valid reason for distinguishing this industry from industry generally—Granted—Shop Assistants 967
[3]Application for reduction in ordinary hours of work from 40 to 38 per week—Federal Metal Industry Award "package" —Importance of industrial action as an economic factor if application dismissed—Hours reduced for consenting employers—Exemptions and avenue for application—Decision not a new standard of hours for other awards—Interim order issued—Application remitted to Senior Commissioner to deal with applications for exemptions and issue final order—Metal Trades 827
[2]Appeal against decision of Commission *re* guaranteed 11¼ hours round trip maintenance allowance—No reason why the concept of guaranteed hours applied for special reasons to train crews should also be applied to electrical tradesmen—Decision not in accordance with substantial merits of the case—Upheld—Iron Ore Industry 1125
Claim *re* reduction in working hours—Flow-on from Metal Trades award sought—Practice—Decision of Australian Commission—Principle of uniform award provisions to all employees in an industry—Question of exemptions—Electrical Contracting Industry 1286

Incentive Payments
Claim for "extended effect" of order *re* production bonus for processing in excess of tally—Original provisions of order to cover "peak" period—Principle of equity, good conscience and substantial merits of the case—Incentive system to continue—Meat Industry 456

CUMULATIVE INDEX—*continued*

Page

Indexation
Delivery of award—Dispute *re* inclusion of recent "wage indexation" increase—Basis upon which award negotiated—Granted in part—Laundry Employees 38
Claim *re* rates of pay—History of wage fixation—Principles of wage indexation—Adjourned—Building Trades 733
[2]Appeal against decision not to amend award to add $6.30 relating to General Order—Wage increase negotiated between parties on mutual understanding that no state wage adjustment would result—Error of fact not proven—Dismissed—Laundry Employees 819

Industrial Action
Claim for new award—Peculiarities of employment—Nature of work—Unusual hours—Problems confronting Public sector *re* housing—Possibility of losses through industrial action—Maritime workers—Outstation Pilot Crews 55
[2]Appeal against s.45 order—Likelihood of industrial action in relation to an industrial matter—Order required in part the provision of a personnel carrier at the place where union meeting was to be held—Dismissed—Fire Brigades 11
[4]Application *re* stay of operation of order—Act provisions—Inconvenience of "passive strike" to public—Question of hardship upon union in enforcing order—Undue hardship not shown—Order to operate according to its tenor pending determination of appeal—Fire Brigade Employees 25
[2]Non observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers 327
[2]Non observance of Commission order—Order *re* ceasing industrial action—Investigation by Registrar—Union to show cause why it should not be dealt with under s.74—Failure by union to direct compliance—Penalty imposed—Builders' Labourers' 826

Industrial Dispute
Claim for additional allowance—Incorporation of site allowance and termination bonus and provision of boots—Decisions in Federal Commission—Disabilities including extreme climatic elements and excessive dirt and dust—Amount of 80 cents per hour generally payable—Application not approved—Equivalent of a consent award not to be given the appearance of a determination by way of adjudication—Granted—Building Trades Construction (J.R. & A.H. Farrell at Karratha) 289

Industrial Matters
[4]Application *re* stay of operation of order—Act provisions—Inconvenience of "passive strike" to public—Question of hardship upon union in enforcing order—Undue hardship not shown—Order to operate according to its tenor pending determination of appeal—Fire Brigade Employees 25
[2]Appeal against s.45 order—Likelihood of industrial action in relation to an industrial matter—Order required in part the provision of a personnel carrier at the place where union meeting was to be held—Dismissed—Fire Brigades 11
Request for appointment of Chairman of Board of Reference—Dispute *re* intended termination of services—Whether dispute about a matter which the award provides shall be determined by a Board of Reference—Temporary appointment—Previous decision—Refused—University Salaried Officers 180
Claim for additional allowance—Incorporation of site allowance and termination bonus and provision of boots—Decisions in Federal Commission—Disabilities including extreme climatic elements and excessive dirt and dust—amount of 80 cents per hour generally payable—application not opposed—Equivalent of a consent award not to be given the appearance of a determination by way of adjudication—Granted—Building Trades Construction (J. R. and A. H. Farrell at Karratha) 289
[2]Appeal against decision of Commission *re* issuance of s.45 order—Claim that order issued in excess of jurisdiction of Commission—Question whether matter enquired into an "industrial matter"—Act provisions—Circumstances giving rise to order—Dismissed—Fire Brigade Employees 1126

Industry
Claim for increase in wages—Recent decision of Conciliation and Arbitration Commission—Inteveners—Dispute *re* implementation of "package"—Granted in part—Metal Trades 406
Claim for increase in wages—History of steel fabrication industry—Basis of wage fixation—Alignment with national rates sought—Granted in part—Metal Trades (Steel Fabrication) 749
[2]Appeal against decision of Commission re wage rates for aides—Claim that Commission erred in relating the rate of wage of an untrained child care aid to that of a child care worker—Activities of day care centres—Relativities—Dismissed—Child Care Centres Aides 520
[2]Appeal against decision of Commission re delivery of award—Comparisons between subsidised and unsubsidised centres—Distinction between conditions prevailing for pre-school teachers and child care workers—Dismissed—Child Care Centres (Child Care Workers) Private 522
[1]Appeal against Full Bench decision to alter Association's rules to cover employees in electronics industry—Dual coverage—History of award coverage—Nature of electronics industry—Technical objections—Union rules—Person authorised to make application—Steps taken to inform members—Purposes and objects of I.A. Act—Dismissed—Electrical Trades 511
[2]Appeal against decision of Commission *re* coverage of certain employees—Criterion for membership of union—Previous decisions—Definition of "builders' labourers"—Question whether employees employed in the mining industry or in some other industry—Character of the employment not in or incidental to the building industry—Dismissed—Builders' Labourers' 815
[2]Appeal against decision of Commission *re* delivery of new award—Grounds of appeal *re* availability allowance, annual leave, long service leave and accommodation—Varying situations and conditions between locations—Claim that Commissioner placed "insufficient weight" on submissions—Right of Commission to exercise discretion—Dismissed—Outstation Pilot Crews 820
Claim *re* hours, shift work and protective clothing—Timber industry to be regarded as one industry notwithstanding geographical division—Provisions in Timber Workers Award—Granted—Timber Industry 878
[3]Application for reduction in ordinary hours of work from 40 to 38 per week—Federal Metal Industry Award "package"—Importance of industrial action as an economic factor if application dismissed—Hours reduced for consenting employers—Exemptions and avenue for application—Decision not a new standard of hours for other awards—Interim order issued—Application remitted to Senior Commissioner to deal with applications for exemptions and issue final order—Metal Trades 827
[4]Claim *re* ineligibility of a candidate for an election of offices and of certain persons to vote therein—Previous order—Rules—Question whether specified persons employed in industry—Dismissed—Election to proceed—Timber Industry Union 839

CUMULATIVE INDEX—*continued*

Page

Industry—continued
Claim for wage increase for storemen and adjustment of wages formula for junior workers—Nexus with Victorian SEC—Previous decisions—Internal relativities—Case for industry award—Components of storemen's wages, total remuneration taken into account—Granted in part—Junior workers wages formula not altered—Storemen (SEC) 1383
Claim *re* reduction in working hours—Flow on from Metal Trades award sought—Practice—Decision of Australian Commission—Principle of uniform award provisions to all employees in an industry—Question of exemptions—Electrical Contracting Industry 1286

Interpretation/Definition
[2]Appeal against decision *re* loadings applicable to casual workers engaged on shift work and overtime—Expression "double time" used in different senses—Source of rate to be used in calculating overtime and shift work payments—Dismissed—Clearing and Security Industry 7
[2]Appeal against decision *re* interpretation of camping allowance clause—Appeal misconceived in that it concedes that the declaration of the Commissioner was correct in plain meaning—Dismissed—A.W.U. (M.R.D.) 6
[2]Appeal against decision of Commissioner *re* overtime—Question *re* what constitutes a recall—Difference between "a worker who is recalled to work after leaving the job" and "a worker who returns to work overtime as a result of a direction given to him before leaving the job"—Upheld—Timber Industry (Case and Box Making) 16
Delivery of award—No previous award coverage—Dispute *re* title and classifications—Nature of duties—Question *re* maintenance work—Definition of "groundsman"—Conglomeration of tasks performed—Groundsmen 32
Question *re* prohibition of employment of part time workers at rates of pay less than prescribed in award—Provisions of award—Contract of Service—Custom and practice—Previous decisions—Teachers (kindergartens) 148
Question *re* entitlement to "on call" allowance—Requirement to remain within range of telepage device—Previous decisions—Nurses 146
Claim for re-employment—Alleged threat—Question *re* what constitutes a threat—Definitions—Refused—Iron Ore Industry 295
Board of Reference to determine whether confined space allowance payable—Definitions—Commission in Court Session decision—Disabilities—Refused—Railway Employees 735
Dispute *re* classification to be used in ascertaining the National Average for the purposes of wage rates review—Established benchmark—Changes in technology resulting in additional classifications—Definitions—Previous decisions—Printing Industry 762
[2]Appeal against decision of Magistrate *re* failure to pay entitlements upon termination—Dispute *re* employer/employee relationship and award coverage—Previous decisions—Question *re* "right to control"—Dismissed—Building Trades (Construction) 526
[2]Appeal against decision of Commission *re* delivery of award—Comparisons between subsidised and unsubsidised centres Distinction between conditions prevailing for pre-school teachers and child care workers—Dismissed—Child Care Centres (Child Care Workers) Private 522
[2]Appeal against decision of Magistrate *re* breaches of award—Alleged failure to pay various entitlements upon termination—Claim that Magistrate erred in finding that the worker was not a worker within the meaning of the I.A. Act—Upheld Complaints remitted back to Magistrate for further hearing and determination—Building Trades 824
[1]Appeal against Full Bench decision to alter Association's rules to cover employees in electronics industry—Dual coverage—History of award coverage—Nature of electronics industry—Technical objections—Union rules—Person authorised to make application—Steps taken to inform members—Purposes and objects of I.A. Act—Dismissed—Electrical Trades 511
[1]Appeal against majority decision of Full Bench *re* refusal to alter rules of Civil Service Association to permit Principal Prison Officers becoming members—Jurisdiction of Commission *re* Government officer—proper tests to be exercised in respect to Full Bench's discretion *re* registration of alterations—Remitted to Full Bench to be dealt with according to law—Prison Officers 517
Dispute *re* union coverage for classification "heavy truck—field serviceman" and "senior serviceman"—Union Constitutions—Work of servicemen—Serviceman assists tradesman on occasions—Definition of tradesman—Skill or trade experience required—Salt Industry 1040
[2]Appeal against decision of Commission *re* coverage of certain employees—Criterion for membership of union—Previous decisions—Definition of "builders labourers"—Question whether employees employed in the mining industry or in some other industry—Character of the employment not in or incidental to the building industry—Dismissed—Builders Labourers' 815
[2]Appeal against decisions of Magistrate *re* failure to pay correct award wages and conditions—Dispute whether employee employed as a sub-contractor—"Control test"—Question *re* legal entity of company—Nature of contract in reality a contract of service rather than a contract for services—Upheld—Builders Labourers' 824
Claim *re* payment of long service leave—Question whether and when an employee is or has become entitled to long service leave—Provisions of "over-award" agreement—Long Service Leave provisions in award—Transmissions in business—Continuous service—Refused—Ice Cream and Frozen Confectionery 1010
[4]Claim *re* ineligibility of a candidate for an election of offices and of certain persons to vote therein—Previous order—Rules—Question whether specified persons employed in industry—Dismissed—Election to proceed—Timber Industry Union 839
Application to interpret Award *re* termination of employment and payment of less than award rates—Matter asked to be referred to Full Bench—Principal object of application to overcome applicant's lost right to appeal to Full Bench against decision in previous matter (CR682 of 1981) between same parties—Questions asked answered by Commission in previous determination—Dismissed—Teachers (Kindergartens) 1403
[2]Appeal against decision of Magistrate *re* breaches of award—Failure to pay overtime—Question as to meaning of "a worker's ordinary working hours"—Definitions—Distinction between shift and day worker—Dismissed—Hospital Salaried Officers 1135
[2]Appeal against decision of Magtistrate *re* failure to pay correct award wages and annual leave—Claim that Magistrate erred in finding that employee was an employee within meaning of award—Duties performed—Control test—Company had no control as to manner in which work carried out—Upheld—Cleaners and Caretakers 1134
[2]Appeal against decision of Commission *re* issuance of s.45 order—Claim that order issued in excess of jurisdiction of Commission—Question whether matter enquired into an "industrial matter"—Act provisions—Circumstances giving rise to order—Dismissed—Fire Brigade Employees 1126

Junior Workers
Claim *re* rates of pay for junior workers—Full adult rates at 18 years of age sought—Community interests—Comparisons with other awards—Refused—Municipal Employees 882
Claim for adjustment of wages formula for junior workers—Previous agreement—Comparisons with other callings and private industry—Nexus—Different formula used by SEC of Victoria—Dismissed—Storemen (SEC) 1383

CUMULATIVE INDEX—*continued*

Page

Jurisdiction
Question *re* power of Commission to deal with matter pursuant to s.29 of I.A. Act—Dispute *re* existence of contract of employment—Work covered by award—s.29 only relevant to a claim in relation to a benefit not being a benefit under an award or order—Breach of award a matter for an Industrial Magistrate—Engine Drivers (Earth Moving and Construction) 461
[1]Appeal against majority decision of Full Bench *re* refusal to alter rules of Civil Service Association to permit Principal Prison Officers becoming members—Jurisdiction of Commission *re* Government officer—Proper tests to be exercised in respect to Full Bench's discretion *re* registration of alterations—Remitted to Full Bench to be dealt with according to law—Prison Officers 517
[2]Appeal against decision of Commission *re* issuance of s.45 order—Claim that order issued in excess of jurisdiction of Commission—Question whether matter enquired into an "industrial matter"—Act provisions—Circumstances giving rise to order—Dismissed—Fire Brigade Employees 1126

Leave
Claim that service be deemed continuous notwithstanding absence from duty—Long Service Leave conditions—Dispute *re* authorisation of absences—Company policy *re* unpaid leave—Refused—Metal Trades 152
Claim for first award—Private and Government sectors—Short leave an idiosyncrasy of the Public Service—Delivered—Swanleigh (Salaried Staff) Award 69
Claim *re* minimum leave entitlements—Need for flexibility—Different holiday requirements of schools—Minimum of 55 days recommended—Teachers (Independent Schools) 644

Loadings
[2]Question whether worker not having taken annual leave should be paid 17½% loading—Task of appellant to show the decision was not in accordance with the substantial merits of the case—Question whether Commissioner had found little merit in the claim—Dismissed—Electrical Trades 9
[2]Appeal against decision *re* loadings applicable to casual workers engaged on shift work and overtime—Expression "double time" used in different senses—Source of rate to be used in calculating overtime and shift work payments—Dismissed—Cleaning and Security Industry 7
Claim for increase in annual leave loading—No provision in award—Loadings in Public Service—Basis of salary fixation—Additional loading unnecessary—Marine Pilots (F.P.A.) 608

Log of Claims
[3]Application for reduction in ordinary hours of work from 40 to 38 per week—Federal Metal Industry Award "package"—Importance of industrial action as an economic factor if application dismissed—Hours reduced for consenting employers—Exemptions and avenue for application—Decision not a new standard of hours for other awards—Interim order issued—Application remitted to Senior Commissioner to deal with applications for exemptions and issue final order—Metal Trades 827

Long Service Leave
Claim *re* rate to be paid for Long Service Leave purposes—Question *re* "number of hours usually worked"—Work of a casual nature—Problem of changes in ownership—Custom and practice—Dismissed—Clerks (on Course Totalisator) 181
Claim for new award—Peculiarities of employment—Provisions for related workers—Workers may be distinguished from the bulk of Government employees—Traditional uniformity argument outweighed—Maritime Workers—Outstation Pilot Crews 55
Claim that service be deemed continuous notwithstanding absence from duty—Long Service Leave conditions—Dispute *re* authorisation of absences—Company policy *re* unpaid leave—Refused—Metal Trades 152
Dispute *re* commencement date of employment for long service leave purposes—Short term interruption of employment for convenience of employee—Requirement of notice in writing as to loss of benefits—Meat Industry 296
Claim *re* long service leave—Question *re* effective date for new first qualifying period—History—Previous decisions—Provisions elsewhere—Dismissed—Nursing Aides and Assistants (Private) 427
Claim for payment in lieu of *pro rata* long service leave—Events leading to termination—Long service leave provisions of award—Unsatisfactory attitude towards supervisors—Previous decisions—Question of misconduct—Dismissed—Hospital Workers (Government) 432
Claim for payment in lieu of *pro rata* long service leave consequent to dismissal—Matter referred to the Committee—Antisocial attitude of employee—Employer's right to terminate—*Ex gratia* payment recommended—Gardeners (Education Dept) 431
Claim for payment in lieu of *pro rata* long service leave—Long service leave provisions—Question *re* continuous service—Transmission of business—Granted—Liquor Industry 738
Claim for reduced qualifying period from 15 to 10 years—Trend in other industries—Question of different standards for long service leave in the public and private sectors—Refused—Teachers (Independent Schools) 644
Claim for payment of *pro rata* long service upon termination—Downturn in business—Question whether service continuous—Circumstances of case—Granted in part—Bakers 1024
[2]Appeal against decision of Commission *re* delivery of new award—Grounds of appeal *re* availability allowance, annual leave, long service leave and accommodation—Varying situations and conditions between locations—Claim that Commissioner placed "insufficient weight" on submissions—Right of Commission to exercise discretion—Dismissed—Outstation Pilot Crews 820
Claim *re* payment of long service leave—Question whether and when an employee is or has become entitled to long service leave—Provisions of "over-award" agreement—Long service leave provisions in award—Transmissions in business—Continuous service—Refused—Ice Cream and Frozen Confectionery 1010

CUMULATIVE INDEX—*continued*

Management Prerogatives
Claim *re* manning and location of riggers as between various work locations—Management prerogatives—Previous decisions—Interim arrangements—Alleged affect upon overtime worked—Granted—Iron Ore Industry (Hamersley) 162
Claim for "last on—first off" redundancy provisions—Industry subject to fluctuations—Management rights—Granted in part—Meat Industry 175
Claim for payment for time stood-down—Principle of "usefully employed"—Question whether work to be performed of benefit to the employer's business operations—Refused—Cleaners (Iron Ore Industry) 183
Claim *re* dismissal—Employee struck fellow worker—Custom and practice *re* fighting on the job—Right of management to dismiss—Company's decision to stand—Iron Ore Industry 155
Claim for re-instatement—Alleged victimisation—Downturn in work—General practice *re* engagement of trade assistants—Refused—Metal Trades 294
Claim for issue of additional stripe for shoulder epaulette—Professional requirements for post—Nature of duties—Supervisory aspects—Refused—Merchant Service 263
Claim for payment in lieu of *pro rata* long service leave consequent to dismissal—Matter referred to the Committee—Antisocial attitude of employee—Employer's right to terminate—*Ex gratia* payment recommended—Gardeners (Education Dept) 431
Claim that termination harsh and unreasonable—Re-employment sought—Alleged fighting in the workplace—Previous decisions *re* misconduct—Employer's right to dismiss—Dismissed—Iron Ore Industry 1048
Claim *re* introduction of mixed kill system—History—Question of "principle"—Employer's right to manage own business—Economic circumstances—Effect on general level of earnings and regular employment—Casualisation of the industry as an equitable solution not supported by Commission—Meat Industry (WA Meat Commission—Robb Jetty) 1049
Claim for higher rate when engaged as leading hand relief—Management prerogative—Duties required—Refused—Iron Ore Industry 1045

Manning
Claim *re* manning and location of riggers as between various work locations—Management Prerogatives—Previous decisions—Interim arrangements—Alleged affect upon overtime worked—Granted—Iron Ore Industry (Hamersley) 162
Claim *re* minimum manning agreement—Circumstances—Problem of restricted overtime—Granted—Iron Ore Industry 1023

Meal Allowance—See Smokos

Misconduct
Claim that dismissal unjust—Alleged assault—Employee provoked—Previous decision *re* burden of proof—Suspension in lieu of dismissal ordered—Iron Ore Industry 154
Claim *re* dismissal—Employee struck fellow worker—Custom and practice *re* fighting on the job—Right of management to dismiss—Company's decision to stand—Iron Ore Industry 155
Claim for payment in lieu of *pro rata* long service leave—Events leading to termination—Long service leave provisions of award—Unsatisfactory attitude towards supervisors—Previous decisions—Question of misconduct—Dismissed—Hospital Workers (Government) 432
Claim that termination harsh and unreasonable—Re-employment sought—Alleged fighting in the workplace—Previous decisions *re* misconduct—Employer's right to dismiss—Dismissed—Iron Ore Industry 1048
Claim that summary dismissal unfair—Alleged that patient struck—Conflict in evidence—Question whether conduct of employee justified dismissal—Previous decisions—Dismissed—Hospital Employees 1421

Mixed Functions—See Higher Duties

Nexus
Claim *re* rate for dental technicians—Origin of nexus—Claim to have nexus restored—State of industry—Basis upon which award erected—Permanent departure not justified—Granted—Dental Technicians and Attendant/Receptionists 257
Claim for wage increase—No direct nexus in existence—Rates payable in Eastern States—Difficulties in concept of simple average of rates—Granted in part—Prison Officers 266
Claim for Wage increase—Basis upon which rates fixed—"Better of two worlds approach"—History of rates—Rates payable in S.E.C.V.—Granted—Transport Workers (S.E.C.) 176
Dispute *re* date of operation—Claim that nexus with certain employees justifies like date of operation of increase—Retrospectivity formula between parties—Previous decision—Independent Schools Teachers 108
Claim for $12 p.w. increase in Service and Supplementary Payments—History of such payments—Previous decisions—Recent increase under Victorian Scheme—Market surveys of rates paid—Discounting by amount of recent general wage increase—Granted—Government Wages Employees 131
Claim for flow-on of recent increases to waterside workers—Over award component of increase—History of rates payable—Whether increases arising from collective bargaining should be flowed to other areas—Industrial Action—Granted—Maritime Industry (Fremantle Port Authority) 125
Claim *re* wages—Nexus with S.E.C.V.—History—No significant changes in work value—Refused—Engine Drivers (S.E.C.) 378
Claim for an experience allowance—Recent allowances granted to S.E.C.V.—Previous decisions—Desirability of preserving internal relativities and nexus with S.E.C.V.—Granted in part—Engine Drivers (S.E.C.) 378
Claim for 10.45% across the board increase in wages—History of wage fixation—Comparison of rates paid interstate—Question of nexus and operative date—Supplementary decision—Granted in part—Hospital Industry 384
Claim for increase in wages—History of steel fabrication industry—Basis of wage fixation—Alignment with national rates sought—Granted in part—Metal Trades (Steel Fabrication) 749
Dispute *re* operative date of wage increases—Nexus with N.S.W.—Act provisions—Established nexus not a special circumstance to warrant retrospectivity—Recent decisions in "related industries"—Desirability of a common date of operation—Wire Industry 731
Dispute *re* operative date of salary increase—Nexus with State Public Service—Question *re* special circumstances justifying retrospectivity—Powers of Commission—Inequitable to allow retrospectivity—Hospital Salaried Officers 640
Application for variation of award—Previous decision—Flow on from changes in parent award—Date of operation *re* allowance based on Full Bench decision, *re* wage rate based on date of previous Commission decision—Govt. Water Supply (Foremen) 625
Claim *re* flow on of meal money, wages and construction allowance—Nexus or "well established relationship" with parent award—"Basis upon which the award was erected" as rationale for arbitrated amendments—Decision *re* operative date stood over pending Full Bench decision—Granted—Govt. Water Supply (Foremen) 625
[3]Claim for award variations to be tied to fitter under Metal Trades Award—Previous methods of fixation—Revert to basis on which rates first fixed, fifth year fireman with fitter—Single reference point desirable—Retrospective adjustment due to special circumstances—Other matters referred back to single Commissioner—Granted in part—Fire Brigade Employees 532

CUMULATIVE INDEX—*continued*

Page

Nexus—*continued*
Claim *re* call allowance—"Basis upon which award erected"—Nexus with awards in hospital industry—Granted—Hostel Workers ... 909
Claim for increase in wages—Nexus with Federal Award—Relativities disturbed by increases in wage indexation—Granted—Meat Industry (State) ... 916
Claim *re* rates of pay—Previous decisions—Dispute *re* operative date—Nexus with Metal Trades Award—Act provisions—Granted in part—Watchmakers and Jewellers ... 999
Claim for payment of overtime at rate and a half after two hours—Recent NSW decision—Nexus—Provision in other awards—No valid reason for distinguishing this industry from industry generally—Granted—Shop Assistants ... 967
[3]Application for reduction in ordinary hours of work from 40 to 38 per week—Federal Metal Industry Award "package"—Importance of industrial action as an economic factor if application dismissed—Hours reduced for consenting employers—Exemptions and avenue for application—Decision not a new standard of hours for other awards—Interim order issued—Application remitted to Senior Commissioner to deal with applications for exemptions and issue final order—Metal Trades ... 827
Claim for wage increase for storemen and adjustment of wages formula for junior workers—Nexus with Victorian SEC—Previous decisions—Internal relativities—Case for industry award—Components of storemen's wages, total remuneration taken into account—Granted in part—Junior workers wages formula not altered—Storemen (SEC) ... 1383
Claim for increase in salary of telephonists—Question of "significant changes in switchboard"—Nexus with public hospitals award—Principle of comparative wage justice—Struck out—Hospital Salaried Officers (Private Hospitals) ... 1399
Claim *re* reduction in working hours—Flow on from Metal Trades award sought—Practice—Decision of Australian Commission—Principle of uniform award provisions to all employees in an industry—Question of exemptions—Electrical Contracting Industry ... 1286
Applications to increase charges for meals and lodging provided for employees-Nexus with government hospital sector—Cost of providing "average meal" and its representativeness—Formula for automatic adjustment of permitted charge—Provision which applies in government sector—Granted in part—Hospital Employees (Private) ... 1308
Applications for wage increases—Nexus between nurses' wages in public and private hospital sectors—Financial position of non-deficit funded nursing homes—Capacity to meet wage increases—Discussion *re* nexus, and operative date for amendments to awards—Granted—Nurses (Private) ... 1312
Claim for increase in wages—Increases in public sector—Nexus—Question of economic capacity and operative date—No special circumstances to justify retrospectivity—Granted—Hospital Salaried Officers (Private) ... 1337
Claim for increase in wages—History of award—Previous decisions—Recent increases in Eastern States—Economic difficulties on respondents—Granted—Transport Workers (Passenger Vehicles) ... 1389

On-Call—See Overtime

Order
Applications *re* discontinuance of work by reason of hot weather—Inclement weather provisions—Previous order relating to P.W.D.—Previous decisions—Difficulties *re* establishment of a "set temperature"—Custom on construction sites—Previous order said not to truly reflect practice in the industry—Order cancelled—Matter adjourned for purposes of drawing up appropriate new order—Building Trades (Construction) ... 137

Over Award Payment
Claim for increase—Recent decision—Changed circumstances *re* related workers—Granted—Clerks (Cement Industry) ... 95
Claim for flow on of recent increases to waterside workers—History of rates payable—Whether increases arising from collective bargaining should be flowed to other areas—Industrial Action—Granted—Maritime Industry (Fremantle Port Authority) ... 125
Claim *re* various allowances—History—Over award payments—Alleged changes in work responsibilities and duties—Question of disabilities—Granted in part—Nickel Mining Industry ... 1026
Claim *re* payment of long service leave—Question whether and when an employee is or has become entitled to long service leave—Provisions of "overaward" agreement—Long service leave provisions in award—Transmissions in business—Continuous service—Refused—Ice Cream and Frozen Confectionery ... 1010
Claim for increases in wages and various allowances—North West Shelf Development Project at Burrup Peninsula—Previous Commission and Federal decisions—Principle that rates of pay and allowances should be determined in wage environment of the site or of this State—Conditions at locality—Granted in part—Metal Trades (Burrup Peninsula) ... 1408

Overtime
[2]Appeal against decision *re* loadings applicable to casual workers engaged on shift work and overtime—Expression "double time" used in different senses—Source of rate to be used in calculating overtime and shift work payments—Dismissed—Cleaning and Security Industry ... 7
Claim for new award—Variations in ordinary hours between locations—Rates payable for overtime and weekend work and callouts—Other peculiarities of employment—Equalizing of conditions between various locations—Thirty five hour week awarded—Maritime workers—Outstation Pilot Crews ... 55
[2]Appeal against decision of Commission *re* overtime—Question *re* what constitutes a recall—Difference between "a worker who is recalled to work after leaving the job" and "a worker who returns to work overtime as a result of a direction given to him before leaving the job"—Upheld—Timber Industry (Case and Box Making) ... 16
Question *re* entitlement to "on call" allowance—Requirement to remain within range of telepage device—Previous decisions—Nurses ... 146
Claim for payment for overtime worked—Verbal contract of service—No award coverage—Granted in part ... 442
Claim *re* overtime—Commission in Court Sesion decision *re* reduction of working hours—History of award provisions—Current practice—Granted—Engineering Trades (S.E.C.) ... 734
Claim for payment upon termination—Terms of contract *re* hours of work—Additional hours worked not required or authorised—Dismissed—Sales Representatives ... 767
Claim *re* minimum manning agreement—Circumstances—Problem of restricted overtime—Granted—Iron Ore Industry ... 1023
Claim *re* call allowance—"Basis upon which award erected"—Nexus with awards in hospital industry—Granted—Hostel Workers ... 909
[2]Appeal against decision of Commission *re* delivery of new award—Grounds of appeal *re* availability allowance; annual leave, long service leave and accommodation—Varying situations and conditions between locations—Claim that Commissioner placed "insufficient weight" on submissions—Right of Commission to exercise discretion—Dismissed—Outstation Pilot Crews ... 820
Claim for payment of overtime at rate and a half after two hours—Recent NSW decision—Nexus—Provision in other awards—No valid reason for distinguishing this industry from industry generally—Granted—Shop Assistants ... 967
[2]Appeal against decision of Magistrate *re* breaches of award—Failure to pay overtime—Question as to meaning of "a worker's ordinary working hours"—Definitions—Distinction between shift and day worker—Dismissed—Hospital Salaried Officers ... 1135

CUMULATIVE INDEX—*continued*

Part Time Worker
Question *re* prohibition of employment of part time workers at rates of pay less than prescribed in award—Provisions of award—Contract of Service—Custom and practice—Previous decisions—Teachers (kindergartens) 148

Payment by Results—See Incentive Payments

Public Interest
[4]Application *re* stay of operation of order—Act provisions—Inconvenience of "passive strike" to public—Question of hardship upon union in enforcing order—Undue hardship not shown—Order to operate according to its tenor pending determination of appeal—Fire Brigade Employees 25
[2]Non observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers 327
Claim *re* rates of pay for junior workers—Full adult rates at 18 years of age sought—Community interests—Comparisons with other awards—Refused—Municipal Emloyees 882
[3]Application for reduction in ordinary hours of work from 40 to 38 per week—Federal Metal Industry Award "package"—Importance of industrial action as an economic factor if application dismissed—Hours reduced for consenting employers—Exemptions and avenue for application—Decision not a new standard of hours for other awards—Interim order issued—Application remitted to Senior Commissioner to deal with applications for exemptions and issue final order—Metal Trades 827

Rates of Pay—See Wages

Recall—See Overtime

Redundancy
Claim for "last on—first off" redundancy provisions—Industry subject to fluctuations—Management rights—Granted in part—Meat Industry 175
Claim *re* redundancy payment—Unsatisfactory to determine matters of redundancy by way of a general prescription—Each case best considered on its own merits—Teachers (Independent Schools) 644
Claim for payment of *pro rata* long service upon termination—Downturn in business—Question whether service continuous—Circumstances of case—Granted in part—Bakers 1024
[3]Claim for "Government Salaried Officers' Redundancy Order" to apply to salaried employees other than Government officers in State public authorities and hospitals—History and previous decisions—"Government policy" *re* redundancy—Problem of whether general redundancy prescription would be fair and right in every situation—Conclusion only with respect to employees subject to "Government policy"—Refused—Government Salaried Employees 1138
Claim for additional payments for ex-employees—Employees replaced by contractors—Previous decisions—Compensation paid adequate—Dismissed—Transport Workers 1422

Redundancy Pay/Severance Pay—See Redundancy

Re-instatement
Claim that dismissal unjust—Alleged assault—Employee provoked—Previous decision *re* burden of proof—Suspension in lieu of dismissal ordered—Iron Ore Industry 154
Claim for—Events leading to termination—Irresponsible action *re* disposal of cheque—Dismissed—Clerks 179
Claims for re-employment—Alleged assault on fellow employee whilst off duty—Previous decisions—Whether facts intrude into relationship of master and servant—Re-employment ordered in one instance—Iron Ore Industry (Hamersley) 291
Claim for re-instatement—Alleged victimisation—Downturn in work—General practice *re* engagement of trade assistants—Management prerogative—Refused—Metal Trades 294
Claim for re-employment—Alleged threat—Question *re* what constitutes a threat—Definitions—Refused—Iron Ore Industry 295
Claim that suspensions and subsequent dismissals unfair—Alleged breach of Mess rules—Events—Long standing practice—Lawful instructions disobeyed—Dismissed—Iron Ore Industry 463
Claim for re-engagement—Refusal to carry out work in accordance with the direction of employer—History—Nature of industry *re* permanent employment—Dismissed—Dental Techicians 1040
Claim that termination harsh and unreasonable—Re-employment sought—Alleged fighting in the workplace—Previous decisions *re* misconduct—Employer's right to dismiss—Dismissed—Iron Ore Industry 1048
Claim for reinstatement—Downturn in business—Employee retrenched—Decision *re* "last on—first-off principle"—Question whether employee suitable for new position—Granted—Metal Trades 1413

Relativity
Claim for an experience allowance—Recent allowances granted to S.E.C.V.—Previous decisions—Desirability of preserving internal relativities and nexus with S.E.C.V.—Granted in part—Engine Drivers (S.E.C.) 378
Claim *re* wages—Relationship with metal trades—History—Question whether external relationship with general industry of greater significance than the internal relationship—Internal relativities more important—Granted—Gas Industry (S.E.C.) 381
Claim for wage increase—Recent increases elsewhere—Question of relativities—Comparisons—Dismissed—Meat Industry 468
[2]Appeal against decision of Commission *re* wage rates for aides—Claim that Commission erred in relating the rate of wage of an untrained child care aide to that of a child care worker—Activities of day care centres—Dismissed—Child Care Centres Aides 520
Claim for increase in rates of pay—History of wage fixation—General wage movements—Previous decisions—Comparisons—Question *re* restoration of internal wage relativities—Granted in part—Clerks (Permanent Building Societies) 701
Claim for increase in wages—Nexus with Federal award—Relativities disturbed by increases in wage indexation—Granted—Meat Industry (State) 916
Claim for wage increase for storemen and adjustment of wages formula for junior workers—Nexus with Victorian SEC—Previous decisions—Internal relativities—Case for industy award—Components of storemen's wages, total remuneration taken into account—Granted in part—Junior worker's wages formula not altered—Storemen (SEC) 1383

Retrenchment
Claim for "last on—first off" redundancy provisions—Industry subject to fluctuations—Management rights—Granted in part—Meat Industry ... 175
Claim *re* introduction of mixed kill system—History—Question of "principle"—Employer's right to manage own business—Economic circumstances—Effect on general level of earnings and regular employment—Casualisation of the industry as an equitable solution not supported by Commission—Meat Industry (W.A. Meat Commission—Robb Jetty) ... 1049
Claim for reinstatement—Downturn in business—Employee retrenched—Decision *re* "last on—first-off principle"—Question whether employee suitable for new position—Granted—Metal Trades ... 1413

Retrospectivity
Dispute *re* date of operation—Claim that nexus with certain employees justifies like date of operation of increase—Retrospectivity formula between parties—Previous decision—Independent Schools Teachers ... 108
Claim *re* long service leave—Question *re* effective date for new first qualifying period—History—Previous decisions—Provisions elsewhere—Dismissed—Nursing Aides and Assistants (Private) ... 427
Claim for 10.45% across the board increase in wages—Supplementary decision—Subsequent changes in interstate rates—Dispute *re* operative date—Granted in part—Hospital Industry ... 384
Dispute *re* operative date of wage increases—Nexus with N.S.W.—Act provisions—Established nexus not a special circumstance to warrant retrospectivity—Recent decisions in "related industries"—Desirability of a common date of operation—Wire Industry ... 731
Dispute *re* operative date of salary increase—Nexus with State Public Service—Question *re* special circumstances justifying retrospectivity—Powers of Commission—Inequitable to allow retrospectivity—Hospital Salaried Officers 640
[3]Claim for award variations to be tied to fitter under Metal Trades Award—Previous methods of fixation—Revert to basis on which rates first fixed, fifth year fireman with fitter—Single reference point desirable—Retrospective adjustment due to special circumstances—Other matters referred back to single Commissioner—Granted in part—Fire Brigade Employees 532
Claim *re* rates of pay—Previous decisions—Dispute *re* operative date—Nexus with Metal Trades Award—Act provisions—Granted in part—Watchmakers and Jewellers ... 999
Dispute *re* operative date—No special circumstances to warrant restrospectivity—Refused—Municipal Employees ... 882
Claim for increase in wages—Increases in public sector—Nexus—Question of economic capacity and operative date—No special circumstances to justify retrospectivity—Granted—Hospital Salaried Officers (Private) ... 1337

Rules
[4]Application *re* performance of duties and functions of union secretary—Executive not presently a source of direction or authority—Concern with union property and accounts—Possiblity of elections being ordered or otherwise held—Timber Industry Union ... 23
[2]Non observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers ... 327
[1]Appeal against Full Bench decision to alter Association's rules to cover employees in electronics industry—Dual coverage—History of award coverage—Nature of electronics industry—Technical objections—Union rules—Person authorised to make application—Steps taken to inform members—Purposes and objects of I.A. Act—Dismissed—Electrical Trades 511
[1]Appeal against majority decision of Full Bench *re* refusal to alter rules of Civil Service Association to permit Principal Prison Officers becoming members—Jurisdiction of Commission *re* Government officer—Proper tests to be exercised in respect to Full Bench's discretion *re* registration of alterations—Remitted to Full Bench to be dealt with according to law—Prison Officers ... 517
Dispute *re* union coverage for classification "heavy truck—field serviceman" and "senior serviceman"—Union Constitutions—Work of servicemen—serviceman assists tradesman on occasions—Definition of tradesman—Skill or trade experience required—Salt Industry ... 1040
[2]Non observance of Commission order—Order *re* ceasing industrial action—Investigation by Registrar—Union to show cause why it should not be dealt with under s.74—Failure by union to direct compliance—Penalty imposed—Builders Labourers 826
[4]Application alleging the ineligibility of a candidate for an election of offices and of certain persons to vote therein—Exclusion from the ballot of disputed votes sought—Procedure could jeopardise secrecy of ballot—Stay of election ordered—Timber Industry Union ... 838
[4]Claim *re* ineligibility of a candidate for an election of offices and of certain persons to vote therein—Previous order—Rules—Question whether specified persons employed in industry—Dismissed—Election to proceed—Timber Industry Union 839
[4]Application *re* observance of union rules—Grievance against union in connection with applicant's position with employer—Background—Conduct of union and union convener—Dismissed—AMWSU ... 1141

Safety
Claim that suspension harsh and unjust—Alleged negligence and breach of safety regulations—Question whether incident could have been prevented—Normal operating practices—Granted—Iron Ore Industry ... 150
Applications *re* discontinuance of work by reason of hot weather—Inclement weather provisions—Previous order relating to P.W.D.—Previous decisions—Difficulties *re* establishment of a "set temperature"—Custom on construction sites—Previous order said not to truly reflect practice in the industry—Order cancelled—Matter adjourned for purposes of drawing up appropriate new order—Building Trades (Construction) ... 137
Claim that suspension harsh and unfair—Alleged breach of mine safety regulation—Circumstances involved—Suspension quashed—Iron Ore Industry ... 282
Claim that penalty for breach of mine safety regulation excessive—Alleged extenuating circumstances—Company policy *re* "standard" penalties—Breach does not fit action of "standard"—Dismissed—Iron Ore Industry ... 283
Claim for supply of boots and overalls—Practise on construction sites of paying a footwear allowance—Such allowance granted—Condition of employment that safety footwear be worn—Metal Trades (Construction—Special Provisions S.E.C.) ... 271
Claim for payment during stoppage—Safety issue—Absence of water—Granted—Iron Ore Industry ... 1023

Scope
Claim for first award—Public Service conditions sought—Nature of high school hostels—Private and Government sectors—Previous decisions—Provisions of Act—Dispute *re* various contents of award—Delivered—Swanleigh (Salaried Staff) Award ... 69

Seasonal Work
Claim *re* introduction of mixed kill system—History—Question of "principle"—Employer's right to manage own business—Economic circumstances—Effect on general level of earnings and regular employment—Casualisation of the industry as an equitable solution not supported by Commission—Meat Industry (W.A. Meat Commission—Robb Jetty ... 1049

Seniority
Claim for "last on—first off" redundancy provisions—Industry subject to fluctuations—Management rights—Granted in part—Meat Industry 175
Claim for reinstatement—Downturn in business—Employee retrenched—Decision *re* "last-on first-off principle"—Question whether employee suitable for new position—Granted—Metal Trades 1413

Service Pay—See Supplementary and Special Payments

Shift Work
[2]Appeal against decision *re* loadings applicable to casual workers engaged on shift work and overtime—Expression "double time" used in different senses—Source of rate to be used in calculating overtime and shift work payments—Dismissed—Cleaning and Security Industry 7
Claim *re* hours, shift work and protective clothing—Timber industry to be regarded as one industry notwithstanding geographical division—Provisions in Timber Workers Award—Granted—Timber Industry 878
Claim for additional week's annual leave—Conditions of service—Disabilities—Similar arguments put before Commission on previous occasion—Distinction not made between shift and non-shift working police for annual leave purposes—Comparisons—Dismissed—Police Officers 1401

Sick Leave
Claim for fully accumulative leave provisions—Comparison with like workers—Previous decision—Dismissed—Merchant Service (Masters) 102
Claim for payment of accumulated sick leave on retirement after 10 years continuous service—Comparison with Public Service provisions—Granted—Marine Pilots (F.P.A.) 608
Claim for payment for three weeks sick leave—Dispute *re* quantum—Contract of employment—Granted in part—Health Attendants 1407

Smokos
Claim for payment of meal allowance where overtime is two hours or more—Granted—Merchant Service (Masters) 102
Claim for extension of tea breaks—Custom and practice in industry—Provisions originally by consent—Granted—Timber Workers/Woodchip Industry 274
Claim *re* meal breaks, meal money and various allowances—Provisions in the Building and Metal Trades industry—Granted in part—Engine Drivers (Building and Steel Construction) 605

Special Rates and Provisions
Claim for additional allowances—Question whether particular tasks performed "are exceptional"—Granted in part—Iron Ore Industry 757
Claim for dead stock handling allowance—Disabilities—Comparisons—Granted—Meat Industry (Robb Jetty) 654
Claim *re* allowance for all district electrical technicians—Previous decisions—Electricians in "water supply industry" distinguished from Govt. electricians at large—Allowance not applicable to other workers with whom technicians associated—Dismissed—Electrical Trades 1009
Claim *re* substation allowance—Nature of tasks performed by gangs—Disabilities—History of payments in SEC—Award provision *re* allowance for maintenance and repairs of substations—Previous decisions—Dismissed—Electrical Trades 1419
Claim for increases in wages and various allowances—North West Shelf Development Project at Burrup Peninsula—Previous Commission and Federal decisions—Principle that rates of pay and allowances should be determined in wage environment of the site or of this State—Conditions at locality—Granted in part—Metal Trades (Burrup Peninsula) .. 1408

Stand Down
Claim for payment for time stood down—Principle of "usefully employed"—Question whether work to be performed of benefit to the employer's business operations—Refused—Cleaners (Iron Ore Industry) 183

Strike
Claim for payment for time stood down—Principle of "usefully employed"—Question whether work to be performed of benefit to the employer's business operations—Refused—Cleaners (Iron Ore Industry) 183
[4]Application *re* stay of operation of order—Act provisions—Inconvenience of "passive strike" to public—Question of hardship upon union in enforcing order—Undue hardship not shown—Order to operate according to its tenor pending determination of appeal—Fire Brigade Employees 25
[2]Non observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules—Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers 327
Claim for payment during stoppage—Safety issue—Absence of water—Granted—Iron Ore Industry 1023
[2]Non observance of Commission order—Order *re* ceasing industrial action—Investigation by Registrar—Union to show cause why it should not be dealt with under s.74—Failure by union to direct compliance—Penalty imposed—Builders Labourers 826

Supplementary and Special Payments
Claim for wage increase—Basis upon which rates fixed—"Better of two worlds approach"—History of rates—Rates payable in S.E.C.V.—Granted—Transport Workers (S.E.C.) 176
Claim for $12 p.w. increase—History of such payments—Previous decisions—Recent increase under Victorian scheme—Market surveys of rates paid—Discounting by amount of recent general wage increase—Granted—Government Wages Employees 131

Tallies
Claim for "extended effect" or order *re* production bonus for processing in excess of tally—Original provisions of order to cover "Peak" periods—Principle of equity, good conscience and substantial merits of the case—Incentive system to continue—Meat Industry 456
Claim *re* introduction of mixed kill system—History—Question of "principle"—Employer's right to manage own business—Economic circumstances—Effect on general level of earnings and regular employment—Casualisation of the industry as an equitable solution not supported by Commission—Meat Industry (W.A. Meat Commission—Robb Jetty) 1049

Technological Change
Dispute *re* classification to be used in ascertaining the "National Average" for the purposes of wage rates review—Established benchmark—Changes in technology resulting in additional classifications—Definitions—Previous decisions—Printing Industry 762

Termination
Claim for "last on—first off" redundancy provisions—Industry subject to fluctuations—Management rights—Granted in part—Meat Industry 175
Claim that dismissal unjust—Alleged assault—Employee provoked—Previous decision *re* burden of proof—Suspension in lieu of dismissal ordered—Iron Ore Industry 154
Claim *re* dismissal—Employee struck fellow worker—Custom and practice *re* fighting on the job—Right of management to dismiss—Company's decision to stand—Iron Ore Industry 155
Claim for re-instatement—Events leading to termination—Irresponsible action *re* disposal of cheque—Dismissed—Clerks 179
Claim that service be deemed continuous notwithstanding absence from duty—Long Service Leave Conditions—Dispute *re* authorisation of absences—Company policy *re* unpaid leave—Refused—Metal Trades 152
Claim *re* unfair dismissal—Compensation sought—Unsatisfactory performance—Insufficient direction and assistance from employer—Granted—Sales Representatives 156
Request for appointment of Chairman of Board of Reference—Dispute *re* intended termination of services—whether dispute about a matter which the award provides shall be determined by a Board of Reference—Temporary appointment—Previous decision—Refused—University Salaried Officers 180
Claim for re-instatement—Alleged victimisation—Downturn in work—General practice *re* engagement of trade assistants—Management prerogative—Refused—Metal Trades 294
Claim for re-employment—Alleged threat—Question *re* what constitutes a threat—Definitions—Refused—Iron Ore Industry 295
Claim for compensation upon termination—Events—Conflicting evidence—Dispute *re* notice—Granted in part 285
Claims for re-employment—Alleged assault on fellow employee whilst off duty—Previous decisions—Whether facts intrude into relationship of Master and Servant—Re-employment ordered in one instance—Iron Ore Industry (Hamersley) ... 291
Claim that termination unfair—Unsatisfactory attitude and performance—Deteriorating employer/employee relationship—Dismissed 460
Claim for payment upon termination—Conflict in evidence—Dispute *re* dismissal or resignation—Granted in part—Travel Industry 441
Claim *re* contract of service—Alignment with pre-primary teachers employed by the Education Department sought—History—Concept of "like with like"—Adjourned *sine die*—Teachers (Kindergartens) 429
Claim that suspensions and subsequent dismissals unfair—Alleged breach of Mess rules—Events—Long standing practice—Lawful instructions disobeyed—Dismissed—Iron Ore Industry 463
Question *re* power of Commission to deal with matter pursuant to s.29 of I.A. Act—Dispute *re* existence of contract of employment—Work covered by award—s.29 only relevant to a claim in relation to a benefit not being a benefit under an award or order—Breach of award a matter for an Industrial Magistrate—Engine Drivers (Earth Moving and Construction) 461
Claim for payment upon termination—Events leading to termination—Conditions of employment unclear—Granted in part 444
Claim for payment in lieu of *pro rata* long service leave—Events leading to termination—Long service leave provisions of award—Unsatisfactory attitude towards supervision—Previous decisions—Question of misconduct—Dismissed—Hospital Workers (Government) 432
Claim for payment in lieu of *pro rata* long service leave consequent to dismissal—Matter referred to the Committee—Anti-social attitude of employee—Employer's right to terminate—*Ex gratia* payment recommended—Gardeners (Education Department) 431
Claim for payment upon termination—No award coverage—Contract of employment by the hour—Dismissed 462
Claim for payment for overtime worked—Verbal contract of service—No award coverage—Granted in part 442
Claim for payment upon termination—No arrangement *re* termination of contract of employment—Dismissed—Mining Industry 768
Claim for payment upon termination—Dispute *re* conditions of employment—Granted in part—Advertising 745
Claim for payment of commission upon termination—Written contract of service—Question whether agreed rate to be paid as a retainer or commission only—Dismissed—Sales Representatives 766
Claim for payment upon termination—Terms of contract *re* hours of work—Additional hours worked not required or authorised—Dismissed—Sales Representatives 767
Claim *re* unfair termination—Alleged threat against operations manager—Refusal of employee to perform work—Dismissed—Brick and Tile Industry 769
Claim for payment upon termination—Events—Dispute *re* written contracts guaranteeing minimum income—Question *re* capacity in which employee employed—Granted in part—Engineers 741
[2]Appeal against decision of Magistrate *re* failure to pay entitlements upon termination—Dispute *re* employer/employee relationship and award coverage—Previous decisions—Question *re* "right to control"—Dismissed—Building Trades (Construction) 526
Claim that "remedial assistance" be given to teachers before notice of termination issued—Established guidelines and practice *re* termination of "incompetent" teachers—*Status quo* to remain—Teachers (Independent Schools) 644
[2]Appeal against decision of Magistrate *re* breaches of award—Alleged failure to pay various entitlements upon termination—Claim that Magistrate erred in finding that the worker was not a worker within the meaning of the I.A. Act—Upheld—Complaints remitted back to Magistrate for further hearing and determination—Building Trades 529
Claim for re-engagement—Refusal to carry out work in accordance with the direction of employer—History—Nature of industry *re* permanent employment—Dismissed—Dental Technicians 1040
Claim for payment upon termination—Question *re* existence of a contract of employment—Granted 1013
Claim for payment of *pro rata* long service upon termination—Downturn in business—Question whether service continuous—Circumstances of case—Granted in part—Bakers 1024
Claim that termination harsh and unreasonable—Re-employment sought—Alleged fighting in the workplace—Previous decisions *re* misconduct—Employer's right to dismiss—Dismissed—Iron Ore Industry 1048
Claim for payment upon termination—Dispute *re* terms of employment—Quantum of "package"—Granted in part—Management Consultants 1013
Claim that summary dismissal unfair—Alleged that patient struck—Conflict in evidence—Question whether conduct of employee justified dismissal—Previous decisions—Dismissed—Hospital Employees 1421
Claim for payment upon termination—Employer's action justified employee leaving and not returning to premises—Granted—Stablehands 1405
Application to interpret Award *re* termination of employment and payment of less than award rates—Matter asked to be referred to Full Bench—Principal object of application to overcome applicant's lost right to appeal to Full Bench against decision in previous matter (CR682 of 1981) between same parties—Questions asked answered by Commission in previous determination—dismissed—Teachers (Kindergartens) 1403

CUMULATIVE INDEX—*continued*

Page

Termination—*continued*
[3]Claim for "Government Salaried Officers' redundancy Order" to apply to salaried employees other than Government officers in State public authorities and hospitals—History and previous decisions—"Government policy" *re* redundancy —Problem of whether general redundancy prescription would be fair and right in every situation—Conclusion only with respect to employees subject to "Government policy"—Refused—Government Salaried Employees 1138
Claim that termination unfair—Alleged reduction in work—No warnings *re* dissatisfaction with work—Failure on part of employer to recognise inexperience—Compensation ordered—Electrical Contracting Industry 1405
Claim for reinstatement—Downturn in business—Employee retrenched—Decision *re* "last-on first-off principle"—Question whether employee suitable for new position—Granted—Metal Trades 1413

Trade Unions—See Unions

Travelling
Claim *re* fares and travelling allowance—Rate payable on other sites—Decision *re* "banding"—Refused—Metal Trades (Construction—Special Provisions S.E.C.) 271

Unfair Discrepancy
[2]Appeal against decision not to extend allowance to workers other than tradesmen—History of matter—Allowance payable to all but a small number of a large workforce—Upheld in part—Water Supply (Kalgoorlie Pipeline) 12
Claim *re* reduction in working hours—Flow on from Metal Trades award sought—Practice—Decision of Australian Commission—Principle of uniform award provision to all employees in an industry—Question of exemptions—Electrical Contracting Industry 1286

Unions
[4]Application *re* performance of duties and functions of union secretary—Executive not presently a source of direction or authority—Concern with union property and accounts—Possibility of elections being ordered or otherwise held—Timber Industry Union 23
[4]Application *re* stay of operation of order—Act provisions—Inconvenience of "passive strike" to public—Question of hardship upon union in enforcing order—undue hardship not shown—Order to operate according to its tenor pending determination of appeal—Fire Brigade Employees 25
[2]Non observance of Commission Order—History of dispute—Failure to comply with return to work order and union rules —Provisions and objects of I.A. Act—Effect of strike on the community—Failure of union to show cause why registration should not be cancelled—Registration of union suspended and Award cancelled—Laundry Workers 327
[1]Appeal against Full Bench decision to alter Association's rules to cover employees in electronics industry—Dual coverage —History of award coverage—Nature of electronics industry—Technical objections—Union rules—Person authorised to make application—Steps taken to inform members—Purposes and objects of I.A. Act—Dismissed—Electrical Trades 511
[1]Appeal against majority decision of Full Bench *re* refusal to alter rules of Civil Service Association to permit Principal Prison Officers becoming members—Jurisdiction of Commission *re* Government officer—Proper tests to be exercised in respect to Full Bench's discretion *re* registration of alterations—Remitted to Full Bench to be dealt with according to law—Prison Officers 517
Dispute *re* union coverage for classification "heavy truck—field serviceman" and "senior serviceman"—Union Constitutions —Work of servicemen—Serviceman assists tradesman on occasions—Definition of tradesman—Skill or trade experience required—Salt Industry 1040
[2]Appeal against decision of Commission *re* coverage of certain employees—Criterion for membership of union—Previous decisions—Definition of "builders labourers"—Question whether employees employed in the mining industry or in some other industry—Character of the employment not in or incidental to the building industry—Dismissed—Builders Labourers 815
[2]Non observance of Commission order—Order *re* ceasing industrial action—Investigation by Registrar—Union to show cause why it should not be dealt with under s.74—Failure by union to direct compliance—Penalty imposed—Builders Labourers 826
[4]Application alleging the ineligibility of a candidate for an election of offices and of certain persons to vote therein—Exclusion from the ballot of disputed votes sought—Procedure could jeopardise secrecy of ballot—Stay of election ordered—Timber Industry Union 838
Claim for first award for clerical salaried staff employed by Hamersley Iron—History—Previous decisions—Objects of IA Act—Roles of unions and individual employee in overall scheme of IA Act—Industrial dispute—Award to provide minimum conditions for all clerical workers in Co.—Entitlement granted and parties to confer further—Matter relisted for progress report—Clerks (Hamersley Iron) 1001
[4]Claim *re* ineligilibity of a candidate for an election of offices and of certain persons to vote therein—Previous order—Rules—Question whether specified persons employed in industry—Dismissed—Election to proceed—Timber Industry Union 839
Claims that Australia Day holiday payment denied unfairly—Two employees left job to attend combined union committee meeting—Normal duties resumed after meeting—Award provisions and previous decisions *re* absence from work after public holiday—Granted—Iron Ore Industry 1415
[4]Application *re* observance of union rules—Grievance against union in connection with applicant's position with employer —Background—Conduct of union and union convener—Dismissed—AMWSU 1141

Utilisation of Contractors
Claim for additional payments for ex-employees—Employees replaced by contractors—Previous decisions—Compensatioon paid adequate—Dismissed—Transport Workers 1422

Victimisation
Claim for re-instatement—Alleged victimisation—Downturn in work—General practice *re* engagement of trade assistants—Refused—Metal Trades 294

Wage Indexation—See Indexation

Wages
[2]Appeal against decision not to extend allowance to workers other than tradesmen—History of matter—Allowance payable to all but a small number of a large workforce—Creation of anomaly—Upheld in part—Water Supply (Kalgoorlie Pipeline) 12
Claim for $50 p.w. allowance for certain employees—Rates paid in "Kwinana area"—Previous decision—Basis upon which rates have been erected—Granted in part—Metal Trades (CBI Constructors) 158
